In Love with a Wealthy Stunner by Callie Chapter 25

Melissa had no choice but to call Victor.

The call went through rapidly.

“Hello, Mr. Crane. Would you come over now? Yes... I’ll be waiting.”

Melissa ordered indifferently and ended the call swiftly.

Pierre tutted and said mockingly, “Melissa, you two are perfect for each other. Both of you like to brag. Are you really going to continue this shameless act?”

“Uncle Pierre, I’m not acting. I called Mr. Crane.” Melissa shook her head and explained curtly.

“I don’t believe you. If you knew Mr. Crane, why couldn’t you get the loan before?”

Pierre said sarcastically, his look full of contempt.

“Melissa, be practical. We won’t buy your story just because you called a random person and put on a show. We’re not children,” Russell scolded with a gloomy expression.

“Grandpa, I....”

Melissa tried to explain herself, but Elaine cut her off by shouting accusingly, “Your Grandpa is right, brat. Stop acting. Tell Harvey to admit defeat and lick Pierre’s shoes.”

“Mom, not you too.” Melissa frowned and felt helpless.

Harvey smiled and said, “It’s fine, honey. Facts speak louder than words. They’ll know we’re not lying once Mr. Crane gets here.”

“OK.”

Melissa stopped trying to defend herself and just waited quietly for Victor.

Pierre taunted Harvey, “Harvey, why don’t you quit this ridiculous act now? If you know what’s best for you, you should get on the ground and start licking my shoes. I may only ask you to clean one of them if you please me.”

“Don’t be so smug. You may be disappointed later.” Harvey warned Pierre with a pointed look.

“Disappointed? You’re just a delivery guy. How are you going to win our bet? Don’t forget that we said whoever goes back on their word must die! The same goes for his family. You’re not backing out of our deal,” Pierre said confidently, keeping his nose up. “Really?”

Harvey smiled meaningfully as he laughed at Pierre’s stupidity inwardly. Soon, a man in a suit came.

The newcomer was no other but Victor, the head of Oakus Bank.

The Patel family were all stunned by his presence.

“Wait. Is he ... Mr. Crane? He’s ... here?”

“No way. Does Melissa really know Mr. Crane?”

“Unbelievable! Since when did Melissa become so powerful?”

At that moment, the Patel family all froze in place. None of them could believe their eyes.

“No... no way! Mr. Crane must just be passing by...” Pierre shook violently with a disbelief look.

However, reality gave him a hard blow and shattered his last hope.

Victor walked up to Melissa humbly and asked politely, “Ms. Patel, what can I do for you?”

“Mr. Crane, my family refused to believe that you agreed to give me a loan. Tell them,” Melissa ordered aloofly.

“Yes.”

Victor nodded and turned to face the Patel family. “Guys, the Oakus Bank has approved the loan to Beauty Skincare. And the loan doesn’t have an interest. By the way we’re going to give Beauty Skincare 1.6 million dollars as a second loan. It’s also interest-free.”

“What? Is ... it true?”

...

“Amazing. They’re going to give her another 1.6 million dollars with zero interest. This is ... great.”

“I wish I could have something so nice happen to me.”

The Patel family members were shocked and envious.

“No...no way!! How can this be real? Melissa is just a nobody. Why... would Mr. Crane help her?”

Pierre's face fell as he still refused to accept the reality.

“Pierre, looks like you lost. According to our bet, you should kneel down and apologize to Melissa now.” Harvey sneered as he humiliated Pierre in front of the Patel family.

“What bet? I ... I don't know what you're talking about.”

Pierre's face turned pale due to anger and he wanted to break the promise.

“Are you going back on your words? But you just said whoever did that should die. So does his family. Do you want to kill the whole Patel family?” Harvey scoffed and mocked Pierre.

“Nonsense... Why would I want to hurt my family?” Pierre flushed angrily.

“Your vow will curse them once you break your promise. Am I right, Russell?” Harvey deliberately looked at Russell.

Russell wore a dangerous expression and commanded curtly, “Pierre, you lost. Apologize to Melissa.”

“Dad. Really?”

“What? Do you want to curse us?” Russell was superstitious and always avoided anything ominous.

“Dad, I-I...”

“Hurry up and apologize. I'll kick you out of the Patel family if you don't apologize immediately.” Russell threatened Pierre in a dark tone.

“No... I'll apologize.”

Pierre was scared. He was the next family head. If he got kicked out, all his hard work would go to waste.

Therefore, Pierre gathered his courage and said rigidly with a blank face, “I'm sorry.”

“Pierre. You didn't kneel.” Harvey forced Pierre to fall to the ground with a sweep.

Pierre's knee buckled and he knelt on the ground with a loud sound.

“That's more like it.” Harvey laughed smugly.

Melissa thought, “He's relentless.”

She frowned slightly. She thought Harvey had matured. It turned out Harvey was still the same sloven man.

“Harvey, I'll make you pay back ten times for the humiliation I suffered today. Just wait.”

Pierre's face darkened. Harvey had ruined his reputation in the Patel family by forcing him to kneel in public.

As Pierre was brooding and planning his vengeance, someone ran in and shouted, "Mr. Russell, the Wood family is here."

"What? The Wood family is here?"

Russell jumped, worrying that Stuart was here to seek revenge.

Pierre glowed as he yelled excitedly. "Harvey, I don't have to wait to get my revenge. My chance has come."
