

Widow 519

Chapter 519

In fact, Harold had never thought that one day he would tell people about the secrets of the entire White family. In the White family, Leilani's name was taboo, let alone those disgraceful past

A gust of wind blew Crystal's hair. She hesitated for a moment, reached out to hold Harold's hand, and said, "I suddenly feel that we re alike."

Harold looked sideways at her and smiled. "You can't even find 30 dollars from head to toe Do you look like me?"

Crystal said, "We have no way to choose our own birth."

Back then, when Chloe insisted on giving birth to her and made her bear the resentment of the Evans family, she had no choice.

When Harold became a tool for his father to control his mother, he didn't have the right to make a choice

The smile on Harold's face disappeared. Crystal asked again, "If you could choose, would you still be willing to be the current you?"
