

Winner Takes All Chapter 1331-1340

Chapter 1331

The Qin family of Xishu.

No longer in its former glory.

The gates are not the same as they used to be.

The Qin family today, in particular, is cold and empty in front of its doors.

A haze covers the air, depressing as it is.

The thick and majestic vermilion gates are also tightly closed.

The entire Qin family manor garden was plunged into an eerie silence.

A Maybach came in with a breeze, a tail-drift, and stopped directly in front of the Qin family's main gate.

Chen Dong opened the door and got out of the car with a cold and stern expression, striding towards the Qin family gate.

"Mr. Chen"

Zhuge Qing got out of the car closely after him, looking somewhat scornful.

The magnificent Qin family had changed in a flash.

Even they, the Zhuge family, only learned of the Qin family's accident through Qin Xiao Qian's distress text message.

During the time they were waiting for Chen Dong to come to Xishu, the Zhuge Family had exhausted their intelligence forces and had no way of finding out what had happened to the Qin family.

All the properties under the Qin family were running normally.

Only the Qin family's estate was like a turtle, shrunken into its shell and untraceable.

"Noisy!"

Chen Dong's lips and teeth lightly opened as he spat out two words.

Zhuge Qing's expression was astonished, but he shut his mouth, while also stopping his steps.

Looking at Chen Dong who did not even stop, striding towards the Qin family's gate.

Zhuge Qing hurriedly stuffed an object into Chen Dong's hand.

"In case there is a change, leave a backhand."

Zhuge Qing said in a deep voice.

Chen Dong glanced down at the gun in his hand, and without more words, he directly stuck it backhanded on his back waist.

He had come in a hurry, and the Bladeless Heavy Sword was too big to carry around, so he did not carry it with him.

With his bare hands, it was indeed unwise.

Chen Dong, who was dressed in a suit, looked cold and stern to the extreme at this moment.

It was like a suit thug!

Arriving in front of the thick vermilion door, he did not hesitate in the slightest and gave a brazen kick.

Boom!

The vermilion red door exploded into a big hole, sending wood chips flying.

Simple and brutal, overbearing and brutal!

This scene caused Zhuge Qing, who had stopped walking behind, to have his pupils constricted, but he still did not take a step.

He waited until Chen Dong had walked into the Qin family.

Only then did Zhuge Qing turn his head to look at the long and empty road. In the distance, a black Mercedes-Benz car occupied the entire road, and came speeding towards this side in a massive manner.

The dense, black Mercedes-Benzes were speeding down the road, too big to see.

When the motorcade sped up to the Qin family's front door, it stopped at the same time.

As the car doors opened, men in suits and sturdy bodies, wearing sunglasses, stepped out of the black Mercedes like a tidal wave.

Gathering into a tide, they all stood in front of Zhuge Qing.

“Young Master Qing, the advance guard has arrived, please give the order.”

A middle-aged man stepped forward and said respectfully.

When Zhuge Qing faced the crowd, his aura changed dramatically from that of Chen Dong.

He waved his hand indifferently, “Seal off the Qin family, regardless of access, anyone who dares to intrude will be killed without mercy!”

A bitter killing intent that pierced to the bone and marrow.

The middle-aged man’s face changed dramatically, but he did not dare to say anything more and clasped his fist, “As ordered!”

With an order, the vast crowd spread out along the Qin family’s manor, surrounding it to the last detail.

This was just the beginning, the vanguard, and there would be more Qin family forces to follow.

Grandpa had given the order to die, and that was all the Zhuge family had to show for it!

The use of strong medicine in an emergency, and the use of severe punishment in a chaotic world.

He dared not be the least bit careless with the Qin family.

What was about to happen within the Qin family would affect not just one powerful family, or one city, but the entire region of Western Shu!

The pattern of Western Shu, whether the Zhuge family falls from the altar, and even the survival of the Qin family.

The situation in Western Shu, the fall of the Zhuge family, and even the survival of the Qin family are all determined by the safety of Chen Dong alone!

If Chen Dong is well, it will be sunny in Western Shu, but if Chen Dong is in danger, the sky will collapse in Western Shu!

“I hope everything goes well!”

Zhuge Qing took a deep breath and turned around to step into the Qin family's gate.

Meanwhile.

Chen Dong, however, did not stop walking, and walked quickly through the Qin family's front yard.

Strangely enough, the entire Qin Family was empty and cold as he walked along, not a single person was in sight.

When standing in front of the gates of the central courtyard, Chen Dong scanned the surroundings and said in an angry voice.

"Qin Henian, come out and meet me!"

The voice echoed through the quiet courtyard of the Qin family.

In just a few seconds, the sound of dense, hurried footsteps came from deep within the central courtyard.

Was the whole group revolting?

Chen Dong's cold face was raging with hostility.

The fact that he had not seen any Qin family members in the front courtyard after such a big break-in made him suspicious.

That was why he stopped and shouted when he reached the middle courtyard.

He needed to ascertain what was probably the cause of Qin Ye's accident!

Was it because the Qin family had turned against him, or was there another reason.

After all,..... the tragic case of the Zheng family in the north of the desert was still vivid in my mind today!

But looking at the more than a few people hurrying in the distance, Chen Dong already had a decision in his mind.

Raising his hand, he rubbed his nose, his eyes gradually narrowing with a chilling intent.

"A mad dog that can never be raised, then it can only be slaughtered cleanly!"

Qin Henian and a dozen of his Qin family peers, with terrified faces, hurriedly arrived.

They, of sorts, were the mainstays of the Qin family in the old days when Elder Qin was still alive, and had absolute say.

At this moment, it was obvious that the crowd was also led by Qin Henian!

Looking at this scene, the killing intent in Chen Dong's eyes grew even stronger.

At the beginning, he had personally provoked Qin Henian and the Qin family, forcing him to the opposite side of the Qin family and having to help Qin Ye and Qin Xiao Qian.

But now that Qin Henian had once again become the horse's head of the crowd, there was no longer any room for manoeuvre or negotiation in the matter of the Qin family!

"He Nian leads the Qin family to welcome Mr. Chen!"

From afar, Qin He-nian forced a smile on his face and greeted him with a fist.

The people behind him also clasped their fists in agreement, but the smiles on everyone's faces were all skin deep.

Even as Chen Dong swept his gaze, he could clearly feel the fear and weakness in the way they looked at him.

But the priority of the moment was Qin Ye, Qin Xiao Qian and Zhang Yulan!

"Where is Qin Ye?"

Chen Dong asked coldly.

The words had not yet fallen.

The smiles on Qin Henian and the others' faces suddenly disappeared, and they looked at each other with a look of fear and panic that had been undisguised.

"I said, where is Qin Ye?"

Bang!

Chen Dong stamped his foot on the ground, and the stone slab on the ground at the entrance of the courtyard, exploded in response to the sound.

There was a crash

The Qin family members immediately knelt down in fear, except for Qin Henian who said in a panic, "Mr. Chen, don't be angry, this is not what we wanted, we really had no choice!"

“What a compulsion, the Qin family has a lot of compulsions!”

The corners of Chen Dong’s mouth turned upwards on one side, seemingly smiling, but the biting and piercing coldness was like a tidal wave, instantly pressing across towards Qin Henian and the others.

In an instant.

Qin Henian and the others were frightened and their bodies were like sieve chaff.

It was at this moment.

A teasing laugh came from afar.

“There’s no such thing as compulsion, it’s just a thief’s heart that can’t be filled, don’t you think so, Qin Henian?”

“You

Qin Henian was struck by lightning, his face flushed red and he turned back in panic: “You, you don’t say nonsense!”

“I’m not talking nonsense, me and your Qin family, aren’t we standing together?”

The silver-haired man walked slowly with an evil and playful smile on his face, and as he stepped, the silver-white hair on his head, gently danced.

At this moment, Qin Henian and the others looked flustered and complicated, but they were silenced at the same time.

Chen Dong, however, instantly locked onto the silver-haired man, “What kind of thing are you?”

“I am not something, I am

Li Danggui!”

The silver haired man clasped his fist and smiled, “What I am seeking on this trip is just to see you Chen Dong, don’t worry, although Qin Ye and the others were beaten by me, they are all fine, don’t believe me.”

The words just fell.

Behind him, Qin Ye, who was covered in bruises, walked out slowly with a sullen face.

Chapter 1332

“Qin Ye

Looking at Qin Ye, who was covered in bruises, Chen Dong's expression was instantly astonished.

"Brother Dong."

Qin Ye's bloodshot eyes stared intently at Chen Dong, the corners of his mouth pulled up a smile, but his steps were slow.

Each step tugged at the injuries on his body, hurting so much that he could not even keep the smile on his lips.

As Qin Ye appeared, he instantly became the focus of the entire audience.

Qin Henian and the others even looked at Qin Ye with strange and complicated expressions.

The whole room was dead silent.

The eyes of the crowd moved slowly with Qin Ye.

Hostility lingered on Chen Dong's cold face as he squeezed out a sentence from his teeth and questioned Li Danguai.

"Is this what you call no big deal?"

When the last three words came out, the awe-inspiring killing intent, like the light of a sword, suddenly stirred in the large courtyard.

Qin Henian and other people's expressions have changed greatly, and their hearts are frightened.

As the Qin family was in the process of declining and the building was about to fall, the Qin family felt Chen Dong's ruthlessness and dominance to the fullest.

The word "Chen Dong" had become a nightmare for the Qin family!

For Qin Henian, it was particularly strong.

After all, when the Qin family was in crisis, the old man, his father, had brought him along to visit Chen Dong and killed himself in front of him with a three-foot green blade.

Afterwards, he, the son of the Qin family, personally carried his father's corpse back to the Qin family!

"Where's the big deal?"

