Chapter 18 Despicable Trick

After Melissa had a rest and adjusted her mood, she went back to the company and started to work hard again.

When Melissa was busy with her work, someone went in. It was Harvey.

Melissa frowned and said coldly, "Harvey, you have to knock on the door before you come in."

Harvey laughed, "Other people need to knock on the door. I'm different."

Melissa asked, "Why are you different?"

Harvey smiled, "Because I'm your husband. I came here to visit my wife. Why do I need to knock on the door?"

"I've told you that you can't say I'm your wife in the company. Did you forget it?" Melissa frowned and said unhappily.

Harvey nodded and replied, "Yes, my dear wife."

"You say it again?"

"Yeah! I won't say it again, my dear wife."

"You!"

Melissa was almost lost for words. She had seen many shameful people, but she really didn't know how to deal

with Harvey.

When Melissa considered what she should do, her secretary rushed in hurriedly.

Bryanna Moran looked nervous and said, "Ms. Patel, something bad happened."

"What happened? Don't worry. Just say it."

Melissa frowned and felt a sudden thrill of foreboding.

"The bank called me and said... The loan approval process failed. The bank would not approve us for a loan."

"What? Didn't they agree on this loan before? Why did the bank regret it?"

Melissa was somewhat hurried. This loan was related to an important project in her

company.

Once this project succeeded, it would help the company much in the next three years. But they needed enough capital.

If they couldn't get the loan, the company was in danger.

"Bryanna, did the bank say the reason?" Melissa asked anxiously.

Bryanna replied, "No, they just said it failed."

Melissa frowned tightly and thought about what happened. "What's been happening?"

At this time, there was a presumptuous voice outside the door. "Melissa, do you want to know the reason? How about I tell you what happened?"

"It's you! Owen!"

Melissa frowned tightly and stared at him seriously.

Owen swung himself into the office proudly.

Owen would not come here in vain.

Melissa doubted this in her heart.

Thus, she asked indifferently, "Owen, did you do this?"

Owen sneered with a gloomy face. "Yes, I ask the bank to stop the loan."

Melissa's expression became colder. She said, "Owen, you're too mean. You actually use this despicable trick."

Owen put on a long face and scolded coldly, "Despicable? You force me to do so.

Harvey is just an ordinary delivery guy. You'd rather marry him, not me. I'll let you know the result of betraying me."

"Owen, watch your mouth. There's a cactus. Do you wanna try it again?"

Harvey pointed at the cactus on the desk and reminded Owen.

"Shut up, Harvey! You hurt my lower body last time. I have problems while I pee. I'll get to you later for this."

Hearing cactus, Owen became furious.

That day, his wound became inflamed and irritated. Owen came to the hospital. The doctor spent a few hours to clear out the spines of the cactus in his flesh.

Owen would remember this forever.

“Can you pee?” Harvey provoked Owen in a playful tone.

“Harvey, don’t talk nonsense in front of me. Today, I’ll let Beauty Skincare go bankrupt. I’ll let you lose all of your money and fame.” Owen stared at Harvey and scolded him. Harvey ignored his warning and sneered, “Heh, you don’t have the ability to let Beauty Skincare go bankrupt.”

“Is that so? You’re too naive and you don’t know about me.” Owen snorted and called someone.

“Come in.”

Owen gave the order on the phone. Soon after that, a man in a suit appeared. He was the manager of Oakus Bank, Brice Hodge.

“Mr. Hodge, why are you here?” Melissa frowned and asked with surprise.

“Ms. Patel, I’m here to inform you that since your company doesn’t have enough capital, our bank has decided to let you repay the loan early. If you can’t, you’ll be investigated for legal responsibility.” Brice put on a long face and said seriously.

“Mr. Webb, you have to give me an explanation.” Melissa’s face became ashen.

Now, the company couldn’t get the loan and had to repay early. It was really a difficult situation for the company.

Beside them, Owen crowed arrogantly, “Explanation? I’ll give you an explanation. Melissa, Brice is my people. I ask him to arrange for your company to repay the loan early. You are no match for me.”

“Owen, you’ve gone too far.” Melissa knitted her brows tightly and almost couldn’t suppress her anger.

“Gone too far? You’ve me! Haven’t you gone too far first? Melissa, you just have two choices now. First, you have to divorce Harvey immediately and marry me. I can promise that you’ll get the loan. Second, you don’t divorce and I’ll let Beauty Skincare go bankrupt.”

Owen said with a gloomy face. He wanted to drive Melissa up the wall and force her to divorce Harvey.

“Shame on you!”

Melissa was so angry that she couldn’t speak for a while. Owen obviously did this on purpose at this time.

Harvey patted her shoulder and comforted her, “Melissa, don’t be angry. I’ll deal with this.”

“You?”

Melissa frowned slightly. Even Melissa couldn't handle this. How could Harvey deal with this?

She was very curious.

Harvey turned around and sneered at Owen, “Owen, actually we have the third choice.”

“What?”

Owen knitted his brows and asked alertly.

“The third choice is that I'll beat you until you give up.”

After saying that, Harvey stretched out his arm and slapped Owen on his face.

“Ah!”

Owen cried out in pain and almost flew away. He fell on the ground heavily.

“Harvey... This is your solution?”

Melissa was stunned. Harvey was not solving the problem, but causing problems for her.
