

Widow 424

Chapter 424

"It seems that..." Flora said, "You were slandering others just now."

Crystal didn't say anything, but Aletta said, "But as a matter of fact... I'm also very curious. How did you get my teacher's design?"

"It's enough, Aletta." Christy said in a panic, "Stop it. I will let this matter slide..." She looked at Crystal and said, "How about this, Miss Evans, you apologize to the two madams, and then we..."

Aletta said, "Teacher, how can you still protect her after what had just happened? Back then, there was something wrong with her personal life that made our studio in chaos. It was you who pitied her, took her in, and gave her food. But now, she colluded with outsiders to plot against you! I can't bear this anymore. We have to seek justice!"

"Aletta..."

from the conversation and said, "The studio was in chaos?"

the well-known companies in Fairby had all avoided Anaya. Of course, it wasn't that they were aloof and noble. They simply felt that if
