

## Winner Takes All Chapter 81-90

### Chapter 81

“Pay up, I’ll pay up ..... stop, you fucking stop it .....

Zhou Zunlong’s body was trembling, sweating like rain as he hissed in pain.

He was truly afraid.

Chen Dong’s ruthlessness and decisiveness had made his heart tremble.

He had no doubt that if he continued to talk tough, Chen Dong would do even more outrageous things.

This was a fucking madman!

“If you pay up earlier, won’t everything be fine?” Chen Dong sneered.

Poof!

The small knife pulled out of Zhou Zun Long’s thigh.

Zhou Zun Long let out a miserable cry and roared in pain, “You, what the hell are you pulling it out for?”

“Oh, then I’ll stick it back in.”

Poof!

Zhou Zun Long’s body tensed up violently as he stared dumbfounded at the small knife that had reverted back to the thigh wound.

This scene made all of Zhou Zun Long’s dozen or so fighters look dumbfounded.

Is this what people do?

Chen Dong calmly wiped the blood from his hands on Zhou Zun Long’s suit.

Only then did he slowly say, “Mr. Zhou, apart from asking you to pay for your suit, the other thing I came here today is to inform you that Fan Lu is one of my men, tell your cousin not to move her!”

The voice was cold, but resounding.

It made Zhou Zun Long’s eyes couldn’t help but flicker.

After taking a deep breath, Zhou Zun Long, however, suddenly smiled.

Originally, his features were all distorted due to the severe pain.

At this moment, he suddenly laughed, causing his smile to become hideous and terrifying.

Chen Dong frowned.

Suddenly, his pupils suddenly tightened.

He saw a blackened tube poking out from Zhou Zun Long's waist.

"Can't you fucking fight? Have the guts to continue!"

Zhou Zun Long slowly got up, and the blackened pipe was directly on Chen Dong's head: "You have the guts, you have the guts to stab me and still call my bluff? Go out and ask around, who in the whole city dares to talk to me like that?"

Slap!

A slap landed on Chen Dong's face.

It was powerful.

Chen Dong's face deflected for a moment, and five fingerprints quickly surfaced on the left side of his face.

He gritted his teeth and looked at Zhou Zun Long again.

"Aren't you able to fight? Let's see if your hands and feet are faster or Laozi's peanuts are faster!" Zhou Zun Long's face was fierce, he wanted to put the barrel of his gun directly into Chen Dong's head.

Chen Dong smiled spontaneously, "I hate people pointing guns at my head the most in my life!"

"Oh yo? Then you resist!"

Zhou Zunlong raised his eyebrows and laughed fiercely, "You're still tough-mouthed at the end of your life?"

The words had not yet fallen.

Suddenly, Chen Dong raised his hand and grabbed the barrel of the gun, roaring in anger.

“Then fucking shoot! If I die here today, all of you won’t be able to walk out of this gate. Do you really think Zhou Yanqiu is supporting me because he values my ability?”

A roaring voice echoed through the Mountain and Sea Pavilion.

The smile on Zhou Zun Long’s face froze abruptly.

He was not stupid.

On the contrary, having made it to this point, he was smarter than normal people!

He regarded Zhou Yanqiu as his only rival in the city, and knew Zhou Yanqiu’s heritage and brains very well.

Chen Dong’s words woke him up with a start!

Indeed, with Zhou Yanqiu’s brains, even if he valued Chen Dong and wanted to support him, he would never do something like dumping his company and going against the whole city’s material merchants.

This was too big a gesture!

Seeing Zhou Zunlong pondering, a few drops of sweat slowly trickled down the side of Chen Dong’s temple.

He clenched his teeth and glared at Zhou Zun Long fiercely.

“You don’t even bother to ask around about me, so you put a gun to my head? If I dare to stab you, why don’t you shoot me?”

The voice was wild, even a hint of insanity.

Zhou Zunlong and Chen Dong looked at each other, their hearts beating wildly.

The blue veins at the corners of their eyes even stood out.

“Do you really fucking think I don’t dare to fight?”

The sound of gnashing teeth echoed within the deadly quiet Mountain and Sea Pavilion.

It was as if the atmosphere was about to freeze.

