

Widow 417

Chapter 417

When Anaya pushed Jared to show up, many people were gossiping. After all, there were no secrets in Fairby. Anyone who had something interesting would become a topic of discussion between the ladies. Although the matter between Anaya and Alan had been going on for a long time, it was Alan's wedding today. Anaya showed up with her current boyfriend, so how could it not attract people's attention?

Crystal had planned to go in with Antony, but when she met Anaya at the door, she naturally abandoned Antony and went in with Anaya.

Antony heaved a sigh of relief.

Dora was sensitive and had a lot of thoughts. If she saw it, she would probably think that Crystal would replace her.

Antony could not figure it out. Crystal had been keeping a distance from the Evans family and did not seem to have any intention of chasing Dora away. Why would Dora think so?
