Chapter 888

“Fat job? Of course, I’m interested. But how fat can it be?” Zeke had not had a job in a long time.

“If it works out, you will get five million dollars.”

Nicole was ready to give him half.

“Five million dollars? Did I hear you right? I haven’t gotten such a fat job for a long time.”

“What’s the assignment? Send it over so I can take a look.” Zeke could not wait.

“I will send it to you in a minute.”

His phone buzzed, and he received a message from Nicole.

‘Hacking the intranet?’ Zeke smiled.

This kind of job was a piece of cake for him. He immediately messaged Nicole back.

[I will take this job.]

[Good. Find a time to meet some other day. You study it for a few days and text me if you have questions.]

Nicole replied.

[Okay.]

With that, Nicole closed her laptop and went downstairs to see if her parents had returned from their walk. When she got

downstairs , she saw the person whom she least wanted to see instead of seeing Daniel and Gloria.

Without even talking to her, Nicole went straight to the couch and sat down, thinking that it had been half an hour and her

parents should be coming back now.

Norah could see that Nicole was intentionally avoiding her. She thought for a moment and went over to sit down, anyway.

Glancing at Nicole, she said, “How come I didn’t see you after school today?”

Nicole did not bother to talk to her. Norah continued when Nicole did not answer.

“I heard that you, Dad, and Mom are going to be guests at Mr. Harmon’s house tomorrow.”

Nicole still did not say a word but watched the TV.

“We’re back.” Gloria’s voice rang out as she and Daniel entered the house in tandem.

“Mom, where did you and Dad go for a walk? It took you so long.” Norah got up to greet Gloria.

“We had a walk at the beach.” Gloria beamed.

“Look how happy you are. The beach must be fun, right?” Norah took Gloria’s arm and acted coquettishly.

“I will take you for a walk someday.” The two talked as they made their way to the living room.

“Nicole, why are you home so early today?” Gloria asked when she saw Nicole sitting on the couch.

“Didn’t Mr. Harmon invite us to be his guests tomorrow? I thought I’d come back and remind you.”

Nicole was afraid that Gloria would forget about it.

“Thanks to you for coming back. Otherwise, I would have forgotten.”

“What time do we go tomorrow?”

“Tomorrow at nine o’clock. Sean will come and pick you up in the morning.” Nicole was thinking of staying here at first, but when she saw Norah, I changed her mind.

“Aren’t you staying here tonight?” Daniel, who had not spoken so far, had read Nicole’s mind.

“Jared has been working too hard lately, so I’m going to go over and take care of him.” Nicole made up an excuse. Otherwise, Daniel would not have agreed with her, given how much he loved her.

“Tell Jared that work is important, but he also needs to take care of his health. With so many people in his company, can’t anyone share his workload?” Daniel said with concern , and it was the first time Nicole had seen him care so much about Jared.

“Don’t worry. I will convey your concern and tell him to take care of himself.”

“I will leave now if there is nothing else,” Nicole said,
ready to get up and leave.
