

## The Wife I Picked Up Is Too Chapter Chapter 629

Chapter 629: He's Here Too?

"Ninth Master, don't worry. I definitely won't talk nonsense. The matter of you leaving with my hostess from the Feiyun Clubhouse will definitely not spread. I'll give this hostess to Ninth Master. You don't have to thank me." Han Jintian said with an "I understand all the rules" expression.

With that, he wanted to turn around but didn't dare to turn back to look at Xie Jiuhan. "Ninth Master, on account of how sensible I am, I have a small favor... Don't worry, it's not a difficult thing. I just hope that I can use your rich little hand and help me restore the surveillance system and those surveillance videos. Can you do it?"

Feng Qing buried her face in the man's arms, and her heart beat awkwardly. She didn't expect that the boss of Feiyun Clubhouse was Han Jintian. Moreover, from his conversation with Xie Jiuhan, she knew that he had a good relationship with her husband.

However, what surprised her the most was that she found out from Han Jintian that Xie Jiuhan seemed to be very good at hacking. He could even restore things that Night God had hacked. When she went to Zhe City to steal the artificial retina, she had seen Xie Jiuhan use hacking techniques. She didn't expect that his skills were actually better than Night God's. How many secrets did this man have?

Feng Qing's fingers were holding the man's clothes on his chest, and she deliberately talked like a prostitute, "Ninth Master ~ Let's go quickly. I can't wait to see Ninth Master's elegance."

Hearing this, Han Jintian felt a layer of goosebumps all over his body, and it was the kind that fell to the ground. If one had to use a word to describe Feng Qing's voice just now, then it would be 'vixen'. Feng Qing's soft and coquettish voice could directly cause blood pressure to rise by ten times.

Xie Jiuhan lowered his eyes and glared at the woman in his arms. If not for the fact that both his hands were hugging Feng Qing, he would have covered her mouth.

Han Jintian's little face revealed a meaningful smile. He couldn't help but turn around and give Xie Jiuhan a thumbs up. "If I knew that you like this kind of woman, I would have found you a train of women like this."

Feng Qing raised her arms and wrapped them around Xie Jiuhan's neck. Her thin and weak body rose forcefully from the man's arms. She pouted her lips and kissed the man's noble lips. The scene of Ninth Master and the woman kissing was so beautiful that Han Jintian hurriedly turned his head aside.

Han Jintian especially wanted to send Feng Qing a silk banner after looking at the proactive Feng Qing. The banner on it would have the words "Daring and Courageous". He didn't know what breed of vixen this girl was, but how could she be so daring? Not only did she dare to seduce Xie Jiuhan with that soft voice, but she also dared to touch this cold and heartless man. It was simply unbelievable!

The sweet kiss made Xie Jiuhan understand that Feng Qing seemed to be urging him to leave. He didn't want to continue staying here anyway. He carried the woman and walked towards the car.

When he passed by Han Jintian, he deliberately covered Feng Qing's delicate face with his coat. He didn't want anyone to see Feng Qing's face. It wasn't that he only wanted to admire Feng Qing's beautiful face alone, but the Xie family had too many enemies. If Feng Qing's identity was exposed, her safety would be greatly affected.

Han Jintian could not help but shout when he saw them leaving, "Ninth Master, you haven't answered me yet. Are you going to help me with this little favor?"

Xie Jiuhan ignored him and continued to carry Feng Qing towards the car. He did not even turn around. What was more important than bringing his wife home?

Han Jintian was anxious. "Aren't you curious who the boss behind Blue Stocks Capital is?"

The moment that was said, Xie Jiuhan's figure froze. He subconsciously turned to look at Han Jintian. "You know?"

Han Jintian shook his head. "To be precise, we can see the appearance of the big boss of Blue Stocks Capital after you help me repair the surveillance system and restore the deleted video."

Xie Jiuhan raised his eyebrows. "He's here too?"

Han Jintian nodded. "Not only did he come, but he also brought the female celebrity, Xia Qianxue, along. He even injured the people from Hongfu Commerce in the VIP room. Fortunately, he didn't kill them. I sent those people to the hospital."

Seeing that Xie Jiuhan was silent, Han Jintian said, "Everyone knows that you will come here to discuss something today, Ninth Master. That boss of the Blue Stocks Capital dares to hurt people here. He obviously doesn't take you seriously and is just provoking the King of the Capital. Ninth Master, you must find him out!"

Upon hearing this, Feng Qing raised her eyebrows. She didn't expect Han Jintian to be so scheming. He actually tricked Xie Jiuhan into being enemies with the boss of the Blue Stocks Capital. Wasn't he obviously using Xie Jiuhan as a tool?
