

Widow 457

Chapter 457

Anaya pulled the corner of her mouth and said, "Yes, I was unlucky enough to meet Jared."

"You have to pay the money back even if you don't feel like it." Anaya said coldly, "When the time comes, Jared will not only be sentenced for committing murder and setting fire but also extortion. You have to pay back all my money."

Mrs. Turner and Sarita's expressions immediately became extremely ugly. Mrs. Turner did not understand this. She hurriedly looked at Sarita. "Is what she said true?!"

Sarita nodded. "... If she were to sue, it would very likely be successful."

Mrs. Turner was so anxious that she burst into tears.

She wouldn't be able to make so much money even if she had to sell herself for money!

"...Anaya." Mrs. Turner held Anaya's hand and said, "We've known each other for six years, haven't we? I didn't treat you well in the past, but for the sake of our previous relationship, you can't force us into a dead end!"
