

## **Widow 376**

### Chapter 376

The boss was speechless.

He was almost deceived by Harold.

He didn't believe it. He picked up ten bullets and gave them to Harold. "You said it yourself. You want only ten bullets."

Harold loaded the bullet in and said, "Yes, I said it."

Crystal leaned against the counter. "Aren't you not playing this game?"

Harold said, "I'll win the alpaca for you."

Crystal smiled and said, "If you didn't win, how embarrassing would it be?"

Harold smiled. "You're the only one who'll see me embarrassed."

The boss didn't know what to say.

"D\*amn it! Am I not a human being?"

get the reward, he must tell the public about it on his social account

hand casually. He fired three shots in a row, and the sound of the balloon bursting almost overlapped. The boss was
