

The Wife I Picked Up Is Too Chapter Chapter 1054

On the tablet, there was a live broadcast of Feng Jianing's apprenticeship banquet. This time, the Feng family had made a grand apprenticeship banquet and made everyone know about it. They even found many media outlets and Internet celebrities to go to the scene. They even spent a lot of money to buy advertising spots on the live broadcast platform just to make Feng Jianing famous.

But ideals are ideals, they have to come back to reality. Not only did the Feng family not succeed in holding the apprenticeship banquet, but they also completely lost all their reputation and became the laughing stock of the entire Capital. They were even exposed on the spot for lying to the people from the Seven Stars Continent. After this incident, it would probably be very difficult for the Feng family to continue staying in the Capital because almost all the wealthy families would sever ties with them.

Xie Jiuhan looked at the screen. At this moment, Han Jintian was slapping Feng Yuanzhou fiercely. Seeing Feng Yuanzhou's bleeding nose and mouth, Xie Jiuhan couldn't help but lick the corners of his mouth. However, no expression could be seen on his face. Just as Xie Jiuhan was enjoying himself, someone knocked on the office door. The man gently pressed a button on the table. Then, the office door automatically opened and Su Yu walked in.

Seeing Xie Jiuhan's expression, Su Yu asked, "Ninth Master, you..."

Xie Jiuhan snorted and said, "I'm fine. I just have a headache."

Upon hearing this, Su Yu's expression changed. As the president's personal secretary, the number one secretary of the corporation, and the senior assistant of the president, Xie Jiuhan's discomfort made him immediately alert.

Su Yu hurriedly said, "Ninth Master, bear with it. I'll get Ji Yunchen to come over immediately."

Xie Jiuhan leaned back in his chair and supported his chin with one arm. He couldn't help but roll his eyes. "No need. Perhaps I've been eating too much sour food recently. I'll be fine after eating more sweet food."

Hearing that his boss actually wanted to eat something sweet, Su Yu was dumbfounded. His expression was as if he had seen an alien. He had served Xie Jiuhan for so many years, but this was the first time he had heard Xie Jiuhan take the initiative to say that he wanted to eat sweet food. He remembered very clearly that Xie Jiuhan hated sweet food the most in the past. Why did he suddenly change today?

Su Yu said, "What kind of sweet food does Ninth Master want to eat? I'll send someone to make it for you now."

In Di Hui Building, there was a special floor that was the canteen. Not only was this canteen provided for all the Xie Corporation's employees, but there was also an inner hall in the depths of the canteen. That was a place specially provided for Xie Jiuhan's food and drink. Moreover, there were three chefs. The three chefs worked three shifts every day to ensure that Xie Jiuhan could eat anything at any time. There were people in the canteen who could make it. However, Xie Jiuhan rarely ate in the company. He usually returned to the Xie Manor to eat or simply cooked in the living area on the 95th floor.

Xie Jiuhan looked at the time on the computer and watched Feng Qing leave with Xing Yue and the rest. The banquet continued as usual, and there should be nothing else to see. Hence, he said directly, "I'll go home and eat after work."

Su Yu nodded. "Alright, then I'll inform the kitchen at home to make a few more desserts tonight."

Su Yu could understand when he heard that Xie Jiuhan was going home to eat. After all, the kitchen in the Xie Manor knew Xie Jiuhan's preferences the best. Moreover, in terms of culinary skills, the chefs in the Xie Manor were much better than the chefs in the company's canteen. The head chef in the Xie Manor was a world-class five-star chef. He was not something ordinary chefs could compare to.

Xie Jiuhan couldn't be bothered with Su Yu. He only glanced at him and said, "Also, inform Xie Qi to get the servants in the residence to decorate the bathroom in the master bedroom."

Su Yu: "???"

...

In the Capital's Xie Manor.

Feng Qing returned from Diansheng Hotel. Just as she entered the Xie Manor, she saw Xie Qi standing at the door with a smile to welcome her. Xie Qi smiled and said, "Young Madam, Ninth Master came back before you."

Feng Qing acknowledged softly. Other than feeling that it was strange, she was not surprised. Xie Jiuhan usually came home very late. It was not that he did not want to go home, but he had too much work. Feng Qing walked through the long corridor, past the rockery and artificial lake in the house, and entered the master bedroom. Just as she pushed the door open, she saw the man.

At this moment, Xie Jiuhan had just taken off his shirt, revealing his perfect muscles. After admiring the man's good figure for a while, Feng Qing said sweetly, "Little Jiu Jiu, you're back so early today ~"

Feng Qing's voice was soft and sticky, and it was filled with sugar. From her expression, it could be seen that she was in a good mood today. Thinking about it, she had been in the limelight at the banquet today, crushing everyone present and slapping the Feng family in the face. It was normal for her to be happy.
