

Winner Takes All Chapter 681-690

Chapter 681

The week after.

The wind was calm and the waves were quiet.

Qin Xiao Qian rushed over the day after she learned of Qin Ye's news.

To Chen Dong's surprise, Qin Xiao Qian acted unusually calm, and even comforted Zhang Yulan.

However, before Qin Xiao Qian returned to the Qin family, she also had a special talk with Chen Dong, stating to him that she would not be the least bit merciful and would do her best to suppress the Qin family.

It was just that as Qin Xiao Qian turned to leave.

However, Chen Dong clearly saw that this girl had raised her hand to wipe her tears after all.

All the calmness was just a forced pretence.

With Qin Xiao Qian's departure, the day seemed to be on track.

Apart from Zhang Yulan's regular daily visits to the Lijin Hospital to wait for Qin Ye to wake up, everything seemed to go on as normal.

Elder Zhang also came over, but when he saw the state of Zhang Yulan, he went back to Kyoto in pain.

The old man knew that no matter how much he tried to persuade him at this time, Zhang Yulan would definitely not go back with him.

Of course, Chen Dong also knew clearly that the plain as day before him was only an appearance, the mysterious man was still protecting in secret, helping him to ward off the repeated killings of that unknown force.

As for the impact on the Chen family after killing Chen Tianyang, Chen Dong had never worried about it.

The revenge of his wife and brother made him only want to kill, not caring about the flood afterwards?

Every day, he went back and forth between Dingtai and his home. If it was not a particularly important matter, Chen Dong basically would not disrupt this rhythm of life.

Gu Qingying's belly was getting bigger day by day, and at this time he needed as much company as possible from him as a husband.

Every other day or two, Chen Dong would also go to the hospital with Gu Qingying to visit Qin Ye and Kunlun.

This day at noon.

Chen Dong had just finished having lunch with one of his partners and had finished talking about a project.

He had just pushed his wheelchair out of the restaurant when a girl suddenly ran up to him.

Caught off guard, Chen Dong collided with the girl.

As Chen Dong was sitting on the wheelchair, the girl lost her balance and almost her whole body was pressed against Chen Dong.

The fragrance of the girl's face rushed into her nostrils.

In the flash of light, Chen Dong felt his face touching something unusually soft.

In an instant, Chen Dong's mind was shaken and his hands instinctively lifted up to support the girl's waist, preventing her entire body from pressing into his face.

As the girl stepped back, Chen Dong couldn't help but freeze for a moment.

The girl was wearing a double ponytail, her face was pink and tender, with a hint of childishness, but her features and appearance were absolutely stunning.

What really made Chen Dong stare was the girl's eyes.

A pair of blue eyes like the sea, deep and attention-grabbing.

It was only with the girl's words that Chen Dong's eyebrows knitted up at once.

"I'm sorry, I bumped into you on purpose."

What kind of words were these?

Chen Dong was not a petty person and was not so angry at being accidentally bumped into.

But the girl's apology

You bumped into her on purpose?

And saying sorry for what?

It's clearly just picking a fight!

"This joke is not funny." Chen Dong frowned and said in a deep voice.

The girl spat out her tongue with a few playful moments.

Then she extended her right hand and smiled sweetly, "Get to know each other, my name is Ancient Dragonfly."

"Ancient Dragonfly?"

Chen Dong was surprised for a moment, such a name was something that few people would take.

However, thinking of the girl's deliberateness just now, Chen Dong shrugged his shoulders, "Sorry, I'll leave first."

Gu Dragonfly froze.

By the time Chen Dong pushed his wheelchair past her and headed off into the distance.

She finally came back to her senses and turned around in exasperation, "Nasty, so many people want to meet me, they don't deserve it yet, and you actually ignore me."

Gu Dragonfly moved her long legs and quickly caught up with Chen Dong, tugging on the pushing hand at the back of Chen Dong's wheelchair to prevent Chen Dong from continuing forward.

"What the hell do you want?"

A hint of anger surfaced on Chen Dong's face.

A girl who deliberately bumped into people and also stirred up nonsense gave him a very poor sensory impression.

Even if this girl was a stunning beauty!

Even if this girl had just had an unusually intimate and awkward encounter with him.

But that was no reason to lower the bottom line of temper, not to mention that the contact just now was the girl's intentional bumping into him.

The ancient dragonfly let go of the wheelchair pusher, tugged the two ponytail braids, and came around to Chen Dong.

Smiling, she said, "If you have a meal with me, I'll give you a favour."

Chen Dong suddenly found this somewhat amusing.

This girl, where the hell was this oddball from?

She rammed herself hard into him and was not the least bit shy when she suffered a loss, but instead she was giving benefits to invite him to dinner?

This

"When you say that, it makes me feel like I can eat soft rice and be adopted." Chen Dong rubbed his nose.

"Well, if you want to interpret it that way, I can accept it."

Gu Dragonfly wiggled her ponytail braid and nodded her head seriously, smiling.

Chen Dong: "....."

Oddball!

He shook his head, "Sorry, I'm not interested, plus I'm married."

"I know."

Gu Dragonfly pressed the armrest of his wheelchair with one hand to prevent Chen Dong from leaving, "Have a meal with me, please please please."

Chen Dong's face turned cold, the last trace of patience worn away.

His gaze was cold as he looked directly at Gu Longfang, "Do you want a face?"

The words were sharp.

To say such words to a girl was obviously extremely disrespectful.

But respect, it all had to start with self-respect.

Gu Dragonfly froze for a moment.

Two seconds later, she let go to the side in disappointment, "Let's go."

Chen Dong didn't bother and pushed his wheelchair to the car park.

Looking at Chen Dong leaving, Gu Dragonfly's long, white thighs swayed, kicking the ground with her right foot, saying moodily, "What the hell, it's no fun at all, I really don't know what Grandma came specifically to find him for last time."

Stretching her back, Ancient Dragonfly smiled sweetly, "It's good to sneak out this time, last time I followed Grandma here, it was really boring, this time I just want to have fun everywhere, that Chen Dong well, there must be a chance!"

The last time she had a quick glimpse at the airport.

After returning home, Gu Dragonfly could not resist her curiosity, so she sneaked out of the house and re-entered the city.

The purpose was to get up close and personal with Chen Dong.

Because she wanted to find out what kind of man was it that could make her grandmother come all the way to this corner of the world.

As far as she could remember, it was rare for her grandmother to be so attached to a particular person!

Even if they were the heads of powerful families or giants, if they wanted to meet, they would only come to their grandmother's door to ask for a meeting, and only very rarely would she go to a person specifically.

The car park.

Chen Dong pushed his wheelchair to the car.

Lone Wolf got out of the car and, seeing Chen Dong's ugly face, asked, "Mr. Chen, what's wrong?"

"Met an oddball."

Chen Dong said, his right hand subconsciously held a false grip.

Thinking back on the scene just now, Chen Dong really felt somewhat baffled.

"Do we need to take care of it?"

Lone Wolf frowned, he had followed Chen Dong out to the banquet, not only as a driver, but more as a bodyguard.

“No need, it’s just a little girl in her twenties.”

Chen Dong shook his head and said, “Get in the car, it’s back to the company.”

Chapter 682

It was also just as Chen Dong and Lone Wolf were driving away.

In front of the restaurant.

Gu Dragonfly did not leave.

Instead, he sat bored on the side of the road, playing with his mobile phone.

He paid no attention to the stunning gazes cast around him.

Not far away, however, were two figures stopping by.

“Sister, I saw Chen Dong and that girl together just now.”

Wang Hao pointed at the ancient dragonfly on the side of the road.

And beside him, standing in a heap was Wang Nan Nan.

However, today, both Wang Nan Nan and Wang Hao were very different from before.

Wang Nan Nan was dressed in a small black suit, and her long hair had been cut short, making her look all dry.

Only between her eyebrows, there were a few more shades, giving her a gloomy and watery appearance, and she no longer had the same charm as before.

Even his eyes have become extraordinarily cold.

Wang Hao, on the other hand, had lost a lot of weight and had a depressed look, standing beside Wang Nan Nan, and occasionally had to yawn.

“Dad’s phone, did you get through?”

Wang Nan Nan’s voice was low, without the slightest bit of emotion.

Wang Hao yawned as he said, “Can’t get through.”

Wang Nan Nan’s eyes shifted for a moment, and then returned to being cloudy, even with a hint of anger.

“Then keep calling, we already don’t have a mum, what’s this family without a dad?”

“Alright I know, sister get me some money, I’m sleepy.”

Wang Hao shrugged his shoulders with a hangdog look, “Then I’m not going home tonight, I’m going to go to a bar and have a night out.”

Wang Nan Nan subconsciously clenched her fist, and a layer of cold frost steeply covered her pretty face.

She turned around suddenly and looked at Wang Hao angrily, “Xiao Hao, are you trying to be all five poisons?”

Being glared at by Wang Nan Nan, Wang Hao subconsciously took a step backwards, fear showing on his face.

Since his mother’s death, his sister had changed a lot.

The godly eyes that were revealed from time to time made even Wang Hao feel unusually terrifying.

