Chapter 37 I'm a Puppy

"Candice, what are you yelling about? I didn't see anyone." Harvey spread his hands and pretended to be innocent.

"Candice, did you see things? Why didn't I see anyone?" Melissa asked with a surprised face, but in her heart, there was an indescribable sense of relief because nothing worrying had happened.

"Harvey, stop pretending. I saw you come in with a woman. Did you hide her away?" Candice was a bit puzzled. The plan worked. How come the woman was missing? So, she searched everywhere in the room.

But after she was done, she didn't find anyone.

That was too strange! Where was that woman? Didn't they have an agreement? How come she was gone?

At this moment, Candice was stunned on the spot.

At the same time, Harvey lit a cigarette, took a puff, and spat out the smoke with a gloomy face.

"Whew!"

Under the lingering smoke, he looked more and more despondent.

He sighed with a dejected expression and said, "Candice, I know you have a problem with me, but I only love Melissa, and the heavens can see my sincere heart! However, you wrongly accused me, an innocent person. How could my wounded heart heal?"

"Harvey, you're the one making a false accusation. You're lying! I'm drugged..."

Candice was so angry that she almost mentioned her plan.

Fortunately, she reacted in time and shut up.

Melissa asked with surprise, "Candice, what did you want to say just

"N-nothing! Melissa, you must have misheard!" Candice smiled awkwardly, then changed the topic and said, "In short, Harvey is not a good person. He must have known that we were coming, so he told that woman to leave. You can't believe him. He's a jerk!"

Harvey thought, "You still want to slander me, don't you? Good! I'll expose your plan then!"

Harvey thought like this in his heart.

Then, he said with a disdainful face, "Honey, Candice wanted to say that she drugged the wine and then used a honey trap to frame me!"

Candice was shocked and thought, "Wait! Wasn't he unconscious? How did he know about my plan?"

Candice's expression became a little nervous.

But how could she admit it?

So, she shook her head to deny it and lied, "That's nonsense! I-I didn't do that!"

"Harvey! Don't wrong her. Candice is a good-time girl, but she wouldn't do such a ridiculous thing. I believe her!" Melissa said with a

cold face.

"Harvey, did you hear that? Melissa knows me well! Don't you try to wrong me!"

Candice instantly became confident.

Anyway, that woman was gone. With no witnesses around, Harvey couldn't do anything to her.

Seeing her complacent look, Harvey smiled more meaningfully. "Candice, how about we make a bet?"

"Bet on what?"

"Let's bet on whether or not you drugged me. If you did, you can't deduct my salary again and when you see me, you have to respectfully call me Mr. Turner! Do you dare to bet with me?"

Harvey smiled meaningfully and lured Candice into the trap step by step.

As for Candice, she thought that there were no witnesses, and her best friend believed in her, so she was not worried about losing.

So, with a confident look on her face, she said, "I accept it. Do you think I'm afraid of you? What will you do if you lose the bet?"

"You can ask me to do anything!"

"Good! If you lose, you will immediately divorce Melissa. Don't waste her time!"

Candice took the opportunity to threaten Harvey.

"No problem."

The smile at the corner of Harvey's mouth became even more meaningful.

"Melissa, you heard the bet. The one taking back his words will be a puppy!" Candice said confidently.

At this time, Harvey took out his phone, dialed the prostitute's number, and flatly instructed, "Come in!"

As a result, it didn't take long for the woman to show up.

Wait! Why did she come back?

Candice was shocked. She never expected the woman to come back.

However, what happened next shocked her even more.

The prostitute kneeled in front of Melissa, and with an expression of regret, she said, "Ms. Patel, I'm guilty, and I'm sorry! I almost hurt you!"

"What? Young lady, what are you talking about? Why did you apologize to me?"

Melissa was a bit surprised because she didn't recognize the woman.

"Ms. Patel, Candice gave me 500 dollars and asked me to frame Mr. Turner with a honey trap, but he is the best man in the world. How can I frame such a good man just for money? So, my conscience got me to expose Candice's trick!"

The prostitute followed Harvey's instructions and accused Candice.

"You're talking nonsense! I don't even know you! I see. You must have colluded with Harvey to wrong me, right?"

Candice bit the bullet and denied it with a firm expression.

"I'm not lying! Ms. Patel, if you don't believe me, take a look at my chat records!"

After saying that, the prostitute showed her trump card. She showed the chat records on her phone to Melissa.

Melissa took a few glances at it, and she frowned even more.

"Candice, you were too outrageous!"

After that, Melissa turned away angrily as if she felt that Candice had gone too far.

"Melissa, listen to me! Things are not what you imagined! Melissa, don't leave..."

Candice regretted it. She also knew that she had gone too far.

At this time, an evil smile was at the corner of Harvey's mouth, and he said with a face full of ridicule, "Evil people will be punished in the end. It's just a matter of time.

Candice, you finally had this day coming!"

"Harvey, it's too early to be smug. I'll defeat you sooner or later!" Candice huffed and

protested.

“Candice, what did you just call me?” Harvey asked with a disdainful face.

Candice retorted, unconvinced. “I called you Harvey! Is there a problem?”

“Of course! Have you forgotten the bet we made just now? We agreed that if you lose, you have to respectfully call me Mr. Turner. Have you forgotten that?” Harvey deliberately raised his eyebrows a few times and said provocatively.

“What bet? I don’t know what you’re talking about!” Candice decided to act shamelessly and refused to admit it.

“Candice, are you taking back your words? But you said that the one who regretted it would be a puppy!” Harvey deliberately angered Candice and said in a teasing tone.

“I take back my words! I am a puppy! Okay?”

“Woof! Woof!”

Candice was so angry that she almost exploded, and after she barked a few times, she turned her head and left.

Seeing Candice’s action, Harvey sighed and said with a bitter smile, “Women just like to be sore losers, especially beautiful ones!”
