

MY WIFE IS A HACKER

MY WIFE IS A HACKER CHAPTER 3304-“Do you think I don’t want to meet someone? I just haven’t found the right person,” Gary said somewhat resignedly. He had long regarded Nicole as just a friend.

“Why don’t we just try the dates our families set up?” Ryder suggested, calm and collected. He figured since finding someone on his own wasn’t working, maybe arranged dates could help. In their circles, it seemed like good matches were meant to be.

“Arranged dates don’t sound great. You hardly know the person. Are we really okay with deciding to spend our lives together like that?” Preston wasn’t too keen on the idea.

“Emery’s doing pretty well with it, you know,” Ryder said confidently. “I trust our families. They wouldn’t set US up with someone terrible. They’ve probably made sure we’d be a good match.”

Gary thought it over. “You might be right. Our families aren’t just trying to make deals; they want US to be happy.”

As Gary and Ryder seemed more into the idea, Preston was still unsure.” You guys are serious?” “Why not?” Gary asked, starting to see some potential in the idea.

Ryder agreed, seeing the benefits too.

Preston let out a sigh. “Just leave me out of it.” If Ryder and Gary ended up liking the arranged dates, Preston knew he’d be next. He could almost hear his mother pushing him to get married.

The friends laughed. “Then you better find someone,” they joked.

Just then, Emma noticed them standing around. “Eliar, stop chatting there. Bring our guests in,” she said.

“Got it,” Ellar replied, guiding everyone inside.

They walked in, chatting and laughing. Preston, trailing behind, noticed a girl sitting quietly by herself, looking at a blooming peony outside.

Something about her calm and the way she smiled at the peony caught his eye.

“Hey, what’s up?” Ell ar came back for Preston, curious why he had stopped.

Preston looked away and said, “Alright, let’s head in.”

But as he walked, he couldn’t help but glance back at the girl. Her image stuck in his mind, unforgettable.

As more guests arrived, everyone was happy and congratulating each other.

Benjamin and Maximillian were especially having a good time, laughing loudly.

“Congratulations, Benjamin, Maximillian,” Thomas came over to say hi, with Harvey and a girl who seemed a bit younger than him following close behind.

This girl was new to many guests, sparking their curiosity. “Who is she?

We’ve never seen her before.”

While the downstairs buzzed with activity, the bridal suite upstairs was just as lively.

“Trust me, this jewelry set is perfect for you.” “No, choose this one. It’s much nicer.”

Lulu and June were busy helping Nicole pick out the best jewelry to wear.

MY WIFE IS A HACKER CHAPTER 3305-Nicole laughed off the debate between Lulu and June, saying, “Both are lovely.

I’m happy with either.”

Both sets of jewelry were beautiful, and she felt that either would do.

“Exactly. Nicole will shine in anything,” Cindy said, picking a set. “Let’s go with this one.”

Lulu gave June a victorious look. “Told you this was the one.”

Cindy then suggested, 'Why not wear this for the ceremony and switch for the reception? That way, we use both.' "Great idea," June agreed, smiling at Cindy's suggestion.

Nicole smiled. "Sounds perfect."

With everyone agreeing, the stylist went ahead with preparing Nicole.

Lulu watched Nicole, amazed by how calm she seemed. "Aren't you a bit nervous?" she asked. Lulu remembered her own wedding jitters.

Nicole bit her lip, a hint of nerves showing. "I'm more excited than anything," she admitted.

She had been looking forward to this day, ready to face the future with Jared with hope and joy.

"Just finished," the stylist announced, stepping back to admire Nicole." You're truly stunning, a beauty that doesn't need much adding to it." "Nicole was always the prettiest in school," Lulu said with pride.

"Jared and the rest should be here soon," June noted, checking the clock.

"They'll be here any minute,' Lulu agreed, giving Nicole a final look-over." You look perfect. Now we just wait for Jared to arrive and take you away."

Right then, someone knocked the door.

"Could that be Jared?" Lulu quickly went to see.

It was actually Tia. She walked in and asked, "Is everything set? Jared's about to arrive for Nicole." "We're all set," June answered, ready for the moment.

Tia nodded and said, "All the guests have arrived. Benjamin, Dillon, Dexter, and Daniel and Gloria are greeting them." "Just waiting for Jared now, and then we can proceed with the ceremony," Lulu said.

