

## Winner Takes All Chapter 261-270

### Chapter 261

The whole room was shocked when the words came out.

“After a shocking cry, the entire Four Seals Clubhouse was plunged into an eerie dead silence.

Everyone, in shock, looked at the sound.

Qin Ye sat calmly in his wheelchair, his gaze cold as he gazed at the stage.

Zhang Yulan and Lone Wolf, who were on the side, had already been scared out of their wits.

While on the stage, Chen Dong and the others’ faces were simultaneously gloomy to the extreme.

The festive atmosphere, which had been baked to an almost extreme level, also suddenly dissipated into a freezing point.

“Yu Lan, why don’t you come over here?”

An angry rebuke sounded out abruptly in the crowd.

Zhang Yulan’s delicate body trembled as she looked towards Elder Zhang in the crowd, her red lips mumbling.

At this moment, Elder Zhang’s eyes were so anxious that they turned red, and he stomped his foot fiercely, “Come here quickly!”

This was the wedding of the Chen family head’s own son!

Qin Ye’s “objection” was going to ruin the Chen family’s wedding!

This was like causing a thunderbolt to kill him!

At this moment, Elder Zhang did not draw a line between Zhang Yulan and Qin Ye as soon as possible.

The district Zhang family could not afford the Chen family’s monstrous anger.

“Yatou, go over there.” Qin Ye smiled faintly at Zhang Yulan.

Zhang Yulan's red lips mumbled, but she forced it back into her stomach at Qin Ye's turning cold eyes and slowly walked towards Elder Zhang.

"Crazy, this kid is simply crazy."

The same thought surfaced in everyone's mind the moment they saw Qin Ye.

"Qin Ye, what kind of bullshit are you putting out?"

In a flash of lightning, the Qin family's head emerged from the crowd, pointing at Qin Ye and cursing, "You disobedient and unfilial person, how dare you perform this great act of disobedience? You are looking for death!"

"I have left the Qin family, it's none of your business!" Qin Ye laughed disdainfully.

Wow .....

There was an uproar.

This was the father-killing beast of the Qin family?

There were all powerful giants present, but only a few of them knew Qin Ye after all.

"Qin Ye!"

Almost simultaneously.

Gu Qingying on the stage and Elder Long on the side of the stage both shouted a stern rebuke.

Gu Qingying's stunning face was sulking with anger.

She had not expected that after all that had been said so clearly last night, Qin Ye would still be so stubborn, one could even say that he was crazy and brutal.

This was the wedding she had been looking forward to for three years!

She wanted to make it all, to be perfect, to stay in her mind's memory forever.

She did have her suspicions about Chen Dong before, but with the moment when Chen Dong blocked the knife for her, all her suspicions dissipated.

In a word, if Chen Dong was a fake, how could he possibly fight for her?

But, Qin Ye's outburst shattered all her goodness.

Long Lao's body trembled and chilled like a frightened woman.

As he looked at Qin Ye angrily, his back was already wet with sweat.

This was proportionate?

What the hell was this?

To speak out against the wedding in the middle of it, was Qin Ye trying to pierce the sky?

"I just object!"

Qin Ye propped his hands on the wheelchair, forcing himself to endure the sharp pain from the tearing abdominal wound and stood up, his gaze determined: "Even if I die, I will still oppose it!"

Silence.

The whole room was dead silent.

No one had expected that such a thing would happen when the Chen family, who had all the money in the world, hosted a wedding.

If word of this scene were to get out, the whole world would be shocked!

At the same time, shocked and frightened eyes slowly moved up to the stage.

This "objection" was not only a slap in the face, but also a fierce slap in the face of the Chen family.

In front of all the powerful giants, he was slapping Chen Daolin's face in the face!

"Qin Ye, I know you."

Finally, the sulking Chen Daolin spoke slowly, the corners of his mouth curled into a cold smile, "But do you know the consequences of doing so?"

It was like a cold wind blowing out from the depths of the Nine Mysteries.

It sent chills down the backs of everyone in the room.

Everyone could feel the killing intent released from Chen Daolin's body.

Chen Daolin slowly turned his head to look at Chen Dong: "This ..... is your so-called brother?"

Chen Dong's expression was cold and stern at this moment, with a monstrous killing intent tumbling in his eyes.

What he was waiting for!

Waiting for the wedding dust to settle, waiting to finally replace Chen Dong.

But Qin Ye had intervened, but it was as if a pot of cold water had been poured over his head.

For the sake of replacing Chen Dong with Li, he had even given up the revenge of the Zhou family's extermination.

How could Qin Ye stop it?

"Dad, he's not my brother anymore." Chen Dong clenched his teeth and slowly spat out the words from between them, "Kill!"

The words had just fallen.

Li Lan suddenly spoke out, "Dao Lin, Dong'er, calm yourselves."

With that, she apologized to the three members of Gu Qingying's family again and again.

Li Lan was kind-hearted and even more so, she knew some things about Qin Ye and was also clear about Qin Ye's relationship with Chen Dong.

Although she was angry at Qin Ye for opposing the smashing of the venue at her son's wedding, she was not so angry that she would see blood in a sword fight.

After apologising, Li Lan hurriedly scolded at Qin Ye.

"Qin Ye, you silly child, are you crazy? Don't apologise yet, come on, or you tell us why you are against it?"

This was clearly giving Qin Ye a step down.

As long as an apology was given, or a reason was made up to smoothly erase what had just happened and the wedding went on, then everything would be safe and sound.

Everyone in the room celebrated for Qin Ye.

This kid was so lucky that he had someone to give him a step after all this trouble.

However.

“No reason, just opposition!”

Qin Ye’s gaze was determined, looking at everything out of the corner of his eye.

All the powerful giants were stunned.

Arrogance!

Arrogance!

Unaware of life and death!

No wonder he could do the disgusting act of killing his father!

“Hehe .....

Chen Daolin sneered and looked up at the sky, “Then you can’t blame me.”

In an instant.

Several figures walked towards Qin Ye with killing intent.

“Chen Daoling!”

Li Lan was so anxious that her eyes turned red and she stomped her foot fiercely, “Do you want to add a human life to your son’s big wedding, so that when the two children recall this day in the future, their memories will be stained with blood?”

With a single sentence, Chen Daolin’s expression moved.

The couple, Gu Qingying and Gu Guohua, also changed their expressions.

Indeed, what was it if a human life was added to the big day?

However, Chen Dong suddenly said in a cold voice: “Dad, it doesn’t matter, such a person, deserves to die!”

“Chen Dong .....

She did not want her wedding to be filled with blood when she recalled it in the future.

Although being smashed by Qin Ye would make the memories flawed, it was better to be flawed than full of blood.

However.

Chen Dong, however, raised his hand to interrupt: "This is the wedding I have prepared for you, I will not allow anyone to defile it!"

At this moment.

Several figures had already surrounded Qin Ye.

Qin Ye, however, always had a cold smile on his face and never showed the slightest hint of fear from beginning to end.

"Chen Daoling .....,," Li Lan bit her lips tightly.

"The in-laws .....,," Gu Guohua also could not help but speak.

The atmosphere, stern and frozen.

Finally.

Chen Daolin glanced at the sky and sighed, "What he smashed was not only my field, but also my son's field, the field of my Chen family!"

"If I don't kill him, the world will still think that my Chen Family is easy to bully!"

One word to determine life and death!

A fierce look of hostility flashed in Chen Daolin's eyes.

At this moment, the mighty dominance of the Chen Family's head was unmistakable.

"Kill!"

Several figures suddenly pounced on Qin Ye.

Miso!

A cold light abruptly swept across the long sky.

In an instant, everyone's faces changed drastically, and they all cried out in shock as they retreated.

"Brother, I'm fucking here to accompany you!"

Qin Ye closed his eyes and did not intend to resist.

In fact, with his current injuries, he was already holding strong to come to the scene.

While closing his eyes, Qin Ye looked up to the sky and roared, "He, isn't Chen Dong at all!"

"Give me death!"

On the stage, Chen Dong was furious, as if he was a raging lion.

Not a few people in the audience closed their eyes for fear of seeing the bloody scene that would follow.

Gu Qingying let out a scream and even burrowed into Gu Guohua's arms, not daring to look any further.

And Chu Reed, Elder Long, Kunlun and the others also looked sideways.

When the family head was angry, no one would be able to protect Qin Ye!

Just when the long knife was about to fall on Qin Ye's neck.

Rumble .....

A rolling thunderous explosion came from the sky above.

It was deafening.

A huge shadow simultaneously enveloped the vault of the sky.

It startled everyone to look up at the same time.

A warplane, roaring and kicking up a fierce wind, flew across the sky at breakneck speed.

At the same time.

A figure appeared in the air, its parachute opened, and slowly descended towards the ground .....

## **Chapter 262**

The sudden appearance of the figure.

The whole room was silenced.

Even though all those present were powerful and powerful people who had seen a lot of things, they could not help but be dumbfounded by this scene.

Who the hell is this ..... man?

A warplane escort, barging straight into the Chen family wedding site?

As the distance slowly drew closer, gradually the figure carrying the parachute became clearer.

Qin Ye tilted his head and looked at the figure descending from the sky, his eyes burning steeply with determination to die.

And on the stage.

The furious and bloodthirsty Chen Dong was completely frozen.

The corners of his eyes pulsed wildly, and a sense of foreboding came over him.

A terrifying thought popped up in his mind.

Immediately afterwards, his heart raced.

It couldn't be!

Why? Why would there still be such a variation?

The Chen family's wedding scene was filled with magnates and an unprecedented amount of pomp and circumstance.