Li Dangui shrugged his shoulders with a carefree smile and raised his hand to pat Qin Ye's shoulder, "If he was in serious trouble, how could he have waited for you, Chen Dong, to come to the Qin family?"

It was obviously a very light pat, but when it landed on Qin Ye's shoulder, it instantly caused Qin Ye to look pained, his features twisted and he let out a muffled grunt.

"Stop it!"

Chen Dong's face changed greatly and he angrily rebuked.

Li Dangui slowly lowered his right hand and laughed lightly, "It's alright, I didn't use much strength, Chen Dong, not only is Qin Ye alright, Zhang Yulan and Qin Xiao Qian are also alright, you can rest assured."

When he heard the word "Zhang Yulan".

The distorted features of Qin Ye, who was in pain, suddenly froze, and his bloodshot eyes instantly became ruthless.

He staggered towards Chen Dong, but when he took a step, he pulled his wounds all over his body and let out another muffled grunt of pain.

"Don't move!"

Chen Dong hurriedly let out a rebuke and ran towards Qin Ye in big strides.

This scene fell into the eyes of Li Dangui behind Qin Ye, but his cold, stern eyes slowly narrowed into slits, a cold intent flickered, and the smile at the corners of his mouth grew even stronger.

Under the warm sun.

Qin Ye stopped where he was, his face full of pain, and looked profoundly at Chen Dong who was running wildly.

In a trance, Qin Ye felt that everything around him was slowed down.

With his right hand, he quietly gripped the pitch-black dagger behind him, an action that did not seem abrupt because his body was hunched due to the pain.

In his mind, memories came back as quickly as if they were a movie, changing over and over.

Before he met Chen Dong, he was a "father-killing beast" who was reviled by everyone, but after he met Chen Dong, he gradually emerged from the darkness.

His life was also saved by Chen Dong!

It was only because of Chen Dong that he was able to change his fate against the odds and become what he is today.

That is why when Gu Qingying was in trouble, he did not hesitate to trade his life for Gu Qingying.

For no other reason than that Gu Qingying was Chen Dong's wife and his sister-in-law!

And now

"I'm sorry Brother Dong, Yu Lan's life is hanging by a thread, I don't have a choice"

Guilt in his heart was like a shocking tsunami, Qin Ye said in his heart, but his bloodshot eyes were filled with tears.

At the same time.

Chen Dong, who was running wildly towards Qin Ye, witnessed the change in Qin Ye's expression, and his heart suddenly hurt so much that he couldn't breathe.

The Qin Ye he knew never shed tears easily!

This tear was more painful to his heart than death by a thousand cuts!

It also confirmed Elder Zhuge's speculation!

But Chen Dong, however, did not stop himself.

"Brother Dong"

Just when Chen Dong was still a few meters away from Qin Ye, Qin Ye suddenly shouted.

The corners of Chen Dong's eyes twisted fiercely: "Stand there, don't move, I'll come and help you!"

As the four eyes met, Chen Dong could even see the complex change in Qin Ye's eyes, which were filled with tears, like a huge wave in the sky.

Five metres.

Four metres.

Three metres.

The distance between the two closed quickly.

The smile on Li Danggui's face disappeared and he was cold and grave, his hands were clenched into fists.

Immediately was going to succeed!

He was not the least bit worried about whether Qin Ye would make a move on Chen Dong, with Zhang Yulan and Qin Xiao Qian in his hands, these were his two biggest bottom cards!

Even though he had just ordered someone to rescue Zhang Yulan, to him, whether it was Qin Ye or Zhang Yulan or Qin Xiao Qian, they were all fish on the chopping block.

As long as Qin Ye succeeded in one blow, Chen Dong would also be on his chopping block!

Since Li Danggui had barged into the Qin family alone, overwhelmed the whole scene, and captured the three Qin Ye alive, he was confident that he was already invincible!

There was no suspense in the scene before him!

In his line of sight, Li Danggui even saw Qin Ye's right hand, which was holding the dagger, had slowly pulled it out, just waiting for the final blow.

"Don't cry, the bad guys will laugh!"

Chen Dong was already two metres away from Qin Ye, his expression solemn and cold, his lips and teeth lightly opened.

The moment the words left his mouth.

Qin Ye suddenly laughed, his gaze blazing with determination!

"Ah!"

In an instant, it was accompanied by an explosive roar from Qin Ye.

A smile once again appeared on Li Danggui's cold face succeeded!

However.

A strange change occurred abruptly!

Qin Ye, who had raised his dagger, did not pounce on Chen Dong with his explosive roar, but instead, he turned around as if he was crazy and pounced directly on Li Danguai.

“Impossible!”

Li Danguai’s mind exploded with a “buzz”, and he instantly revealed a frightened and confused expression.

In his vision, Qin Ye was like a mad beast, holding his dagger up and lunging in front of him.

In a flash of lightning.

Li Danguai slapped out with a brazen slap.

Bang Teen!

A sound like hitting a sandbag echoed through the courtyard.

Qin Ye, who was close at hand, instantly flew backwards, while the dagger in his hand flew out of his hand.

Bang!

At almost the same time, a gunshot rang out in the courtyard, shocking the crowd.

After Li Danguai slapped Qin Ye away with one hand, before he could make any reaction, a bullet tore through the air in his sight and came at breakneck speed.

Poof!

The bullet penetrated Li Danguai’s left shoulder blade, splashing blood.

Li Danguai staggered back a step, staring at the bleeding hole on his left shoulder blade with disbelief, his whole body was in a daze.

“Qin Ye!”

After Chen Dong fired a shot, he leapt into the air and swept Qin Ye, who was flying backwards towards him, into his arms and landed steadily on the ground.

As soon as he landed on the ground, Qin Ye’s chest rose and fell violently, and he spat out a mouthful of fresh blood.

“Brother Dong, save Yu Lan, save Yu Lan

Qin Ye nestled in Chen Dong's arms, crying and pleading, and said guiltily, "I'm sorry, I'm sorry"

"Shut up!"

Chen Dong scolded viciously.

Qin Ye abruptly stopped her voice, only to have a smile on her face that grew wider and wider.

And Chen Dong's cold face also showed a smile as if he was relieved.

Winner Takes All Chapter 1333-1334

Chapter 1333

The unexpected scene left everyone dumbfounded and in disbelief.

Whether it was Li Danggui, Qin Henian or the rest of the Qin family, all of them were dumbfounded.

In the courtyard, the only sound that echoed was the reckless laughter of Chen Dong and Qin Ye.

Hoo

A light breeze blew through Li Danggui's long silver-white hair.

His gaze gradually regained focus, cold and stern, resentful and fuming with anger.

The huge pain in his left shoulder blade made his body tremble.

Not from pain, but from shame and anger!

He had calculated everything, using Qin Xiao Qian and Zhang Yulan as leverage to force Qin Ye to stab Chen Dong in return.

He was so sure of everything, but at the last minute, Chen Dong and Qin Ye had played a trick on him.

What is this?

You're playing me like a monkey?

crunch crunch

A subtle sound emanated from Li Danggui's left shoulder blade, underneath his suit, the hole struck by the bullet, and as the sound rang out, more blood flowed.

As Li Danggui's eyes sank, the bullet originally shot into his left shoulder blade, but was squeezed out and fell to the ground, gently beating twice.

This scene was not noticed by Chen Dong and Qin Ye.

The shocked and dumbfounded Qin family members did not notice either.

As the bullet fell to the ground, Li Danggui suddenly looked hideous, raised his hand violently and pointed at Qin Ye, cursing angrily.

"Are you fucking crazy? Do you fucking want to die yourself, or do you want your woman to die?"

The angry curses echoed through the courtyard.

At this moment, Li Danggui was no longer calm and collected as he was a moment ago, his face was full of fierce and killing intent.

He was so confident that he was invincible, even before Qin Ye's strike, that he was in a position to win.

However, Qin Ye's strike was like a fierce slap on his face, instantly shattering all his confidence with a dagger stab!

A disgrace!

A great disgrace!

With his heart, such a situation, in all his projections, could never have occurred!

"If a man doesn't do it for himself, heaven and earth will be destroyed!"

Li Danggui's body was trembling as he gritted his teeth, "You fucking don't want your own life, your sister's life, your woman's life for Chen Dong?"

The words were deafening.

At this moment, even the shocked and dazed Qin family members woke up.

No one bothered to look at Li Danggui, and all eyes were focused on Chen Dong and Qin Ye.

These two guys were completely and utterly insane?

Chen Dong's eyebrows were cold and stern as he stared at Li Danggui: "That is your perception, people live a life, sometimes for the sake of some people, they can kill the sky and destroy the earth!"

The stern and cold words caused Li Danggui to freeze instantly.

"I didn't don't want my sister and Yu Lan's life, I just spell my own life, this life I have, is given by Brother Dong!"

Qin Ye smiled bitterly, but his gaze drifted to look at Chen Dong: "Brother Dong, Yu Lan is not in danger for now, please, save her!"

"Good!"

Chen Dong responded with a single word.

The words had not yet fallen.

The Qin Ye in his arms, however, had her head tilted and fainted.

To him, from the time he promised Li Danggui, as long as Zhang Yulan was saved, it was actually enough.

Turning against the water?

Qin Ye couldn't do it!

This scene in front of him was already the optimal solution Qin Ye could think of!

Luckily, Chen Dong, who was his brother, had caught this optimal solution of his!

"Beast, get a good night's sleep, the rest, Brother Dong will do the rest!"

Chen Dong looked cold and stern as he slowly put the unconscious Qin Ye on the ground.

Then, got up.

With a face as cold as frost, he slowly straightened his suit, and his cold and stern gaze looked at Li Danggui.