However, under yawning after yawning, Wang Hao still insisted, “Sister, you love me the most, I’m really sleepy, then this way, you can get me some money first, I’ll cure my sleepiness, big deal, I won’t go for a night out.”

Wang Nan Nan did not move, and the chill on her face became even more intense.

Wang Hao became anxious and begged, “Please, sister, you’re the only sister I have, and you’re the only brother I have, mum is gone, dad is gone, and we’re the only two left to depend on each other.

Not saving me from death?

Wang Nan Nan’s heart ached fiercely.

The corners of her mouth turned up, sketching an odd smile.

Facing Wang Hao, she eventually took out five hundred yuan from her pocket and handed it to him.

As soon as Wang Hao saw the money, his eyes instantly lit up, and as soon as he grabbed the money, he turned around and ran.

Looking at the direction where Wang Hao disappeared from the crowd, Wang Nan Nan looked cold and stern to the extreme, and murmured softly, “It’s the fact that I didn’t save you from death time and time again that brought you to this point today.”

As she spoke, tears welled up in Wang Nan Nan's eyes.

"Mom, do you see it all in heaven? Are you happy that Xiao Hao has been spoiled by you to be in this situation now?"

Wang Nan Nan raised her hand to wipe away the wetness at the corner of her eyes and said determinedly, "But don't worry mum, I will take care of my brother, I only have this one brother, I should help him, and I will also avenge you!"

Hatred and anger surged up like a tidal wave, wrapping around Wang Nan Nan's entire body.

She could never forget that night, the scene that happened in front of Chen Dong's mother's grave.

That scene was the darkest, most desperate and helpless moment of her life!

So much so that for so long, she would always wake up late at night with nightmares and then stare into her eyes, not daring to sleep, through the long night again and again.

Her mother's death was like a sharp knife that plunged fiercely into Wang Nan Nan's heart.

She remembers every detail of that night vividly.

Her mother was in her arms, and she was called unworthy when she tried to burn some paper money for her mother.

The faces and eyes of Chen Dong, Lin Lingdong, and Wu Junhao, she remembered them all.

The former, the two men she had once loved.

But these were the two men who had killed her mother in front of her and then left in a determined manner.

That night, it was Wang Nan Nan who cried and howled and used both hands, under the torrential rain, to dig the grave that she buried her mother in.

The stinging pain of the gravel that cut her skin as she dug with both hands is still fresh in her mind.

That night, she cried all night at her mother's grave.

"Hoo"

Wang Nan Nan exhaled heavily and slowly lifted her hands.

The white and smooth hands were now much rougher.

And in the location of the palm of the right hand, there was still a scar left.

Looking at the scar, Wang Nan Nan's eyes gradually grew fierce.

This scar was the one she had left on her palm that night when she had dug a grave for her mother with her bare hands.

The wound was extraordinarily deep and painful at the time, so much so that the scar could not even disappear.

"I, Wang Nan Nan, will rely on no one from now on, and the revenge of matricide must be avenged!"

The determined words were like a vow.

Only at this moment, Wang Nan Nan did not notice in the slightest the way the people passing around looked at her.

It was a look of fear and panic, as if they were looking at a psychopath.

They all took a few steps away and left quickly.

Wang Nan Nan did not know how she had changed, she only knew that the origin of her family becoming like this now was the divorce with Chen Dong in the first place.

She didn't want to dwell on the rest, she only knew that it was Chen Dong and Lin Lingdong who were the culprits for her mother's death that night.

For a long time.

Wang Nan Nan calmed down.

She moved her long legs and walked over towards Ancient Dragonfly who was sitting on the side of the road.

At this moment.

Gu Longfang was preparing to get up and leave.

She had sneaked out this time, not only to look for Chen Dong, but also to have a bit of fun fooling around.

At home, although the whole family pampered her, there were many restrictions.

One of them was that she could not play around.

It was so easy for the canary to get out of the bird cage, so it would be a loss if she didn't have a good time and then get caught?

“Who are you?”

As soon as she raised her eyes, Ancient Dragonfly saw Wang Nan Nan, who had walked up to her and blocked her way.

Wang Nan Nan smiled faintly, “Meet you, my name is Wang Nan Nan.”

Gu Dragonfly did not reach out to shake her hand, but subconsciously took a step back, a little wary.

Although she had been well protected since she was a child, she appeared innocent in many ways.

But innocence was innocence, it did not mean stupidity.

Wang Nan Nan lowered her right hand and raised her eyebrows, “You know Chen Dong?”

“Yeah.”

Ancient Dragonfly answered, then shook her head, “But that's not right either, I'm meeting him for the first time and want to get to know him.”

“Then we can make a friend, I can help you get to know him.” Wang Nan Nan's heart stepped down.

“You know Chen Dong?” Gu Dragonfly was a little surprised.

“Of course, I'm friends with him.”

Wang Nan Nan smiled and took out a business card and handed it to Ancient Dragonfly, “If you are over here, you can contact me for anything, don't forget my words, I can help you get to know Chen Dong.”

Winner Takes All Chapter 683-684

Chapter 683

Chen Dong did not know what had happened after he had left.

He also did not care at all about the oddball ancient dragonfly.

Such an odd girl in a casual encounter was not worth noticing.

Back at Din Tai Company.

Chen Dong then got busy.

Dingtai Company was now expanding more and more, and the speed of expansion was becoming faster and faster.

Initially, relying on the shantytown renovation project in the western part of the city, it had completed its survival from death and turned the tide.

Then step by step, with the help of Zhou Yanqiu and Zhou Zunlong, the two local forces, all the way to the decisive expansion.

The snowball has been completely rolled up by him.

All he needed to do was to keep pushing the snowball, rolling it bigger and bigger.

In order to cope with the several new properties opening at the same time.

Chen Dong also selected some seedlings in the company and dispersed them to manage a property separately, which was also a kind of practice.

Although most of the company's projects have been handed over to Xiao Ma to fully handle.

However, some extremely important matters, such as deciding the direction and development process of Dingtai, still need to be controlled by Chen Dong personally.

All these things added up, and it was not easy at all.

It was a busy day.

When it was close to the end of the day, even though there was still a pile of documents to go through, Chen Dong stopped working and packed up to go home.

No matter how urgent the work was, it was not worth being able to spend more time with Gu Qingying.

During his pregnancy, he had treated Gu Qingying too badly and could only make up for it with more company.

When he returned home, it was getting late.

To Chen Dong's dismay, Gu Qingying was sitting worriedly on the sofa in the living room, her jade fingers on the bridge of her nose, rubbing it gently.

"Is something wrong?"

Chen Dong's heart immediately lifted and he pushed the wheelchair to Gu Qingying's side.

"No, it's just that my eyelids feel like they're jumping."

Gu Qingying let go of her hand and smiled at Chen Dong: "It's been jumping all afternoon."

Chen Dong instantly breathed a sigh of relief.

The last time Gu Qingying had an accident, Dean Liu's advice was still fresh in his ears.

"It's alright, it's just my eyelids jumping." Chen Dong intimately scratched the bridge of Gu Qingying's nose.

However, Gu Qingying curbed her smile and said with grave concern, "My left eye is jumping for wealth and my right eye is jumping for calamity, my right eye has been jumping all afternoon, will something happen? I always feel very uncomfortable in my heart, I always feel that something is going to happen."

"You little superstitious, these customs and slang, why do you still believe in it so seriously?"

Chen Dong propped his hands on the sofa and dropped down to the sofa, then took Gu Qingying into his arms and said with a smile, "Come on, hubby hug, nothing bad can come near our little superstition."

"Nasty, Sister Xiao Lu is still at home."

Gu Qingying instantly blushed and wanted to push Chen Dong away, but Chen Dong did not let go of her hand, she instantly became a bit anxious: "Let go, Sister Xiao Lu is really at home, my eyelids are throbbing badly today, I am afraid that something will happen and let Sister Xiao Lu stay at home with me, and then let her go to the hospital when you come back."

The words just fell.

The kitchen door sounded.

Fan Lu came out of the kitchen, "Little Shadow, what do you want to eat tonight?"

The moment the words left her mouth.

Fan Lu froze, her eyes staring straight at Chen Dong and Gu Qingying on the sofa.

Chen Dong and Gu Qingying were also staring at Fan Lu.

The air seemed to suddenly freeze.

The next second.

Fan Lu's eyes automatically turned elsewhere, then she pretended to whistle casually, turned around and headed for the kitchen, "Let me make you something light, and make a soup to remove the fire for Mr. Chen."

De-flame?

Chen Dong's tiger body shook, the couple just hugged each other, did Sister Xiao Lu misunderstand so deeply?

Gu Qingying in his arms was even more ashamed, her pretty face was oozing blood.

She also heard what Fan Lu's words meant.

Her delicate body trembled gently, Gu Qingying's right hand quietly slid down to the tender flesh of Chen Dong's waist, gritting her teeth and pinching, "It's all your fault, I told you that Sister Xiao Lu was home, now the misunderstanding is big, it's so humiliating, let go of me quickly."

Chen Dong grimaced in pain, sucking in cold air one after another.