A rash Qin Ye who smashed the venue was still miraculous enough.

Now there was another warplane escort who had fallen from the sky.

The scene in front of him alone made the terrifying thoughts in his mind grow stronger and more irrefutable.

Everyone was looking up.

Everyone was in awe.

The whole room was in dead silence.

Suddenly.

"Hahahaha ..... Laozi knew you weren't dead!"

Qin Ye trembled with excitement, tears flooded his eyes, tears flowed from the corners of his eyes, and he roared like a madman, "Brother, I waited for you, I've finally fucking

waited for you! Don't worry, your woman is well protected by me, just waiting for you to marry her, hahaha .....

Crazy laughter, recklessly echoed in everyone's ears.

Boom!

Everyone was astonished.

But compared to the shock of most people, those who were familiar with Qin Ye were even more as if they had received a bolt from the blue.

All at once.

Elder Long, Gu Qingying, Chu Reed, Kunlun, Lone Wolf, Fan Lu, and so on, were all shocked.

This was because they were clear.

Qin Ye's brothers were few.

So few that there was only one.

That was ..... Chen Dong!

If the man in the sky was Chen Dong, then who was the ..... one on the stage?

"What's going on? Why is it another Chen Dong?"

"Oh my god, what the hell is going on here?"

"Can someone tell me how there can be two Chen Dong's?"

.....

A stream of shrieks and screams rang out one after another.

The sound was like a tidal wave and the crowd was boiling.

Even the powerful giants could hardly calm down at this moment, unable to restrain themselves.

As more people saw the appearance of the person under the parachute, the increasing shouts and screams almost blew up the entire Four Seals Clubhouse.

On the stage.

“Chen Dong’s face turned pale as his jealousy split.

At this moment, he felt as if his soul was out of his body.

Why?

Why would such a reversal occur after such a thorough plan?

Damn it!

Damn it!

My life, my future, I have paid a terrible price for the destruction of the Zhou family, I will not allow you to ruin everything.

At this moment, “Chen Dong” was almost on the verge of collapse.

But what was left of his sanity kept him calm.

Poof!

Finally, the parachute fell to the ground.

Amidst everyone’s shrieks, the figure slowly unhooked the parachute, got up and turned towards the stage.

“Chen Dong!”

At this moment, Gu Qingying’s beautiful eyes were round and full of disbelief.

Everyone on the stage was also stunned.

Chen Daolin’s face, which contained killing intent, abruptly turned into a gaze: “Two?”

This scene was unbelievable.

And at that moment.

Chen Dong, however, looked askance at the laughing Qin Ye and raised his right hand in relief, clenching his fist and placing it where his heart was.

“Thank you!”

“Thank you sister! Hahahaha ..... Laozi knew that Laozi must be right, you are the real Chen Dong.” Qin Ye waved his hand, his smile growing wider and wider, “If you were

any later in the fucking game, I really thought I had lost the bet and was all set to go down to Yellow Springs to walk with you on the Yellow Springs Road.”

Chen Dong’s expression was stunned.

He saw the several figures surrounding Qin Ye, holding blades.

If he had come a little later, perhaps it would really be as Qin Ye had said.

For a moment, Chen Dong was moved in his heart.

To be able to persevere in such a situation, to brave life and death, to have such brothers, it was really worth it!

After taking a deep breath, Chen Dong turned his head to look at the stage.

A familiar face was imprinted in his eyes.

At this moment, his nose was a little sore and his eyes were a little red.

His gaze fell on the panicked Gu Qingying.

With a gentle smile, “Little fool, I’m back!”

Gu Qingying’s delicate body trembled, and the panic on her pretty face disappeared instantly, tears flowing out of her eyes.

That was the name!

“Chen Dong” was not something that had only changed after experiencing life and death dangers.

This name had always been there.

It’s just that the person calling it has changed!

Then the people around .....

Gu Qingying slowly turned her head to look at “Chen Dong”.

At the same time, Chen Daolin and others also looked over warily.

“Chen Dong’s body was trembling and he gritted his teeth and said, “I am Chen Dong, you, where the hell are you from?”

“Heh!”

Chen Dong laughed disdainfully and said in a cold voice, "Zhou Xuan, how bold do you have to impersonate me?"

The calm tone of his voice was full of disdain.

It was a far cry from the "Chen Dong" on the stage.

The whole room was dead silent.

Everyone heard these words clearly.

A blazing gaze was locked onto the "Chen Dong" on the stage.

"Shit, you have a good memory, I told you once and you remembered it!" Qin Ye said loudly in excitement.

This moment, the return of his brother, made him excited and ecstatic.

It also confirmed his initial guess that he was right!

It was worth it even if he had fought to the death!

"Ah!"

Just at this moment.

Zhou Xuan on the stage suddenly let out a roar.

In a flash of lightning, he suddenly pulled out a dagger from his back waist and lunged directly at Leland, who was closest to him.

It was all so fast that no one had time to react.

It was accompanied by a scream of fear from Li Lan.

Zhou Xuan directly swept Li Lan into his arms, tied his left hand around Li Lan's neck, and stood the dagger directly in front of Li Lan's chest with his right hand.

"Let her go!"

Chen Daolin's face paled and he growled in anger.

"Auntie!"

"Mum!"

On the stage, Gu Qingying lost her face and immediately rushed over, but was dragged by Gu Guohua and his wife.

Below the stage, Chen Dong's expression changed drastically and he rushed towards the stage extremely fast.

Meanwhile.

Kunlun, Lone Wolf, Elder Dragon and a group of bodyguards, rushed towards the stage almost simultaneously.

"Hahahahaha ..... Gone, everything is gone, why aren't you dead? Didn't they already kill you?"

Zhou Xuan's body trembled, his eyes were red and full of tears, at this moment, he completely broke down, as if he was a madman, roaring in anger, "Damn you, you are the one who ruined everything for me, I am not allowed to die well, then you are not going to have an easy time either, even if I die, I have to pull one back!"

Poof!

The dagger in his hand, without the slightest hesitation, aimed at Leland's heart and stabbed in fiercely.

Blood splashed!

"Shit ....."

Chen Dong, who was frantically running towards the stage, could not stop his eyes from cracking, at this moment it felt like the sky had collapsed .....

## **Winner Takes All Chapter 263-264**

### **Chapter 263**

At this moment, it was as if time had slowed down.

Chen Dong felt as if the sky was spinning, as if his soul was out of his body for a moment, and his chest was oppressed.

His footsteps were a little weak, each foot seemed to have to lift a thousand pounds as he stumbled towards the stage.

A sudden and dramatic change.

It turned the entire Four Seals Club into a pot of congee.

Everyone on the scene was in a panic.

With all the layers of security, who would have thought that the one who ended up killing was actually the “main character” of the wedding today.

“Haha ..... hahaha .....

Zhou Xuan let go of Li Lan, holding the blood-stained dagger, staggering back, as if crazy, his face mixed with blood and tears: “Gone, everything is gone, even if I die, I still want to pull a back.”

“The Zhou family ..... here I come!”

Bang!

Immediately following Kunlun kicked Zhou Xuan in the abdomen.

In an instant, he took the white blade with his empty hand and pinned Zhou Xuan to the stage fiercely.

And at that moment.

Gu Qingying, Gu Guohua, Elder Long and all the others gathered around Li Lan who had fallen in a pool of blood.

Chen Daolin’s face was pale and his eyes were hollow as he crouched on the ground and swept Li Lan into his arms.

The high and mighty head of the Chen family, the Chen family’s leader who looked out over the world, was now full of tears.

“Lan ..... Lan’er .....

Chen Daolin’s voice trembled terribly, and his right hand trembled as he covered Li Lan’s heart, but he still couldn’t stop the rolling blood.

“Take care of ..... Dong’er.”

Li Lan’s gaze was lax, her face white as she faced Chen Daolin, smiling sadly: “Family reunion, the happiness, I waited, twenty years, but never thought, so ..... short.”

The air is like wandering silk, making Li Lan’s voice tremble and pause, as if every word she said had to use up all her strength.

Chen Daolin’s body trembled, and while tears welled up in his eyes, the corners of his mouth revealed a gentle smile.

So gentle that no one had ever seen it before.

“Okay, I’ll listen to everything you say.”

“Auntie .....

Gu Qingying’s teary eyes squatted down and grabbed Li Lan’s hand.

“Silly child, still calling auntie?” Li Lan said with a smile.

Gu Qingying’s red lips mumbled and trembled, “Mom .....

The people around them looked sad and their eyes were red.

Elder Long, Kunlun and Fan Lu, could not help but shed tears.

Finally, Chen Dong walked onto the stage.

He jumped in front of Li Lan, and with an almost brutal action, he swept his mother from Chen Daoling’s arms, even pushing Gu Qingying to the ground.

“Mom ..... it’s okay, it’s okay, you’ll be fine .....

Chen Dong looked terrified and gritted his teeth to pick up Li Lan: “I’ll take you to the hospital, it’s going to be okay, it’s going to be okay .....

“Dong’er, it’s useless .....

Li Lan’s pale face, full of despondency and sadness: “I’m sorry, mum can’t accompany you, and I can’t bring my grandson in the future.”

A dagger from Zhou Xuan, stabbed straight into the heart, clearly intended to kill with a single blow.

Leland could feel that his anger was fading fast.

“It’s alright, it will be alright, I, I will take you to the hospital immediately, I will be able to save you.” Chen Dong acted as if he was crazy, forcing his arms around Li Lan, while roaring, “Kunlun, Kunlun you fucking go and drive for me, quick!”

Perhaps the movement was too great and involved Li Lan, causing her to frown in pain and suck in cold air.