"I don't know who you are, where you come from, what your background is, what your purpose is, but right now, I'm telling you, you are going to die!"

Mighty killing intent was declared from Chen Dong's body.

It was like a shocking wave that swept across all directions.

Li Danggui's complexion suddenly sank, some scruples in his eyes.

The Qin family members, such as Qin Henian, not far away, retreated in fear, afraid that the city gate would catch fire and affect the fish in the pond.

"Hehe Li Danggui, begging for death!"

Faced with Chen Dong's awe-inspiring killing intent, Li Danggui, however, turned a cold look back in an instant, clasped his fist in a salute and rampantly uttered his voice.

Buzz!

Buzz!

Almost simultaneously.

Chen Dong and Li Danggui's bodies swept out with fierce qi at the same time.

Two swirls of Qi surrounded the two.

Clack

The ground where the two stood cracked inch by inch as the qi swept through it, even arching up a little and surging in all directions.

This scene made people's jaws drop and their sweat stand on end.

Quietly, majestic killing intent leaked out from the two men, invisibly as if countless swords and shadows were intertwined and clashed together.

"So strong, Brother Henian, how should our Qin family deal with itself?"

"I always thought that Chen Dong was already the number one of the younger generation in the world, but this Li Danggui is no better than Chen Dong!"

"Who the hell is this Li Danggui, at such a young age, he is actually as terrifying as this?"

.....

A burst of murmurs and exclams echoed through the crowd of middle-aged Qin family members.

Everyone was confused, terrified and frightened.

Qin Henian, on the other hand, was in deep thought with his eyebrows knitted together as the crowd's shocked clamour echoed in his ears.

The next second.

“Die!”

Chen Dong fiercely let out an explosive shout, his Qi energy surging wildly, as if he was out to bet a fierce tiger, directly charging towards Li Dangui.

“Idiot!”

A snicker appeared at the corner of Li Dangui's mouth as his feet exploded with a bang and he rushed towards Chen Dong like an arrow off the string.

In an instant.

The battle was on the verge of breaking out.

The moment they collided, they entered into a white-hot battle.

There was no trial and error.

There was no finesse.

Simple, brutal, fist to fist.

But for a Qigong powerhouse, such a fist-to-fist fight was already enough.

In the eyes of Qin Henian and the others, it was a dizzying array of shadows and sounds that followed the shadows.

Bang Bang Bang

A sound of explosions echoed through the courtyard.

Each time the explosion sounded, a circle of ripples visible to the naked eye would wash out, distorting the line of sight.

Qin Henian and the others were dumbfounded and their jaws dropped.

They could not see the battle between Chen Dong and Li Dangui, they only felt a blurred residual shadow passing quickly before their eyes.

But it was this blur that was imprinted incomparably clearly on the ground.

On this side of the ground, as Chen Dong and Li Danguai fought, the hard stone slabs were quickly crushed into pieces, turning into smoke and dust and surging in all directions.

This caused the mouths of Qin Henian and the others to cry out in awe.

High-speed battle.

Chen Dong blasted at Li Danguai with a blatant punch, the wind exploding and the qi surrounding him.

A simple and brutal punch, but it contained a terrifying force that could destroy gold and crack stone.

However.

When Chen Dong's fist was in mid-air, Li Danguai's qi surged and instead of retreating, he advanced and lunged directly at Chen Dong's fist.

This scene instantly made the pupils of Chen Dong, who was caught off guard, tighten up.

He did not wait to react.

Li Danguai's eerie laughter then echoed in Chen Dong's ears.

"You wouldn't have been unaware of Pan Gu's plan until now, would you?"

Chapter 1334

The Pan Gu Plan?

In an instant, Chen Dong's ears felt as if thunder had exploded, his mind buzzed, and even his fist movements gave a pause in shock.

The Pangu Jade Pendant and the "Pangu Biotechnology Company" had always been questions that he could not understand.

But this sudden appearance of Li Danguai in front of him could actually say "Pangu Project" in the same breath, what was the connection between the two?

His thoughts were tangled and he was shocked.

Li Danguai's teasing sneer suddenly rang out in Chen Dong's ears.

“Hasn’t anyone told you that in a life-and-death struggle, distraction is a life-threatening thing?”

It was going to be a disaster!

Chen Dong’s pupils tightened, and a vicious chill ran from the soles of his feet to the sky.

He did not wait for any reaction.

Snap!

Li Danggui, who was bullying Chen Dong, grabbed Chen Dong’s right fist by the wrist.

The qi wind then climbed onto Chen Dong’s right wrist like a maggot on a bone, instantly cutting the flesh and scraping the skin like countless sharp knives.

“Spread your hand!”

In a flash of lightning, Chen Dong’s expression turned hostile, his right arm muscles were buried inch by inch, and his fierce and domineering Qi energy swept along his arm directly towards the fist blade, trying to break free from Li Danggui’s right hand with brute force.

But to his horror, Li Danggui’s right hand was wrapped in Qi energy as if it was an iron grip, not moving at all.

The Qi that was sweeping away only resisted the erosion of Li Danggui’s Qi on his wrist.

In the snap of a finger, the two were at a standstill.

But this stalemate was only for a moment before it was broken by Li Danggui’s explosive roar.

“Kneel down!”

With a voice like a bell, Li Danggui’s left scapula, which had been shot, actually moved, and his entire left arm, surrounded by qi energy, was like a python dragon in the air, smashing into Chen Dong with a domineering and brutal stance.

He had left a hand?

Chen Dong was instantly shocked, and his body was filled with chills.

Just now, when he had worked with Qin Ye and struck Li Danggui’s left shoulder blade with one shot, he was certain that one of Li Danggui’s hands was temporarily ruined.

In the fight with Li Dangui just now, from the beginning to the end, in the face of his blistering attacks, although Li Dangui had also used his left hand to resist, it gave the impression that he was barely able to exert himself and was forcing himself to hold on.

However, Li Dangu's left arm was now in the air without any stagnation, as if he was not injured!

Hiss~~!

In an instant, the faces of the Qin family members watching the battle changed greatly, and there was a sound of shouting and sucking in breath.

As far as they were concerned, this arm would have burst on the spot, not to mention a human head, even if it were a rock of red gold, under the power of Qi!

The destructive power of a martial artist's Qi is on two different levels!

Not to mention that Li Dangui had surprised everyone by leaving his left hand, which should have been incapacitated by the shot, unharmed!

The first opportunity was enough to seal the victory.

Chen Dong, who had his right hand pinned down, had no choice but to resist the blow, which would have seriously injured him.

It was a close call.

"Ah!"

Chen Dong's five senses suddenly erupted, and with an explosive roar, he fiercely sank his waist and stood on his horse, his waist twisting, his body strength exploding to the limit at this moment.

There was no way to retreat, no way to avoid.

Then, no retreat, no avoidance!

Attack instead of defend!

Chen Dong's right hand instantly counter-restrained Li Dangui's right wrist, and just at the moment when Li Dangui's left arm was about to slash above his head, his right hand violently counter-restrained Li Dangui's right wrist, while twisting his waist and turning his back, like a dragon inverting a river, he directly threw Li Dangui into the air with a domineering stance.

The two men's qi collided in an instant, thumping and banging as the wind swept across the air.

Boom!

Like a broken pocket, Li Danguai was directly thrown out by Chen Dong and fell heavily to the ground, sliding seven or eight metres against the ground and raising a roll of smoke and dust before coming to a halt.

Li Danguai was lying on the ground and did not get up immediately.

Amidst the smoke and dust, Li Danguai lay on the ground, the corners of his mouth stained with blood, his eyes hollow and dazed, mumbling incredulously, "How the hell can this be such a terrifying fighting instinct?"

What had just happened had taken less than a second!

He had forced out the bullet from his left shoulder blade in advance, pretending that his left arm was temporarily weak, just to wait for the final blow just now.

Everything was in his calculations, even the sudden utterance of the "Pan Gu Plan" was intentional, to deliberately distract Chen Dong.

His right hand elbowed Chen Dong's right fist, not just a simple elbow, but also crossed each other, in order to minimise the distance between him and Chen Dong, and to kill him with a single blow from his left arm!

Li Danguai had calculated this in advance before making this move.

And Chen Dong's resistance was in the course of that less than a second, a desperate attempt to reverse and flip the situation!

Apart from instinct, even the most powerful master of deduction would never be able to deduce such a divine strike as Chen Dong's!

Silence.

In the courtyard where the smoke and dust rolled, there was dead silence.

"Chen Dong is dead, isn't he?"

A low murmuring voice rang out from the crowd of the Qin Clan.

As the voice rang out, a crowd of Qin family members turned their gazes towards where Chen Dong and Li Danguai had been before, their eyes burning with eagerness to know the outcome.

However.

The moment their eyes gazed, everyone was confused.

“How is this possible?”

“My god, what the hell just happened?”

“How, how did this happen?”

.....

Daoist cries of shock came out of the mouths of the Qin family.

In the line of sight, smoke and dust rolled around, but there was no sign of Li Dangu.

Chen Dong, on the other hand, was standing in place.

The smoke and dust was so thick that Chen Dong's body was half bowed, his back was violently heaving, and even from some distance away, the Qin family could hear the ragged panting from Chen Dong's mouth and nose.

But it was this hunched and tired figure that was like a heavy hammer that ruthlessly struck the eyes of the Qin family.

The first thing you need to do is to get a good idea of what you are getting into.

For a moment, Qin Henian and the rest of the Qin family looked at Chen Dong as if they were facing a demon god.

It was also at this moment.

Chen Dong, who was hunched over, slowly twisted his head, his scarlet eyes looking straight at Qin Henian and the others, and while gasping for air, he asked, “Do you wish for my death?”