But his face was always wearing a happy smile, and his right hand never let go of Gu Qingying.

"It's not a crime for me to hug my own wife, so if I say I won't let go, I won't let go, not even if I die."

"Humph!"

Gu Qingying had no choice and gave up struggling.

She huffed and looked her face to the other side, only her brows gradually frowned anyway, "I always feel palpitations and panic, could something really happen?"

"Aiya, don't worry blindly, how about this, from tomorrow onwards, I will be by your side every day to protect you two mothers?"

Chen Dong said dryly.

“Really?” Gu Qingying’s eyes lit up, sweeping away the gloom she had just felt, she raised her hand and pinched Chen Dong’s nose and said, “That big fool can’t keep his word, yo.”

Chen Dong smiled spontaneously.

He didn’t take Gu Qingying’s words seriously at all, and it was really too casual to judge whether something would happen just because his eyelids were jumping.

While Gu Qingying did not know, he knew that the mysterious person was always watching and protecting in secret.

With that person around, it would be difficult for anything to go wrong.

What happened to Chen Tianyang was really just an extremely small probability.

If there was one, there could hardly be two!

After all, when a pregnant woman is pregnant, her emotions are extremely volatile, not to mention that during her pregnancy, Gu Qingying had experienced so many ups and downs.

It was only natural for her to be upset.

However, in order to calm Gu Qingying’s heart, he decided to spend more time with her, otherwise, according to this girl’s current situation, she probably won’t be able to sleep tonight.

In no time, Fan Lu had arranged for dinner.

And Long Lao, who had been missing, also came down from upstairs.

“Young master, after dinner, old slave has something he wants to talk to you about.”

As soon as he got on the table, Elder Long said soberly.

Chen Dong frowned and nodded his head in response.

After dinner, Fan Lu went to the hospital to deliver meals to Zhang Yulan and Lin Lingdong and Lone Wolf, as well as to pick up Zhang Yulan.

Chen Dong, on the other hand, went up to the rooftop together with Gu Qingying and Elder Long.

It could not be helped that Gu Qingying was always a bit worried, so Chen Dong could only let her follow.

The night breeze was brisk.

Chen Dong asked, "Elder Long, what is it that you want to talk to me about?"

"Just now, Master gave Old Slave a phone call, and that is what Old Slave wants to talk to Young Master about now."

Elder Long's face was solemn and he pondered for three seconds before he slowly said, "Master said that he wanted you to be careful of the Gu family's people."

"The Gu family?"

Chen Dong asked in confusion, "Which gentry is this again?"

However.

To Chen Dong's dismay, Elder Long shook his head, "Old slave doesn't know either, and the master was very secretive when he said this matter, only asking old slave to instruct young master to be careful of the Gu family, and not to mention anything else."

What was the meaning of this?

Chen Dong's brow furrowed.

If father was specifically reminding to be careful, the matter must be huge.

On the contrary, he only told to be careful about this matter, but did not elaborate on it.

What exactly was the origin of this Gu family

Suddenly.

Chen Dong's body trembled, and his eyes exploded with a steep, brilliant aura.

Wait!

The ancient family?

Ancient Dragonfly?

Chapter 684

In the quietness.

The odd girl with azure eyes, which had been left behind by Chen Dong, came to Chen Dong's mind once again.

The Gu surname was rare.

Of all the people he had ever interacted with, there was only one, Gu Dragonfly.

What's more, Gu Dragonfly was so oddly memorable.

Subconsciously, Chen Dong clasped his hands in a false grip, his eyebrows knitted together and his gaze like a torch.

Noticing Chen Dong's abnormalities, Elder Long inquired, "Young Master, what is wrong?"

Chen Dong shook his head gruffly.

Then he asked, "My father, did he really not mention anything about being careful of the Gu family?"

"No."

Elder Long gave Chen Dong a deep glance.

He could tell that Chen Dong was hiding something from him, but as a slave, if Chen Dong did not say anything, he could not ask more.

"Let's go, it's getting late."

Chen Dong said calmly, then pushed his wheelchair down the stairs by himself.

Elder Long stood on the rooftop, letting the night breeze blow his white hair, and murmured, "What exactly does Young Master Gu Family Master want to be careful about?"

Back inside the bedroom.

Gu Qingying had not yet gone to bed and was lying worriedly on the bed, staring at the ceiling.

"Still worried?"

Chen Dong's brows stretched out.

Gu Qingying's agate nose wrinkled slightly and she opened her hands, as if she was a little girl being petulant, and said, "Waiting for you, hug."

Chen Dong smiled gently and after getting under the covers, he wrapped Gu Qingying into his arms and gently patted her back, soothing her to sleep.

Gu Qingying was like a kitten, lying in Chen Dong's arms, closing her eyes, her eyelashes trembling lightly, and soon, she fell asleep, her breathing becoming steady and even.

But Chen Dong had no intention of sleeping.

Looking at the ceiling, his eyebrows were locked and his eyes were full of doubts.

The scene from the daytime encounter with the ancient dragonfly surfaced in his mind little by little, as if he was passing through a sieve.

Previously, Chen Dong had cared nothing for the ancient dragonfly, and the only effect it had had was just the oddball.

But is there a shortage of oddballs in today's era?

Obviously there was no shortage.

This also allowed Chen Dong to simply dismiss the scene during the day as a mere coincidence of a casual encounter.

But a phone call from his father made the daytime coincidence a little less coincidental.

And the oddity displayed by the ancient dragonfly at that time was no longer so odd in Chen Dong's heart at this time.

If the ancient dragonfly's appearance, and odd behavior, is attributed to have a reason purpose as a prerequisite condition.

Then all of this, it becomes justified.

"The Ancient Dragonfly Ancient Family"

Chen Dong frowned and murmured.

Eyes flickering for a moment, he suddenly hesitated again, "What if the Ancient Dragonfly is not from the Ancient Family and the scene during the day was really just a coincidence by chance?"

"Husband"

Suddenly, Gu Qingying's gentle voice rang out.

When Chen Dong returned to his senses, he saw Gu Qingying in his arms opening her eyes and looking at him with sleepy eyes, "Do you have something on your mind?"

"No, go to sleep."

Chen Dong pretended to smile calmly, then turned off the desk lamp and shrunk into the nest, hugging Gu Qingying as she fell asleep.

With the darkness covering her, Gu Qingying was no longer awakened even after she fell asleep again.

Chen Dong lay on his bed and did not sleep all night.

If it was in the past, he would not have been like this.

But now, this pool of water was getting muddier and muddier, and what he thought was his ultimate goal – to become the head of the Chen family – was just a little hole in the pall of gloom that leaked out the light.

Now that the gloom is pressing down, this ray of light seems to have become small and insignificant.

If one is not careful, all may be lost.

Even could lose even more!

The loss of something more unbearable for him than the mere position of the Chen family head.

This was Chen Dong's usual style of acting.

Not to mention, nowadays he had Gu Qingying and the baby to guard.

Everything had to start with guarding this around him.

The next morning.

Chen Dong, who had not slept all night, could not hide the tiredness on his face, and his eyes were a little bloodshot with fatigue.

He did not wake Gu Qingying.

He quietly got up and washed up, then went downstairs for breakfast and asked Elder Long to send him to Dingtai Company.

However, thinking of how worried Gu Qingying was last night, Chen Dong gave Long Lao a special advice when he was leaving, not to go anywhere, but to stay at home and protect Xiaoying.

Naturally, Chen Dong did not believe in the superstition of “left eye jumping for wealth, right eye jumping for disaster”, but caution was the best thing to do, not to mention that Gu Qingying’s belly had grown bigger and was getting closer to giving birth, so he could not be the least bit sloppy in every aspect.

With the arrival of work time.

Chen Dong also pushed down his distracted thoughts and threw himself into the intensive and heavy workload.

The sun was gradually hanging high.

The whole city also glowed with the vitality of daylight.

It was close to noon.

Underneath the Din Tai Company, where the traffic was heavy and people were coming and going.

A pretty silhouette comes in.

Ponytail, blue eyes, pink and white skin, just like a doll.

Plus a dress similar to Lolita’s.

As soon as the ancient dragonfly appeared, it earned the eyes of the people around.

“Oh my god, this girl is really too pretty, so cute!”

“LO Lita, wow shit, a sure kill, a sure kill, dude help me out, I feel like my blood bar is empty.”

“If a girl like this could be my girlfriend, I’d be willing to live 10 years shorter.”

.....

The whispering and the astonished and odd glances of the people around.

The ancient dragonfly seems to be used to it, and does not show the slightest strange emotion.

In fact, from her childhood, because of her own looks, she had also become the jewel in the palm of everyone in the Gu family.

She had never felt that it was unusual for her to attract attention to her looks, and she was only surprised if people didn't notice her.

“Is this that guy's company?”

Gu Longfang moved slightly towards the building and muttered, “Huh! This guy is also very ordinary, he doesn't even have his own company office building, he just rented an office building, I don't know what Grandma really sees in him, she actually came all the way to such a small place for him personally.”

It was because of the “ordinary” location of Chen Dong's company that made Ancient Dragonfly's curiosity about Chen Dong grow stronger and stronger.