“Chen Dong, put your mother down!”

Chen Daolin's eyes were full of tears, and his tiger eyes looked at Chen Dong angrily, "You're hurting her!"

"I, I want to save my mother, I want to save my mother ....."

Chen Dong paid no attention, tears in his eyes sliding down like rain, "It's alright, my mum will be alright."

At this moment, it was as if his chest was clogged with boulders, depressing to the extreme.

Self-blame, guilt, and reluctance all tangled together and filled his chest.

He had fought his way back.

What was wanted ..... was not this result!

In his mind, images of twenty years of being with his mother kept coming back.

He remembered the cold winter months when his mother draped the thickest clothes in the house over him and went out to collect rubbish to feed him rather than suffer the cold herself.

He remembers his mother smiling as she brought him a steaming bowl of dumplings at New Year's Eve, the only bowl of dumplings for the family, and she tricked him into eating them all.

He remembers that when people called him a bastard, it was his mother who stood in front of him with her frail body and cursed at people.

He remembers that his mother had to work several jobs every day, and that she had to sew for others by candlelight at night to earn money to support him, even though her hands were covered in bruises.

.....

The first time I saw her, I remembered that she had to work several jobs every day, and she had to sew for others by candlelight at night to earn money.

I've been living with my mother for over twenty years, and she has endured too much for him.

This is why he worked so hard, just to let his mother live a happy life.

But after three years of marriage, his mother's years of accumulated exertion exploded, collapsing her body while having to accompany him to endure in front of the Wang family.

It was not easy for the rain to pass, after surviving the nightmare of twenty years, he was finally able to let his mother live a life of well-being and prosperity, and finally able to let her see him married to a good man.

The bias ..... why is this?

He worked his way up the ladder, just to give his mother more, to bring her back to the Chen family, surrounded by glory.

But now, up to now, he hadn't even had the chance to wash his mother's feet once.

"It will be fine, I can save you, my son will be able to save you ....."

Chen Dong's vision was blurred by tears, as if he was obsessed with murmuring, and vaguely, he saw his mother's throat welling up.

"Poof!"

A large mouthful of blood spurted out, spraying on Chen Dong's face.

This scene made Chen Dong freeze in his tracks.

It also caused the crowd to gasp in shock.

"Chen Dong, you put down your mother!"

Snap!

Chen Daolin was like a raging lion as he slapped Chen Dong's face fiercely.

This slap, as if it had the force of a thousand pounds, smacked Chen Dong onto his knees.

"Shit ....."

Chen Dong howled despite his face being covered in blood.

The cry was heartbreaking.

The crowd was heard to join in the tears with it.

But it was clear to everyone that no one could save Li Lan with this stabbing.

Even Liu, the director of Lijin Hospital, was present at the scene and stood by, shaking his head grimly.

“Dong’er .....

Li Lan, who was almost at death’s door, her pupils kept dilating, her mouth opened wide, and she kicked in her breath with great effort.

However, her right hand slowly lifted up and gently wiped the tears from the corner of Chen Dong’s eyes.

“Good Dong’er, don’t cry ..... don’t cry ..... the crown will fall ..... off.”

Chen Dong’s lips trembled, his throat was embarrassed, and he was about to struggle to make a sound.

Time seemed to stand still.

He clearly felt that his mother’s right hand, which had wiped the corners of his eyes, slowly dropped down.

Snap!

The hand fell into a pool of blood, like a thunderous explosion.

With that, Leland’s eyes slowly closed .....

“Ma .....

Chen Dong froze, the tears that had just been wiped away, once again springing out, he hissed in disorientation, “I, I don’t want the crown ah ..... I, I want my mother!”

## **Chapter 264**

Sadness lingers.

Everyone wept.

Chen Dong hugged Li Lan and clenched his teeth, but tears still fell like rain.

Memories were like knives, guilt like swords, as if they were lingering.

“Haha ..... dead, finally dead, the feeling of a broken family, do you feel it clearly?”

Zhou Xuan, who was pinned to the ground, roared with laughter.

“Die, I want you to die!”

Chen Dong looked like crazy, his eyes were red and fiercely turned his head, as if a fierce beast of rage and thirst.

However.

A figure suddenly appeared in front of Kunlun and Zhou Xuan.

“Give it to me!”

Qin Ye’s face was as cold as frost as he directly grabbed the dagger in Kun Lun’s hand.

Then, leaned down.

Poof!

The dagger didn’t enter Zhou Xuan’s vest.

Blood splattered Qin Ye’s face, but his expression, however, remained cold and stern to the extreme.

An icy voice echoed across the stage.

It was filled with a heartbreaking sadness.

“What exactly did his mother do to offend you? You should be shredded to pieces for laying your hands on a woman!”

As he spoke, the dagger in Qin Ye’s hand frantically stirred in Zhou Xuan’s vest.

Even Qin Ye’s throat kept making “ho-ho” sounds, his eyes were red and he looked mad.

This scene fooled Kunlun.

It also dumbfounded everyone.

Such ruthlessness, as if the devil was on earth, made people’s hearts chill with fear.

No one had expected that Qin Ye would actually strike before Chen Dong.

“Qin Ye, stop, you stop!”

Ignoring his grief, Long Lao looked terrified and pounced on Qin Ye, stopping him from behind and hugging him, desperately dragging him backwards.

But Qin Ye was like a mad beast, pushing Elder Long down with one hand, but the dagger in his hand did not stop at all.

A hoarse questioning voice, emanating from his throat, kept questioning, "Why did you kill his mother?"

"Kunlun, stop him!"

Elder Dragon bellowed angrily.

Kunlun snapped to attention and kicked Qin Ye away.

But Qin Ye rolled over and climbed up, and was about to pounce again on Zhou Xuan, who had long since lost his life.

Suddenly, a figure appeared in front of Qin Ye.

"Chen Dong, get out of the way!"

Qin Ye's eyes were red, as if he was possessed, and he shouted angrily, "He killed your mother, he deserves to be broken into pieces!"

Snap!

Chen Dong, whose face was full of tears, hugged Qin Ye in his arms.

With a sobbing voice, he said, "That's enough, brother."

"Not enough, that's not enough, he killed your mother! You don't have a mother ....."  
Qin Ye struggled and howled without warning.

Bang!

Chen Dong slashed at the back of Qin Ye's neck with a palm knife.

Qin Ye instantly fainted.

"Really ....." enough."

Chen Dong's voice was incomparably low.

After handing Qin Ye over to Elder Long's care, he turned around and also walked towards his mother's corpse.

After picking up Li Lan, he sobbed and said, "Mom ....." son take you home."

However.

Just after taking a step, Chen Dong suddenly went weak and stumbled straight down.

“Chen Dong!”

This scene scared the crowd and they rushed forward.

.....

A week later.

Under Chen Daolin’s manipulation, Li Lan was buried.

Inside the Tianmen Mountain villa, there was still onyx all over.

The atmosphere was sad.

Everyone was gathered in the living room, looking at each other with worry.

“All this week, he has locked himself up in his room?”

Chen Daoling asked in a deep voice despite the exhaustion and sadness between his brows.

During this week, from great joy to great sorrow, he, as the head of the family, had too many and too many things to attend to, and had barely even come to the villa, barely closing his eyes.

“It’s been a week, except for the time when Madam was buried and came out.”

Elder Long was full of worry: “And Master, you saw the young master’s expression at that time, it was frighteningly calm.”

When these words came out, Gu Qingying, Qin Ye, Kunlun and the others were all worried.

“Great joy and great sorrow, Dong’er is afraid that he is holding back.” Gu Guohua’s gaze was deep and his brows were knitted together.

Li Wanqing sighed and looked at Gu Qingying, “Xiao Ying, the situation Dong’er is in, he needs you, you have to enlighten and guide him.”

Gu Qingying’s face was full of sorrow and her eyes were filled with tears as she said, “I’ve been with him these past few days and tried to guide him, but he won’t even let me see him anymore and he won’t listen to me at all.”

Throughout the week, Gu Qingying stayed close to Chen Dong.

Because she was clear about Chen Dong's feelings for his mother, she was even more afraid that Chen Dong would do something stupid.

But after Li Lan died and Chen Dong woke up in the hospital, it was as if he was a different person.

So calm that Gu Qingying felt scared.

He ignored her and didn't even say a word in response.

It was as if Chen Dong had burrowed into a shell, shutting everyone out.

And after Li Lan was buried, Chen Dong, who had returned calmly, returned to his room and locked the door behind him after pushing her out of it.

Such a sense of powerlessness made Gu Qingying almost collapse.

"Young master is going to have a big problem if he holds it in like this, he might even have a big change of heart." Elder Long sighed and looked at Chen Daoling, "Master, think of something?"

"It's all my fault, I'm to blame for not protecting them, mother and son."

Chen Daolin sighed ruefully, "Everyone knows that I am the head of the Chen family who holds all the wealth in the world, who would have thought that I would not even be able to protect my own wife and son, I am simply incompetent."

With these words, the crowd was left helpless and desperate.

But it was clear to everyone.

Chen Dong's current state had to be opened up as soon as possible, otherwise there would definitely be a big problem.

A fierce outburst of emotions might cause great damage for a short period of time, but after the outburst, it would be able to recover as before.

A suppressed and closed emotion, on the other hand, will not cause the slightest difference for a short time, but when it really explodes, it is enough to make a person fall from the clouds into hell.

Chen Dong, on the other hand, was the latter.

"Hoo ....."

A sound of exhalation drew everyone's attention.

Qin Ye slowly got up, rubbed his face, and said decisively, "If soft won't work, then we'll have to do it the hard way, you're all too close to him to spare the hard way, so I'll do it."