As he spoke, the corners of his mouth curled up into an evil and seeping smile.

This smile.

It made the restless and frightened Qin family members, instantly stiffened and silenced, and all of them felt the overwhelming cold intent declaring out from Chen Dong and pressing across the sky.

“Mr. Chen

Qin Henian hurriedly opened his mouth, trying to explain.

However, Chen Dong ignored it and turned his head to fall back on Li Danggui in the smoke and dust in the distance.

“Li Danggui, tell us what you know about Pan Gu’s plan, and there is still something to discuss between you and me!”

“Heh!”

Under his silvery white hair, his eyes narrowed into slits, staring at Chen Dong like a poisonous snake, “How can we discuss?”

Chen Dong smiled blatantly, “To discuss whether to leave your body whole or to cut it into pieces.”

His words were overbearing and his killing intent was as majestic as a thunderclap.

Winner Takes All Chapter 1335-1336

Chapter 1335

The majestic killing intent stirred across the room.

Qin Henian and the rest of the Qin family looked terrified and looked at each other, but their eyes were complicated.

On the contrary, it was Li Danggui who shrugged his shoulders with a face full of care, teasing and flirting.

“Such a big secret, and you won’t consider sparing me?”

Chen Dong’s eyes drifted for a moment, but they fell on the unconscious Qin Ye.

If it were any other matter, he would have backed off in order to know about the “Pan Gu Project”.

But when it came to Qin Ye Li Danggu was doomed to die the moment he stepped into the Qin family and committed the murder!

For Chen Dong, there are some things that can be retreated, and some things that can’t be retreated even if you die!

Parents, wife and children, brothers, friends, this is what a man should guard, rather die than retreat!

“Forget it, don’t hesitate either, it’s definitely you who will die today anyway.”

Without waiting for Chen Dong’s response, Li Danggui shook his head and laughed lightly, his gaze cold and stern as he looked askance at the terrified and silent Qin family, “Aren’t you going to join me and overthrow this tyrant who reigns at the head of your Qin family?”

At those words.

The terrified and silent Qin family members’ expressions instantly became complicated and varied.

Suddenly.

“Shut up, crazy person who came out of nowhere, my Qin family has nothing to do with you!”

Qin Henian clenched his hands into fists and let out an indignant bellow, but he directly discarded the topic.

However.

Chen Dong, however, clearly saw, one by one, the Qin family members at the time Li Danggui’s words were spoken, the seemingly, bright and uncertain blaze and hostility in their eyes.

The corners of Chen Dong’s mouth picked up a smile that seemed to be unmistakable as he slowly withdrew his gaze and looked at Li Danggui again.

Quietly, his hands clenched into fists.

There are people, there are families, who have been used to eating human blood buns, even if they have killed everyone with their thunderous methods of iron-blooded killing, so that everyone is scared and bows down to them.

But the bones of the dirty, wolf ambition, lust, can not be changed after all, and there is no need to continue to exist.

“How can it be irrelevant?”

In the face of Qin Henian’s angry rebuke, Li Danggui shrugged his shoulders, the whole person gave a hanging cynical feeling: “Your Qin family in the past is the first magnate in Western Shu, is not because of this lying on the ground and now standing this, the river is falling, the building is falling, have no choice but to succumb to the two of them?”

“The enemy of an enemy, that can be a friend, I am your friend, the friend who helped you push down the two vicious wolves, Chen Dong and Qin Ye, together!”

A teasing laugh echoed through the courtyard.

Qin Henian’s body was drenched in cold sweat and he looked panicked and scared.

He could even feel the change in the people of his clan around him, and it was more like hot oil being poured on him, making it unbearable.

How could these fellow clansmen not be aware of this when the Qin family was in a state of flux?

“Bullshit!”

Qin Henian gritted his teeth, not caring about the change of his fellow clansmen, he blatantly cursed angrily at, and then spat fiercely on the ground, “Li Danggui, my Qin family is attached to Young Lord Chen’s banner and has no second thoughts whatsoever, you must not try to sow discord!”

“Then why haven’t I touched a single bit of you from the beginning to the end?”

Li Danggui narrowed his eyes, his silver-white hair, matched with a cold, grim smile, making his entire aura shadowy to the extreme.

With a single sentence, he refuted Qin Henian’s speechlessness.

Yes, the entire Qin family had been burst in by a Qi powerhouse, but Qin Ye, Zhang Yulan and Qin Xiao Qian were the only ones who were safe.

This doesn’t make any sense!

Qin Henian knew it, and Chen Dong would not believe it either!

Especially at this moment, even he could feel the changes in the surrounding clan, let alone Chen Dong.

In a trance, Qin Henian felt a blackness in front of his eyes, and even had the urge to sit down directly on the ground with a weakness.

“Noisy!”

A cold, stern voice interrupted everything.

The eyes of the crowd instantly returned to Chen Dong.

At this moment, Chen Dong's body had straightened up, and his entire aura was like a mountain being plucked from the ground as it roared up.

His killing intent was overwhelming and overbearing.

Even as he stood in place, he gave off an aura of a sharp sword being sheathed to tear the heavens apart.

The change in aura caused Li Danggui to curb his playfulness and look tightly focused, not daring to be careless.

When Qin He-Nian and the rest of the Qin family faced Chen Dong at this moment, they even unconsciously shrank their necks, as if they were ants looking at a mountain, not daring to look straight at him.

"Are you sure you can kill me?"

Li Danggui's expression was sullen, his eyes wary.

"You guess?"

Li Danggui nodded, "You're perfect, flawless!"

Chen Dong's brows knitted together, a cluster of doubts flashing in his eyes.

The next second.

Buzz!

Qi energy leaked out from Chen Dong's body, and the ground beneath his feet, instantly cracked in response to the sound.

Almost simultaneously.

"Suffer death!"

Li Danggui was like a cannonball out of the chamber, his Qi energy tumbling all over his body as he took the lead in charging towards Chen Dong.

At this moment, a harsh and murderous intent rose wildly from Li Danggui's body.

His body was like lightning and his momentum was like wild thunder.

Chen Dong's pupils shrank as he felt the wind pounding in his face, and in the blink of an eye, Li Danggui's cold and hostile face was already close to him.

Faced with Li Danggui's fist, Chen Dong did not retreat, but with a solemn expression, he directly met it with a blatant fist.

Bang Teen!

The sound was like the beating of a drum, and the fists clashed.

Ripples of Qi energy were visible to the naked eye, rippling out from their fists.

The air around them shook at the same time, and under the impetus of their qi, the air even became clear, forming waves of qi that swept out like a tidal wave.

There was not the slightest pause.

The two of them fought with all their might, even more so than they had earlier!

Bang Bang Bang

A loud sound like a bomb explosion echoed through the courtyard.

As they moved at high speed, they brought up streaks of shadow, destroying and sweeping the ground in their path, cracking and even turning the solid stone floor into pieces as they raged past.

The majestic qi energy was wildly released, kicking up a violent wind in the courtyard.

Qin He-nian and the rest of the Qin family watched in awe as the two were barely able to catch their silhouettes.

The eyes of the Qin family members became even more complicated as Chen Dong and Li Danggu killed each other.

“Shake the Mountain!”

“Eight Extremes Iron Mountain Lean!”

In a flash of lightning, the explosive shouts of Li Danggui and Chen Dong suddenly exploded in the air.

The figures that were originally blurred with residual shadows suddenly became clear at this moment.

Under the shocked eyes of Qin Henian and the others.

Chen Dong and Li Danggui were simultaneously wrapped in qi energy and crashed into each other with a brutal and overbearing stance, as if a great mountain had moved across.

Boom!

The moment of impact, the Qi energy turned into a tidal wave that raged in all directions, and the ground trembled.

Smoke and dust rose in all directions, and the ground was instantly shaken out of a layer of fragments, giving the impression that the ground had caved in a layer.

“Ah!”

Chen Dong suddenly let out a miserable cry, and like a broken pocket, he flew straight backwards and landed heavily on the ground.

As soon as he landed, his face turned violently red and a strand of fresh blood flowed from the corner of his mouth.

The sudden scene was like a flood of bells and rhythms blasting at the heart of the Qin family.

Qin Henian was even more frozen in place, covered in sweat, but his pupils were dilated to no focus on Chen Dong.

Mr. Chen is really no match for the other side?

The thought had just risen, but a cold, stern voice suddenly sounded in Qin Henian's ears.

“Brother He-nian, the opportunity is too good to lose, when will you wait if you don't rebel at this time? This is a heavenly opportunity for our Qin family to return to the number one position in Western Shu!”

Chapter 1336

The cold, stern voice resounded in his ears like a loud bell.

Qin He-nian's body shook violently, and a bad chill ran from the soles of his feet to the sky, and his sweat hairs stood on end.

In a flash, his complexion was torn and gloomy to the extreme, and his tiger eyes were bright and uncertain.

To oppose or not to oppose?

The Qin family, the number one family in Western Shu in the past, only collapsed and became Chen Dong's vassal because of him.

But it was also the old man Qin who visited Chen Dong with a three-foot green blade and killed himself on the spot to preserve the Qin family today, otherwise even vassalage would not have been possible.

This is a big gamble, a gamble on the future of the Qin family, a gamble on the lives of hundreds of people up and down the Qin family!

If you win, the Qin family will be back to the number one family in Western Shu, just around the corner.

If you lose, it will be a million deaths and no bones left!

The actual fact is that you can't be sure that you're going to be able to get a good deal on your own.

A big hand, landed on Qin Henian's shoulder.

Almost simultaneously.

A voice full of hostility echoed in Qin Henian's ears, "Brother Henian, if the Qin family wins against, the past grudges between you and the Qin family will not be blamed, and we will embrace you as the new head of the Qin family, now we are only waiting for your decision!"

