

Widow 527

Chapter 527

"Tie two braids for me" Crystal raised her own request "Do you know how to make a braided pigtail?"

Harold hesitated and said, "I think so."

Crystal didn't quite believe it, but it didn't seem that Harold would find it difficult to make two braids. Although it couldn't be described as exquisite, it was still very good.

Crystal was very surprised. "From now on, you'll be in charge of combing our daughter's hair

Harold paused for a moment, then pulled her up from the small stool, put her arms around her waist, and said, "You are responsible for giving birth. Of course, I will be responsible for nursing. It doesn't matter if I comb her hair."

Only then did Crystal realize what she had just said. She blushed and said, "I... I'm just saying it casually."

"Mm." Harold pinched her cheeks. "You're still a child yourself."

Crystal's face turned even redder.
