

## Widow 126

### Chapter 126

As soon as Harold entered the restaurant with Crystal, they saw Corey.

Corey showed a smile on his face when he saw them. "What a coincidence."

Harold said lightly, "Looks like you've recovered quite well."

When he thought of how he had made a move in the villa last time, Corey's expression changed slightly.

Harold was really ruthless. He didn't seem to be injured on the outside, but his internal organs had been in pain for several days. At this moment, he was still a little uncomfortable.

"Of course." Corey sneered. "You're still alive. Even if I die, I'll crawl back from hell."

Crystal blinked her eyes, looked at Corey, then at Harold, and said hesitantly, "According to my many years of experience in watching TV dramas, does Corey have a crush on you?"