Qin He Nian's eyes exploded with a brilliant aura.

The feud between him and the entire Qin family was forged by Chen Dong back then, which forced him to break with the Qin family and stand on the opposite side to assist Qin Ye and Qin Xiao Qian.

He had always held a grudge about this, and even had trouble sleeping and eating.

Because he knew that after offending the Qin family, being in the Qin family was no different from being in a tiger's den, where a butcher's knife could come down on his neck at any time.

And now, the promise from the people behind him is not only generous, but also heartwarming.

Not only would he be able to wipe out his grudges with the Qin family, he would also be able to become the new head of the Qin family!

"Let me think about it!"

Qin Henian took a deep breath, still hesitant.

The dozen or so Qin family members around him looked different, some indignant, some disgraceful, and some even clenched their teeth and waited.

The atmosphere was so stern that it sent chills down one's spine.

“Heh

Chen Dong lay on the ground, pulling the corner of his mouth, raising his hand to slowly wipe the blood from the corner of his mouth while his eyebrows were lowered.

The wolf son ambitious generation, at this moment is still waiting for what?

The fangs are showing, pounce on ah!

At the same time.

Li Danggui, who had directly knocked Chen Dong away with a mountain shaking blow, stood up straight again and casually raised his hand and patted his shoulder, seemingly patting the dust, but in reality, he was contemptuous and disdainful of Chen Dong.

This was because the spot he was patting was exactly the spot where he had just collided with Chen Dong!

“Young master of the Chen family? The leader of the Great Snow Dragon Riding Army, Chen Dong? The man who lifted the world's merits with the word Huo Zhenxiao?”

Li Danggui's silver-white hair slowly fluttered, his eyes narrowed vaguely as he despised towards Chen Dong: “These world-raising glories you have obtained are no false names, how come you are so rubbish?”

Chen Dong slowly got up, his eyes looked straight at Li Danggui, and while teasingly smiling, his right hand ripped open the first button on his suit shirt.

“You're so bullish, why don't you have one?”

On Li Danggui's fair face, a blush appeared at once: “You

“Curmudgeons also dare to presume to talk about me, when I entered the Northern Region Zhenjiang City, one person pressed a thousand armies, you curmudgeons, where are you?”

The words are clear, out of the blue and disdainful.

Li Danggui's body trembled, his face flushed with shame and annoyance.

Boom!

Without waiting for a response from Li Danguai, Chen Dong's body was covered with qi like a dragon, rising to the heavens.

At this moment, Chen Dong looked wild and domineering as he suddenly shouted.

“Come and fight!”

Bang!

The ground beneath his feet exploded in response, and Chen Dong, wrapped in a majestic killing intent and the fearful might of a great prison, rushed towards Li Danguai.

“To death!”

Li Danguai was so ashamed that he violently ripped off his upper body suit, and with a surge of Qi energy, he directly shattered his snow-white shirt, revealing the upper half of his body, with its inch-by-inch muscles that looked like cast brass.

In the sunlight, the muscles were gnarled and twisted, as if a dragon was climbing on them, and each muscle seemed to contain an endless and terrifying explosive power.

Crunch

The muscles of Li Danguai's upper body squirmed and made squeezing sounds as his arms moved.

This scene, falling into the eyes of Chen Dong, immediately pupils tightened.

Has almost all the muscles of the upper body been controlled?

Where the hell did this guy emerge as a freak?

Clang!

Between the lightning and the fire, the subtle and piercing sound of a sword chant suddenly echoed in Chen Dong's ears.

It was so light that it was almost inaudible under the whistle of qi energy.

But Chen Dong, who was close to it, caught it clearly!

Almost at the same time, a flash of blinding coldness stretched across the sky.

Chen Dong's eyes narrowed, his heart jerked and his body tingled.

But at this moment, he was already in front of Li Danggui, unable to dodge or avoid.

In a flash, Chen Dong almost instinctively stomped his right foot into the ground, forcibly stopping his forward inertia while leaning back violently.

Almost simultaneously.

Buzz!

A wind-rending sound as low as a literary chant echoed in Chen Dong's ears.

Chen Dong vaguely saw a sword blade as thin as a cicada's wing, close to the tip of his nose, cutting across it, the tearing air wreaking havoc on the tip of his nose as if it was about to tear his skin, stinging incomparably.

"It actually sensed my ice spirit?"

Li Danggui's astonished voice rang out at the same time.

The moment Chen Dong regained his footing, Li Danggui, who had swung his sword, bullying his way up to Chen Dong, instantly came in front of him, and at the same time, his right leg slammed into Chen Dong's abdomen with a blatant knee strike.

The blow was as heavy as a thousand pounds.

Chen Dong let out a scream and flew backwards like a broken pocket, spitting out a mouthful of blood and landing on the ground in a parabolic line in the air.

The moment he landed, Chen Dong twisted his waist and landed on one knee to stabilise his body.

However, he was unable to stand up, and his right hand was pressed tightly against his abdomen, trembling.

The hard resistance to the knee strike had caused Chen Dong's abdominal organs to turn upside down and twist into a ball, and his face turned white with pain.

Seeing Chen Dong on one knee, he did not get up immediately.

Li Danggui looked askance at the crowd of Qin family members in triumph, "The opportunity is right in front of you, why don't you all rush over and grasp it vigorously?"

With Chen Dong once again falling into a downward spiral, every word that Li Danggui uttered seemed to hold endless temptation for the crowd of Qin family members.

Qin Henian was still hesitating, clenching his cheeks, his eyes as gloomy as water.

I don't know why, but he always felt that something was wrong!

"Brother He Nian!"

A gloomy voice rang out behind him, a query and a prod.

"I feel that something is not right!"

Qin Henian's lips and teeth lightly opened as he spat out the words, "Don't rebel, if not the Qin family still exists, there's no need for us to fight for this one chance!"

However.

"Qin Henian, I knew damn well that you had already had your backbone broken and been reduced to Chen Dong's knee-high dog!"

A gloomy voice suddenly exploded like thunder, "You don't have the balls in your trousers, we do, you don't dare to rebel, we do, the Qin family's former glory will be recaptured by us today!"

In an instant.

Behind Qin Henian, a dozen Qin family members were furious and murderous.

The scene was instantly chaotic.

Qin Henian suddenly changed his expression and turned around to stop him.

But he was greeted with a heavy punch, which knocked him to the ground.

A dozen members of the Qin family were all red-eyed, shouting and killing as they rushed directly towards Chen Dong.

"No, come back, come back!"

Qin Henian fell to the ground, taking a hard punch, his nose bleeding and wailing in pathos.

It was also when he raised his eyes to look ahead that his sight suddenly caught Chen Dong, who was kneeling on one knee with his head bowed.

From his angle, he could only see the side of Chen Dong's face.

But just as he looked away, he clearly saw that the corners of Chen Dong's mouth were outlined with a seeping smile!

Winner Takes All Chapter 1337-1338

Chapter 1337

This smile.

It was like a ghost, like a charm.

Qin Henian was stunned, and for a moment there was a sense of trepidation as the gates of hell opened and the cold wind from the depths of the Nine Hells engulfed his entire body.

Yes!

The trance looked at the corner of Chen Dong's mouth that wisp of seeping smile, Qin Henian violently reacted, where the hell is wrong!

Chen Dong was weak!

The young master of the Chen family, the head of the Great Snow Dragon Riding Army, the head of the Great Snow Dragon Riding Army, the owner of a word and a world of merit, the pen of merit that can be known to the sun and the moon, the glory of a million.

Such an existence, when he fought with people, might have fallen into a disadvantage.

But to fall twice in a row, to give the impression of being weak and decrepit, is bizarre!

When something goes wrong, there must be a demon!

Qin Henian knew that Chen Dong was not weak, so if Chen Dong gave him a weak feeling now, there must be something wrong!

For a moment, Qin Henian, who was lying on the ground, felt that the sun above his head, had become dim.

It was dull and cold.

Everything around him seemed to have become a blur, except for the dozen or so Qin family members who had rushed towards Chen Dong in a frenzy in their sight.

Luring snakes out of their holes!

A word fiercely surfaced in Qin Henian's mind.

In an instant, his jaws cracked and his heart pounded wildly.

“Come back, come back quickly, you are not fighting against Chen Dong, you are jumping into a pit of fire, you are leading the entire Qin family, into a boundless purgatory!”

Qin Henian’s hot tears filled his eyes and his lips mouthed, wanting to stop, but at this moment, the Qin family was already an arrow off the string, there was no turning back!

What Chen Dong wanted was the attitude of the Qin family!

And now the dozen or so Qin family members who had rushed out with overwhelming killing intent, their attitude had been clearly revealed!

Despair swallowed Qin Henian up!

His teeth clenched his lips, biting through them so hard that blood flowed into his mouth.

But in his heart, he wailed, “Dad, you lost your hundred years of power in one go, the Qin family is in danger!”

“Heh

Chen Dong knelt on one knee, his abdomen’s five internal organs twisted in unbearable pain, but the smile at the corner of his mouth became even colder.

“Well, well, after today, the Qin family will return to number one in Western Shu!”

Li Danggui slowly turned his right wrist in a circle, and the Ice Spirit Longsword in his hand, emitted a silky humming sound.

“Chen Dong, you are perfect, and under the heavens, among the younger generation, I am afraid that only I, Li Danggui, can rival you.”

The untamed words came out of Li Danggui’s mouth.

At this moment, Li Danggui’s eyes burned with a flame of confidence, untamed, and his gaze slanted downwards, looking down at Chen Dong who was kneeling on one knee not far away.

Previously, he still had scruples about Chen Dong’s strength.

But the exchange of blows just now had made him feel confident.