"Qin Ye ....."

Gu Qingying wanted to call out to Qin Ye, but was stopped by Chen Daoling's eyes.

With his hands in his pockets, Qin Ye hung back and walked up to Chen Dong's door.

"Brother Dong, open the door."

But, in the room, there was silence.

Chen Dong did not respond in the slightest.

Qin Ye's gaze stared.

Bang!

Lifting a foot, he brazenly kicked open the door of the room.

The sound startled Gu Qingying downstairs to get up on her feet and worryingly wanted to go upstairs to check.

But Chen Daolin grabbed Gu Qingying's wrist: "Xiao Ying, don't be impulsive."

"But I'm afraid ....." Gu Qingying was worried.

As Chen Dong's wife, having suddenly suffered such a change, her pain was almost second only to Chen Dong and Chen Daoling.

However.

Long Lao was smiling faintly, "Let Qin Ye try, he and the young master are one of a kind."

The room.

It was dim to the point of darkness.

Thick curtains that stopped the sunlight could only faintly shine between the cracks in the curtains.

The pungent smell of alcohol and smoke mingled together and was extremely unpleasant.

There were also countless bottles of alcohol and cigarette butts scattered on the floor.

Qin Ye couldn't help but frown as he kicked away a few bottles of alcohol and walked into the room.

He saw that Chen Dong was sitting woodenly on the floor beside the bed, clutching a yellowing and old photo, motionless.

Smiling, Qin Ye walked over to Chen Dong's side.

Snapping!

He lit two cigarettes and shoved one into Chen Dong's mouth, then sat down himself.

Picking up the bottle of wine beside Chen Dong, he took a look, "12 year old xo? You're boozey enough."

Chen Dong did not speak, not moving a muscle.

Qin Ye said to himself, "You didn't know how to smoke before, but you've practiced your smoking skills this time around."

Chen Dong remained silent and did not move a muscle.

In just a week, he had become haggard to the extreme.

His whole face was thin and disfigured, and he had an unspeakable "dead" air.

"Does it feel like you're in hell right now?"

Qin Ye leaned on the edge of the bed, propped his hands on the bed and said with a cigarette in his mouth, "Actually, I once fell into hell, just like you, but I climbed out of it.

The silence of the room.

Rising and two curls of smoke.

A low, despondent voice that rang out slowly.

"Is that why you helped me kill him then?"

## **Winner Takes All Chapter 265-266**

## Chapter 265

The voice was soft.

Yet it caused Qin Ye to smile slightly.

Turning his head, he saw that Chen Dong was looking at him with obscure eyes.

He shrugged his shoulders and put his hands behind his head.

“Sort of.”

As he spoke, Qin Ye’s gaze turned profound as he muttered.

“You know what? I used to be just like you, with a mother who loved me so much that she was willing to give me everything, even the stars in the sky.”

“Our family was actually quite happy, my parents loved me and I was in a powerful family like the Qin family in Xishu, not worrying about food and clothing, although my father’s position in the Qin family wasn’t too high, but he still had brains after all and made a good living in the Qin family.”

“But one day, one day, ah, I suddenly felt that the sky had fallen and the whole world had changed.”

Speaking of this, Chen Dong clearly saw that Qin Ye’s deep eyes, gradually surfaced with hatred and hostility.

“At that time my mother had just gotten pregnant with 2 children, haha ..... not afraid of you laughing, I actually felt quite ridiculous knowing it at the time, after all, I was an adult at that time, it was a bit of a big span.”

“But if you’re pregnant, you’re pregnant, I’m a brother who can still stop my own parents from producing and growing?”

The cigarette burned out.

Qin Ye unhurriedly lowered his head and lit up another cigarette.

As he smoked it, he said.

“And then what happened, my damn father cheated on my mother when she was pregnant with her second child! Got bored with a twenty-something year old goblin every day, didn’t come home anymore, didn’t even care about the family, and all the affairs of the Qin family that he controlled were all put aside.”

“This incident alarmed the entire Qin family, the face of the gentry well, the Qin family head intervened in this matter and strictly ordered my father to break up with that goblin or he would deprive my father of all the affairs he controlled in the Qin family, but my father said nothing, saying that he and that goblin were fucking in love.”

The tone of his voice became a little angry.

Chen Dong did not stop and listened quietly.

He had, for now, closed himself off.

This was the first time he had actually talked to someone in the past week.

“Actually, I know what my father has in mind, isn’t he just relying on the fact that he is a member of the Qin family? Even though he was deprived of all his affairs, but with the status of a Qin family member, he could still have a wealthy family and live a damned love affair with that little demon.”

“At that time, my mother was so angry that she was hospitalised several times, and I also approached that little demon a few times, only for that little demon to rely on my father’s affection, and actually threaten to get my mother killed, the mistress on top?”

Saying that, Qin Ye slowly raised his right hand and clenched it into a fist.

With hatred in his eyes, he gritted his teeth and said, “I really hate myself that I should have just strangled her then, or else there wouldn’t have been the aftermath.”

“And then what?” Chen Dong asked.

Qin Ye held the cigarette in his right hand and rubbed his face.

When his hands left his face, his face was already full of chills.

“It was a night, it was raining heavily, and I remember very clearly that my father, under pressure from several parties, my mother and I and the Qin family and the little goblin, drank lots and lots of alcohol and was really about to get my mother killed under the crying of the little goblin.”

“Then he came home on a rainy night, the first time he’d been home since my mother was eight months pregnant.”

“And then, my damned father, killed my mother, and took the child in my mother’s belly, hard, and gave the child’s belly a stab too!”

The pupils in Chen Dong’s obscure eyes tightened.

At this moment, his brow was furrowed to the extreme.

The cigarette in his hand couldn't help but twist into two.

Qin Ye's body was trembling, his eyes were red and glowing with tears, but they were permeated with bitter killing intent.

He raised his hands with a sobbing voice and gestured.

"You know what? I was home and I saw my mother lying on the living room coffee table, bleeding all over the floor, her stomach ripped straight open vertically, staring round."

"And the baby was like a piece of trash, thrown on the floor in a pool of blood, eight months old already in human form, only so big, I looked closely, it should have been a younger brother, with a knife stuck in his stomach."

When he said this, Qin Ye's body trembled more and more.

His eyes were at times fearful, at times angry, and at times full of killing intent.

The whole person was in an extremely terrifying state.

"With just two stabs, my mother is gone, my brother is gone, my home is gone, do you think he and that little demon should be killed?"

"Should be killed!"

Chen Dong spat out two words coldly.

This was the first time he truly knew about Qin Ye's past.

No wonder both Qin Ye and the informed Elder Long had always kept this matter a secret.

It was because this matter was too tragic and full of blood and tears.

Perhaps it was because the family scandal was not publicized, or perhaps it was because Qin Ye's father had been too beastly in what he had done, which was why the Qin family head had allowed Qin Ye to manipulate the profit of tens of billions to gamble on his next chance to live, right?

"So yeah, we both had mothers who loved us equally, yet both died tragically."

The corners of Qin Ye's eyes quietly flowed tears, and his eyes slowly returned to normal: "At that time, I painfully helped you out, anyway, I am a patricide beast is it, get

another one, no big deal, one day a big thunderstorm will come down and strike me dead, even if.”

“Thanks.”

Chen Dong said despondently.

Qin Ye gave Chen Dong a sidelong glance, rolled his second white eyes and said, “Look, what I went through was even more painful than you? I also felt like the sky had collapsed at that time and I had fallen into hell, but I climbed out.”

“I followed you because of you and your mother, if you can’t climb out of hell now, I’ll be gone.”

Chen Dong looked at Qin Ye, his eyes once again becoming obscure.

He bowed his head, took out a cigarette from the cigarette case, lit it and smoked it skillfully.

Pah!

Qin Ye slapped the cigarette at the corner of Chen Dong’s mouth and sent it flying, “I fucking ripped open the wound and gave it to you, just to cheer you up, don’t you have any reaction at all?”

Chen Dong calmly bowed his head, picked up his cigarette again and lit it.

“Chen Dong, I know you’re depressed and in pain, but you’re not doing anything at all by closing yourself off like this, you still have a lot of things to do, and a lot of people are worried about you.”

Qin Ye was a little emotional, Chen Dong’s calmness gave him the urge to freak out, “You can cry, no one will laugh at you, you can cry freely and painfully, after that, get up again and do what you need to do!”

However.

Chen Dong remained calm and indifferent, the cigarette rising in curls of smoke at the corner of his mouth.

“Chen Dong!”

Qin Ye was furious and fought to smash his fist into Chen Dong’s face, and at the same time, he also knocked the cigarette away.

“As my mother said, you can’t cry, the crown will fall off.”

Chen Dong slowly sat up, half of his face was already swollen, but he still looked down to fetch his cigarette, lit it, and then closed his eyes.

“You cry out before you are qualified to wear the crown!”

Qin Ye scolded sternly, “If you want to wear the crown, you must bear its weight, this is the experience you must go through to wear the crown, only when you really wear the crown, your mother will not have died in vain!”

The near-roar echoed through the room.

It was also just as Qin Ye was scratching and ranting out these words.

Chen Dong’s closed eyes, his eyelids trembled a little.

Two drops of tears, silently slipped out from the corners of his eyes .....

## **Chapter 266**

Tears, quietly slipping down.

They slowly dripped down Chen Dong’s haggard face to the ground.

Qin Ye’s expression choked, and then he let out a long breath as if relieved.

There was no disturbance.

Qin Ye turned around and left the room.

Downstairs in the living room.

