In Love with a Wealthy Stunner by Callie Chapter 30

Willy thought Harvey was merely a guard and didn't take him seriously.

"Guys, follow me. Let's teach that punk a lesson."

Willy stood up and headed toward Harvey with his sidekicks in tow.

ants to trouble that kid. Should we still go and beat that kid?" an underling asked curiously.

"Let's wait and see." Willy raised his hand, signaling his men to wait. He had to see the situation clearly before deciding whether to make a move or not.

Meanwhile, Jenifer led her men to surround Harvey and the others in layers.

"Harvey, I..... I was right. Jenifer really wants to cause trouble for us.

Her cousin... Her cousin is the famous Derek." Hank was trembling with fear, his eyes filled with panic.

Derek was Riverport's famous gangster.

Due to his dirty methods and ruthlessness, the other gangsters were polite to him.

After all, when Derek was mad, he was scary.

"Hank. Don't worry. I'll handle everything." Harvey purposely lit a cigarette, but he had just tried to light it when it was knocked off by Jenifer.

"Ba s t a r d! You're still in the mood to smoke now? I'll make you suffer tonight." Jenifer was furious.

"Then how do you want to deal with me?" Harvey smiled playfully with no sign of panic on his face at all.

And at that moment, Derek came. He was dressed in a white suit and had gold teeth in his mouth, looking like a bigwig. He scolded with a serious face, "Brat. In my territory, you are the first man who dared to reject Jenifer. Now, I'll give you two choices. Be Jenifer's boyfriend, or I'll break your legs. It's up to you."

Harvey spread his hands and said with a disdainful look on his face, "Then you might as

well break my legs. Jenifer's as old as my mom."

"Derek. You heard him. He actually thinks I'm old... You must do me justice," Jenifer said, feigning an aggrieved look.

Derek patted his chest and said with an air of confidence, "Jenifer. Don't worry. This kid will definitely be yours tonight."

Then, he turned around, scowled, and said coldly, "Brat. Do you want to ask for trouble? I'll ask you one more time. Are you willing to be Jenifer's boyfriend?"

"Bro, be a man with a conscience. Jenifer looks so scary with her makeup. If you were me, would you be willing to say yes?" Harvey said with a playful smile.

"F u c k. It seems that you are very stubborn. In that case, I'm going to do something forcible tonight. Someone, tie up this kid and take him to Jenifer's room," Derek ordered loudly with a sullen face.

"Derek, you're so awesome.'

Jenifer excitedly licked her thick lips and stared at Harvey with lust.

At that moment, Hank, who was on the side, saw that Derek's men were about to make a move.

Hank rushed forward and said, "Derek, why... why don't we do it this way? What do you think of me? How about... I stay with Jenifer? As long as you are willing to let Harvey go, I ... I'll be Jenifer's boyfriend."

"You're ugly and fat. You don't deserve Jenifer at all. Get the hell out of here."

Derek was so angry that he slapped Hank, making Hank's mouth bleed.

"Hank... Are you alright?"

When Harvey saw this, he frowned in anger.

"Yes... Harvey." Hank had wanted to help, but as a result, he was slapped. He felt depressed.

At that moment, Harvey helped Hank up, turned over, and said coldly to Derek, "I'll give you three seconds to think about it. Hurry up and apologize to my friend, or I'll fix you."

Derek laughed.

"Are you an idiot? How dare you ask me to apologize to this fatty? Does he deserve it?"

Derek did not take Harvey's words seriously at all.

"Three.

"Two.

“One...

“Time’s up. You missed your chance.”

After Harvey said that, his eyes became sharp.

The next second, he grabbed a wine bottle and smashed it at Derek’s head.

Instantly, the bottle hit Derek’s head. The glass shards flew to the ground while Derek’s head bled, blood flowing all over his face.

“Derek...”

Jenifer was shocked at the sight of this. She had never thought Harvey would dare to make a move.

“Son of a bitch! You’re done for. How dare you hit me? Come on, guys! Beat him up. If anything happens, I’ll take the blame alone.” Derek was furious and couldn’t contain his anger.

“Got it.”

The gangsters responded in unison and swarmed over.

“Harvey. What should we do now? They’re going to ... fight us.” Hank was so scared that his face turned ashen. He flopped to the ground in terror.

“What else can we do? Just beat them.”

After saying that, Harvey took the lead and rushed over to strike.

He swung his fists at the gangsters.

The gangsters groaned.

“Help... Help! Derek, help me...”

Harvey was like a tiger jumping into the sheep pen.

He violently hit these punks.

The opponents were numerous, but they were no match for Harvey. Within moments, they were all knocked to the ground. Their faces were swollen and bruised, and their heads bled.

“My goodness... Harvey. You’re so good at martial arts!”

Hank was stunned. Harvey fought a dozen punks alone. He was even more powerful than the martial arts stars in movies.

Hank thought, “Harvey’s amazing!”

He was full of admiration for Harvey.

“Unbelievable! This handsome guy is so strong. Derek, I like him so much. You must get him tonight. He’s my man.”

Jenifer was thrilled as if she had discovered a new continent. Her eyes lit up all of a sudden.

“Jenifer, I’ll do my best,” Derek said awkwardly.

Harvey had such horrifying skills. He was not easy to deal with.

Derek thought, “Harvey is acting arrogantly on my turf. If I don’t teach him a lesson today, how can I lead my gang in the future?”

Derek scowled and said coldly, “Brat, I didn’t expect you to have some skills, but don’t get too carried away. I can’t screw y o u, but my godfather can.”
