

Widow 466

Chapter 466

Everyone breathed a sigh of relief.

Haha, why did they think that Master White was going to wipe the secretary's mouth? The sun didn't rise from the west today.

Harold looked at the oil on the back of her hand and said, "No worries. Just make sure you'll work hard when you're back."

Crystal, "?"

Crystal felt that there was some hidden meaning in this person's words.

Mavis said with a smile, "Master White, you really care about your subordinates. Let me propose a toast to you with this cup of tea."

Harold took a sip of tea lazily, showing his respect to Mavis.