She did not know what her grandmother had come all the way over here personally for Chen Dong's sake.

But she knew that very few people were worthy of her coming all the way here in person!

What's more, it was a man in a wheelchair who was so “ordinary”.

Because of the attention of the people around her, and also because of the way she looked and dressed.

As soon as she walked into the lobby of the building, she was stopped by the building security guard.

“Miss, this is an office building, there are all major companies up there, are you an employee of the company please?” The security guard's eyes drifted away, shyly not daring to meet Gu Dragonfly's gaze.

“Uncle, I'm here to find someone.” Gu Longfang flashed her azure eyes.

“Looking for someone? May I ask who you are looking for? We'll contact them for you and make sure before you can enter.” The guard said.

“What's all this trouble?” Ancient Dragonfly beamed.

The security guard smiled and explained, “It can't be helped, our building is full of major companies up there, and that's how the management regulations are.”

“Uncle, no need for that, actually

Gu Dragonfly suddenly lowered her head somewhat shyly, clutching her ponytail braid with her right hand, and said in a low mosquito-like voice: “Actually I’m Dingtai Company Chen Dong’s girlfriend.”

Winner Takes All Chapter 685-686

Chapter 685

Boom!

A thunderous word.

A voice as low as a mosquito, but instantly like thunder exploded throughout the lobby.

The security guards were confused.

The crowd of onlookers nearby were also confused.

Some even thought they had heard wrong and hurriedly drilled their ears.

Oh my God!

Are you kidding me?

This girl had come here to bang a porcelain, right?

For a moment, the eyes that had been focused on the ancient dragonfly became strange.

“What? You don’t believe me? I’m really his girlfriend.”

Gu Dragonfly lifted her head and looked at the security guard seriously.

“Pfft!”

The security guard couldn’t hold back and laughed out directly, “Girl, you’re here to find someone, let’s follow the rules, you don’t have to make such a joke, who in this building doesn’t know that Dingtai’s Mr. Chen is already married?”

“Right, girl, even if you want to blend into the building, at least find a better reason.”

“Hahahaha Just now I thought this girl was quite pretty, but I’m laughing at this made-up story.”

“From the time Mr. Chen fell in love to the time he got married, which time was not a big deal? The local people who do not know who the wife of Mr. Chen is? You must not be from here, right?”

.....

Facing the laughter of the crowd.

Ancient Dragonfly frowned slightly and was a little confused for a moment.

How come these people still don't believe me?

“Girl, if you don't have anything else to do, please go out, Uncle is just a small security guard, he can't afford to toss you around.” The security guard ran out of patience and forced a smile to ask Ancient Dragonfly to go out.

However.

Gu Dragonfly suddenly smiled wryly, her azure eyes looked deeply at the security guard: “Uncle, Chen Dong has a wife, but does this prevent him from having a girlfriend?”

Silence.

The lobby was abruptly dead silent.

Everyone was laughing, frozen and dumbfounded.

The atmosphere suddenly became eerie as the silence could be heard.

Yes!

There can only be one wife, but who says you can't have a girlfriend?

What's more, Mr Chen of Din Tai was a handsome young man, a dragon among men.

Such a man has several girlfriends

For a while, everyone looked at each other with some disbelief.

“Oh my god, girlfriends, this is big news.” A shocked voice rang out.

In a flash, it was as if water was poured into a frying pan, instantly causing the whole room to explode.

“Tsk tsk men become bad when they have money, I also heard that Mr. Chen’s wife has been pregnant for a long time, she must have been stealing food during this time, right?”

“Don’t talk nonsense, Mr. Chen is not that kind of person, he treats his wife, it’s not like you guys don’t know those times of big spending? Besides, we all work in this building, don’t you know what kind of person Chen is?”

“But don’t be ridiculous, a man like Mr. Chen, isn’t it normal for the red flag at home not to fall and the colorful flag to flutter outside?”

.....

There are those who suspect contempt, and those who firmly believe in Chen Dong to explain for Chen Dong.

Listening to the crowd’s astonished chatter.

A sly smile appeared on Gu Dragonfly’s face, as if she had succeeded in her scheme.

With her hands behind her back, she spat out her tongue and said to the security guard, “Uncle, can I go in now?”

“I... I’ll make a phone call to Din Tai.”

The security guard frowned, a little embarrassed, then turned around and walked towards the front desk.

Ancient Dragonfly frowned slightly and didn’t leave either, so she waited quietly.

“I still don’t believe it, I’ve thrown dirty water on you and touched your porcelain directly, you still won’t see me?”

This was what was going through Ancient Dragonfly’s mind.

At this moment.

Chen Dong is busy, the approval of various projects, need to be approved as soon as possible to implement down, just sign, he has signed most of the morning.

Although he had already asked Xiao Ma to disperse many of the projects, he still had to be asked to sign off on important decisions.

It was no exaggeration to say that if it hadn’t been for the year-long physical demon training that had made his physique stronger at a rate that even the Twelve Golden Guards couldn’t believe.

The intense workload alone would have exhausted him.

Knock, knock, knock.

A knock sounded at the door.

Pony walked in with a hurried look on his face.

“What’s wrong?”

Chen Dong let out a long breath and leaned back in his chair to rest for a while.

“Brother Dong, you seem to have been touched.”

Xiao Ma frowned, some anger on his face, he did believe in Chen Dong as a person.

With his relationship with Chen Dong, he had been Chen Dong’s close friend in the company from the time he joined the industry until now, and it was Chen Dong who had made him what he was today.

As a close associate, he also knew Chen Dong far better than anyone else.

That was why when he received the call from the front desk of the building, he was certain that Chen Dong had been touched by someone.

“Hm?”

Chen Dong raised an eyebrow and said in confusion, “I haven’t even left my office this morning, where did the bumper sticker come from?”

Xiao Ma said in a deep voice, “A little girl came downstairs, looking for you, and was stopped by the security guards, then the little girl said in public that she was your girlfriend.”

Pop!

The bios in Chen Dong’s hand snapped with a sound.

The relief on his face also disappeared without a trace, and was replaced by sulking and depression.

Such a bumper sticker, he didn’t like it at all!

Even extremely angry!

The fact that he and Gu Qingying had gone all the way to this day, Gu Qingying had returned to his side without rebellion when he was at his most distressed and desperate, and had even ignored his parents' opposition to stay with him.

Chen Dong has always remembered this love and loyalty in his heart.

Because of Ye Linglong's misunderstanding, a series of events brought about, which made Gu Qingying weak to the point of not thinking about food and drink, and even almost had a major accident as a result.

Now that Gu Qingying was pregnant, Chen Dong tried his best to prevent the same thing from happening again.

But to his surprise, this inexplicable porcelain bruising actually came straight from him.

He could accept it graciously if he was being portrayed.

But to portray his relationship with Gu Qingying, a hundred thousand no's!

"Throw out!"

The cold three words that came out instantly made the temperature in the office plummet to the freezing point.

Even Xiao Ma's expression changed and his heart jumped.

At this moment, facing Chen Dong, it was as if he was facing the Antarctic Ice Mountain, cold and piercing to the soul.

"Good!"

Waiting for the pony to leave.

Chen Dong's face was cold and stern, and the coldness in his eyes did not diminish in the slightest, "If you want to provoke me and my wife's feelings, I won't agree to it even if it's the King of Heaven."

He took a deep breath.

Chen Dong took out his mobile phone and sent a WeChat to Gu Qingying, asking what Gu Qingying was doing.

Soon, Gu Qingying's WeChat replied.

"Sitting in a daze, husband, my eyelids are still jumping."

Chen Dong frowned slightly and said soothingly, "Alright, it's alright, little superstition don't be so divine, Elder Long and Sister Xiao Lu are both at home guarding you, with these two around, how could there be any danger?"

"Well nah, you work hard and earn milk powder money for the baby." Gu Qingying sent back a WeChat.

Chen Dong smiled gently, looking at the text on the phone screen, warmth flowing in his heart.

The coldness of the party just now also gradually dissipated.

He took a deep breath.

Calming down, Chen Dong continued to put in his work.

It went on like this until noon when he was about to leave work.

Bang!

The office door was suddenly banged open by Xiao Ma.

As soon as he entered the room, Xiao Ma said urgently, "Brother Dong, it's not good! That girl who bumped into you has run to the roof of our company building and wants to jump off!"

Chapter 686

Chen Dong paused.

His face was as cold as frost and his expression was cold and stern.

A nameless evil fire instantly rose to the top of his throat.

Suddenly, Chen Dong let out a "pfft" laugh.

He laughed back in anger.

The coldness was majestic.

Even Xiao Ma was startled by Chen Dong's reaction, and then his bones became chilled.

He said warily, "That girl told you to go see her, or else, she will jump."

"Then let her jump!"

Chen Dong clasped his hands to his chest and leaned indifferently against his wheelchair, turning towards the floor-to-ceiling window, a direction where he could clearly see everything outside, "Go up and tell her to jump right from this spot, I'll watch her jump with my own eyes, and if she doesn't, I'll look down on her."

The voice was cold and stern, determined as a knife.

