Chapter 36 Ask a Woman to Seduce Me

Harvey had drunk the wine with stimulant drugs. The only thing Candice needed to do was to wait for the drug to take effect.

It didn't take long before the drug took effect.

Harvey shook his head. His expression was slightly painful.

After Candice saw this, she chuckled to herself. "Wonderful! It finally works."

She seemingly asked with concern, "Harvey, what's wrong?"

"I suddenly felt a little dizzy. It's strange... I can usually drink more. Why tonight... Uh?"

Harvey hadn't finished his words before he slumped on the table, seemingly unconscious.

"Harvey? Harvey? Are you okay? Wake up!"

Candice deliberately shook Harvey's body a few times. But no matter how hard she shook him or shouted, Harvey didn't respond at all.

Only at this moment did she firmly believe that Harvey had lost consciousness.

"Huh! Harvey, you bastard. You didn't expect this, did you? I'll show you what I can do today!"

Candice laughed hard. She even called Harvey a bastard.

She didn't know that Harvey was pretending to be unconscious on purpose.

"What can she do? Will she try to sleep with me? When the time comes, should I resist or accept her?"

Forget it. I'll see."

Harvey thought in his heart.

Not long after, Candice asked someone to carry Harvey to the hotel.

Harvey thought, "Wait! Why did she bring me to the hotel? Did she really intend to sleep with me?"

Harvey was dumbfounded.

Just when he was wondering, a woman walked out of the bathroom. Harvey glanced at

her secretly.

The woman looked average, but she was plump. She was dressed se x y like a prostitute.

“Wait! Two women? Did Candice want to have a threeso m e?” he wondered.

Harvey was more surprised. He didn’t believe that Candice would be so bold.

As he was suspicious, Candice stuffed a stack of cash on the woman. Candice said seriously, “I will bring my friend over, and you must act well. If my friend asks, you just say it’s Harvey who seduced you. Do you understand?”

Candice went through so much trouble just to make Melissa misunderstand Harvey. Melissa said before that Harvey had social gatherings. It was normal for him to have female perfume fragrances and lip marks.

If Melissa found Harvey having sex with another woman, she wouldn’t trust Harvey so much.

Once Melissa found out that Harvey was cheating on her, she would definitely divorce Harvey. Then Melissa would be able to completely get rid of Harvey.

Candice’s plan went smoothly. But she didn’t expect that Harvey’s body was invulnerable to all the poisons. The drugs wouldn’t affect him at all.

“Dam n! What a devil woman! She is so cruel. She even asked a woman to seduce me.”

Harvey cursed in his heart.

Not long after, Candice left the scene, as if she was going to find Melissa.

Only Harvey and the woman Candice hired were left in the room.

The woman walked to Harvey when she was taking her clothes off. When Harvey was about to stop her, the woman shouted in surprise.

“Ah! Isn’t this ... Harvey?”

Harvey thought, “Wait! Does she know me?”

Harvey was startled. He opened his eyes and sat up.

“Ah!”

The woman suddenly fell to the ground.

“Harvey, haven’t you lost your consciousness? Why did you suddenly ... wake up?” The woman asked with surprise.

“I haven’t at all. Do you know me?” Harvey frowned and looked at the woman with a puzzled expression. He didn’t know this woman at all.

“Harvey, I’m working at Derek’s bar. I was there that night you beat him hard. Harvey, I’m sorry. I didn’t know it was you. Otherwise, I wouldn’t have agreed to help her.”

The woman hurriedly admitted her mistake.

Candice’s plan would fail tonight.

A sneer appeared on the corner of Harvey’s lips. Candice never expected that this woman would know him.

Candice went too far. Harvey decided to teach her a lesson.

Harvey deliberately put on a serious face and said coldly, “I can let you go. But you have to help me with something.”

“Harvey, I’d do whatever you ask me to. Just tell me what I need to do.” The woman hurriedly nodded, afraid Harvey would lose his temper.

She couldn’t afford to offend a man Demarcus was afraid of.

“When they come, you…”

Harvey told her about his plan.

Melissa answered Candice’s phone and hurried to the hotel.

“Candice, why did you ask me to come here?” Melissa asked in surprise.

“Melissa! Hurry up and come with me. I just saw Harvey entering the hotel with a woman in his arms. He must have cheated on you.”

Candice lied.

Did Harvey really cheat on her?

Melissa frowned. She was a little unconvinced, but she didn’t have the confidence to refute anything.

They had a fake marriage. Before marriage, they made an appointment not to interfere with each other’s love affairs.

“Candice, this is his right. I have no right to interfere with his love life,” Melissa said coldly.

“Darling, he’s your husband. Why don’t you have the right to interfere? You have to know that men can’t be left alone. Once they are, they’ll forget who they are. I know you can’t bear to scold him. It’s okay! I’ll scold him for you tonight and make sure he feels ashamed.”

Candice dragged Melissa to the hotel.

Melissa didn’t want to go in, but she wanted to see if Harvey really betrayed her.

They promised not to interfere with each other's affairs. But since she hadn't betrayed Harvey, Harvey couldn't do this to her.

Melissa entered the hotel anyway.

Soon, they arrived at Harvey's room.

Bang! Bang! Bang!

"Harvey, you two-timer! Hurry up and open the door! Now!"

Candice slammed on the door and shouted.

Not long after, the door opened.

At this time, without waiting for Harvey's reaction, Candice pushed open the door with one hand and forced her way in.

"Melissa! Hurry up and see how disgusting this sc u m b a g is..."

Candice pointed to the bed inside, only to find that it was neat, without any trace of movement.

"Wait! Where are they?"

Candice was dumbfounded on the spot. Her eyes widened. She couldn't believe what she saw.