At that exact moment.

A bang!

The door of the Mountain and Sea Pavilion was kicked open.

In an instant, it attracted everyone's attention.

When Chen Dong took a look, it was no other person, it was Lone Wolf!

"Mr. Chen!"

Upon seeing the scene within the Mountain and Sea Pavilion, Lone Wolf's face changed drastically, but he did not immediately go forward, instead he scolded at Zhou Zun Long, "Zhou Zun Long, Zhou Yanqiu asked me to bring you a message, overrate the tree without measuring yourself and you will die!"

Boom!

Zhou Zun Long was struck by lightning and the ferocity on his face instantly turned into horror.

Chen Dong's words just now had already made him uncertain.

Now Lone Wolf's appearance and one sentence even made all his anger seem to be completely doused by a pot of cold water.

Damn it..... really kicked a steel plate?

Pop!

Just when he was in a state of shock and uncertainty.

Chen Dong suddenly raised his hand to open the barrel of the gun on his head and smiled coldly, "I am now walking out of this gate, if you want to shoot, you are always waiting!"

After saying that, he walked out without looking back.

Zhou Zun Long froze in place, staring at the weapon in his hand with a sweaty face, his eyes flickering and eventually becoming obscure as he slowly put the weapon back.

Chen Dong's calmness and composure had made him even more afraid to shoot!

He had made it this far, and was so well clothed and well fed that he was not so stupid as to do such a thing that could cost him a thousand years of daoism in one day.

Outside the Taishan Hotel.

Lone Wolf silently followed behind Chen Dong.

The scene inside the Mountain and Sea Pavilion just now had caused Lone Wolf's face to turn a little white and his heart to palpitate.

However, Chen Dong's reaction was surprisingly calm, which was what Lone Wolf had not expected.

"Do you have a car?"

Chen Dong suddenly asked.

"Yes, Mr Chen this way please." Lone Wolf hurriedly stepped forward to lead the way.

After sitting in the car, Lone Wolf hurriedly started the car up.

After waiting for a short drive on the road, a heavy exhale suddenly rang out from the dead silent car.

Chen Dong slumped in his chair and took off his suit jacket with difficulty, the shirt inside having long since been completely drenched with sweat.

Then, with a self-deprecating smile, "I was scared to death just now."

Lone Wolf was stunned, "I thought Mr. Chen had just been titanic without changing his face."

"If you were pointed at your head instead, would you panic?"

Chen Dong deflated his mouth and said casually, before looking out of the car window.

He was just gambling.

Betting on the psychological game with Zhou Zun Long!

Luckily, he had won the bet!

Lone Wolf's arrival, bringing with him Zhou Yanqiu's words, had undoubtedly assisted him, completely breaking down Zhou Zunlong's psychological defences.

Lone Wolf drove quietly, gazing ahead.

Chen Dong's reaction had caught him somewhat unprepared.

But upon careful thought, Chen Dong's current state seemed to be the most genuine reaction.

However, Chen Dong's "calmness" in the Mountain and Sea Pavilion had left an indelible impression on him.

"By the way, did Zhou Yanqiu call you here?"

Chen Dong suddenly asked.

Lone Wolf nodded, "Yes."

Chen Dong rubbed his nose and his gaze deepened, "So is he one of the tycoons who threw you an olive branch, or is he the boss of the underground boxing world?"

Lone Wolf smiled, "Actually, I only found out today that the owner behind the Underground Boxing Arena is Mr. Zhou."

"Hmm."

Chen Dong did not show too much surprise, Zhou Yanqiu's industry was so big and he was in charge of his own business empire, it was normal for him to be overt and covert.

Rather, it was Lone Wolf who was willing to come.

It made him a little surprised.

"You knew it was dangerous, and you still dared to come?" Chen Dong asked.

Lone Wolf was silent for a second and said, "Because I want to follow Mr. Chen."

"I don't mess around with that." Chen Dong looked out of the window as if he was muttering, "You should work at my Dingtai tomorrow first, you can't do it without working."

Lone Wolf had originally all looked gloomy.

When he heard Chen Dong's latter words, he was instantly overjoyed, "Thank you, Mr. Chen!"