Li Danggui slowly narrowed his eyes and snickered, “The so-called prestige is nothing but delusion, today, I will tear off your last shame!”

“Good!”

Chen Dong replied, while slowly standing up, his gaze sternly gazing at Li Danguai, "Next, I hope you can keep your promise!"

"Hm?!"

Li Danguai's heart contracted violently as he was watched by Chen Dong.

Almost simultaneously.

Chen Dong looked askance at the Qin family members who were charging towards him and said in a cold voice, "Today the entire Qin family can go to hell and there will be no more Qin family in Western Shu!"

The words were cold and harsh, like the voice of a man seeking his life.

In an instant.

The dozen or so Qin family members who were rushing towards Chen Dong stopped abruptly and looked terrified and scared.

As Chen Dong's gaze swept over them, everyone's spine chilled, as if they had fallen into an ice cave.

Even the blood courage and madness that had just been ignited had weakened with Chen Dong's words and his gaze.

"What are you afraid of? With me here, your Qin family is destined for glory!"

Li Danguai laughed untidily.

With these words, it was as if he had given a shot of chicken blood to the terrified Qin family.

"Brothers, what are you afraid of? With Li Danguai here, he Chen Dong can't make any waves!"

"Damn it, Chen Dong, today the Qin family is against you, after your death, the Qin family will regain its former glory!"

"Hahahaha How can you miss a heavenly opportunity? All of the Qin family, thank you Li Danguai!"

.....

Amidst the clamor and excitement, a furious roar exploded like thunder.

“Qin family members, listen to the order, surround and kill Chen Dong!”

The voice rolled out, echoing through the central courtyard.

As soon as the order was given, footsteps suddenly rang out in all directions.

“Don’t, don’t ah

Qin Henian slumped to the ground in despair, as if his entire body had been emptied of its breath, snotting and crying.

He knew the intentions of these Qin family members, in fact the crowd had already harboured evil intentions when they entered the Qin family with Li Danggui.

These Qin family members were hiding in the shadows as a prearrangement, but they had been unable to grasp the situation and had been holding back.

Now that Li Danggui has ignited everyone’s ambition, the dog’s teeth are now completely exposed!

“Li Danggui, come and fight!”

Chen Dong ignored the Qin family and let out an explosive roar, instantly wrapped in a majestic Qi energy, as powerful as wild thunder, rushing towards Li Danggui.

“Heh!”

Li Danggui snorted, gripping his Ice Spirit Longsword tightly, and directly met him.

Qi raged.

The whistle shook his ears.

The moment the two drew closer, the Ice Spirit Longsword in Li Danggui’s hand instantly danced into a sword flower under the Qi energy, forming a seemingly non-existent curtain of sword Qi that directly strangled towards Chen Dong.

In an instant, the smile on Li Danggui’s face was incomparably wide.

With such a wall of sword qi pushing across, Chen Dong, who was unarmed, would be instantly strangled to a pulp.

Victory or defeat, it was already decided!

However.

Bang Teen!

Smoke and debris rose into the air, blurring Chen Dong's silhouette.

Chen Dong's figure swayed violently, surrounded by qi energy, as if it was lightning, he moved straight across, bypassing the wall of sword qi and rushing directly towards Li Dangui.

How fast!

This, this couldn't be!

Li Dangui's body shook violently, his scalp instantly tingling and his features tense to the extreme.

In the midst of his shock, Chen Dong's low, teasing voice suddenly echoed in Li Dangui's ears.

"I'm using you as bait, who are you to compete with me?"

Lightning flashed.

Li Dangui's panic-stricken, rounded perspective of his eyes clearly looked askance at a cold face that looked like a ghost, approaching in front of him.

Bang Teen!

Chen Dong's left fist landed on Li Dangui's abdomen.

It was powerful and fancy-free.

Li Dangui's features were instantly distorted and he flew backwards.

Without waiting to land, Chen Dong was like a maggot on his tarsus, wrapped in majestic qi and rushed to Li Dangui's side again with killing intent.

"Damn, why is it so fast?"

Li Dangui, who flew backwards across the sky, was completely shocked.

"I am number one, number one in the world, who are you to rival me?"

The cold, stern voice of domineering rampage exploded in Li Dangui's ears.

At the same time, Chen Dong's large hand, wrapped in Qi energy, directly covered Li Dangui's face.

Bang!

With a simple and brutal blow, Chen Dong directly pressed Li Danggui's face and ruthlessly threw it to the ground.

The ground trembled and cracks swept out like a spider's web as smoke and dust rolled out.

This scene left all of the Qin family dumbfounded and dazed.

How could it be completely different from earlier?

"What should we do?"

One person asked in horror.

Another gritted his teeth and said, "Damn it, there is no turning back from the opening bow, either Chen Dong dies today or the Qin family dies!"

"Kill!"

The sound of shouting and killing suddenly exploded through the Qin family.

The crowd was like a tidal wave, engulfing Chen Dong directly.

Chapter 1338

"Kill!"

The sound of shouting and killing echoed over the Qin Family's Zhuang Yuan.

The quiet and depressing Qin family manor garden was completely broken by this shout of killing.

The entrance of the manor house.

Zhuge Qing quickly rushed out of the gate, killing intent, his voice was stern, and he shouted orders angrily.

"Block off the streets in all four directions and slaughter the Qin family!"

The killing intent instantly caused all the people of the Zhuge Family to change their expressions.

But the shouts of murder within the Qin family's manor garden were deafening, and the crowd knew that things had come to a point where this had to be done.

There were no more words, no hesitation.

As Zhuge Qing gave the order, a single group of men in suits converged, forming a black torrent that moved forward in silence and surged into the Qin house, the only sound being the dense sound of leather shoes hitting the ground.

This dense sound, at this moment, however, seemed to be the death knell of death!

At this moment, the sky had completely changed in Western Shu!

After the fall of the Qin family, the Zhuge family did leap to become the number one powerful family in Western Shu.

But the entire upper echelons of the powerful families in Western Shu were clear that even though the Qin family had fallen, with Qin Ye and Qin Xiao Qian around, it was a power that came under Chen Dong's command.

On a day-to-day basis, there were not many eyes and ears watching the Qin family.

When Li Dangjia entered the Qin family and the Qin family changed dramatically, all the giants in Western Shu were aware of it, but they were just staying put.

With the entry of Chen Dong into the Qin family, almost the entire upper echelons of the Western Shu gentry were focused on the Qin family.

The sound of shouting and killing, the Zhuge family's people pouring into the Qin family, this shocking scene was immediately presented to the desks of the upper echelon of the Western Shu gentry.

All of a sudden, people were on tenterhooks and undercurrents were swirling.

All the major gentry and upper-class forces were waiting in the dark, their hearts tumultuous.

For it was clear to all that the final outcome of the Qin family would directly determine the upper echelons of the entire Western Shu!

The Zhuge Family.

Elder Zhuge settled into his tai shi chair with a stony face, his gaze hollow as he murmured slowly.

"Qing'er, you must protect Chen Sheng's peace. The Zhuge Family must not be allowed to fall from the altar again, otherwise it will be difficult for the Zhuge Family to rise again without the 'Divine Ghost Eight Formation Diagram'!"

A heavy murmur echoed through the room.

.....

Inside the Qin family compound, shouting and killing shook the sky.

Under the leadership of the middle-aged people in charge of the Qin family, all of them were crazy, recklessly pouncing on Chen Dong like a desperate man.

Even if, at this moment, the strength Chen Dong displayed was worlds apart from before.

Even though Li Danggui, who had just boasted of leading the Qin family back to glory, had been rubbed viciously on the ground by Chen Dong with his face pressed against the ground.

But no one retreated, they could only advance!

From the moment they took the first step and shouted at Chen Dong to kill him, there was no way back from all this!

Only by moving forward, only by successfully rounding up Chen Dong would the Qin family have a way to live.

Otherwise

“Protect Mr. Chen!”

Zhuge Qing rushed in at the head of the omnipresent crowd, the dense sound of footsteps echoing throughout the courtyard like a flood of bells and rhythms.

This scene, when it fell into the eyes of the Qin family, was one of jealousy and numbness.

But...

Without waiting for Zhuge Qing to bring his men over, Chen Dong, who had Li Danggui's face pinned to the ground with one hand, suddenly raised his head and gave a stern order.

“The Qin family is exterminated!”

The four simple words were like a holy voice descending from the nine heavens.

When Zhuge Qing saw that Chen Dong had the upper hand, he was instantly calm and ordered all the people of the Zhuge family to pounce on the Qin family.

The battle was fierce, and a fierce battle ensued.

The sound of shouting, wailing and screaming echoed through the courtyard of the Qin family.

The formerly majestic Qin family was now transformed into a purgatory with the snap of a finger.

The rich smell of blood rose to the sky and escaped all around.

“It’s over…… completely finished!”

Qin Henian was lying on the ground, trembling all over, crying out in pain.

On the other side.

Crunching …… crunching ……

Chen Dong’s right hand pressed on Li Danggui’s face, slowly rubbing it until Li Danggui’s five senses were distorted and twisted in a gurgle.

The actual fact is that Li Danggui, however, was lying straight on the ground, his body twitching incessantly along with the rubbing of Chen Dong’s right hand.

A complete and utter crushing!

A naked hanging defeat!

If it wasn’t for the fact that both sides were still in a state of counterbalance, Li Danggui’s face would have been strangled into a puddle of flesh by this rubbing alone.

The fresh blood from Li Danggui’s mouth escaped from the fingers of Chen Dong’s right hand, stinging red.

The ragged breathing sounded as if he was pulling a bellows, and was even somewhat blurred because of the fresh blood in his mouth.

“Aren’t you …… arrogant?”

Crunch, crunch.

