

In Love with a Wealthy Stunner by Callie Chapter 38

In Love with a Wealthy Stunner by Callie Chapter 38

Chapter 38 You'd Better Stay Away From Her

Early in the morning the next day, Harvey just arrived at the company when Roslyn came over with breakfast in her hand, smiling. She greeted him, "Good morning, Harvey!"

"Good morning, Roslyn!" Harvey said with a smile.

Roslyn asked, "Harvey, have you eaten breakfast?"

"Not yet."

"Good! This is the breakfast I prepared for you. Eat it while it's still warm."

Roslyn gave the breakfast to Harvey.

Last time, Harvey stopped Barry from harassing her. Roslyn was grateful for that, but she hadn't thanked Harvey

So, early in the morning, she prepared breakfast for Harvey as a gift.

"Oh, Harvey, you're quite charming. A beauty gives you the breakfast she made early in the morning. Be careful, or Melissa will know about it."

Hank also arrived at the company. He approached them while gossiping. Leaning over, he took a sniff and almost drooled.

"You fatty, get lost!" Harvey gently kicked Hank's ass and cursed with a smile.

"Haha!"

Hank laughed awkwardly, then went to stand guard.

100% Bonus

Roslyn asked curiously, "Harvey, why did Hank say that you couldn't let Melissa know about this?"

"Well, the company's regulations say that we are not allowed to eat breakfast at work. I think that's what he was talking about!" Harvey smiled awkwardly. He knew what Hank meant.

"I almost forgot the regulations! Harvey, no one is around right now, so hurry up and eat it while it's still warm." Roslyn didn't suspect this answer and reminded Harvey.

"Okay."

Harvey nodded, then opened the lunch box and took a sniff. "It smells so good! Whoever marries you must be blessed!"

"Harvey, you're making fun of me again!" Roslyn's pretty face blushed, and she shyly lowered her head.

Roslyn was just too shy!

Harvey shook his head and smiled resignedly.

Just as he was about to eat breakfast, someone stopped him. "Hey, the rules say that you can't eat breakfast at work. Do you want to be punished?"

What?

Harvey was stunned. Then, he looked up and saw a young man wearing glasses walking over. He was wearing a suit and a white shirt, and on his wrist was a valuable watch.

"Maxwell? Why are you here?" Roslyn frowned and asked in surprise.

Maxwell Gallagher glanced at the breakfast.

In the pink box, food was neatly laid out. It could be seen that the food was made by a girl.

The reason why Maxwell came to the Security Department was that he found Roslyn getting close to Harvey and that she enjoyed talking with him.

He had been pursuing Roslyn. He sent her flowers and gifts, but Roslyn didn't even look at him.

However, she prepared an exquisite breakfast for a security guard,

Did it mean that he was inferior to a mere security guard?

Thus, Maxwell asked with a serious face, "Roslyn, did you prepare the breakfast for him?"

"That's right. Is there a problem?"

"Roslyn, you know the rules, but you still violated them. Someone once brought breakfast to work. He was publicly criticized and had his monthly bonus deducted, so, before anyone finds out about it, I'm going to dump the breakfast for your good."

After saying that, Maxwell didn't give Harvey the time to react. He picked up the

breakfast and dumped it.

“Maxwell, how can you dump the breakfast?”

Roslyn was furious. She got up early in the morning to prepare breakfast for Harvey, but in the end, Maxwell didn't even ask her opinion and threw it away.

“Roslyn, it's okay. You don't have to be sad.” Harvey saw Roslyn's beautiful eyes shining with tears, so he comforted her with a smile.

“Harvey, it's all my fault! I'm sorry!” Roslyn sobbed and had a sad look

on her face.

“It's fine. I can go to your place some other day and taste your cooking.” Harvey reached out, caressed her hair, and said soothingly.

Roslyn's mood improved a lot, and she asked with an expectant expression, “Really? That's great! Harvey, what do you like to eat? I'll cook for you!”

“I like everything you cook.”

“Okay!”

Looking at Harvey and Roslyn as they chatted and laughed, Maxwell felt like he was ignored.

So, he coldly said, “Harvey, come with me! I have something to say to you!”

Roslyn knew that Maxwell was narrow-minded, and she was afraid that he would treat Harvey as a love rival, so she asked warily, “Maxwell, what do you want to do to Harvey?”

“Roslyn, I just have some questions for him. Are you afraid that I will hit him? Even if we're in a fight, can he beat me?” Looking at Harvey's thin figure, Maxwell, who worked out a lot, was disdainful.

Harvey was so thin. He could take care of him with just one finger!

Harvey sneered disdainfully.

However, he didn't bother to sink into the level of such a jerk. He smiled at Roslyn and said, “Roslyn, I'm going out!”

Soon, Maxwell and Harvey walked out.

“Maxwell, what do you want to say to me?” Harvey asked with an indifferent and cold smile.

“Harvey, you're just a security guard who doesn't have money or power, so, I suggest

you not even think about being with Roslyn. You don't deserve her!" Maxwell declared his attitude, trying to oppress Harvey.

Harvey smiled disdainfully and asked back, "Do you think you are worthy of her?"

"Who will deserve her if I don't? Do you know how much this watch costs? 50 thousand dollars! The components inside are worth as much as your monthly salary. Not only that, my family has cars and houses. I live a carefree life, and my cousin is the manager here. If you still want to be with Roslyn, I'll make you suffer!"

Maxwell deliberately showed off his superiority. His tone was filled with arrogance.

"Are you done? If you are, get the hell out of here! I have to go to work!" Harvey smiled disdainfully and said indifferently.

What?

Maxwell was a bit puzzled. He had threatened Harvey, so he was supposed to be obedient. What he couldn't figure out was that Harvey didn't take him seriously.

"Harvey! I've said what I want to say. Behave yourself!"

Maxwell's face darkened, and in his heart, he had long since had a grudge against Harvey.

But at this time, Roslyn ran over in a panic, then said nervously, "Harvey, my father owed a debt because of gambling, and the casino asked me to go over to bail him out. Can you go with me?"

"Sure."

Harvey frowned. Roslyn's family was already in a difficult situation, but her father still gambled. He wasn't a real man.

Just as Harvey was about to leave with Roslyn, Maxwell stopped them. "Roslyn, wait!"
