Chapter 7 Rush Into Matrimony

Harvey thought, "You want me to go?"

"You've risked your life to protect me. If I leave, I'll be a total jerk."

"I have always been the knight for pretty girls and not the other way around. Just sit tight and watch me!"

Harvey scoffed.

The next, he swerved around Melissa and beat up the bodyguards violently.

His movements were so fast that others could hardly see him!

Huge sounds suddenly rang out.

He was nowhere, and he was everywhere!

In an instant, he easily beat the bodyguards that had been murderous earlier on the ground.

Their faces were bruised and swollen, looking miserable.

"You.. know how to fight?" Melissa looked at Harvey in amazement and shock.

The Patel family's bodyguards were well-trained, professional, and first-class. Yet they couldn't stand for more than a few seconds in front of Harvey.

"It's nothing," Harvey smiled and said jokingly.

Billy was aside, and he was shocked. He thought, "What the f u ck? You call this nothing?"

"You're so good at it! This isn't nothing at all!"

Harvey turned around and looked at Billy with a half-smile.

Under Harvey's gaze, Billy was frightened utterly. With a look of fear on his face, he said, "Don't... get carried away, brat. You know some fighting skills, and that's all. The Patel, family has more ways than you can imagine to doom you."

"I don't give a da mn about your ways. For me, there's only one way to cope with you. I'll rely on my fists. If one punch isn't enough, then there's one more!"

A smile crept over Harvey's lips. The next moment, he punched Billy in the face.

Billy screamed on the spot.

His mouth was full of blood, and Harvey had knocked his front teeth off.

No matter how despicable Billy was, still, he raised Melissa up.

Melissa was about to step forward to check on Billy, yet he pushed her away.

“Piss off! I don’t have an ungrateful daughter like you!” Billy cursed angrily, not recognizing her.

“Dad, I...”

Melissa was extremely upset.

Meanwhile, Billy tried to hold back the pain and warned with a grim look on his face,

“Harvey, I’ll spare your life today. Some other day, I’ll definitely kill you. This isn’t over!”

After the harsh words, Billy took his bodyguards and fled very embarrassedly.

“Damn! You got cold feet. Stop pulling a stunt!” Harvey couldn’t help but say.

Looking at Billy’s disappearing figure, Melissa frowned, and her face was solemn.

Harvey mistakenly thought that she was sad, so he comforted her and said, “Don’t be sad. You don’t have to

feel sad about a heartless father like that.”

“Thank you for your comfort.”

Melissa smiled bitterly. Her beautiful eyes were no longer glowing, and there was a sad look within.

Instead of saying another word, Melissa walked away in a daze.

“Where are you going, pretty?” Harvey asked worriedly.

“Where can I go? I’m going to get someone for my fake marriage. I’m not marrying Owen!” she said and smiled bitterly.

With that, she walked on dejectedly.

Seeing her like that, Harvey felt sorry for her.

In fact, he was an orphan as well. Had he not been adopted by an old man and learned great skills, he would have starved to death in the streets already.

He had some sympathy for Melissa emotionally.

A few minutes earlier, Melissa was willing to die to protect him, which showed that Melissa was a kind-hearted person.,

And most importantly, Melissa lost her virginity to him. Wouldn’t he have no conscience if he didn’t help her now?

He figured, “Forget it.

“It’s a fake marriage anyway. I might as well just think of it as a game.”

Therefore, he said loudly, “I’ll marry you!”

Melissa’s delicate body shuddered, and she stopped. She turned slowly, frowning, and then asked quizzically, “What did you just say?”

“I’ll marry you. But…”

“What?”

“But the price has to be renegotiated.”

Harvey grinned, looking like a miser.

After they agreed on a price, they initialed an agreement. They would divorce in a year, and when the time came, they owed each other nothing.

Soon, they went to City Hall.

After getting the certificates, seeing that Harvey was unemployed, Melissa asked him to come to the company as a security guard.

Harvey figured that where he worked didn’t matter, so he agreed.

Melissa gave him the address of the company, explained a few things to him, and then drove away.

He wanted her to give him a ride, yet she simply drove away.

Harvey figured that it made sense that she was so cold and indifferent. After all, it was a fake marriage, and she lost her virginity to him.

Then he went to Beauty Skincare’s interview by car alone.

Perhaps Melissa had already talked to the company’s staff. Anyway, Harvey started that day.

On his first day at work, he mainly spent his time getting familiar with the company’s business.

At the end of the day, he received a text from Melissa, telling him the home address and asking him to go home himself.

At first, Harvey wanted her to give him a ride, yet he gave up after seeing the text.

He had no choice but to go back to the villa on his own.

As soon as he entered the villa, his ears twitched. He vaguely heard a strange sound coming from a room on the second floor.

“Thieves?”

He couldn’t help but wonder. To find out, he tiptoed up to the second floor.