“Aren’t you …… arrogant?”

Crunch, crunch.

“Aren’t you the only one of the younger generation in the world who can match me?”

Crunch, crunch.

“I don’t even dare to presume to call myself the number one in the world, and you come running to me to match me?”

Crunch, crunch.

Chen Dong sneered coldly as he rubbed.

Bullying and rampant to the extreme!

A cold face, a hideous sneer, a stern gaze, a majestic killing aura, at this moment made Chen Dong as vicious as an evil ghost, hideous and terrifying!

“My brother is lying down, you’ll have to pay with your life!”

The muscles in Chen Dong’s right hand graced up inch by inch, instantly resembling a rock foundation, grabbing Li Danggui’s face hard and dragging the upper half of his body up with him.

“At such a young age, you think you’re not just a dog, you think you’ve come to harm my brother and bully me, Chen Dong?”

Overwhelming killing intent was wildly declared out from Chen Dong at this moment.

But.

A strange change occurred!

Buzz!

The moment the words left his mouth, Chen Dong clearly felt a completely different Qi rippling out from Li Danggui’s body than what he had just felt.

It was as soft as the wind, but it instantly caused Chen Dong’s movements to freeze, and his heart palpitated for a moment.

In a trance.

Chen Dong vaguely perceived that in the location of Li Danggui’s eyes, through the cracks of his fingers, two wisps of dull blue light seemed to be coming through.

This is

Chen Dong froze, his eyes rounded with a sense of trance.

Was it a blurred vision, or was it real?

In doubt.

Chen Dong's body shook violently, and in a flash the sweat on his body stood up at the roots.

An unprecedented sense of death crisis swept over him, a terrifying palpitation that instantly made his heart feel as if it was about to jump out of his chest.

"It's not Li Danguai!"

Chen Dong's expression was solemn, and a decision was instantly made in his heart.

In a flash of lightning, almost instinctively, he brazenly pushed the Li Danguai in his hand backhanded against the ground towards his back.

At the same time, like a lightning bolt, he snatched the Ice Spirit Long Sword from Li Danguai's hand.

The sword was as thin as a cicada's wing and almost transparent, and it was as light as if it didn't exist in his hand.

But the moment he held the sword in his right hand, Chen Dong directly slapped his left palm on the ground, using the momentum to flip his body, and his right hand directly slashed out horizontally with the sword.

Clang!

The long sword slashed across the air, but suddenly there was a metal clash and a cluster of sparks exploded.

Clang!

Chen Dong's gaze was fixed, but he saw a silver needle, about ten centimetres long, sticking straight into the ground next to him.

It was so close!

A chilling sensation swept through his body, and Chen Dong could not help but suck in a breath of cold air.

If he had been a little slower just now, this silver needle might have directly pierced through a certain part of his body.

"Ah!"

At almost the same time, Li Danggui's miserable scream rang out.

Chen Dong followed the sound and saw that Li Danggui, who had been pushed out by him, had already stopped, while a figure was standing beside Li Danggui, stepping on Li Danggui's abdomen with a foot, helping Li Danggui to stop his body in an almost brutal way.

It was also at the same time that Chen Dong looked away.

The figure suddenly opened its voice.

"Gu Cang Yue, specially come to kill you, a wild bastard!"

Winner Takes All Chapter 1339-1340

Chapter 1339

"The Gu Family?!"

Chen Dong's heart sank fiercely as his gaze stared intently at Gu Cangyue on the opposite side.

Under the warm sun, Gu Cang Yue was dressed in grey cloth, his figure was upright, his pale white hair danced in the wind, and his aged face was filled with signs of age, but it was filled with an indescribable perseverance and composure.

However, a centipede-like scar slopes down from the left corner of the eye, across the bridge of the nose and straight to the chin, which is incomparably ominous, but it adds a bit more of a hideous terror to this vicissitudes and fortitude.

Even if he just stood there, he was like a great mountain standing in place, making Chen Dong feel an extremely strong sense of oppression!

High hand!

A word fiercely surfaced in Chen Dong's mind.

With his current realm strength, there were very few people who could make him feel the oppressive feeling of a great mountain enveloping him with just a glance.

The same feeling he had had when facing Huo Zhenxiao, Chen Daojun and Master Kongkong, and the same was true of Gu Cang Yue in front of him.

It was only soon that Chen Dong noticed a hint of familiarity on Gu Cangyue's face.

The two stood facing each other, their eyes facing each other, motionless, but the invisible solemn intent had already stirred the long air.

They were at odds with the tragic killings that were taking place around them, in one place, but like two worlds.

“What is the relationship between the ancient dragonfly and you?”

Chen Dong opened his mouth and asked.

“Family daughter.”

Gu Cangyue slowly spat out two words, while waving her hands casually.

Chen Dong’s pupils tightened, and under the warm sun, he could vaguely see that Gu Cang Yue was holding several silver needles in her hands, as thin as cow’s hair and ten centimeters long, so it would be really hard to spot them if he did not discern them carefully.

“Old Yinbi!”

Chen Dong gently shook the Ice Spirit Longsword in his hand.

It was as thin as a cicada’s wing and as light as nothing, a hundred thousand miles away from the heavy sword without a blade, making him extremely uncomfortable.

However, he was not a reckless man of the flinty kind.

Facing someone like Gu Cang Yue, who could feel the oppression with just a glance, giving up his blade and fighting with his opponent’s empty hand would be purely like hanging himself with a long life!

Hoo!

Suddenly, a strong wind swept up around Gu Cang Yue, blowing his grey cloth clothes.

Chen Dong’s expression was astonished.

As soon as he felt a shake before his eyes, Gu Cangyue, who was standing tall, had strangely disappeared.

How fast!

Chen Dong’s heart was beating wildly, and his sweat hairs instantly exploded.

In a flash of lightning, he did not have time to look for any trace of Gu Cangyue, but instead, he stomped the ground with both feet and dashed out like a cannonball.

Whoosh, whoosh!

Almost as soon as Chen Dong rushed out, two silver needles with an ear-piercing whistle, directly entered the spot where Chen Dong was standing just now.

Chen Dong turned back suddenly, and when he saw the location of the two silver needles, his pupils instantly tightened and his scalp tingled.

If he had been a little slower, perhaps the silver needles would have directly entered his body.

Facing a master like Gu Cangyue, one defeat and what awaited him would be Gu Cangyue's stormy succession of attacks until he completely sealed the victory!

However.

"Chen Daojun is much stronger than you!"

A hoarse, low voice suddenly echoed in Chen Dong's ears.

Like a ghost, it was like a cold wind blowing out from the nine ghosts, instantly plunging half of Chen Dong's body into coldness.

In an instant, Chen Dong glanced out of the corner of his eye and saw the cold, seeping face of Gu Cang Yue, right beside him, his stern eyes like a ferocious beast hunting and locked onto its prey.

Time seemed to freeze at this moment.

Even Chen Dong's thoughts could not even turn in time.

Bang Teen!

A large hand landed on Chen Dong's abdomen with a fierce explosion of Qi.

Chen Dong let out a miserable cry and instantly flew backwards, spitting out a mouthful of blood in the air as he fell towards the ground in a parabolic line.

In the process of falling, Chen Dong's eyes clearly saw the strong wind raging on the ground below him, but the lofty figure of Gu Cangyue was already standing where he was about to fall, like a ghost, as fast as lightning!

Such speed made Chen Dong instantly fall into a bottomless abyss of darkness.

Despair grew like wild grass!

Whether it was facing Uncle Daojun, Huo Zhenxiao, or Master Kongkong, it had never been felt before.

It was so fast that it was desperate!

Not to mention resistance, not even a chance to breathe.

The wind and rain were as strong as thunder.

As he descended, the wind howled in his ears, and his vision drew closer to Gu Cang Yue at breakneck speed.

Chen Dong's mind was in turmoil as his thoughts spun rapidly, thinking of ways to break the game.

If he didn't think of a way to deal with the situation soon, he would be in for a complete and utter "avalanche".

But the more confused his mind became, the more confused his thoughts became.

A smile of disdain suddenly appeared on Gu Cang Yue's cold face.

"Even your Uncle Daojun can't match my speed, do you still want to break the game?"

The disdainful laughter was like a devilish sound filling his ears, as if he had seen through Chen Dong's mind and hit the nail on the head.

Chen Dong's face instantly changed drastically.

This mere daze.

Whoosh whoosh whoosh

A dense, piercing whistling sound suddenly exploded.

It's going to happen!

Chen Dong's body was tingling as a long, thin silver needle came tearing through the air in his vision.

The moment of truth, Chen Dong let out a roar, forcing his body to twist in the air, like a boa constrictor across the sky, and the ice spirit longsword in his hand swept out directly with a harsh sword qi.

Clang clang clang

There was an ear-splitting sound of metal clashing.

Poof!

A silver needle passed through the sword qi protection and directly penetrated Chen Dong's left shoulder blade, bringing up a cluster of blood.

Chen Dong let out a muffled grunt as he suffered pain.

The next second.

Gu Cangyue leapt up in the air and threw a knee strike in the air, wrapped in a harsh and domineering qi, and blasted at Chen Dong.

Chen Dong reacted hastily, and the moment the knee came close to his abdomen, he crossed his arms and bowed fiercely, directly pushing up against it.

Bang!

Like a bomb explosion, the moment of collision, a wave of Qi energy was visible to the naked eye, sweeping in all directions.

At the moment of impact, Chen Dong was shaken by the terrifying force and flipped in the air several times, landing heavily on the ground.

The ground cracked and smoke and dust swept upwards.

Chen Dong knelt on one knee, blood in his mouth, but he looked scornfully at Gu Cang Yue who was not far away, "Why aren't you chasing?"