"This" Xiao Ma hesitated.

Chen Dong continued, "If you want to harm me for no reason, I, Chen Dong, will take it with one hand, but somehow you want to come and tarnish my relationship with my wife, such a person, death is not enough!"

Parents, wife and children, brothers.

These were the three things Chen Dong wanted to protect.

In his heart, he valued them more than his life, and absolutely did not allow people to desecrate them.

What's more, Gu Qingying was already in danger because of a misunderstanding.

Chen Dong would never allow the same thing to happen a second time!

Xiao Ma's lips were noisy, forcing himself to endure the bone-chilling chill emanating from Chen Dong's body, and said, "She said that he had only met you yesterday, and she said that she, Gu Dragonfly, was your person in life and your ghost in death!"

Boom!

A few more changes suddenly took place on Chen Dong's cold face.

The blue veins at the corners of his eyes bulged out and jumped wildly.

Was it true that was a member of the Gu family?

What exactly was her purpose in doing this?

Just as Chen Dong was shocked and hesitant, Xiao Ma gritted his teeth, turned around and left.

Chen Dong's attitude was already very resolute.

What's more, this kind of thing that killed people had nothing to do with them, it was entirely the girl herself who wanted to bang and die.

Even if she did jump, it had nothing to do with them.

However.

Just as the pony was about to walk out of the office.

An incomparably thick exhale sounded.

It also caused the pony to stop abruptly in its tracks.

“Let’s go and take a look.”

Chen Dong’s face was cold and stern, with faint anger churning in his eyes as he pushed his wheelchair to Xiao Ma’s side.

Xiao Ma was instantly filled with confusion.

Why the sudden change in attitude?

A strange and daring thought came to his mind, and as soon as it could appear, it was forcibly suppressed by Xiao Ma.

In his heart, Chen Dong was never someone who could do such a thing!

The rooftop of the building.

Because of the height, the wind was howling.

At this moment, the building’s security guards, as well as the security guards of the Din Tai Company, were all gathered here.

The ancient dragonfly, dressed in a lo lita, was standing on the edge of the rooftop, facing the direction of the sky.

The strong wind blew the long hair of the Dragonfly and his robe fluttered.

It also frightened the backs of all those present.

“Girl, listen to Uncle’s advice, come down first, we can talk about everything after you come down!” The security guard who had initially blocked the ancient dragonfly was sweating with anxiety.

He had never expected that, after chasing Gu Dragonfly away, this young girl would actually take advantage of their security negligence and run to this rooftop to seek death.

If she had jumped, his job would have been ruined, no, the job of the entire security department of their building would have been ruined.

“You lied to me! If I really came down, then I wouldn’t be able to say anything!”

Ancient Dragonfly turned around and glared at the security uncle with a huff.

The security guard’s face was full of anxiety, his face changed to blue and red, suddenly he clenched his teeth and knelt down on the ground with a “poof”: “I’m begging you, please don’t jump, if you jump, we’ll all be ruined, listen to me, we’ve already informed Mr. Chen of Dingtai, he’ll be here soon, please come down first. Please come down first.”

His voice was trembling and there was a hint of crying in his plea.

I don’t care, I won’t come down until I see Chen Dong, anyway, I’ve told you all that I’m his girlfriend, if he doesn’t come, I’ll jump from here today.”

The determined tone of voice made everyone’s scalp tingle.

Ancient Dragonfly didn’t bother to continue the nonsense and turned his head to meet the sky, but his gaze was towards the bottom.

In the open space below the building, a crowd could be seen gathering and looking, only because of the height, making the crowd below look as if it was a gathering of ants.

No one noticed that the corners of the ancient dragonfly’s mouth curled up in a sly smile.

“Hm hm hm make a big deal out of it, you’ll definitely have to come out and meet me, right? Chen Dong, I, Gu Dragonfly, have never made such a scene over a boy in my life, if you weren’t someone even grandma would be willing to come out and find in person, this girl would not have tarnished her reputation.”

The murmur, drowned in the wind.

But as she said this, the ancient dragonfly was oddly arrogant.

In her opinion, there were very few people who could make her put aside her reputation to force a meeting like this.

Chen Dong counted as one!

This was Chen Dong’s honour!

Bang Teen!

The half-hidden iron door of the rooftop was kicked completely wide open.

This sound also caused everyone to turn around in surprise.

When they saw Chen Dong being pushed up onto the rooftop by Xiao Ma, everyone was instantly ecstatic.

“Here it comes, here it comes! Girl, Mr Chen has come to see you!”

The security guard kneeling on the ground was on the verge of tears at this point, first shouting to Ancient Dragonfly and then hastily getting up and walking to Chen Dong, begging, “Chief Chen, please, please, this matter must be resolved, otherwise everyone in our building’s security department will lose their jobs by association, ah.”

Although the group of building security guards did not say anything, the look of expectation in their eyes was unmistakable.

“I’ll handle it, this has nothing to do with you guys.”

Chen Dong indifferently said.

At once, it was as if the security uncle and the group of building security guards had taken a pill of certainty.

At the same time.

Ancient Dragonfly who was stationed at the edge of the rooftop also turned back in surprise, her azure eyes blossoming with bright light the moment she saw Chen Dong.

“Hee hee you’re finally here!”

“Is it fun to play pranks like this?”

Chen Dong gazed indifferently at the ancient dragonfly that was stationed at the edge of the rooftop.

“You call this a prank?”

Gu Dragonfly beamed, looking a little angry as she looked down at the edge where she stood, and then looked back at the ants gathering below, before looking back at Chen Dong, “Aren’t you even going to let me come down first?”

With a single word, instantly everyone present had their eyes lit up and looked towards Chen Dong.

As long as people came down and no one was killed, then everything would be fine.

But the response was Chen Dong's indifference and the coldness that bloomed in his slightly narrowed eyes.

"Aren't you afraid that I'll jump?"

When the ancient dragonfly saw that Chen Dong was unmoved, his expression was solemn and he began to intimidate.

The atmosphere was instantly tense to the extreme.

Even Xiao Ma showed a look of apprehension and worry.

Chen Dong, however, raised his hand and rubbed his nose, "Let me ask you a question, you answer me first."

"What kind of question?" Ancient Dragonfly raised her eyebrows.

"Are you a member of the Gu family?"

Gu Dragonfly was stunned for a moment, then raised her hand to stroke her chin and pondered, "Although there are quite a few people with the surname Gu, the Gu family you are asking about should refer specifically to an extraordinary family, right? My family happens to be such a family, so I should be considered an ancient family member as you call it."

"Hehe!"

Chen Dong laughed, then under a crowd of shocked eyes, he calmly and calmly turned his wheelchair and headed downstairs.

A cold voice, like a thunderclap, echoed across the rooftop.

"Then you jump."

Winner Takes All Chapter 687-688

Chapter 687

What?!

The cold and decisive response caught everyone off guard.

Everyone in the room was dumbfounded.

The group of security guards even had a frantic feeling that their scalps were about to explode.

Was Mr. Chen here to save people?

Or are they rushing to send him away and smash our jobs?

Even Xiao Ma was not expecting this, and as Chen Dong turned around, he remained frozen in place.

At the edge of the rooftop, Gu Dragonfly's blue eyes were filled with disbelief, her red lips slightly open: "You, what did you say?"

"I said you can jump, but just be careful when you jump, don't smash the onlookers below."

Chen Dong parked his wheelchair at the rooftop entrance, his voice cold without the slightest ripple of emotion.

His father warned to be careful of the Gu family.

Gu Dragonfly was a member of the Gu family again.

If that was the case, why bother with her life or death?

An odd girl who wantonly desecrated his and Gu Qingying's feelings, Chen Dong is not so much as to periodically beg her to live.

If you want to die then die fast!

Dead, for the Gu family's beware, can also be loosened a little.

"I"

Ancient Dragonfly was dumbfounded and her eyes were almost staring out of their sockets.

She was so angry oh!

This was a completely different picture from the one she had expected.

People are already about to jump, and you're actually telling me to be careful not to smash someone?

"Mr. Chen"

The security guard uncle who first encountered the ancient dragonfly was so anxious that his eyes were red, and he was about to kneel down with a wail.

But Chen Dong acted as if he knew what was going to happen.

Without waiting for the security uncle to kneel down, he coldly said, "Don't kneel me, this has nothing to do with me, kneel to that oddball."

At those words.

The crowd of security guards had their faces changed drastically.

There was a swish!

All the security guards all knelt on the ground.

"Girl, please don't jump, if you jump, all of us in the security department will lose our jobs."

"Why don't you live at a young age, why do you have to die?"

"Girl, I'm begging you, I'm begging you, will you come down?"

.....

There was a lot of begging and pleading.

All of them had a feeling of frantic collapse at this time, waiting for Chen Dong to come to the rescue.

But now that Chen Dong has arrived, not only does he not save the day, but he is also rushing to send people away.

Xiao Ma swept a glance at the kneeling crowd, hesitated for a moment, but went to Chen Dong's side: "Brother Dong, if this goes on, it will have a bad impact."

"It's alright, the matter will be clean once people are dead." Chen Dong said decisively.