Chen Daolin, Gu Qingying and the others crossed their fingers, their expressions grave.

The loud bang just now had made everyone a little apprehensive and nervous.

No one knew exactly what had happened.

When Qin Ye walked down the stairs.

Gu Qingying and the others instantly stood up.

“How is Qin Ye ....., Chen Dong doing?” Gu Qingying was alarmed and worried.

“It’s fine, now it’s your turn to go up and keep him company.”

Qin Ye shrugged and said with a smile, "It's just that you have to be mentally prepared, I guess the tears can wet your clothes."

Gu Qingying hurriedly ran upstairs.

Smell.

Chen Daolin and the others also let out a sigh of relief.

"Fine, fine, just cry it out, just vent it out."

Gu Guohua and Li Wanqing looked at each other and smiled, as if relieved.

Chen Daolin's expression also eased a little, and there were a few moments of glow in his eyes.

They had experienced great storms and wind, and were very clear about what it meant for Chen Dong to cry out now.

This was the greatest good for Chen Dong.

"Boy Qin, how did you enlighten the young master?"

Elder Long asked curiously, but his eyes, however, were a little heartbroken.

Qin Ye spread his hands and said with a smile, "Just told him about my past experiences, and compared to being miserable, he is not as miserable as me."

Although he was smiling, his eyes had a look of sadness in them.

Long Lao gave Qin Ye a heartfelt hug, "It's been hard on you, thanks."

"He's my brother, why thank me?" Qin Ye raised an eyebrow and smiled.

At that moment.

The sound of howling came from upstairs.

It was heartbreaking and incomparably miserable.

The cries echoed throughout the villa.

But everyone did not feel the slightest bit uncomfortable.

When it was truly cathartic, the Chen Dong that once was, could return.

“Thank you Qin Ye.”

Chen Daolin listened to the cries and looked relieved as he walked up to Qin Ye and said gratefully, “Thank you really.”

As the head of the Chen family, he knew what had happened to the Qin family back then and knew about Qin Ye’s past.

It was even clearer and more detailed than many of the magnates knew.

It was also because of this that he was clear about how much Qin Ye had paid to persuade Chen Dong.

To tear open a scar that had been dusty for years and expose it to the full glare of the public, even going so far as to rub salt into the wound, was nothing short of a nightmare.

“Master Chen Clan is more than polite, there is no need to thank you.” Qin Ye responded calmly, “I only have one brother, Brother Dong, I don’t want to see him fall down in one fell swoop.”

The crowd settled into the living room and waited in silence.

An hour passed.

The cries from upstairs finally faded away.

Another half hour passed.

The sound of footsteps came from the hallway.

Everyone got up and looked at the sound.

Chen Dong, with the help of Gu Qingying, slowly walked down the stairs.

At this moment, his eyes were red and swollen, and there were still tear marks remaining on his face.

However, his eyes were no longer as dull as before, but with a brightness and light.

The whole person’s state was very different from before.

Gu Qingying nodded to Chen Dong.

After helping Chen Dong to sit down in the living room, she said in a soft voice, “You rest for a while, Sister Xiao Lu and I will cook you dinner, more or less.”

“Mm.”

Chen Dong nodded his head and smiled faintly.

This smile made the huge stone in everyone’s heart finally fall.

Soon, Gu Qingying and Fan Lu brought the prepared dinner and brought it to Chen Dong.

The simple two dishes and one soup were quickly devoured by Chen Dong.

After finishing his meal.

Chen Dong suddenly said to Chen Daolin, “Dad, I have something I want to ask you.”

“What is it?”

Chen Daolin asked.

“Go up to the terrace and talk.” Chen Dong got up and headed upstairs.

Chen Daolin followed closely behind.

Gu Qingying and the others did not follow.

This was the first chat between father and son.

And, it was still after Chen Dong looked away.

If Chen Dong wanted to talk to his father, it would not be good for the crowd to follow.

On the terrace.

Chen Dong was lying on the edge of the balcony, facing the night breeze, thinking about something.

Chen Daolin walked up to him and asked, “Dong’er, is there something wrong?”

When he asked this, Chen Daolin’s brows were locked in a frown, and he was a little apprehensive.

This was because he knew that one of the reasons for persuading Chen Dong to accept the heirship in the first place was to allow Chen Dong to bring Li Lan home and surround Li Lan with the glory that she was originally supposed to have as the wife of the Chen family head.

But now ..... Li Lan is gone.

The reason, too, has become dismal.

“Dad, do you know about Black Prison?”

Chen Dong suddenly asked.

Chen Daolin looked stunned and did not say a word.

Chen Dong, however, did not care, blowing on the night breeze, a smile appeared at the corner of his mouth and his gaze became incomparably deep.

“In this bout, I was sent to a place called Black Prison, and I also met Chen Daojun, your brother and my uncle there.”

“And then what.” Chen Daolin’s voice trailed off.

Chen Dong continued, “In fact, when I was imprisoned in the Black Prison, I never gave up the idea of escaping because neither Little Shadow nor my mother would allow me to give up.”

“But while I was inside, there was one thing I could never understand, and that was that if the Qin family and Old Lady Chen really wanted everything from me on their behalf, it would have been simpler and crisper for them to kill me instead.”

Chen Daolin’s pupils tightened and he suddenly laughed.

“But now, I’ve figured it out, all the doubts I had before have been solved, right from the sentence that Zhou Xuan questioned when he collapsed.”

Chen Dong rubbed his face as his smile turned extremely bitter, “He asked why I hadn’t died. In other words, the Qin family and Old Lady Chen intended for me to die!”

Speaking of this, Chen Dong nodded gratefully to Chen Daolin.

“Thank you, for protecting me.”

“You are clever, far beyond my expectations.”

Chen Daolin smiled faintly, “I thought I could hide it from you for a while.”

“If so much hadn’t happened, perhaps it really would have been possible to hide it from me.”

Chen Dong shrugged, smashing his lips together and smiling oddly, "By going along with the Qin family's and Old Lady Chen's conspiracy and putting a plan in place to send me to a place like the Black Prison to sharpen me, indeed, I grew up very quickly in the Black Prison, so quickly that I now feel a little like I was dreaming."

The light in Chen Daolin's eyes flickered, and he was about to open his mouth to speak.

Chen Dong, however, looked hostile: "If my mother hadn't died, I would only be grateful to you even if I knew about it, because I know that if I want to be the head of the Chen family, there are simply too many shortcomings for a qualified heir like me, and a place like the Black Prison is enough to make me grow quickly."

"But you, it was because of this trick of yours to hide the truth from the world, knowing full well the conspiracy of the Qin family and Old Lady Chen, knowing full well that the person who accompanied my mother and Little Shadow and the others during this month was Zhou Xuan, who was a substitute for Li, yet you did not intervene, did not intervene, did not act at all."

"If you had crushed the conspiracy in the first place, would my mother have died? Even Xiaoying would have fallen into Zhou Xuan's hands, and even Qin Ye would have nearly died, if Xiaoying had not been suspicious, and if Qin Ye had not always insisted on defying death."

"Dong'er, I ....."

Chen Daolin's face changed greatly, he also did not know that things would suddenly go beyond his control.

"Just for sharpening me, the price you have inflicted is too heavy and too heavy!"

Chen Dong roared in anger, his right hand clenched into a fist and swung out brazenly, blasting directly at Chen Daolin's face.

## **Winner Takes All Chapter 267-268**

### **Chapter 267**

Buzz!

A strong wind whistled.

Chen Daolin did not move a muscle, not dodging.

However, Chen Dong's fist blade came to an abrupt stop in front of him.

With that, it slowly dropped.

Chen Dong's face was as cold as frost, and his deep eyes were churning with monstrous hostility.

"Why didn't you hit me?"

Chen Daoling smiled bitterly, incomparably despondent: "I deserved to be beaten."

This scene, if onlookers were to see it, their jaws would definitely drop in shock.

The head of the Chen family, who had all the wealth in the world at his fingertips, yet he looked so depressed and dejected?

"After beating you, will mum come back?"

Chen Dong turned around and looked towards the night scene of Tianmen Mountain in the distance, muttering, "It's all in the past, one's eyes always have to look forward, don't they?"

Chen Daolin was silent, guilt piling up in his heart.

This game was his way of going along with Old Lady Chen's plot, and his aim was also to sharpen Chen Dong.

But Zhou Xuan's collapse and violent rise had taken him beyond control of the situation.

It also indirectly led to the death of Li Lan.

This, as if it were a knot in his heart, was deadly clumped in his mind.

It was because he could not guarantee the lives of Chen Dong and Li Lan that he had resolutely taken on the reputation of abandoning his family and returned to the Chen family.

But now, even though he was the head of the Chen family, he still failed to secure the lives of his beloved ones.

Such frustration and guilt were too much for Chen Daolin to let go of.

But compared to Chen Dong, he was better at suppressing and hiding it, hiding this intense guilt and frustration deep in his heart.

"Uncle Daojun was the one you sent into the Black Prison back then, why would he instead help me get out of it?" Chen Dong suddenly asked.

Chen Daolin's eyes were deep and he smiled meaningfully.

“Chen family, the factions are complicated, the successors even cover every faction, competing with each other, it is inevitable that there is a gap of enmity, an enemy of an enemy, that is a friend.”

An enemy of an enemy?

Chen Dong’s gaze flickered for a moment, his understanding of the Chen family was too little after all.

The Chen family was not a direct line of succession like the rest of the richest people on one side, if that was the case, it would be easy to understand the Chen family clearly.

The Chen family was, by preference, a meritocracy, and the winner was king.