What had just happened seemed long, but in reality it was only a few seconds.

With the terrifying speed that Gu Cang Yue had displayed, even if his knee had knocked him away, as long as he wanted to pursue him, he would have been able to reach the spot where he landed before he hit the ground.

Instead, Gu Cang Yue gave up!

"You shouldn't be this weak!"

Gu Cang Yue suddenly shook his head, "You shouldn't be wasteful to this extent, the Chen family bloodline doesn't allow you to be a waste."

The next second.

Gu Cangyue suddenly narrowed his eyes, his essence bursting out, so harsh that it was like a substantial sharp sword, wanting to pierce Chen Dong straight through.

“Show your full strength, before you die, Gu Cang Yue begs for a fight!”

Chen Dong’s eyebrows were tightly knitted, and his heart was raging with depressed anger.

Similar words, he had heard before!

When Master Khongkong had visited the Tianmen Mountain Villa late at night, it was similar to what Gu Cangyue had said!

In order to force him to use his full strength, he had even gone so far as to break the legs of Zhao Breru, Elder Long and Fan Lu, and almost beat his command with one man’s strength!

Now Ancient Cang Yue is at it again!

What secrets does this body of mine have?

Chen Dong was full of depression as he looked down at his blood-stained chest, and quietly, his hands clenched into fists.

Could it be that is going to be a demonic advent once again?

Chapter 1340

As soon as the thought started, Chen Dong simply rejected it.

The repercussions of the Dao Heart Planting Demon were greatly debilitating to him.

The “Dao Heart Planting Demon”, which had been a taboo for all martial artists in the history of martial arts, had become a secret technique that instantly increased his strength.

But just because it was debilitating, it did not mean that it did not exist at all.

A little goes a long way, and a thousand-mile embankment always collapses in an anthill.

He was not willing to fight straight out of madness unless it was the last resort!

“Phew

Chen Dong exhaled a breath of turbid air and slowly got up, as he got up, his knife-sharp face, however, regained its coldness, and his eyes were even deeper as if they were two black holes with no ripples.

“Hm?!”

Gu Cang Yue’s flowery white eyebrows were lightly raised: “Not a bad heart.”

“Continue!”

Chen Dong raised his hand, tugged at the collar of his blood-stained shirt and smiled coldly.

The next second.

Boom!

The astral wind suddenly rose, but Chen Dong was the first to attack, dragging a fragmented shadow behind him as he rushed directly towards Gu Cang Yue.

The Ice Spirit Longsword in his hand was instantly surrounded by a sweep of Qi energy, humming and whistling.

“It’s still too slow.”

Gu Cangyue shook her head gently and smiled disdainfully.

Qi energy surrounded her body.

If onlookers were to pay attention at this moment, they would definitely feel Gu Cangyue’s figure swaying slightly.

This scene was as daunting as a ghost or god.

In the next second, Gu Cangyue’s figure seemed like a bubble, dissipating in place with a “bang”, but his body had already dragged up a fragmented shadow, directly rushing towards Chen Dong head-on.

There was no extra fancy, and no extra words.

The moment they came into contact, the fight went straight to white heat.

The residual shadows rapidly alternated and shifted, moving and flickering.

The sound of fists hitting flesh.

The sound of metal clashing.

The sound of metal clashing echoed through the world.

As the two men moved at high speed and struck out quickly, their qi swept through the air, even forming a fierce wind that swept out in a destructive manner.

The scene could not be described as appalling.

But at this moment, the Qin family compound had long since become a bloody purgatory.

The people of the Qin family and the Zhuge family were staggering across each other and had already killed each other.

The sounds of shouting, screaming and wailing were incessant.

All the time, people were falling into pools of blood, unable to stand up again.

The smell of blood was so thick that it made people gag, and even the blood flowed into the lowlands, forming a cesspool of blood.

All the Qin family members were in a state of madness and murderousness at this moment.

For it was clear to all that when the order was given and the butcher's knife raised, there was no way back!

The only way back was perhaps to succeed in turning against the water and let Chen Dong die in the Qin family today.

Apart from fighting for a bloody way out, the only way out before the Qin family was death.

All the Qin family members were desperate!

If they still pity their lives at this moment, the butcher's knife will eventually come to their necks.

Zhuge Qing led the men of the Zhuge family and pounced on the surrounding Qin family.

Compared to the Qin family, who could not retreat, the Zhuge family was trying to protect the fruits they had gained.

If they failed, and Chen Dong was killed, the Zhuge family would fall from grace today.

As the fierce killing went on, there was a steady stream of Zhuge Family reinforcements rushing into the courtyard, and as soon as the black tide of people entered the courtyard, they immediately burst out with a fierce killing intent and poured straight into the crowd.

The entire Qin family.

If there was anyone who was not involved, it was only Qin Henian and the injured Li Danggui.

Qin Henian was lying on the ground, the blood rolling down in front of him and staining his body.

He had already cried himself out, sobbing and sobbing.

The bodies and the blood had pushed the Qin family to the brink of extinction!

On the contrary, he was powerless to turn back!

With just a small show of weakness, Chen Dong had drawn the Qin family to light up their claws and teeth.

This is greed after all!

“Dad at first you should not have killed yourself to protect the Qin family, the Qin family this up and down as your old said, it is difficult to pick a big responsibility na finished, completely finished ah... ..”

Qin Henian wailed, using all his strength to squeeze out a mournful sentence.

The other side.

Li Danggui was lying on the ground, his face covered in blood, and his high nose was now caved in.

His cold and handsome face was in a mess after being rubbed by Chen Dong's face, and he no longer had the arrogance he had before.

The strong smell of blood poured into his nostrils.

The sounds of shouting and killing, wailing and screaming from the surroundings, rushed into the ears.

But Li Danggui was lying on the ground, but his eyes were staring vacantly at the sky.

“Is the difference between me and him really so great?”

Grief, anger, shame, hatred, jealousy

All kinds of emotions were growing wildly and raging in Li Danggui's heart at this moment.

Both fists clenched into fists, crunching.

Annoyed to the extreme, Li Danggui's teeth clenched and even made a crunching sound as well.

Buzz!

A flash of qi swept through his entire body.

Li Danggui's fists slammed into the ground, and with the force of the recoil, he immediately got up.

A gust of qi wind pounced on his face.

His gaze stared resentfully at Chen Dong and Gu Cangyue, who were moving at high speed to kill each other in front of him.

The next second.

He spoke angrily, "Senior, I'll help you!"

However.

Bang Teen!

Just as he rushed closer, the oncoming Gu Cangyue kicked him directly in the chest.

Li Danggui let out a miserable cry, and with a speed faster than that of rushing past, he flew backwards, sliding against the ground, spewing blood from his mouth, his chest seemingly exploding, and almost passing directly on his back with a single breath.

Almost simultaneously.

Gu Cang Yue's cold, stern voice came out, "You're teaching me something? What qualifications do you have to help me?"

"Poof!"

Li Danggu spat out a mouthful of blood and just felt a spinning of the sky.

Grief and anger and shame had skyrocketed even further at this moment.

However, after being kicked by Gu Cangyue, he no longer dared to go forward.

“Too slow, your speed is too slow!”

“Show your true strength, to the point of death, do you still want to hide your clumsiness?”

“Chen Dong, I, Gu Cang Yue, have given you the qualification of one-on-one, this is a great honour for you, under the universal sky, no one in the younger generation has such a privilege, don't you cherish it yet?”

.....

In the midst of the fierce fight, Gu Cang Yue was still at ease, and his words were harsh as he scolded.

In his words, he did not even conceal his sarcastic mockery.

At this moment, Chen Dong was oblivious to Gu Cangyue's words.

He was so absorbed in the battle that even though he could clearly feel that Gu Cangyue was constantly increasing the intensity of the battle and was clearly “teasing” him, and even though Gu Cangyue's strength made him feel desperate and unbeatable, he pressed on and kept his mind calm.

Calm!

Only absolute calmness would allow him to find a way out of this situation!

This was the law of combat that he had been practising since he set foot on the martial path, and it was also the deepest lesson that Kunlun had taught him.

“There is a way, there must be a way, it's human to have a break, no one can be as solid as gold.”

“Uncle Daojun is, Master Kongkong is, and this Gu Cang Yue definitely is too!”

“I can subdue ten powers with one power by entering the demon, I can hurt Master Kongkong and I can also hurt Gu Cang Yue, but this is still a long road, I can't expect to seek a turnaround by entering the demon every time, my life is in my own hands, the only one who can save myself is myself!”

One thought after another, kept surfacing in Chen Dong's mind.

Buzz!

In the midst of the fierce battle, Chen Dong brazenly wielded his Ice Spirit Longsword and directly slashed out horizontally.

Clang!

A metal clash and a wave of Qi swept through the air.

Gu Cangyue, who looked like a shadow in front of him, directly drew back.

As Gu Cangyue retreated, Chen Dong's mind was like a lightning bolt, quickly recalling the scene of the battle just now.

The stormy attacks were endless and exhausting to deal with.

So fast that even though Gu Cang Yue had now retreated, Chen Dong's instinctive muscle memory still wanted to dance with his long sword.

Under strong pressure, Chen Dong's hands grave up on the muscles, a sinew but in a violent twitch.

"I don't have the patience to play with you anymore, it's time to hit the road!"

Gu Cangyue's face was cold and stern, his eyes became murderous and cold-blooded as his right hand slowly raised the only remaining silver needle and pointed it at Chen Dong.

It was only with this action that Gu Cangyue's eyebrows were raised sharply, revealing consternation, and his mouth even let out a startled eek.

The warm sun was shining.

He clearly saw that Chen Dong held the Ice Phenomenal Longsword up in front of him, while slowly closing his eyes