Xiao Ma: "? 0?"

What was wrong with Dong today?

Gu Dragonfly stood at the edge of the rooftop, having a feeling of dilemma at this moment.

She wanted to force Chen Dong to come out to meet her, but she did not expect Chen Dong to react so coldly and decisively.

To really jump in front of so many people?

You're kidding!

It was impossible to jump!

But wasn't it too humiliating and humiliating not to jump

The angry ancient dragonfly, above the pretty face are flushed, pink fist clenched, this moment would like to rush to the sight, the man in the wheelchair in front of, swinging fist viciously punched each other.

I've put my reputation on the line to force you to meet me, and it's an honour for you!

Why do you have to be so heartless and indifferent to this girl?

"Girl ah beg you, I have an old man and a young man, at my age I can only work as a security guard, if you jump down here, my uncle's family will be finished too ah."

The security guards' uncle kneeled down and came out of the crowd, wailing with teary eyes.

These were not false words.

Only those who really live at the bottom can appreciate how difficult and helpless the life of the people at the bottom really is.

And in this world, there is never a shortage of people at the bottom.

Chen Dong used to be like that with his mother.

Hearing the wailing and crying pleas of the security guard uncle, a few ripples surfaced on his cold face.

"Aiyaya, if you don't jump, then don't jump, you all begged me so much, I definitely won't jump down."

The ancient dragonfly pretended to be angry as she walked towards the safety of the rooftop, but her eyes were looking at the security uncle, and she couldn't be more grateful in her heart.

The security guard's wailing and begging had given her a step to take.

However.

Looking at the ancient dragonfly who suddenly walked down, the security guard uncle and everyone present were all confused.

So casual?

Did this fucking become a little too fast?

“Pfft!”

Xiao Ma couldn't hold back a laugh and raised his eyes to look at Ancient Dragonfly's eyes also became incomparably strange.

Hearing Xiao Ma's laughter, Gu Dragonfly's delicate body immediately trembled, and her pink and pretty face quickly flushed as if it was about to bleed, and her body was even hotter.

“Oddball!”

Chen Dong shook his head helplessly, “Xiao Ma, let's go.”

Since he was certain that Gu Dragonfly was a member of the Gu family, whether it was a member of the Gu family that his father had warned him to be careful of or not, there was no reason for him to get too close to Gu Dragonfly.

Not to mention, Gu Dragonfly's own strange words and actions made Chen Dong feel bad, as well as her wanton desecration of his and Gu Qingying's relationship.

“Hey, wait for me, I've come to see you!”

Seeing that Chen Dong was leaving, Gu Dragonfly immediately became anxious and hurriedly chased after him.

Leaving Uncle Security and everyone else kneeling on the ground, bewildered and confused in the wind.

In the lift going downstairs.

Chen Dong sat indifferently in his wheelchair, not looking away.

While Xiao Ma stood behind the wheelchair, he was looking helplessly and oddly at Ancient Dragonfly in the corner.

It had to be said that Gu Dragonfly's face and figure were both stunning, and with a pair of blue eyes that looked like the sea, it added a bit of exoticism and gave people a mysterious and seductive feeling.

However, after seeing the words and behaviour of the ancient dragonfly.

Xiao Ma is not a fan of the Ancient Dragonfly at all.

As Chen Dong said, the word “oddball” was, in Xiao Ma’s opinion, a perfect description!

“I’m really here to see you.”

Gu Dragonfly clasped his hands together and made circles, “Actually, I just want to invite you to a meal and spend some time with you, to be treated like this in front of me, in twenty years, you are the first boy!”

“Then I should be honoured?”

Chen Dong raised his eyebrows and looked at Gu Dragonfly.

Gu Dragonfly nodded her red lips, “Also, you can’t say that either.”

Suddenly.

Chen Dong’s expression was solemn: “Xiao Ma, go and buy a Tibetan mastiff to come to the company.”

“What?”

Xiao Ma was astonished for a moment.

Gu Dragonfly also looked at Chen Dong in dismay, “I’m inviting you to dinner, what Tibetan mastiff are you buying?”

Chen Dong coldly raised his hand to point at Gu Dragonfly and said to Xiao Ma, “Wait and shoo her out, after the Tibetan Mastiff is bought back, this oddball comes close to a ten meter radius of me, immediately release the dog!”

Gu Longfang’s delicate body shook, and in a flash she had the urge to go berserk and storm off.

Shame on you!

It was a disgrace!

Does this guy need to humiliate me so nakedly?

I am such a disgusting person, I invited you to dinner, I want to spend some time with you, and you want to buy a Tibetan mastiff to protect me?

Smell that.

Xiao Ma gave a strange laugh, “Okay Brother Dong, I’ll go buy it right away.”

Dingdong!

The lift arrived at the ground floor.

Xiao Ma urged Ancient Dragonfly to leave.

Angered by Chen Dong, Gu Dragonfly huffed and puffed as he walked out of the building.

The autumn sun was in the sky.

But she could not feel any warmth in her body.

She was so angry!

Angry!

Indignation!

In the twenty years since she was born, as the eldest Miss of the Gu family, she had never been treated like this!

“This bastard, daring to humiliate me!”

Gu Dragonfly clenched her pink fist and gritted her teeth.

Suddenly, her eyes lit up.

“Hehehe, there’s one last chance.”

As she spoke, Ancient Dragonfly took out a business card, which was given to her by Wang Nan Nan yesterday.

Chapter 688

The night is thick.

The silence of midnight envelops the city.

There is only a scattering of traffic on the roads.

But in some parts of the city, there is a burst of life.

In a long white dress, Ancient Dragonfly walks to the entrance of the bar.

The untutored girl knows that bars are crowded, so she has changed her dress code to be as simple as possible.

But with her looks and posture, even with a white dress, she drew the attention of countless people in front of the bar.

Especially when they saw the few bits of childishness still on the ancient dragonfly's face, it made the eyes of a bunch of wolves shine as if they had seen a little sheep.

And was also an extremely delicious little sheep.

In just five minutes, three people came up one after another to ask for contact information.

Ancient Dragonfly refused one by one.

“Could it be that my clothes are still too conspicuous?”

Gu Dragonfly looked at her long white dress with some doubt, but finally took a deep breath and walked towards the bar.

A place like a bar always did not refuse the entry of girls, especially pretty ones.

Every pretty girl, in the eyes of the bar people, was definitely a money-sucking tool!

It was just that from noon to just now, she had called Wang Nan Nan's number on her business card countless times, but the other party kept turning off her phone, so she could only seek out this place.

As she walked through the dimly lit corridor, a burst of music accompanied by shouting came over her.

It was so shocking that Ancient Dragonfly's heart pumped a little.

The next moment.

The next moment, her nose was wrinkled and her eyebrows furrowed, such a place was so noisy.

The first thing you need to do is to get a good idea of what you are getting into.

Her aristocratic quality of education has also contributed to the fact that she is still unaware of the world at the age of 20.

In the past, she had only seen places like bars in movies, TV and novels, but this was the first time she had ever been to one.

But the noisy environment made her very uncomfortable.

After taking a deep breath, Ancient Dragonfly walked into the bar.

The multicoloured lights were gorgeous.

In the darkness, it set the atmosphere even more.

In the middle of the dance floor, the crowd danced.

Handsome men and women, enjoying the darkness, the music and the stimulation of alcohol for relaxation.

On the stage, the DJ controlled the stage and brought the atmosphere to a fever pitch.

Ancient Dragonfly gazed at the DJ and frowned, "Dressed in such a revealing outfit, doesn't she have a mother? Won't she be scolded?"

As soon as she said this, several men and women passing by looked at her with surprised and odd eyes.

But Gu Longfang was unaware of it, and went to the bartender's bar, which was relatively quieter and had high chairs where she could sit and relax.

"What can I get you, beautiful? I'll buy you." The bartender, amazed by the ancient dragonfly's appearance, smiled as if he was looking at his prey.

"Just give me a glass of red wine."

Gu Dragonfly was here to find Wang Nan Nan, and for the rest, didn't care and didn't really want to pay attention.

She herself was uncomfortable with the atmosphere of the bar.

Soon, the bartender served a glass of red wine and tried to strike up a small conversation with Gu Dragonfly, but Gu Dragonfly directly turned her head away, not communicating with the bartender at all.

This girl is a tough cookie!

The bartender resentfully went to work on the other side.

The bartender went to work on the other side, while Gu Dragonfly searched around in the darkness, his eyes searching everywhere for Wang Nan Nan's figure.

How could she be working in such a messy environment?

Could such a person really know that bastard Chen Dong?

If she wasn't curious about Chen Dong and wanted to get closer to understand, Gu Dragonfly really wanted to leave immediately.

But after the encounter at noon, Chen Dong had already bought a Tibetan mastiff to protect her, and now she could only hope to open a gap from Wang Nan Nan.

It was at the same time that Ancient Dragonfly was looking for Wang Nan Nan.

In the bar bathroom.

Wang Nan Nan, in a long black dress, stumbles out drunkenly.

Standing in front of the sink, Wang Nan Nan's face was heavily painted, but her brow was knitted tightly, her expression a little uncomfortable.

