Chapter 456

When the two of them received the news that Jared had been taken away by the police, it was like a bolt from the blue. They didn't have as many connections as the Marcy family. After thinking about it for a while, they could only look for Anaya.

It was just that the two of them who were used to ordering Anaya did not have the attitude of begging her at all. When Mrs. Turner saw Anaya frowning, she immediately said, "If you don't save Jared, I will hang myself at the place where you work!"

There were a lot of people in the hospital. Many people stopped to watch the show after Mrs. Turner made such a scene. It was inevitable that some people would point fingers at Anaya and they began to judge her without knowing the whole story.
