

The Wife I Picked Up Is Too Chapter Chapter 747

Chapter 747: Back Throw

It was unbelievable that a thin and petite girl could make him feel this way. No wonder his son's manhood had been severed by her.

Although Feng Qing surprised Mr. Cao, when he thought of Cao Beining, who was in the hospital, the anger in his heart surged. Hence, he raised his other arm and smashed it towards Feng Qing's face.

At the same time, Xie Shihao and Gu Qingye were rushing towards the northern gate. From afar, they saw Mr. Cao punching Feng Qing's face. The two of them shouted angrily, "Stop!"

However, before they could finish their sentence, they saw the tall and strong Mr. Cao flip into the air and fall to the ground. Just looking at him made them feel pain, as if they could hear the sound of bones breaking.

"D*mn! D*mn!" Looking at the scene in front of him, Xie Shihao was dumbfounded. Gu Qingye, who was beside him, also had a look of disbelief on his face. He estimated that Mr. Cao weighed at least 170 pounds, but Feng Qing actually threw him down with a back throw?

When Mr. Cao fell to the ground, Mrs. Cao roared angrily and pounced on Feng Qing with bared fangs and brandished claws. Feng Qing took a step forward and made Mrs. Cao miss. Then, she walked

out of the school gate without looking back. At that moment, her face was cold. Looking at Feng Qing's aggressive appearance, the hooligans hired by the Cao family did not dare to go forward.

"Listen to my advice, don't come to school to cause trouble again. Otherwise, the content of the banner you're holding tomorrow will be 'Feng Qing, return my son's life'." As she spoke, Feng Qing tore off the banner.

Upon hearing this, Mrs. Cao stumbled. She felt like she had fallen into an ice cave. Cao Beining's manhood had been severed. As a mother, she no longer wanted to live. After all, her son had become a eunuch. How was she going to face this world in the future? How was she going to continue living? However, if Cao Beining lost his life, she, as a mother, would have no life to live.

Mrs. Cao said angrily, "Feng Qing, I've been in the pugilistic world my entire life. I've seen arrogant people, but I've never seen someone as arrogant as you. Our Cao family is irreconcilable with you!"

Xie Shihao ran over and shouted, "Hmph, who does your Cao family think you are? How dare you talk nonsense here? I officially announce today that I will protect Feng Qing. Whoever dares to touch her will be going against my Xie family."

When he said this, Xie Shihao's face was filled with smugness and arrogance. He had an expression that said, "You can't afford to offend me." He wanted to protect Feng Qing in public and use the Xie family's power to suppress her. Who could do anything to him? Even if he couldn't do it, Xie Jiuhan was still behind him. Therefore, he could posture as much as he wanted and didn't have to consider anything else.

Hearing Xie Shihao's words, Mrs. Cao's aura weakened. "Young Master Xie, Young Master Gu, please distinguish between right and wrong. Don't be deceived by Feng Qing."

Gu Qingye gave Feng Qing a thumbs up and praised, "That throw was really beautiful!"

Mr. Cao, who had just recovered from his shock and was about to get up from the ground, immediately blacked out and fell to the ground after hearing this. He felt a mouthful of old blood in his chest, as if he would vomit it out at any moment.

Not far away, Lu Yingying was walking with a few female students. They had also seen Feng Qing throw Mr. Cao down. One of the girls said, "This Feng Qing is not simple. She can actually obtain the favor of Young Master Xie and Young Master Gu. I really don't know what's so good about her. Isn't this a classic case of two-timing?"

A girl said, "Hmph, two-timing? Is she worthy of that? Young Master Xie and Young Master Gu just found her novel. When the two of them get tired of playing with her, they will still kick Feng Qing away. At that time, let's see who can still protect her."

The girls all laughed, and their laughter was obviously filled with evil intentions. Lu Yingying hugged her arms and looked at Gu Qingye's performance with a cold expression. She was Gu Qingyang's girlfriend, who was also Gu Qingye's future sister-in-law. The two of them had naturally met many times, but she had never seen Gu Qingye take another look at any girl. However, she wanted to see how Gu Qingye would protect Feng Qing now that the matter had blown up.

Suddenly, the ground trembled slightly. Everyone turned around and saw a neat convoy slowly driving towards Capital University. Then, the principal of Capital University personally ran over with a group of the school's higher-ups. The principal's old face was still suffused with a bright expression. The students were all very curious. They did not know which big shot had come that could make Principal Di come out to welcome them so humbly.