Perhaps this is why the Chen family has always been high up in the clouds.

Always ..... let the strongest person take the helm of the family.

Taking a deep breath, Chen Dong did not continue to ask about the secrets in the Black Prison.

He turned his head to look at Chen Daolin: “Dad, just tell me, can Old Lady Chen be killed?”

His voice was cold and his killing intent was overwhelming.

A week had passed, although he was busy with his mother’s mourning.

But Old Lady Chen was in the Chen family, if her father had really thought about it, he would have already set off a monstrous wave.

“For the time being, I can’t.”

Chen Daolin shook his head, anger flickering in his eyes as he suppressed his killing intent, “The Chen family is not as simple as you think, it is true that she is an elder, but in the end I only call her Third Mother, if it was good enough to kill, would I have waited for twenty years?”

“Good!”

Chen Dong nodded dryly, his voice as cold as a knife, “Then I will destroy the Qin family and pay tribute to my mother!”

The corners of Chen Daolin’s eyes danced gently, not showing too much surprise.

All this was within his expectation.

It was only Chen Dong's decisiveness in killing that gave him a slight shock.

"Good!"

Without more words, Chen Daoling spoke like frost, "This blood feud, someone will have to be buried for your mother after all."

"Thank you."

Chen Dong said calmly, turned around and walked towards the stairs.

Chen Daolin's body trembled for a moment.

Looking at the departing Chen Dong, his face changed.

A word of thanks suddenly made him feel a little strange and his heart was empty.

The living room.

Gu Qingying and the others were waiting in silence.

When Chen Dong walked into the living room, his gaze however, fell directly on Qin Ye's body.

"Want to go back to the Qin family?"

Qin Ye was stunned and asked, "I'm not even a Qin family member anymore, what's the point of going back?"

"To take revenge!"

Chen Dong calmly spat out two words.

Inside the living room, the atmosphere was instantly solemn.

Long Lao Gu Guohua and the others were stunned.

Gu Qingying even had red lips, wanting to speak but not to.

Rao Qin Ye had not expected this either.

A glow rose in his eyes, and soon, it dimmed again, "We are not a match for the Qin family for the time being."

A skinny camel is bigger than a horse, let alone the fact that the Qin Family was not a skinny camel, but was in its prime!

Such a party's richest man was in no way comparable to the Li family in Kyoto.

"Is there a connection?"

Chen Dong raised his eyebrows and smiled, a brutal and rampant aura between his eyebrows, "In the name of the Chen family, bloodshed the Qin family, my mother's revenge must be paid for by someone!"

"Good!"

Qin Ye smiled wickedly and decisively agreed.

No one noticed that his hands, quietly clenched into fists.

The night was getting late.

Gu Guohua and his wife had long since left.

Inside the bedroom, the light was charming.

Chen Dong sat on the edge of the bed, listening to the sound of water coming from the bathroom, his expression slightly strained.

Looking at the room Fan Lu had just tidied up, everything was still dressed as it was on the wedding day.

It was just that it had been tossed around by him over the past week.

Even more so because of the huge change in the wedding, which had made his wedding with Gu Qingying, full of regrets.

The death of his mother was an unbearable blow to him.

But to Gu Qingying, Chen Dong was also full of guilt.

A good wedding had turned into his mother's funeral, and the wedding joy that should have belonged to Gu Qingying had been in a state of grief.

On the contrary, Gu Qingying had not even complained half a word about his depression over the past week, but had always been by his side, trying to enlighten.

This, in itself, was the greatest injustice to Gu Qingying.

Click!

The bathroom door opened.

The dense water vapour puffed out.

Chen Dong subconsciously looked and was lost in thought for a moment.

Under the light, Gu Qingying slowly walked out of the bathroom wrapped in a bath towel, revealing a pair of long, slender, rounded legs below.

Her long wet hair and snow-white scented shoulders still had droplets of water on them.

Her beautiful face, perhaps because of the temperature of the water, was flushed with two blushes.

Sensing Chen Dong's gaze, Gu Qingying lowered her head somewhat shyly and said timidly, "What are you looking at?"

"Come here."

Chen Dong said softly.

Gu Qingying's delicate body trembled, her shell teeth biting her red lips as she slowly walked over to Chen Dong and sat down.

Chen Dong gently hugged Gu Qingying's shoulders, the fragrance puffing out his nose, and gently let Gu Qingying lean on his shoulder.

Gently, he said, "This bout, I've aggravated you."

"Big fool, what are you talking about? What do I have to be aggrieved about?"

Gu Qingying raised her head, her brilliant star-like eyes staring intently at Chen Dong, and said seriously, "All of us are sad that mum passed away, but the state you've been in for the past while is really too scary, promise me that you won't be allowed to be in such a state again."

"You're not alone, you still have me, I'm your wife, no matter what happens, I have to carry it with you, but you don't even want to say a word to me these days, if you're really aggravated, this is what aggravation is, you make me feel like I'm not your wife."

Chen Dong was stunned and a gush of warmth flowed deep inside.

"I promise you! Never again."

"Mm."

Gu Qingying smiled faintly and pointed to the bathroom, "Go take a shower."

Following closely, Gu Qingying gently whispered in Chen Dong's ear, exhaling like an orchid: "Tonight, it's the best night ever!"

## Chapter 268

The best night ever?

Chen Dong froze for a moment, then reacted and couldn't help but have his heart beat faster.

"What are you still staring at?"

Gu Qingying's eyebrows were crossed and she was charming.

Such a stunning beauty, even a single knitted brows and a smile was enough to charm infinitely.

Just this glance still surprised Chen Dong.

He had not expected that Gu Qingying's eyebrows would be so "sharp".

After taking a deep breath, Chen Dong got up and walked into the bathroom.

After some careful washing, he walked out of the bathroom wrapped in a bath towel.

The room was already dark, it was Gu Qingying who had turned off the lights.

Only a table lamp was left above the bed, emitting a faint yellow glow.

Gu Qingying, on the other hand, had already gotten under the covers, the bath towel from earlier thrown to the floor, and was lying under the covers, pulling the covers to cover her mouth and nose, looking at Chen Dong with a timid look.

Shy eyes, rippling with shyness.

Just such a look was worth a thousand words.

When Chen Dong entered the nest, Gu Qingying instantly acted as if she was a kitten, bullying her way into his arms.

"I said I would save this time for the best night ever!" Exhaling like an orchid, her red lips gently nibbled on Chen Dong's ear, "Tonight, please treat me well, Husband."

Chen Dong smiled tenderly and raised his hand to turn off the desk lamp.

All the feelings of affection, all in the darkness, exploded with a bang.

Three years of waiting, not to be outdone by the long love.

All the love, all tangled in the darkness to declare.

.....

There was no talk all night.

When the morning sunrise spilled through the curtains, the bedroom.

Chen Dong and Gu Qingying slowly woke up from their sleep.

As soon as they opened their eyes, they found that the other was also looking at them.

Both of them were a little tired from the night, and Gu Qingying still had a few flushes on her face.

“Awake so early?”

Chen Dong raised an eyebrow and smiled.

“Woke up from the pain.” Gu Qingying’s willow brows knitted.

Chen Dong froze for a moment, then reacted and instantly laughed.

As if she was a scared kitten, Gu Qingying hurriedly reached out her jade hand to cover Chen Dong’s mouth, “Bastard, how dare you laugh?”

“Why can’t you laugh? You are my wife.” Chen Dong gently scraped the bridge of Gu Qingying’s nose.

The two looked at each other speechlessly.

For a long time.

Only then did Gu Qingying slowly speak, “Have you really decided to go to the Qin family?”

“Mm.” Chen Dong calmly answered.

“Can it be for a while?” Gu Qingying asked, “With such a drastic change at home, I want a few days of peace and I don’t want you to risk your life again.”

“It’s fine, with Dad around, with the Chen family’s name, the Qin family is nothing yet.” Chen Dong smiled faintly.

“However, I still think it’s too risky, the Qin family is as strong as ever, and it should still be difficult for the Chen family to try to suppress people with their power.” Gu Qingying said, “Moreover, you have also called on Qin Ye, he is also a former member of the Qin family, have you considered his feelings in doing so?”

Chen Dong smiled spontaneously, “Little fool, it was considering Qin Ye’s feelings that I asked him to join me.”

A statement that made Gu Qingying a little dazed and suspicious.

Letting Qin Ye ..... watch the Qin family perish was considering Qin Ye’s feelings?

“What happened to Qin Ye in the Qin family is even more tragic than we thought.”

Chen Dong’s gaze was suddenly deep and powerful as he murmured in a low tone, “He went out of his way to cut open his wounds and even sprinkle salt on them in order to pull me out of hell.”

“He was despising me for being inferior to him, for being able to climb out of hell on his own while I was stuck in the mud and feet of hell.”

Speaking here, Chen Dong’s eyes suddenly flushed a little red.

The sudden change of emotion caused Gu Qingying to look flustered.

However, Chen Dong’s words changed, “Do you still remember, on the day of the wedding, the image of Qin Ye when he killed Zhou Xuan?”

“Remember.” Terror surfaced on Gu Qingying’s stunning face, “Qin Ye at that time, was very frightening, if you hadn’t laid a vicious hand on him, I guess no one would have been able to stop him.”

“So ah .....

Chen Dong smiled despondently and bitterly, “He has been boasting that he has climbed out of hell, but he is still in hell at all, it’s just that this man has used his cynical skin to cover up the demon that lives deep inside him.”

“And the cause and effect of all this lies with the Qin family!”