"That's great," Tia said, looking at Nicole and genuinely feeling happy for her.

Cindy, curious, asked, "Who's causing a stir downstairs?" "Oh, Mr. Ellison arriving with Harvey and a girl, sparking rumors," Tia explained.

“A girl with Harvey?” Lulu was surprised. “Does he have a girlfriend?” “It’s all guesswork,” Tia said. “They weren’t too close, but looked good together.” “Could Mr. Ellison have arranged this?” June pondered. “Even if Harvey’s forgiven him, letting Mr. Ellison decide his marriage partner is a big step.” “Harvey might actually like her,” Lulu suggested. “But that’s their concern.”

When Nicole heard about Harvey, her expression changed slightly.

“What’s the matter?” Lulu asked Nicole, concerned by her quietness.

“It’s nothing,” Nicole replied, offering a reassuring smile.

“Jared must be here,” Lulu said, heading to open the door again.

“Mommy!” Nolan and Lana ran up to Nicole, looking like two little angels.

Nicole embraced Nolan and Lana, her eyes soft with love.

MY WIFE IS A HACKER CHAPTER 3306-“Let’s go, it’s time to head down. The ceremony will start soon.”

The group laughed and talked as they left the bridal suite. Jared and his friends, Spencer and Preston, were also guided out by everyone.

Now, only the family of four remained in the bridal suite, getting ready for their big entrance.

“Mommy, it’s almost time. Let’s get ready,” Nolan said, pulling on Nicole’s hand.

Nicole gently patted Nolan and Lana’s cheeks, whispering, “Okay.”

As she made to stand, Jared extended his hand toward her. Lifting her gaze, she caught Jared in a moment of elegance, his charm unmistakable. A smile bloomed on her face as she placed her hand in his.

With a gentle tug, Jared drew her up, his touch tender against her palm.

In a swift move, he pulled Nicole into his arms, his other hand circling her waist to pull her close.

As Jared looked at Nicole, admiration shimmered in his eyes. “You look truly beautiful today,” he remarked.

“Daddy, Mommy is beautiful every day,” Lana chimed in, tilting her head up with earnest.

A soft laugh escaped Jared. “Right, she is beautiful every day.” “Exactly,” Lana nodded with fervor, affirming her stance.

Nicole, witnessing the exchange between father and daughter, shook her head and chuckled lightly. ‘You two, that’s enough.’

The praise left her nearly flushed with embarrassment. ‘Only this father and daughter duo could manage that,’ she thought to herself, amused by their loving antics.

“Daddy, do you want to kiss Mommy?” Lana said, covering her eyes with her hands but still peeking through her fingers.

Nolan, looking disgusted, pulled Lana away and said, “Kids should not watch this.”

As Nolan led Lana out of the room, Lana puffed her cheeks in protest but had no choice but to follow.

With the children gone, Jared looked at Nicole and said, “I think Lana has a point.” Leaning closer, he bridged the gap between them, sealing his words with a long and passionate kiss.

“Dad, we’re running out of time,” Nolan called out, standing at the doorway, his demeanor more mature than his years.

“Nolan, you’re so unfair. You tell me I can’t watch, but then you go and watch yourself,” Lana protested, her voice laced with the betrayal only a younger sibling can feel.

“I’m older than you,” Nolan retorted, glancing down at Lana, his words an attempt to justify his actions. He was just trying to remind their parents, witnessing their kiss was entirely unintended.

Nicole’s lips twitched as she was taken aback by her children’s unexpectedly exchange.

“Let’s go,” Jared announced.

With a smile, he took Nicole’s hand, leading her out of the room with Nolan and Lana following obediently behind.

“Alright, let’s get started,” Jared replied.

“Okay.” Max checked everything was ready on his walkie-talkie and then said, ‘All ready, begin.’

The doors to the hall gradually swung open, and the illumination dimmed, leaving only a spotlight on Nicole and Jared.

The children, in particular, resembled little cherubs, a sight that elicited gasps of amazement from the attendees.

As they sensed the crowd’s eyes on them, filled with joyful wishes, they proceeded along the red carpet.

Together, they moved toward their future, poised to exchange vows that would bind them for a lifetime.
