

Widow 334

Chapter 334

Knowing that Bonnie was here, Dora was very surprised. "Are you sure? Is it really that old woman from the White family?"

"How can it be wrong?" The servant said, "It's the old madam of the White family."

Thinking of something, Dora asked, "Did she come to the White family to cancel the engagement? After all, Master White is not dead. Crystal is not qualified to enter the White family."

If that was the case, she would have a chance to marry into the White family!

She didn't believe that Master White wouldn't accept a socialite like her in Fairby since he could even accept a bumpkin like Crystal!

"I don't know." The servant recalled. "But she is indeed here to see the head of the family. She doesn't look so good."

"Her son and grandson are all locked up. How can she look good?" Dora thought for a moment and said, "Let's go over and take a look."

The servant said, "Miss, the family head doesn't like to be disturbed when he meets guests..." "What are you afraid of?" Dora said impatiently, "Dad will only scold me if he finds out. All right, let's go."