“I see.” Gu Qingying nodded and softly admonished, “I know you want to take revenge and bring Qin Ye out, but you have to promise me that everything will be done in safety, and if it is not possible, then you have to come back immediately.”

With that, she patted her stomach and smiled wryly, “The baby and I are still waiting for you.”

“How can it be that soon?” Chen Dong looked at Gu Qingying in astonishment.

Gu Qingying raised her eyebrows slightly and said with a blush on her pretty face, “Whatever, pretend to be pregnant with the baby already anyway.”

Chen Dong and Gu Qingying washed up and changed into a straight suit under Gu Qingying’s selection.

Looking at his renewed glowing self in the mirror, Chen Dong was a little lost in thought.

The only difference, perhaps, was that his cheeks were a little thinner than before.

“From today onwards, I will wear the crown .....

With a secret decision in his heart, his eyes were incomparably determined.

If you want to wear the crown, you must bear its weight!

Even if it is for the sake of his dead mother, he will wear this crown on his head.

Pulling Gu Qingying turned around and went downstairs.

In the dining room.

Chen Daolin, Long Lao Fan Lu, Kunlun and Qin Ye were eating breakfast.

Seeing Chen Dong and Gu Qingying who had come downstairs.

Qin Ye was astonished: “Holy shit, you’re up so early? A small farewell is better than a new wedding, you two are still newlyweds, a small farewell plus a new wedding, at least you have to get up at sunset, right?”

With a single word, Chen Dong and Gu Qingying were shy and embarrassed.

The few people at the table were also caught off guard and sprayed the thin porridge that had reached their mouths into their bowls.

Chen Daolin wiped a handful of porridge water from the corner of his mouth and glared at Qin Ye, “Qin boy, is your mouth running?”

Qin Ye shrugged his shoulders and gave Chen Dong a sidelong glance with a contemptuous expression, “Brother Dong can’t.”

Turning to Fan Lu, he said, “Sister Lu, let’s add some wolfberries to every dish for the noon meal.”

Fan Lu blushed in shame and said to Kunlun in a shy manner, “Brother Kunlun .....

Kun Lun’s face was sullen as he glared at Qin Ye with a bitter killing intent, “If you make fun of your sister Lu again, I’ll show you what a sandbag-sized fist is.”

“Fine, fine, just bully me for being single.” Qin Ye shrugged his shoulders, conceded and bowed his head to drink his porridge.

Chen Dong pulled Gu Qingying to sit at the table.

He looked at Qin Ye with a smile, “Where are you single? Zhang Yulan can be eaten to death by you.”

“Pfft!”

The porridge in Qin Ye’s mouth spurted out, choking and coughing violently a few times, he hurriedly changed the subject, “Speaking of which, when are we going to the Qin family in Xishu?”

The atmosphere was instantly subdued.

Including Chen Daolin, all eyes fell on Chen Dong.

Chen Dong calmly sipped his porridge and said blandly, “We’ll leave at noon!”

“So soon?”

Even Qin Ye was a little surprised.

Chen Dong raised his eyebrows and spoke like frost.

“To take revenge, do we have to choose an auspicious day? If it’s too late, there will be changes!”

Chen Daolin nodded, “Then I will return to the Chen family now, the old lady is too murderous, it’s time to invite her into the Buddha Hall to chant Buddhist sutras for a few days.”

## **Winner Takes All Chapter 269-270**

### **Chapter 269**

Chen Daolin left in a hurry.

He didn’t even leave time to chat with Chen Dong for a few more minutes, and left directly in the helicopter after breakfast.

Chen Dong knew very well that if he wanted to take down the Qin family, Old Lady Chen was bound to be a huge obstacle.

The two parties were snakes and rats in the same nest.

The mere fact that they were plotting against him already tied both sides firmly to the same boat.

If he really made a move against the Qin family, the Qin family would inevitably ask for help from Old Lady Chen, who would also inevitably come to her rescue.

If he could understand such a simple truth, the Qin family and Old Lady Chen would not be confused either.

His father's suppression of Old Lady Chen was a prerequisite for him and Qin Ye to take revenge on the Qin family!

With Chen Daolin leaving not long after.

Chen Dong also took Qin Ye and Kunlun along with him and left the Tianmen Mountain Villa, heading towards the airport on the outskirts of the city.

Elder Long stayed in the city, taking care of the aftermath and arranging things for the company.

In the short span of one month since he was sent to Black Prison, too many things had happened. Zhou Xuan alone was at the helm of Dingtai, and the simultaneous mobilisation and manipulation of Zhou Zunlong and Zhou Yanqiu had caused a whole lot of trouble.

What's more, the huge change at the wedding had given rise to a bunch of hidden problems.

All of these, had to be resolved as soon as possible.

Even, Chen Dong did not mind at all if Elder Long used some thunderous measures.

Quickly cut through the chaos.

Nowadays, only Elder Long could handle this matter well.

Even if Chen Dong personally took up the matter, he was still somewhat stretched.

When the three of them arrived at the airport, they directly passed through the green channel unhindered and boarded the private plane that Elder Long had arranged for a long time ago.

Soon, the plane took off.

“Young master, Elder Long has already arranged for the Chen family office in Xishu to take care of the reception.”

Kunlun said calmly, “This is also Master’s intention, he informed the Xishu office, which would attract the family’s attention, while Elder Long has arranged for it to be much more secretive, and this trip, we have to rely on the Chen family office.”

Chen Dong did not refute and nodded in response.

They were not going to the Qin family to chat and party, this time, they were going to see blood!

Since the name of the Chen family was the name of the Chen family, if they did not even alert the Chen family office in Xishu, the name would not be right.

Subconsciously, Chen Dong looked askance at Qin Ye.

At this moment, Qin Ye was as calm as usual.

Feeling Chen Dong’s forehead gaze, Qin Ye deflated his mouth, “Don’t consider my feelings, I don’t have a single relationship with the Qin family anymore, and they didn’t consider my feelings when they sent people to try to kill me.”

“I know.”

Chen Dong guffawed, “I was going to ask you what you plan to do with the Qin family.”

“You’ve already thought of a plan, and your father is helping you do it, so why are you asking me?”

Qin Ye shrugged his shoulders and said meaningfully, “Driving the tiger to swallow the wolf is the best policy, bloodshed of the Qin family would have been a fight to the death, not a good deal.”

Chen Dong smiled, his gaze looked morosely at the sea of clouds outside the window, “Yes, the crown is too heavy, if I don’t drive away the tiger and swallow the wolf, I can’t wear it steadily on my head.”

At these words.

Qin Ye and Kun Lun looked at Chen Dong in surprise at the same time.

Chen Dong rubbed his nose, “What’s wrong?”

“You’ve changed, dog.” Qin Ye rested his hands behind his head, “Brother Kunlun, what do you think?”

“Dog, no, Young Master has indeed changed.”

Kun Lun looked flustered and hastily changed his tone, “The young master of the past would not have weighed the pros and cons so clearly.”

“Now, ah, you’re really the one who’s a bit of a successor.” Qin Ye teased, “Doing whatever it takes to outsmart those Chen family hooligans.”

Chen Dong smiled faintly, his smile full of bitterness.

At half past ten at noon, the plane landed at Xishu Airport.

Just after walking out of the airport, a middle-aged man greeted him.

“I am the Consul of the Xishu Chen Family Office, Chen Kai has met Young Master Chen Dong.”

“Let’s go.”

Chen Dong nodded and followed Chen Kai towards the Rolls Royce on the roadside.

After getting into the car, Chen Kai then said, “Young master, today, is the Qin family head’s birthday, and the family is hosting a birthday banquet.”

“A birthday banquet?”

The corners of Chen Dong’s eyes danced for a moment, rubbing his chin and smiling playfully, “We’ve come at the right time, since it’s a birthday banquet, we have to give gifts, after all, when I had my big wedding, the Qin family was there to give gifts too.”

“I’d forgotten about that.” Qin Ye also looked down and pondered.

Suddenly, both of them looked at each other at the same time, then smiled morosely.

Inside the car, the temperature seemed to have plummeted by a large margin.

The Qin family.

As the richest man in Western Shu, it was high in the clouds, overlooking all life.

In the realm of Western Shu, it had a status that no one could match.

The birthday banquet of the Qin family's head had even attracted the giants of Western Shu to come and congratulate him.

The birthday banquet alone had a hundred tables at the Qin family residence.

This was also the result of the Qin family head's deliberate request not to spread out or make any noise, considering that it was not a full birthday.

It was close to noon.

Outside the Qin family residence, there were already a lot of luxury cars and a lot of water.

The crowds were swarming with noise and bustle.

Every time a guest arrived, a salute was fired.

The Qin family head, who was over the age of one, was dressed in a bright red Tang suit and stood at the entrance with a group of Qin family members, greeting the guests who had arrived to congratulate him.

"Grandpa, almost all the guests are here, the remaining ones are just some optional people, so there is no need for grandpa to greet them personally." A young man in a suit said with a smile, "The guests are almost all here.

A young man in a suit said with a smile, "Grandpa has been standing all morning, please go back and take a rest for a while, we are enough to handle this place."

As soon as the words left his mouth, he immediately drew several juniors around him to agree with him.

They were all from the Qin family's direct lineage and had a status that was unmatched in the Qin family.

In the Qin family, the difference between the first and second bloods was worlds apart.

"Qin Shant, you must not be so arrogant."

Elder Qin's face sank and his voice lowered.

The young man was instantly chilled and startled, and bowed his head in apology, "Grandfather, it was Frost's fault."

"Remember, don't treat the guests with the slightest bit of arrogance, lest people say that the Qin family doesn't know how to be polite."

