Chapter 444

Crystal had once asked Harold to be harsh to her in front of outsiders.

“Not good” Crystal taught him. “You should glare at me and then shout at me. Only then do they know that we don’t have a good relationship. Ignoring me doesn’t work.”

Harold asked, “Shout at you?”

Crystal nodded and said, “Yes, it shows that you don’t like me very much.”

“I can’t, Harold said.

“Why can’t you do it?” Crystal was surprised. “Since you’re so powerful, you’ll definitely be able to do it.”

Harold laughed. “I can’t bear it.”

Crystal didn’t understand what he meant at first. She slowly reacted, and her cheeks and ears turned red in an instant. “You... you should work hard.”
