

## Widow 437

### Chapter 437

Regardless of whether it was the Shamus Family's fault or not, as long as Harold said that the Shamus Family was not in the wrong, then the Shamus Family wouldn't be in the wrong!

Mr. Marcy smiled apologetically at Harold and said, "Since things have already come to this point, I'm afraid we won't be able to continue with their marriage. We've made a fool of ourselves today, Master White. I'll come to apologize to you another day. Please don't take this to heart, Master White."

Harold didn't say anything, but Ariel cried and said, "Dad... I'm not wrong. How can Alan not marry me all of a sudden? I..."

"Shut up!" Mr. Marcy was extremely angry as he shouted, "Do you think that you haven't made enough fuss?!"

Only then did Ariel shut her mouth indignantly.

A polite smile appeared on Luke's face as he said, "Mr. Marcy, you must be joking. This is a matter between the Marcy family and the Shamus family. Master White is just here to watch the show. What's there to be surprised about?"
