

Widow 435

Chapter 435

Ariel was so angry that she wanted to slap Alan on the spot. Madam Marcy stepped forward and said, "Mrs. Cook, according to your son, is this marriage over?"

In fact, although Flora supported this marriage, the Marcy family was not as prominent as the Shamus Family. She insisted that Alan marry Ariel because she wanted to prove that her son was obedient and filial and was willing to obey his mother's arrangements. At this time, Alan defied her in front of so many people. Flora couldn't bear it and suppressed her temper and said, "Alan, Ariel has already apologized for what happened back then. You are all adults. Why can't you sit down and talk about it nicely?"

"...You still want me to marry her?" Alan looked at Flora in confusion. "Mother, she's such a vicious woman. Do you want me to marry her and spend the rest of my life with her?"

Flora pursed her lips and said, "The reason why Ariel did that was that she likes you..."

"Like me?" There was a deep disappointment in Alan's eyes. "If she kills me one day, as long as she says she likes me, you will forgive her, won't you?"
