Chapter 16

This **group**

of people all had fierce looks, and they surrounded Lillian tightly. Lillian stepped back and stood there with some vigilance in her eyes but without the slightest fear.

She tied her hair up into a ponytail, took off her high heels, and held them in her hands. Her expression was fierce and sharp.

"Brothers!

Take her down!" One of the men shouted to the people behind him, and they swarmed toward Lillian.

Lillian's eyes were cold, and her high heels were her weapon. She waved them around, hitting those people who dared to come forward. After a while, nearly ten people were subdued on the ground!

She restrained the leader's arm with force, preventing him from moving. She looked fierce and terrifying. "Tell me! Who sent you?!"

"I... I don't know, I'm just following orders," The gangster never thought that a woman could be so capable!

Lillian so pressed his hand that he couldn't move, and even the tendons were about to be broken! Then Lillian entered the number of the police hotline on her phone and waved it in front of him. "Do you want to confess or be sent to jail?"

When the gangster heard these words, he was so frightened that he immediately surrendered and begged for mercy. "It's a lady named Young..."

"Beatrice?" Lillian's expression turned cold, and she asked with a stern look.

Hearing that, Lillian let go of him.

Then she called the police department. "There are gangsters committing murder in the underground garage at my location. Sorry for your trouble, Mr. Powell.

"But... the security situation under Mr. Powell's control is really hard to compliment."

Lillian hung up the call without giving the other end any time to respond.

On the other end, Ben was puzzled for a while, and then, after checking the number on the computer, he was instantly frightened. Who dared to murder Lillian?

He didn't dare to hesitate at all and went to deal with it himself without stopping.

Lillian then informed Ashton.

When she got home, the first thing she did when she sat down was to turn on her computer and quickly input a string of codes. Beatrice's contact information was displayed on the screen in less than two minutes.

Lillian's eyes were cold, and her hands were typing vigorously on the keyboard as if venting her anger.

Meanwhile, Beatrice held the phone tightly in her little hand, bit her lips, and paced back and forth in her room. **It** was not difficult to tell she was worried.

Suddenly, Beatrice's cell phone rang. Seeing that **the** call came from an unfamiliar number, she thought it was someone over **there** who had succeeded, so she answered the call **happily**.

"Hello? Did you succeed?!"

“Succeeded?” Lillian sneered at her, “**You** want to kill me **with** those weak men? You provoke **me**

11:43

again and again. Wouldn’t it be too ungrateful for **me** if I don’t pay you back for all your careful planning?”

Beatrice immediately became nervous when she heard Lillian’s playful and sarcastic words. “Lillian, what do you want?”

“Hello? Lillian, Lillian!”

Beatrice looked at the phone angrily. Lillian had already hung up the call. She clenched the phone, feeling very panicked.

However, the next moment, her phone vibrated. She opened it and saw the news reported in the media headlines. She staggered back a few steps, trembling with anger!

[Breaking News! Beatrice Young was actually the illegitimate daughter of the Young Group and was kicked out a few years ago!]

[Beatrice Young abandoned Mr. Sinclair, who was paralyzed back then and left alone.]

[Now she forced the original wife, Mrs. Sinclair, away and be together with Mr. Sinclair again!] The topic kept rising and finally became the top trend.

In just one minute, there had been over 100,000 comments below!

Beatrice looked through the comments, and her face gradually became embarrassed!

[So Beatrice is such a piece of shit? She’s really cheap!]

No wonder the Young family kicked her out. She turned out to be such a shameless person! [Leave Mr. Sinclair quickly, don’t harass him.]

[Who is Mr. Sinclair’s first wife? Why was she willing to bear such a humiliation?]
