

## Widow 155

### Chapter 155

“Why are you looking for her?” Danny said coldly, “Her self-deprecation has nothing to do with me. She’s not related to me. Why should I meddle in her affairs?”

On the other side, Crystal waved goodbye to Walter but did not leave. Instead, she squatted down beside Walter’s car, as if a small mushroom had grown on the spot.

The secretary shook his head and said, “So, President Evans, are we going back to the company?” “... Wait.” Danny closed his eyes and said in a low voice, “Go and get her.”

The secretary was speechless.

Wasn’t she unrelated to him and he didn’t want to meddle in her affairs?

However, the secretary only dared to criticize him behind his back. He said respectfully, “Okay, President Evans.”

While Crystal was using her cell phone to watch a movie, she suddenly heard a polite voice saying, “Hello, Miss.”

Crystal raised her head and still had some impression of the secretary. “Hello... What can I do for you?”
