In Love with a Wealthy Stunner by Callie Chapter 9

Chapter 9 Candice's Suspicion

Melissa said coldly, "Since you and I are fake married, let's put on a full show. We can't let Candice notice anything unusual, because she's very outspoken and might accidentally spill the beans."

Harvey asked, "So?"

Melissa said coldly, "So, we'll sleep together!"

"What? No!" Harvey shook his head. He thought, "This is a fake marriage. I'm not a gigolo! What kind of man do you think I am?"

Melissa frowned and asked, "Why not?"

Harvey shook his head and said without mercy, "Honey, have you forgotten what you said when we got married? You made it crystal clear that I'm not allowed in your room, and you threatened to kill me if I dared. Now you want us to share a bed? What's going on? You push me away when you're upset and pull me in when you're not?"

"You..."

Melissa was furious. She figured that he was so ungrateful after she offered to sleep with him. He was so insensible.

Yet Melissa didn't want Candice to get suspicious, so she had to suppress her anger and coldly asked, "What does it take for you to sleep with me?"

"Only after you add 160 thousand dollars more to our original contract," Harvey said, grinning.

He figured that he ought to rip her off while she was offering him such a wonderful chance.

Melissa didn't get it. She thought, "I'm a pretty woman no matter what. I have a pretty face and a good figure. How come he doesn't want me? He is too much.

"I want a favor from him. Otherwise, I would have kicked him out already."

She suppressed her anger and asked coldly and patiently, "Sleeping with me is below you?"

"It's not that. I'm just worried that you might get handsy at night," Harvey spread his hands and said.

“You...”

Melissa was about to flare up. She thought, “Shouldn’t I be worrying about that? You’re a man!”

Yet to keep hiding Candice in the dark, she had to compromise. “Fine. An extra 160 thousand dollars in addition to the contract. Yet everything will still be ended within a year!”

Harvey looked reluctant and said, “Well, since my wife urges me to sleep with her, I’ll have to compromise myself and cuddle with my wife every night.”

Seeing how shy he was, Melissa was so furious. He was the one getting all the benefits here, yet he acted as if he had been wronged. How shameless!

Melissa said coldly, “Don’t think too much about it, Harvey. By saying that we should sleep together, I mean you and I will be sleeping in the same room, but you will sleep on the floor while I sleep on the bed.”

“What? Is that what you mean?” Harvey was stunned.

He figured that a year was a long time, and perhaps something might happen between him and Melissa. He was caught off guard by her words.

“What else? Candice is right. You’re a rascal!”

Melissa snorted, and her impression of Harvey became worse.

“Come on! I’m not a rascal at all. What you said wasn’t clear, and it made me wonder,” Harvey explained helplessly.

Then he followed Melissa into the room.

Melissa took out a sharp pair of scissors from the nightstand and put them under her pillow.

Seeing that, Harvey couldn’t help but wonder, “I’m not a bad person. Is that really necessary?”

“Who knows what you might do? Let me be clear. If you dare to come into my bed, I’ll castrate you!”

Melissa wasn’t joking. After all, it was the first time she slept with a strange man, and she didn’t know if Harvey was going to get handsy in the middle of the night.

“I suspect that you and Candice were both tailors in the previous life. Or why do you both have scissors?” Harvey said helplessly.

“Cut the crap. Turn the light off and go to sleep,” Melissa said coldly.

She was about to turn off the light when suddenly Harvey’s ears moved slightly as if he heard something outside the door.

He stopped her and said, “Wait.”

“What is it? Aren’t you going to sleep?” she asked coldly with a slight frown.

“Listen. Do you hear the sound of footsteps outside the door?” Harvey raised his finger and whispered.

“Footsteps?”

Melissa was startled, and then she listened carefully. Indeed, she heard the sound of footsteps outside.

“Damn! It’s ... Candice!” Melissa almost exclaimed.

Harvey smiled helplessly and said, “Her? Why is she eavesdropping outside our room in the middle of the night?”

“I think she is suspicious. That’s why she came to listen,” Melissa said gravely. She had been worried that Candice would suspect her, and unfortunately, she was right.

“Who cares? We’ll go to sleep. She can eavesdrop for as long as she likes,” Harvey spread his hands and said indifferently.

“That won’t do! Harvey, do something. We can’t afford her to suspect anything. Once she does, with her outspoken nature, I’m sure our fake marriage will be exposed!”

Melissa frowned and urged.

Harvey grinned and said, “You know what? I may have something that’ll work.”

Melissa said hurriedly, “Tell me.”

“Just watch me.”

Before she could react, he crouched down, reached out, and grabbed her foot.

Melissa blushed at once.

Her delicate body trembled.

She was frightened and quickly stopped him, saying, “Harvey, what are you doing? Let go of my foot now..”

“Forgive me, honey.”

Then he pressed the sole of her foot hard.

She was caught off guard.

She screamed at once.

Meanwhile, Candice was outside the door.

She heard Melissa's scream clearly.

"Gosh! How can they be ... so wild? Melissa, you fool! How can you sleep with ... that jerk? You are so rash!"

Candice said with chagrin.

She thought, "Melissa is so loud. I guess they have had sex already.

"Melissa is an excellent woman.

"It's a shame that she has been defiled by Harvey.

"I feel so sorry for her."

The next day arrived.

Melissa limped down the stairs. It seemed that she had an intense night.

In fact, Harvey pressed the sole of Melissa's foot so hard last night that her foot hurt so much. She didn't even dare to walk with force after getting up in the morning.

Those who didn't know might figure that they had passionate sex last night.

"Melissa, are you OK? Are you uncomfortable? Do you need to go to the hospital?"

Candice asked with great concern.

Melissa thought, "Hospital? No!

"My foot hurts is all. Going to the hospital will be melodramatic."

"I'm fine."

Melissa smiled awkwardly. She wanted to explain, but she was afraid Candice would suspect. It was hard to explain what happened last night indeed.

"Harvey, how could you? Melissa has never... Can't you be gentle?" Candice was fuming with anger. She blamed

Harvey.

Candice thought, "Men are all di cks!"
