In Love with a Wealthy Stunner by Callie Chapter 24

Chapter 24 Pick a Fight

When Pierre threatened to harm Melissa, a cold voice was heard outside the door.

“Who dares to threaten my woman?”

“Harvey?”

Melissa was stunned. She turned around and was surprised to see Harvey here.

However, Harvey’s presence immediately incurred the displeasure of the Patels.

“Is he the notorious deliveryman? I thought he was handsome. It turned out not to be the case!”

“Is Melissa blind? How could she choose such an unattractive guy over Owen?”

“Judging from the shabby clothes he is wearing, he must be broke!”

na

The Patels all taunted Harvey in a condescending manner, and no one respected him as a deliveryman.

“Prick, you’d better divorce my daughter as soon as possible. Don’t ruin her future. She is going to marry Owen and gain financial support from the Wood family,” Elaine snarled with a face like thunder.

“Since you know she is your daughter, have you ever considered if she is willing to marry Owen? Besides, she is a person, not a commodity that you use to trade! She should make her own decisions. You have no right to interfere!”

Harvey had never taken anything more seriously before than it was now.

Although their marriage was a sham, Melissa was still his legal wife.

How could he stand to watch the Patels objectify Melissa without doing anything?

Suddenly, Melissa trembled a little.

Something seemed to have smitten the wall that she built around her heart.

Because Melissa was adopted, no one wanted to defend her ever since she was a kid.

And Harvey was the first person!

“Watch your tone, punk! I’m your mother-in-law. Show some respect!” Elaine fumed. “I don’t care if you are my mother-in-law or my real mother. I will diss anyone who is being unreasonable!” Harvey was no pushover. He vehemently condemned his mother-in-law.

“You f u c k i n g b a s t a r d! How dare you speak to me like that? You are so contemptuous!” Elaine quivered. She felt her chest full of anger.

Then Pierre teased, “Elaine, you have such an amazing son-in-law. He even dares to defy you! If you don’t kick him out now, I’m afraid he is going to lord you over!”

“Melissa!! Look how disrespectful Harvey is! The sooner you divorce this ungrateful man, the better. He will only ruin your future,” Elaine commanded furiously.

“Mom! I won’t divorce Harvey!”

Melissa was determined, for she didn’t want to marry Owen or let her fate be at the mercy of the others.

“Stupid girl! How dare you talk back to me? I will slap you!”

Elaine seethed. She raised her hand, swinging her arm at Melissa.

Melissa subconsciously closed her eyes and clenched her jaw.

Elaine was about to hit Melissa’s face. Suddenly, Harvey appeared out of nowhere and seized Elaine’s wrist.

“I dare you to try!”

Harvey warned. He refused to let go of Elaine’s hand.

Melissa opened her eyes and found that Harvey had stopped her mother.

She looked at Harvey in disbelief. Unlike the playboy she used to know, right now, Harvey had taken his responsibilities as a mature man.

Melissa couldn’t recognize Harvey anymore. She thought he was a different person. She was completely struck dumb.

“Punk! Are you going to revolt? Let go of my hand!” Elaine bellowed. She struggled to pull back her hand, but her hand seemed to be welded in Harvey’s palm. She couldn’t break free.

“This is my last warning. Beat my woman again and I will cut off your hand!”

Harvey shot a ferocious stare at Elaine. That menacing look immediately sent a shiver down Elaine’s spine and made her face turn ashen.

Elaine thought to herself, "Holy moly! This is so terrifying. He is going to kill me!"

Elaine froze. Upon feeling intimidated, she swallowed her insults

Suddenly, Russell decided to say something. He kept a straight face and shouted with displeasure. "Harvey!! Stop making a scene here!"

"You are making a scene!"

"Ridiculous! If it weren't for your little scheme, would the Wood family have told the bank to refuse to lend us the loan?" Russell said crossly, his face darkened.

Harvey scoffed. "Who told you that the bank refused? Grandpa! You aren't so well-informed!"

"Harvey, don't get smart with us! I got the news this morning, saying the Woods had cut off our capital chain. Did no one keep you updated?" Pierre refuted.

"If I say the bank approved the loan and offered zero interest, will you believe me?"

Harvey's lips curled into a sneer.

"Harvey! We aren't fools! Melissa told us this just now, but we didn't believe her. What makes you think that we will believe you?" Pierre taunted with an arrogant look on his face.

"How about we make a bet?"

"What bet?"

Pierre asked cautiously.

"Whether the bank lent the loan. If it did, you kneel before Melissa and apologize!" Harvey said meaningfully and deliberately provoked Pierre.

"What if it didn't?"

"I will do whatever you say!"

"Deal! I didn't force you to take the bet! I want everyone to bear witness!" Pierre was suddenly in high spirits and continued, "If the bank didn't lend us the loan, you would lie on the ground and lick my shoes! I hope you won't be a coward and break your promise!"

"Whatever! You are going to lose the bet anyway!" Harvey wore an indifferent smile and said disdainfully.

"Don't get ahead of yourself! Great! Let's see how much you will enjoy licking my shoes later!" Pierre hissed.

"Humph!" Harvey sneered

He then turned to look at Melissa and said plainly, "Honey, tell Victor to come over!"

“Harvey, do you have to be this serious?” Melissa frowned. She seemed to be in a dilemma.

“Honey, since the Patel family never treated us fairly, I must teach them a lesson!”

Harvey waved his hands and said with indifference.

“Well, Harvey! You are such a poser! Just who do you think Melissa is? Do you think she can get Victor here? Stop bragging!” Pierre teased.

Harvey shrugged and sighed, “Honey! Hear what they said. Now you know why I have to be serious. They are just so ignorant!”

“Fine!”

Melissa heaved a sigh. She didn't plan to embarrass Pierre, but Pierre kept being a nuisance. She had to fight back.
