

Chapter 20 - Who dares to hit him?

“You **** dare hit me.” Guan Dahai cursed when he landed.

Lu Yang still didn’t speak, his eyes went coldly to Guan Hai, and he picked up a brick and smashed it against Guan Hai’s head.

There was another bang, and Guan Dahai was directly beaten to the ground without responding this time. The severe pain and sudden outburst of Lu Yang made Guan Dahai feel an inexplicable fear.

“You, what are you doing?” Guan Dahai turned his head and asked with a trembling voice. He was just a gang of this generation, not even a gang of societies. He bullied ordinary people and dared to meet Lu Yang. He counseled.

Such a person Lu Yang has seen more in the last five years of his last life. As long as he hurts him once, he dare not mess with you in this life. When approaching, Lu Yang grabbed Guan Hai’s collar with one hand and made it muddy He grabbed his body, his eyes suddenly burst into blood-thirsty killing eyes, and asked, “Dare you hit my brother.”

“Oh ~!” Lu Yang was a brick again without waiting for Guan Dahai to speak.

“Dare you hit my brother?”

“Oh ~!” Lu Yang was another brick.

Guan Dahai was afraid of being beaten, begging for mercy, "I'm afraid."

"Don't dare?" Lu Yang raised the brick again.

"I'm so scared," Guan Dahai shouted.

Lu Yang sneered, leaned over and pointed at the curled-up eyes on the ground with a confused Xiao Liang, said: "Go, apologize to my brother, he has spared you this is the end, otherwise I will kill you today."

Guan Dahai was afraid of seeing Lu Yang's eyes, and hurriedly got up from the ground and ran to Xiao Liang. He was almost ten meters away, but Guan Dahai almost fell twice. When he came to Xiao Liang, he still fell on the ground. He I couldn't stand up, and said in horror: "Xiao, Xiao Liang, I was wrong."

Xiao Liang was still sitting on the ground, terrified to hide behind him. Lu Yang came to Xiao Liang's side and sat down. She took Xiao Liang's shoulder and shook her hand firmly, saying, "Brother, Guan Dahai is talking to you Apologies. "

"Ah, he, he apologized to me?" Xiao Liang revealed his terror in his eyes, thinking that he had been bullied by Guan Hai from an early age, he was afraid to face Guan Hai.

Lu Yang just saw a fruit knife for watermelon cutting behind Xiao Liang. After picking up and throwing a beautiful knife flower, he grabbed the handle with his backhand and directly sent the tip to a position one centimeter in front of Guan Hai's eyes.

"Ah?" Guan Dahai wanted to retreat in horror, but Lu Yang grabbed the collar forcefully.

"What are you doing?" Guan Dahai asked.

"I feel that your apology is not sincere, is it still thinking of revenge in the future." Lu Yang slowly brought the tip of the knife close to the eyes of Guan Dahai.

Guan Dahai recalled the experience of bullying Xiao Liang just before the moment of apology. His heart was full of unwillingness. I thought that after this hurdle, I would take someone to find Lu Yang and Xiao Liang to settle accounts, but this time I saw the knife. The tip was getting closer and closer to his eyes, and Guan Dahai was really scared.

“I was wrong, I was really wrong, and I never dared.” Guan Haihai screamed in general to kill pigs.

Xiao Liang looked silly on the side. He hadn't seen Guan Hai so scared when he was so big.

“This.....”

Lu Yang changed the fruit knife from his right hand to his left hand, holding the knife in one hand, pointing at the sea, and holding Xiao Liang in the shoulder, saying, “Brother, remember, from now on, no one dares to bully you. Whoever bullies you, I kill Got him. “

Ming's dangling knife point was right in front of Guan Dahai, and Guan Dahai said with a trembling voice: “I dare not, I dare not.”

“Get out,” Lu Yang said.

He saw that Xiao Liang would not dare to accept Guan Dahai's apology at half past one, and then left Guan Dahai here. It is very likely that this grandson lost blood and died here. Lu Yang managed to be reborn once. Or let him get out of here.

Xiao Liang looked at Guan Haihai who was escaping, and then looked at Lu Yang's confident expression, and asked, perplexed, “Boss, how do you look like you are a different person today. You never collided with Guan Dahai before.” “

There was a slight arc in the corner of Lu Yang's mouth and he said, “Brother, remember, no one can bully us in the future.”

“Oh.” Xiao Liang didn't know why, but he still asked, “Boss, how did you come to me today?”

Lu Yang did not answer, but asked, "What have you been busy with recently?"

Xiao Lianggang's smile suddenly dimmed, and he said confused: "What else can I do? I didn't go to college and my parents didn't have the ability to let me go to technical school. They both wanted me to sell them on the market like they did. Let's go. "

"Selling vegetables?" Lu Yang asked, "Do you like them?"

"I don't like it." Xiao Liang held his hands in his knees and buried his head in his arms. "But what can I do if I don't like it? I didn't go to college and can only listen to my parents to sell vegetables."

Lu Yang patted Xiao Liang's shoulder, remembering that when he found Xiao Liang in his last life, he was at the vegetable market.

"Brother, wait for me for a while," Lu Yang said.

Walking to the courtyard door, Lu Yang picked up a cardboard box from the ground and returned to Xiao Liang's side. He patted the box and said, "Come, what is this?"

Xiao Liang looked up, his eyes instantly fixed on the pattern of the box, and said excitedly, "This is ... a virtual helmet?"

"Then." Lu Yang threw the virtual helmet into Xiao Liang's hands, and said, "Send it to you ~

"Boss ..." Xiao Liang didn't know what to say. For the first time in this life, someone gave him such a valuable thing, and for the first time, someone treated him so well, as if he had made up his mind. Xiao Liang was serious. Bowing to Lu Yangyi, "Boss, thank you."

Lu Yang said, "You're welcome with me. You are my brother."

In his heart, Lu Yang thought: Brother, I owe you a life. The elder brother who covers you in this life will definitely let you live a different life.

"Brother ..." After a while of confusion, Xiao Liang carefully wrote down this sentence.

"Okay, don't hesitate. Go online and familiarize yourself with the environment. I will go home and go online and take you to upgrade."

"Oh, okay, I'll be online now." Xiao Liang hurried back to the room.

Lu Yang shook his head with a smile and said, "This boy, even if he forgot to tell me his name, he went back."
