

Chapter 156

“So his name is Walter.” Crystal suddenly understood. “I still don’t know his name. Thank you for telling me.”

Danny was speechless.

Very well. She didn’t even know his name, yet she dared to ask him to introduce her to work.

His expression was probably not very good, because Crystal moved a little away from him and whispered, “Do you have any more questions? If not, I’ll leave...”

Danny took a deep breath and said, “Do you think I’ll eat you up?”

Crystal answered, “... Yes.”

Danny suppressed his temper and said, “You are not allowed to contact Walter again in the future.”

Crystal was confused.

Crystal’s eyes widened. “Why?” She was still trying to rid people of the scourge!

Danny said in a low voice, “Listen to me.”