## **Chapter 82**

In one day, what happened was like a roller-coaster ride.

Even Chen Dong was exhausted.

In Lone Wolf's car, he soon fell asleep.

When the car arrived at Tianmen Mountain Villa, it was Lone Wolf who woke Chen Dong up.

Back at home.

His mother was still watching TV in the living room and saw Chen Dong return.

Li Lan grumbled and went forward, taking the suit jacket in Chen Dong's hand, "You make yourself so tired all day long, you don't know to feel sorry for yourself."

"It's not that I'm busy with work?" Chen Dong said with a smile, rubbing his belly, "Mom, is there any left of the dinner Sister Fan Lu made for you, I haven't eaten yet."

"No, mum will make you tomato and egg noodles."

Li Lan said with a smile.

Chen Dong did not stop, since he was a child, he had liked eating his mother's tomato and egg noodles the most.

It had been a long, long time since his mother had been seriously ill.

This little amount of work would not hurt his mother in her current state.

Still, Chen Dong rolled up his sleeves and walked into the kitchen with his mother.

"What are you doing in here? Go out and rest for a while, I'll do it here." Li Lan said heartily, knowing that Chen Dong was tired from his work.

Chen Dong smiled and said, "Mom, it's okay, I'll do it with you, it's been a long time since I've cooked."

Li Lan smiled and pointed to the garlic next to her, "Then you can help pick up a few pieces of garlic."

"Okay." Chen Dong smiled and responded.

"By the way, do you know what happened to Xiao Lu? That girl came back tonight and made dinner and waited for me to finish it, then she left in a hurry with a thermos bucket, and where's that kid Kunlun? They're both away, and I'm all alone in such a big house without even someone to talk to."

Li Lan asked Chen Dong as she went about her work.

Not wanting to worry his mother, Chen Dong smiled and explained, "There must be their personal business to take care of."

Li Lan nodded and suddenly raised her eyebrows and looked at Chen Dong mysteriously, “Dong’er, do you think these two kids, Kunlun and Xiao Lu, will fall in love?”

Chen Dong’s expression choked.

Mother this brain circuit, is it too ferocious?

Or ..... is this a common problem of middle-aged people?

Seeing Li Lan’s eyes glowing, Chen Dong smiled awkwardly, “Mom, don’t gossip, if the two of them want to fall in love, that’s also their business.”

The two of them are really interested in each other, and Mom can talk about it among them.

“Mom ..... I’m hungry.” Chen Dong had a black line on his head and said in a resigned manner.

Li Lan knew that Chen Dong did not want to continue this topic, rolled her eyes and continued to be busy.

Just the mouth still muttered, “You do not care I care, hurry up and wait for Xiaolu to return, I will ask Xiaolu’s meaning, Kunlun that child looks a little naive, but people are really good.”

Chen Dong deflated speechlessly, put down the garlic he had picked up and walked out of the kitchen.

He was afraid that if the conversation continued, his mother would have to talk about Kunlun and Fan Lu again.

Soon, the fragrant tomato and egg noodles were ready.

Smelling the aroma, Chen Dong’s fingers twitched and he wolfed down a large bowl.

Li Lan watched quietly from the side, smiling and reminding Chen Dong to eat slowly.

She had no intention of telling Chen Dong about what happened between Zhang Xiuzhi and Wang De during the day.

When a mother’s heart aches for her son, she doesn’t want to make Chen Dong even more worried and tired.

.....

The Wang family.

The sound of crying was piercing at this time.

Wang De sat disheveled on the sofa, looking at Zhang Xiuzhi who was hiding her face and crying in front of her.

Ever since she was packed off the mountain by the security guards of the Tianmen Mountain villa area and returned home, Zhang Xiuzhi had been crying uncontrollably.

Wang De could not listen to this anymore and said in a deep voice, "Have you cried enough? I advised you, you were the one who didn't listen and had to make a scene."

Slap!

Zhang Xiuzhi backhanded Wang De and slapped him across the face.

"You useless coward, I've lost so much face and suffered so much today, don't you even know to help me out?"

Faced with Zhang Xiuzhi's accusations, Wang De could only sigh and sigh, not daring to argue.

