Chapter 20 Garrett Tells the Truth

“Guess it?”

Harvey put on a wry smile. He didn't admit it, but he didn't deny it either.

“I...”

Brice was lost for words. Harvey obviously didn't want to tell him the truth.

Beside them, Owen put on a serious face and said unconvincingly, “Harvey, don't be too happy. You're just safe now. But as long as you don't divorce Melissa, I'll keep Purchase completed making things difficult for her.”

“Owen, if you want to make trouble for me, I'm here for you. If you want to make trouble for my woman, you'll end up like this.”

After saying that, Harvey lifted his foot and kicked Owen away.

“Ah!”

Owen cried out and flew away in a sad condition.

“Harvey, this is not the end. The Wood family will not let you go. Let's wait and see.”

Owen stood up from the ground and scolded angrily.

As the son of the Wood family, he was thrown like rubbish. If others knew about it, he would be so embarrassed.

Owen still kept cursing. Suddenly, Harvey said to Melissa, “Melissa, can you give me the cactus?”

Melissa was stunned and asked with curious, “Why do you need the cactus?”

“I'll send it to Owen.”

Harvey said with a grin. The next second, he grabbed the pot of the cactus and threw it out.

Crack.

The cactus flew out like a bomb. In an instant, Owen's scream sounded.

The cactus hit Owen's face and the spines of the cactus had stuck into his flesh. He

cried out in pain.

“No... My face... It hurts...”

“Harvey, just wait. I won’t let you go. Just wait and see!

“I’ll go back for you.”

While Owen was running away, he was still cursing.

Seeing Owen flee, Harvey curled his lips and sneered, “If you talk rubbish in front of me again, I won’t throw cactus but bricks.”

In the end, the bank fired Brice and agreed on the loan. They even provided a favorable policy with no interest.

Melissa felt as if she was in her dream.

Just now, she was worried that her company would go bankrupt. And now, the situation totally reversed.

Melissa looked at Harvey seriously and asked curiously, “Harvey, do you really know anyone in the head office of their bank?”

“Melissa, I can tell you the truth. But I have a condition.”

“What?”

“You have to allow me to sleep on the bed. You know that! always sleep on the ground recently. It’s not good for my waist. And the power of the waist is very important for men,” Harvey put on an evil smile and said.

“You don’t have to tell me.”

Melissa frowned slightly. She felt grateful that Harvey helped to solve the problems for the company. But soon, his mischievous style reduced her good feelings for him.

She thought maybe the head office was worried that Brice did things against the rules and would ruin their reputation.

It might have nothing to do with Harvey.

Owen felt wrong and ran away.

He got hurt by the cactus, so he went to the hospital.

After he got treatment, it was afternoon.

Owen was one of the Four Scions in Riverport. Now, he was like a drowned rat. If other people knew about it, how did

he show off in the future?

Owen couldn't endure it. He decided to ask the gangsters to help him.

Owen took out his phone and called someone.

"Hello? Kole, I want to find someone to help me deal with a loser. Do you have any recommendations?"

Owen called one of his hooligan friends.

"Of course, you can find Garrett. He's Mr. Kamron's people. Although Mr. Kamron now is retired, he's still powerful."

"Garrett? OK, help me contact him. Ask him to deal with Harvey for me. If he can do it, I'll give him 50 thousand dollars." Owen immediately named the price. As long as Garrett could deal with Harvey for him, Owen could even give him 500 thousand dollars.

"No problem. I'll help you contact him." Kole immediately agreed.

"Good."

Owen nodded with satisfaction and hung up the phone.

He curled up his lips and sneered with a gloomy face, "Harvey, you dare to throw a cactus at me. I'll let Garrett beat you to death."

Half an hour later, at the entrance of Beauty Skincare.

Harvey was on duty. Suddenly, a middle-aged man with tattoos rushed over.

The man walked to Harvey and said anxiously, "H... Harvey, I have something to tell you."

Harvey asked curiously, "Garrett, what happened?"

"Harvey, I just got a commission. Someone wanted to hire me to kidnap you with 50 thousand dollars. I'm loyal to you. As long as I got the commission, I come to you."

Garrett told Harvey about this matter and immediately told his loyalty.

Harvey pursed his lips and asked indifferently, "Oh? Someone wants to kidnap me? Who?"

Garrett replied, "Owen Wood."

"It's him? It seems that he doesn't learn from last time."

Harvey sneered and gave the order meaningfully, "Garrett, since he gives you 50 thousand dollars, just do as he says."

L...

of me

dare I to kidnap you?"

Garrett was scared and shook his head fiercely. He knew Harvey's strength. He didn't dare to fight with him.

Harvey smiled faintly and explained, "Garrett, don't be afraid. Let's just act and it's just a lure."

"Act?"

"Yes, act."

Harvey put on a meaningful smile as if he had some interesting plans.

Since Owen wanted to make trouble again, Harvey decided to teach him a lesson.