The large amount of alcohol stimulated her stomach and intestines, so that after she vomited, her intestines still turned over.

Clatter

Turning on the tap, Wang Nan Nan scooped up a handful of water and splashed it on her face, then poured a mouthful into the tap and gargled ungracefully.

Working in a place like a bar, she had to keep her appearance and posture flawless at all times.

This is because it directly determines her income for the night.

After all, no customer wants to be approached by a woman who stinks of alcohol.

Even if the woman, in question, is somewhat attractive!

But those who come to play are here to have fun and relax, and there is no shortage of beautiful women in the bar.

In fact, Wang Nan Nan is already late to work in a bar at her age, in the jargon, she is out of fashion, but she has no other way out now.

On the one hand, she has to support herself, on the other hand, she has to pay for her brother's living expenses, and her father is still out of touch.

Working in a bar was the only job she could think of that would earn her some quick money, and a lot of it, and would suit her.

The good thing is that Wang Nan Nan has a good base, plus she and Chen Dong have been married for three years and have been living a pampered job, so that her face is still not genuinely losing to those young girls in their twenties after heavy make-up.

Looking at herself in the mirror, Wang Nan Nan gradually revealed a look of disgust and resentment.

“Chen Dong, I am here today because of you, this beast, wait for me, as long as I live, I will take revenge, for my mother, for myself, for my brother, for our family!”

Wang Nan Nan, in front of the mirror, was seething with rage at this moment, her heavily made-up face showing a hideous hatred.

“Whew

Exhaling a mouthful of wine again, Wang Nan Nan scooped up another handful of water and splashed it on her face, drew a few tissues to wipe it off, tidied up her attire and went out to work.

But at that moment.

The door to the gents suddenly opened.

A bald, drunken, pot-bellied middle-aged man came out.

The middle-aged man had a face full of flesh, a scar on his chin, tattoos on his arms as thick as his legs, a thick gold chain and a body full of designer labels.

As soon as he saw Wang Nan Nan, his eyes lit up.

Standing behind Wang Nan Nan, the middle-aged man was full of lust, his eyes blazing up and down aggressively at Wang Nan Nan’s back.

With a grin, he stepped forward and wrapped his arms around Wang Nan Nan’s waist, then pinched her fiercely without any scruples.

This one startled Wang Nan Nan into screaming as her face showed pain.

Only once she turned around and saw the middle-aged man’s appearance, Wang Nan Nan instantly lost her blossom: “Ba, Brother Ba

“Wang Nan Nan?”

The middle-aged man who was called Brother Ba also froze for a moment, and then laughed out loud with a face full of lust.

Catalyzed by alcohol, it could quickly disintegrate one's sanity and also quickly inflate one's desire in some aspect.

He took the pale Wang Nan Nan into his arms and put his hands on her, "Your brother Wang Hao owes me a lot of money, and I've been wanting him to sell you to pay his debt for a long time.

"Promise me that you will follow me and you and your brother will be free from suffering.

While saying that, Ba was brutally and roughly dragging Wang Nan Nan towards the men's washroom.

Winner Takes All Chapter 689-690

Chapter 689

Wang Nan Nan lost her face and struggled desperately.

She screamed, but instead of attracting help, she was silenced by all the powerful music outside.

Desperation, fear, panic

In the face of the sturdy Buster, Wang Nan Nan had no strength to resist.

Slap!

Brother Bully slapped Wang Nan Nan's face: "What the hell are you shouting for? If you don't obey me, then pay me back! With interest, a total of half a million!"

Boom!

Wang Nan Nan was completely dumbfounded.

The corners of her mouth were stained with blood and she looked in a mess, but her eyes were full of disbelief.

When did Wang Hao owe such a large debt?

"Impossible, there's no way my brother owes you that much." Wang Nan Nan clutched her hair with both hands and shook her head in pain.

Brother Ba clutched Wang Nan Nan's hair and sneered, "Don't owe that much? Oh, don't you fucking know what your brother is like? You really think you can provide for him with this ten thousand dollars you earn?"

As he spoke.

He slowly lowered his head, pressed it against the neck of the dazed and confused Wang Nan Nan, and inhaled a breath.

The rich aroma instantly made Brother Bully's mind wander and his evil fire flip.

He smiled lustfully, "Obey me, half a million dollars is written off, this deal, you've made a fortune!"

Before the words left his mouth.

With a fierce force of both hands, Brother Ba tugged Wang Nan Nan's hair with one hand and dragged him into the gents with the other by the arm.

The dim light.

The sharp pain in his face.

And the lust-filled smile of Buster in front of him.

Wang Nan Nan was disoriented, as if her three souls and seven bodies had left her body, and her whole body was in a daze.

She was pushed into the toilet cubicle by Buster and instinctively tried to resist.

But the "half a million" that Wang Hao owed her was a huge sum to her!

How could this happen?

How could this happen?

For a moment, Wang Nan Nan's eyes were red and her eyes were hazy with tears.

Pop!

Brother Ba's hands roughly pressed her hands, which had been raised in instinctive resistance, against the wall.

With a fierce smile, "I'll eat you up!"

Blurred by tears, her vision was nevertheless clear as she could see Bully's flesh-filled face approaching fast.

A flash of lightning.

Wang Nan Nan suddenly woke up with a start.

With a scream, she wrenched her right hand out of Ba's grasp with great force.

As her right hand wiped behind her, a cold light suddenly appeared.

"Damn it!"

Brother Ba's face changed drastically and he hurriedly retreated.

Poof!

The blade swept across Brother Ba's stomach, bringing up a trace of blood.

The sharp pain instantly sobered Brother Ba's intoxication by a few degrees.

His face was white as he looked down at his stomach, a crimson, stinging wound, blood flowing from it.

Luckily, he had reacted quickly and dodged just now, making the cut only a minor injury.

However, he still had palpitations in his heart.

"Stinking cousin!"

In shock, a hideous rage surfaced on Brother Ba's face, as if he wanted to eat someone, and he was brazenly about to force himself towards Wang Nan Nan.

He was a big brother in this area, and what he did was unseemly, and it was not uncommon for him to be sneaked up on.

But now, he was attacked by a woman!

It was a disgrace!

"Don't come over, don't you fucking come over!"

Wang Nan Nan was draped in hair, holding a fruit knife in both hands, her face frightened and fierce, her eyes all straight.

At this moment, Wang Nan Nan no longer had the charm she once had.

All that was left was the fierceness of a trapped beast fighting!

He had been in the jungle for many years, and he could tell whether a person dared to strike hard, or whether he was just a fierce fighter.

The man in front of him gave him a sense of crisis.

He had no doubt that if he came any closer, the bitch would really dare to slash him!

“Stinking cousin, how dare you fucking touch me?”

Brother Ba covered the wound on his stomach with one hand, spat on the ground, and viciously threatened Wang Nan Nan: “I’m telling you, with this cut tonight, you’ll have to sleep with me! Wang Hao’s half a million, Laozi still has to settle with you separately!”

“You bullshit

Wang Nan Nan’s delicate body trembled as if she was crazy: “Impossible, you’re just lying to me, Xiao Hao promised me that he would stop, he won’t fool around, he can’t possibly owe you half a million!”

“Don’t believe me?”

Brother Ba smiled fiercely and took out his phone and dialed Wang Hao’s number directly.

“Hey, Brother Ba!”

As soon as the phone was connected, Wang Hao’s almost flattering laugh rang out.

“Xiao Hao!”

As soon as Wang Nan Nan heard Wang Hao’s voice, she instantly cried and hissed.

“Sister?”

On the phone, Wang Hao froze for a moment, “Why are you with Brother Ba?”

“Save me, Xiao Hao save me woo woo

Wang Nan Nan howled, her mother had died, her father had disappeared, and now the only one she could rely on was her younger brother Wang Hao.

“Brother Ba, what the hell did you do to my sister?”

On the phone, Wang Hao growled.

“Oh, Wang Hao, don’t you fucking yell at me, I’ll give you a chance to pay your debt today!”

Brother Bully's face was full of flesh and trembled with lust as he glanced at the bawling Wang Nan Nan and said to Wang Hao, "Let me sleep with your sister, and after tonight, we'll settle that debt of yours, and if your sister is willing to follow me, you'll follow me after tonight and eat and drink spicy food!"

Silence.

On the phone, Wang Hao fell into silence.

Wang Nan Nan clutched the fruit knife with both hands, crying into a tearful person, her delicate body trembling incessantly.

Finally, Wang Hao's voice rang out over the phone.

"Sister, you can sleep with Brother Ba for one night, it's half a million, it's a heavenly price!"

Boom!

Wang Nan Nan, who was already crying into tears, was instantly struck by lightning.

Wang Hao's casual tone seemed to be a sharp knife stabbing Wang Nan Nan's heart fiercely.

"Wang Hao, I, I'm your sister, what do you, what do you take me for?"

Crying to the end, Wang Nan Nan was nearly using all her strength to pull out her voice and roar.

But Wang Hao on the phone paid no attention to it, but asked about Brother Ba.