And the more Wang De backed off, the more Zhang Xiuzhi hated him.

At that very moment.

Wang Hao came back, and when he saw Zhang Xiuzhi crying, Wang Hao's face changed dramatically.

"Mom, what's wrong?"

Seeing Wang Hao, Zhang Xiuzhi instantly cried even more.

"Aiyo Xiao Hao, you're finally back, your father and I were bullied ah ....."

Boom!

Wang Hao was struck by lightning.

He became furious: "Who, who did this? I'll go find them!"

Wang Hao's reaction made Zhang Xiuzhi feel as if she had found her backbone.

While crying at the top of her lungs, she said, "Today, your father and I went to the Tianmen Mountain Villa ....."

“Chen Dong? That son of a bitch, mum, I’m going to find him!”

Wang Hao looked hideous and turned around to leave.

“Come back!”

Wang De called out to Wang Hao and said, “It’s not Chen Dong, it’s me and your mother who didn’t even enter the villa area, we were directly driven down the mountain by the security guards.”

Wang Hao looked dumbfounded.

Gritting his teeth, he said, “When you guys went there, why didn’t you call me? If I was there, they definitely wouldn’t have dared to throw you guys out.”

The matter had nothing to do with Chen Dong, and Wang Hao had no place to vent the evil fire that had just risen.

He sat down on the sofa in dismay.

Zhang Xiuzhi still cried unforgivingly, “How do I know that those dog security guards are so bullying?”

While saying that, Zhang Xiuzhi also pounded her chest: “How can my life be so bitter, my daughter is a waste, my husband is a waste, and now my son is getting married, I don’t even have the bride price for my son ah .....

Wang De blushed and lowered his head and stopped talking.

And when Wang Hao heard the bride price for the wedding, he instantly looked frozen.

He looked at Zhang Xiuzhi with resignation, “Mom, when can I ..... get married to Xue’er?”

“Ouch ..... my goodness!” Zhang Xiuzhi was asked by this as if a knife had been stuck in her heart, and let out another cry.

Wang Hao was in a bit of a trance.

He was not going to marry Lin Xue’er!

But now, the family could not get that much money at all.

Lin Xue’er was urging ..... again and again

After gritting his teeth, Wang Hao's expression was steeply determined: "Mom, why don't ..... I go find Chen Dong tomorrow? I know where his company is, if I can win back my brother-in-law, our family will be better off in the future."

"Yes, yes, yes, go to his company!" Zhang Xiuzhi wiped the tears off her face as soon as she could.

"Isn't it too humiliating yet?" Wang De couldn't help but speak up.

"Go to hell!"

Zhang Xiuzhi kicked Wang De in the stomach of his leg, then changed her smile and said to Wang Hao, "Xiao Hao, remember, when you go to your brother-in-law's company tomorrow, you must pay attention to your tone, talk to your brother-in-law properly, apologize sincerely, and never make your brother-in-law angry."

"Mom, don't worry." Wang Hao nodded his head, this was a matter of his marriage, he didn't dare to be naughty yet.

"Good boy, Xiao Hao, you are really a good boy for mum."

Zhang Xiuzhi smiled happily, "Your sister is indisputable, she climbed high and lost your brother-in-law, now you are the only one in the family who knows something, you must try your best to get your brother-in-law back tomorrow."

## **Chapter 83**

Early the next morning.

After completing his basic physical training, Chen Dong rushed to the company.

Lone Wolf was waiting outside the door of Dingtai early.

Chen Dong had asked Xiao Ma to arrange a position for Lone Wolf, but as for the issue of status, he had to help Lone Wolf arrange it himself.

Lone Wolf didn't mind the specific position he was assigned to, as his real purpose was to follow Chen Dong anyway, and his work was by no means real estate related.

After hesitating for a while, Lone Wolf himself proposed to Xiao Ma, "How about security?"

Xiao Ma hesitated for a moment and nodded his head in agreement.

But at least it was Chen Dong's personal introduction, and he still placed Lone Wolf in the position of security team leader.

With the explosive city-wide sales of Long Ting Garden in front of him, it was only a matter of time before each subsequent property was developed for pre-sale one after another.

This has relieved Chen Dong of a lot of pressure.