Master Qin's expression eased and his smile returned, his eyes changed, "Right, if Xiao Qian returns, remember to tell me, I want to see her."

"Got it, grandpa."

Qin Shannon smiled and nodded, "When Sister Xiao Qian comes back, I will definitely inform you at the first opportunity."

After Elder Qin turned around and entered the mansion, Qin Shannon's face turned gloomy as she spat on the ground indignantly, "I really don't know why Grandpa is thinking about Xiao Qian, isn't she just a bit of a loser, she found a useless man and let someone come to her door, but in the end she still got divorced and ran away?"

A word that drew several of the first family members to agree.

At that very moment.

A middle-aged man suddenly ran over in a hurry, his face terrified as he said to Qin Shannon, "Young Frost, Qin, Qin Ye, has come to congratulate Master on his birthday."

Boom!

The deliberately low voice still caused Qin Frost and the others to be struck by lightning.

"That brute, how could he come?" Qin Shrost gritted his teeth, "Drive him away!"

"There's no need to drive him away, I'm already here!"

Qin Ye stuck his hands in his pockets, his face full of cynical smile, provocatively said to Qin Frost, "Moreover, you are afraid that you won't dare to drive me away, brother Frost, this is the young master of the Chen family next to me."

"You ....." Qin Frost's face changed, he knew Chen Dong, when Chen Dong's big wedding, he had followed Elder Qin to the scene, and also experienced the wedding scene.

Only, that was all he knew, and he did not know anything deeper.

However, just as Qin Ye had said, the Qin family did not dare to drive the Chen family's eldest youngster away yet!

In the blink of an eye.

Chen Dong then walked with Qin Ye, Kun Lun and Chen Kai to the few people in front of Qin Shannon.

Qin Ye took the gift box from Chen Kai's hand and handed it to Qin Shannon.

"Here, a birthday gift for the old man, a token of appreciation."

"Then I have to thank you."

Qin Shannon smiled coldly and took the gift box, so she opened it in public without any qualms.

Only, upon seeing the birthday gift in the gift box.

Qin Shannon was instantly jealous and raging with hostility.

It was because inside the gift box was a pair of ..... elegiac couplets!

Mourning for the dead, for mourning and sacrifice!

## **Chapter 270**

Elegiac couplets are used for mourning the dead and for funeral rituals.

On top of grandpa's birthday banquet, an elegiac couplet was used as a gift.

This is simply a smashing!

In an instant.

Qin Shou's hostility tumbled.

Bang! With a bang, he directly threw the gift box on the ground, and the elegiac couplets in it spilled out.

Seeing this scene.

The few Qin family members behind Qin Shant froze on the spot.

Immediately afterwards, anger tumbled.

The surrounding guests and servants of the Qin family, seeing this scene, even changed their faces.

In an instant, the atmosphere in front of the main gate of the residence froze.

The air was thick with the smell of gunpowder.

“Qin Ye, you beast, my Qin family won't bother with you, how dare you be so arrogant and curse like that at grandfather's birthday banquet, get lost!”

Qin Shant scolded angrily, if not for the consideration of Chen Dong beside Qin Ye, he would have directly called for Qin Ye's legs to be broken at this moment.

Qin Ye smiled disdainfully.

Chen Dong, who was beside him, slowly leaned down and picked up the elegiac couplet and put it into the gift box.

“This gift was personally chosen by me for the old master, is Young Master Frost trying to drive even me away?”

Chen Dong smiled teasingly and handed the gift box back to Qin Shrost with a stern gaze.

What?!

Several people in Qin Shrost were shocked at the same time.

Qin Shannon gritted her teeth and suppressed her anger, “Young Chen, you are the heir of the Chen family, our Qin family respects you, when you were getting married, I even came along with my grandfather to congratulate you, now this is how you return the gift to my grandfather's birthday banquet?”

Even though he tried his best to suppress it, there was still a bitter coldness in his words.

“You don't know?”

Chen Dong was a little stunned and his expression sank, “Then ask your grandfather! Today, if you let us in, I'll beat you to it!”

The tone of his voice was resounding and overbearing.

As he said that, Chen Dong took big strides and walked directly towards the residence.

Qin Shannon's expression was hostile, and she was about to stop him.

But Kunlun and Qin Ye stepped forward at the same time.

Kun Lun's lofty figure immediately caused Qin Shannon's steps to stall.

Qin Ye said in a cold voice, “Do you want to make a scene and ruin the birthday banquet?”

Qin Shrost's expression changed and he gave a cold snort.

But with a few of the Qin family's direct descendants in tow, he turned around and headed for the mansion.

"A few straw bags."

Qin Ye laughed disdainfully.

Chen Dong laughed and was about to walk inside the mansion with a few people.

Suddenly, a playful shout came from behind him.

"Brother Ye!"

Qin Ye's body shook and he turned around expressively.

Chen Dong and Kun Lun and Chen Kai also stopped and looked back.

They saw a wonderful woman, dressed in a white dress, leaping towards this way.

In a flash, she jumped into Qin Ye's arms, full of smiles, "Brother Ye, it's been a long time since I've seen you."

"Xiao Qian, come down, you're so big, it's weirdly heavy." Qin Ye said with a fake strain.

Qin Xiao Qian deflated and landed on the ground, aggrieved, "You're the one who's heavy, I've lost weight recently, I'm not heavy at all."

"Che ....."

Qin Ye rolled his eyes and pulled Qin Xiao Qian over to Chen Dong, "Xiao Qian let me introduce you, this is Chen Dong, my buddy."

Then he added to Chen Dong, "This is my sister, Qin Xiao Qian."

A trace of surprise flashed in Chen Dong's eyes.

He smiled and shook hands with Qin Xiao Qian.

Qin Xiao Qian was cheerful and called out to Brother Dong while shaking hands.

"You're here to congratulate the old undead on his birthday too?" After being introduced in turn, Qin Ye asked in a low voice.

“Well nah, but I’m leaving after delivering the gifts.” The smile on Qin Xiao Qian’s face disappeared and her expression was incomparably forlorn.

Qin Ye frowned slightly, “It’s been two years, and the old immortal still hasn’t changed his rules for you?”

“It’s alright, wasn’t it also my fault back then?”

Qin Xiao Qian shrugged her shoulders and said with a fake indifferent smile, but the aggravation and loss in her eyes was obvious to anyone.

Qin Ye looked solemn and took Qin Xiao Qian’s hand: “Today, Brother Ye is here, I’ll let you stay until the birthday banquet is over, no one dares to drive you away!”

“Brother Ye ……” Qin Xiao Qian’s pretty face changed slightly, somewhat alarmed, “This, this is not good, in case ……”

“There is nothing in case, I have such a sister as you in the Qin family.”

Qin Ye looked cold and stern, his gaze resolute: “After my family’s incident, I no longer participate in the Qin family everything, but you this is a whole two years, the Qin family is still so act, since I came, then I have to protect you!”

The tone of his voice was so firm that Chen Dong and Kun Lun, who were both on the side, felt amazed.

All along, Qin Ye had given off the impression of being cynical, while having no affection for the Qin family.

However, at this moment, such a sister appeared.

And it had made Qin Ye so annoyed!

“That, what exactly is the matter?” Chen Dong asked curiously.

Qin Ye pulled Qin Xiao Qian’s hand and walked inside while telling Chen Dong about it.

It turned out that Qin Xiao Qian had outstanding abilities, and just after she turned 18, she went to university on her own while doing business and setting up a company, which was doing well, and at one point, she even had a tendency to take the lead in a city in Western Shu.

Such ability is enough to become an elite leader among the Qin family’s younger generation.

But two years ago, Qin Xiao Qian fell in love, perhaps for the first time, perhaps also young and frivolous, and soon married and started a family.

However, because of the poor family background of the man and the fact that the Qin family would not allow the girl in the family to be married off, they felt that they had lost face, so they forced the man to become a son-in-law.

However, the man soon cannot bear the oppression and aggravation of being a son-in-law and divorces Qin Xiao Qian in a flash.

A marriage that lasted only two months!

Qin Xiao Qian has not yet recovered from the pain of the divorce, the Qin family feels that the divorce is too humiliating, for the so-called Qin family face, not only robbed Qin Xiao Qian's company, but also treated him as an outsider, the family has something to do, people can come, but can not stay!

The company was founded entirely on its own ability, but also relying on this ability, in the Qin family is still somewhat noticed, but the divorce, is the Qin Xiao Qian all the jerk to the end.

A short narrative, Chen Dong is also a sudden realization.

Isn't this similar to what happened to Qin Ye?

The same disease, Qin Ye is not so righteous anger is strange.

However, Chen Dong did find it somewhat amusing.

For the sake of the so-called face, the Qin family had really made their mouths look cheap enough.

At the age of 18, Qin Xiao Qian had already set up a company and had even managed to become the head of a city. With such ability, it would not be too much to say that with a little training, she would become the future head of the Qin family.

The Qin family, however, is not a meritocracy, but rather maintains its face.

Is the face of a magnate really that important?

Chen Dong also noticed that while Qin Ye was recounting this matter, Qin Xiao Qian's expression was frustrated and dishevelled to a great extent, but her eyes were full of resignation and anger.

Clearly, this girl's heart was far from caring as much as her mouth said.

“Brother Dong, you can’t interfere in this matter, Xiao Qian is with us today!”

Qin Ye was rarely stubborn, “I’m going to see, a bunch of straw men from the Qin family, who dares to drive my sister Xiao Qian away today.”

Chen Dong smiled spontaneously and patted Qin Xiao Qian’s shoulder.

“Let’s go, with us here, even Elder Qin wouldn’t dare to drive you away today!”