"Brother Ba, you have to keep your word, I'll hang up first."

Pop!

The phone hung up without the slightest hesitation.

Wang Nan Nan was completely desperate.

Her brother was her reliance, she had fought tooth and nail to protect him, and now when she wanted him to save her life, he had pushed her into someone else's arms without hesitation.

What the hell was this?

"Heard clearly?"

Ba raised his eyebrows and looked at Wang Nan Nan: "Now should you behave?"

Dang it

The desperate and broken Wang Nan Nan's hands trembled and the fruit knife in her hand fell to the ground with an unmistakable crispness.

Ba's eyes lit up, and in an instant he pounced directly on Wang Nan Nan as if he were a fierce tiger pouncing on his food.

"Ah!"

Wang Nan Nan then felt a blackness before her eyes and let out a scream of terror.

Without waiting to resist, Bully's body had already bullied her and completely confined her in place.

Struggle!

Instinctively, she struggled!

But the difference in size between a man and a woman was so great that any further struggle would have seemed futile.

Wang Nan Nan howled and cried, miserably.

It was at this moment.

Suddenly, a timid girl's voice echoed in the gents.

"That gentleman, what are you doing?"

Chapter 690

The timid voice of a girl suddenly appeared in the gents.

It immediately brought the reckless Buster to an abrupt halt.

He turned around and his eyes lit up when he saw the girl standing in the doorway!

A stunning beauty!

The moment he saw the ancient dragonfly, only two words remained in Brother Ba's mind.

The Wang Nan Nan in his arms was still struggling.

With his hands pressed down with dead weight, what was left of his sanity kept him from dropping the Wang Nan Nan in his hands to clean up the girl in front of him who had stunned him.

Wang Nan Nan was able to eat it up!

And with this stunning girl in front of him, he wasn't sure how big the consequences would be.

"Get out of here! Get a job!"

Brother Ba bellowed angrily at Ancient Dragonfly.

Gu Dragonfly's pretty face changed, but she didn't turn away.

She had searched for Wang Nan Nan outside for a long time and was nowhere to be seen, so she came over to the side of the toilets when people were in a hurry, and just as she arrived she heard the girl's screams coming from the gents.

Curiosity drove her to walk in.

Her eyes skimmed over Bully and looked at Wang Nan Nan who was being pinned down by Bully.

It wasn't too clear to see because of the angle, but there was still a sense of familiarity coming over her.

"Wang Nan Nan?!"

Gu Dragonfly exclaimed.

Wang Nan Nan, who was struggling, was also startled, and as soon as she saw Ancient Dragonfly, it was as if she had grabbed the last straw to save her life.

"Save me, please save me." Wang Nan Nan cried out and begged.

"Damn it, you guys know each other?"

Brother Ba's expression was solemn, a look of scorn surfaced in his eyes.

This kind of strong coming, holding the handle of Wang Nan Nan and Wang Hao, he wasn't worried about the consequences.

But if the stunning girl in front of him ran out and called for help, then the consequences would be unthinkable.

Yet.

Gu Dragonfly's action caused Brother Ba's eyes to light up, and the corners of his mouth suddenly curled into a smile.

Hearing Wang Nan Nan's wail.

Instead of being like a normal girl, Gu Dragonfly did not turn tail and run in fear to call for help.

Instead, with a dumbfounded face, she slowly walked into the toilet, and then, backhandedly closed the toilet door and locked it back.

This scene.

It instantly made Wang Nan Nan fall into the abyss.

This girl, was she sick in the head?

What the hell did she want?

"What do you want?"

The smile on Brother Ba's face grew thicker and thicker, and the way he looked at Ancient Dragonfly was more like a fierce tiger looking at a little lamb.

The lights were glorious.

A bold idea suddenly burst into Brother Ba's mind as his drunken, evil thoughts took over!

With the delicate figures of Wang Nan Nan and Ancient Dragonfly, Brother Ba thought he could crush them with one hand.

As long as he succeeded, then the latter thing

Tsk

Brother Ba's tiger body could not help but shake.

The ancient dragonfly, on the other hand, seemed to not notice the difference in Brother Ba.

Still with a dumbfounded face, she slowly walked towards Wang Nan Nan and Brother Ba.

She raised her hand, "I know this young lady, you can't hurt her, I want to save her."

"Damn it, are you kidding?"

Brother Bully's eyes were fierce and he instantly let go of Wang Nan Nan and pounced on Ancient Dragonfly, "Old man is so lustful tonight, I'm going to have a double kill!"

This scene scared Wang Nan Nan so much that her face turned white, and without Brother Ba's confinement, her body went limp and went straight down towards the ground.

However.

Just as Brother Ba reached his hands towards Ancient Dragonfly.

The dumbfoundedness on Ancient Dragonfly's face abruptly disappeared, and was replaced by an endlessly frigid cold.

"What?"

In a flash of lightning, Brother Ba was horrified and a chill ran down his back.

Suddenly, he saw the ancient dragonfly's body in front of him shake.

A slim, boneless jade hand instantly captured Brother Ba's right wrist.

Ka!

With a twist from Ancient Dragonfly, Brother Ba's right wrist instantly bent in reverse.

"Ah!"

A pig-like scream exploded in the gents.

The pain was so severe that Brother Ba immediately became ruthless and swung his left fist at Dragonfly.

However, Gu Dragonfly bully up and wrapped his hands around Brother Bully's left hand instantly, with a back body.

Bang Teen!

A perfect over-the-shoulder slam sent Brother Ba's sturdy figure into the air in a parabolic line and crashed heavily to the ground.

The fall was followed by another pig-killing scream.

More than that, it almost made Ba pass out of breath.

In a panic of shock and panic, Ba struggled to get up.

“Hey!”

The ancient dragonfly’s teasing laughter suddenly rang out.

Brother Ba instinctively inclined his head and saw a foot coming at breakneck speed.

Bang!

“Poof!”

Ancient Dragonfly kicked Brother Ba in the head, and a large mouthful of blood instantly spurting out of Brother Ba’s mouth, along with a few teeth.

With that, Brother Bully’s head tilted and he directly passed out.

Inside the toilet, the silence could be listened to by a needle.

The scene just now was extremely brief, flowing without the slightest lingering time.

Wang Nan Nan was completely dumbfounded.

Her beautiful eyes were round and her jade hand covered her mouth as she looked at Ancient Dragonfly in shock.

Who would have thought that the girl who looked so harmless and delicate would actually have such tactics?

Wang Nan Nan knew the identity of Brother Ba, so at this moment, she was even more shocked beyond words.

Brother Ba was the leader of this area and had real kung fu in his hands.

If ordinary people faced Brother Bully, even if several people joined forces, they would not have a chance to get close to him.

But now, when Brother Ba faced the ancient dragonfly, he was actually weak to such an extent?

“Alright, it’s alright now.”

Gu Dragonfly turned around, the solemn and morose chill on her face disappearing, and clapped her hands with a playful smile, “Our Gu family has a whole set of systematic

training methods in fighting techniques, and although I'm a girl, I've never carried training with me since I was a child."

With that, Gu Dragonfly helped Wang Nan Nan up.

Wang Nan Nan was so excited that she burst into tears, hugged Gu Dragonfly and burst into tears, saying thank you over and over again.

She did not expect that her brother could push her into the fire pit.

But now the one who pulled her out of the fire was actually this girl she had only met once.

The difference was as if countless red-hot knives were cutting through Wang Nan Nan's whole body.

Ancient Dragonfly hugged Wang Nan Nan and kept comforting her.

Only when Wang Nan Nan's sobs gradually stopped did he help her to clean up afterwards.

Then he and Wang Nan Nan walked out of the bar.

After what they had just seen, Wang Nan Nan had lost her mind about going to work.

The two of them found a large stall nearby.

After settling down, Wang Nan Nan was still having palpitations and her chest was heaving.

She asked the boss to serve a case of beer and then poured one down her throat, which eased her mind a little.

"It's okay, it's all in the past."

Ancient Dragonfly remained gentle and soothing to Wang Nan Nan.

Any girl, after what had just happened to her, would never be able to calm down with just a few words.

On the contrary, Gu Dragonfly and even I felt pity and sympathy for Wang Nan Nan, who was lost in thought at this moment.

"Thank you, if it wasn't for you tonight, I, I'm afraid I would"

Wang Nan Nan said as her eyes flooded with tears again.

“Okay, it’s okay.”

Ancient Dragonfly said comfortingly, “I happen to be looking for you tonight as well, it’s really fate that I was able to save you.”

“Looking for me?”

Wang Nan Nan was stunned.

Gu Dragonfly propped her chin up with her right hand, flashed her big eyes, looked at Wang Nan Nan and said with a smile, “Yes, didn’t you say you and Chen Dong were friends, I want you to help me meet Chen Dong and spend some time with him.”

At those words.

Wang Nan Nan’s pupils suddenly tightened.

Hatred and anger flickered deep in her eyes.

Looking at the expectant Ancient Dragonfly.

Wang Nan Nan violently drank a glass of beer, and after wiping off the wine stains from the corner of her mouth, she smiled faintly, “Sure, I’ll help you.”