The next step was to complete the pre-sales step by step, and the funds recovered would be enough to push Dingtai to the top of the city's real estate industry in one fell swoop.

It was also when Chen Dong was busy that he received a WeChat.

It was from Lin Xue'er.

The content was simple.

"I want to see you!"

Chen Dong shook his head and ignored it.

But ten minutes later, Lin Xue'er sent a WeChat again.

This time, the content was clearly in the nature of a threat.

"Chen Dong! I know you're with Gu Qingying, I've seen all the news about the pre-sale of Long Ting Garden, if you don't see me, I don't mind telling Gu Qingying about what we did that night."

An undisguised threat!

Yet, it made Chen Dong dumbfounded.

This former sibling, really didn't clean up enough!

It still had to be cleaned up!

Before he could reply to Lin Xue'er's WeChat, Xiao Ma hurriedly ran into the office.

"Brother Dong, someone is causing trouble downstairs!"

"Who?" Chen Dong frowned.

Xiao Ma looked a bit odd and stammered, "Yes, it's your brother-in-law, oh no, it's your former brother-in-law."

Wang Hao?

Chen Dong's frown deepened and his heart felt depressed.

Wasn't the Wang family ..... going to stop yet?

He and the Wang family had long been cut off.

And he was also certain that every time he treated the Wang family people, it was clear enough to understand.

But this repeated messing up really irritated him.

Closing his eyes and rubbing the bridge of his nose, Chen Dong said, "Let Lone Wolf handle it."

Xiao Ma nodded and turned to leave.

Downstairs of Din Tai Company.

In fact, with the volume of Din Tai, it was far from enough to have an office building that belonged to its own company alone.

This had led to the coexistence of several companies in the same building.

At this moment, there was a lot of talk at the entrance of the building.

Onlookers were watching with curious faces, and there was even no shortage of gossip-ridden do-gooders whispering.

"Stop me? Who are you to stop me? I'm Chen Dong's brother-in-law, how dare you stinking security guards in dog's clothing stop me?"

Wang Hao's face was red and his neck was thick, pulling his voice and roaring angrily.

His arrogant and brutal appearance was just like Zhang Xiuzhi who was causing trouble in front of the gate of Tianmen Mountain Villa at that time!

Lone Wolf, who was wearing a security uniform, frowned and stared at Wang Hao who was shouting and cursing in front of him.

If it was before, he would have directly made his move.

But he was clear that if he wanted to get his identity and follow Chen Dong, he could not bring that underground boxing scene down to the sunlight.

There were no words, just holding back and waiting.

When Wang Hao saw that Lone Wolf was not moving, he thought he had the upper hand, so he immediately puffed out his chest and planned to go straight into the building.

Several people from Lone Wolf stepped forward at the same time, lined up side by side, and stopped Wang Hao once again.

“Damn you, how dare you stop me?”

Wang Hao was furious and raised a fist and smashed it on Lone Wolf’s chest.

Lone Wolf let out a muffled grunt and staggered back two steps.

“Brother Wolf!”

Several security guards immediately stepped forward to help.

Although Lone Wolf was a captain who was directly parachuted down, the security guards all knew that Lone Wolf was personally assigned by General Manager Chen, and could not talk about any complaints.

This punch instantly made the smell of gunpowder now thicken.

A cry of alarm also rang out from the onlookers at the same time.

“This man is too arrogant, does he really think this is his home?”

“Hey hey, didn’t you hear what he said, he is the brother-in-law of Dingtai Chen, hahaha ..... I am also drunk, Chen’s divorce is known all over the city, Long Ting Garden pre-sale news on the high-profile show of love for his new girlfriend, their Wang family has lost all their faces, but actually have the nerve to come and embarrass themselves. ”

“Not to mention, I also watched the news that night, this Wang family is also too shameless, this kid looks also more than 20 years old, really like a rash young man!”

.....

The company’s main business is to provide a wide range of products and services.

Wang Hao’s face was red and his body was burning.

He didn’t want to be pointed at at the gate anymore, so he pointed at Lone Wolf’s nose and cursed, “Don’t think you can stop me just because you’re tough-looking, get out of my way if you know what’s good for you, or I’ll waste you today!”

