

Widow 397

Chapter 397

Crystal ate the hot pot that she had been longing for. Anaya received a call halfway through, and her expression changed as she stood up.

Crystal asked, "Anaya, what's wrong?"

"Jared is sick." Anaya said, "Sorry, I have to go back. I will go back to the studio in the afternoon and alter the dress."

"I'll do the alteration?" Crystal said, "You do your own things."

"I'm fine." Anaya said, "He will fall asleep after taking the medicine. I have time. I've gotten off work early many times. I will feel bad if I bother you again."

Crystal didn't insist and said, "Okay. Be careful then."

She was asking Anaya to watch out for Sarita and her mother.

Anaya smiled and said, "I know."

After she left, Crystal could only eat hot pot alone. Suddenly, a waiter came over and placed a toy opposite her. She smiled and said, "Hello, miss. This is our hidden service. If you eat hot pot alone, we will give you a toy to accompany you."