Lone Wolf’s eyes narrowed and his fierce light flashed.

At that moment.

Xiao Ma hurriedly ran over and stood behind Lone Wolf, murmuring in a low voice, "You handle it yourself!"

"Understood!"

A cold smile appeared at the corner of Lone Wolf's mouth.

Then.

He took a step forward.

"What are you doing?" Wang Hao instantly became alert.

"Beating you up!"

There was no extra word.

Lone Wolf directly stepped forward again, grabbed Wang Hao's shoulder, and directly dropped Wang Hao to the ground with an explosion.

The cold voice caused the crowd present to freeze in their tracks.

"If you don't leave, I'll waste you!"

"You think I'm scared, huh?"

Wang Hao forced himself to endure the severe pain and struggled to get up.

Lone Wolf smiled coldly, the fierce light in his eyes showing, "You try?"

Wang Hao looked choked, hesitated for a moment and fiercely gritted his teeth, "Okay, you, you wait for me, I am Chen Dong's brother-in-law, I said I want to see him, I can't this time, I will definitely see him next time, you will be finished by then!"

Looking at Wang Hao who turned around and left in disarray.

A roar of laughter erupted from the crowd.

Lone Wolf shook his head and turned around to walk towards the building.

The few security guards were all shocked by Lone Wolf's explosive fall just now and hurriedly followed, looking at Lone Wolf with a little more respect.

Meanwhile.

Underneath Yingli Building Materials.

A taxi pulled up.

Lin Xue'er, who was wearing a white dress, stepped out of the taxi.

She looked at the building of Yingli Building Materials, and then glanced down at her mobile phone.

Her expression was somewhat hesitant, and on the screen of her mobile phone, it was the WeChat chat interface with Chen Dong that was displayed.

Eventually.

“Are you really that desperate?” Lin Xue'er's shell teeth clenched her red lips, her beautiful eyes flushed red, and there were faint flashes of tears: “Chen Dong, I gave myself to you, and you just ignored me, I'm not willing to do that, you forced me to, you don't see me, then I'll tell Gu Qingying what happened!”

The more she said, the more intense the resentment in her chest became.

Lin Xue'er's eyes were firm as she walked quickly towards the Yingli Building Materials Building.

“Chen Dong, I gave you a chance, but you didn't cherish it yourself!”

“I, Lin Xue'er, am not someone who can let you sleep for nothing!”

“If you don't give me an explanation, then you'll go to Gu Qingying to give an explanation!”

A series of weibo messages were quickly sent to Chen Dong's weibo as Lin Xue'er advanced.

When she walked to the entrance of the building, the WeChat still had not resumed.

This left Lin Xue'er without any further expectations.

Determinedly, she said to the security guard at the door, “Hello, I want to see the General Manager of your company, Mr. Gu, I was told to come by Mr. Chen of Dingtai!”

## **Winner Takes All Chapter 84-86**

### **Chapter 84**

Lone Wolf and Pony returned to Chen Dong's office and roughly explained how to handle the situation.

After listening to this, Chen Dong only responded indifferently and then let Lone Wolf and Xiao Ma go out.

While Lone Wolf was talking about things just now, WeChat beeped one after another.

Only after Lone Wolf and Xiao Ma went out did Chen Dong pick up his phone and open WeChat.

When he looked at it, his pupils instantly tightened and his face changed drastically.

Anger, booming up.

The single WeChat message sent by Lin Xue'er was like a burning red sharp knife, stabbing him fiercely in the heart.

Thunderbolt exploded with fury!

Bang Teen!

Chen Dong slapped his palm on the desk.

The loud ear-shattering sound caused the staff outside the office to look shocked.

What had happened?

In the hearts of all the employees, Chen Dong had always been a calm and collected image, as calm as water.

From the time he was the Vice President to the time he took charge of Dingtai today, he had never lost his cool like this before!

Even when he had acquired Din Tai and was pitted by Zhao Dabao to the extent that he could almost foresee Din Tai's bankruptcy and collapse, Chen Dong had never been so furious!

Inside the office.

Chen Dong sat quietly in his chair, his hands clenched into fists, clicking.

He clenched his teeth, and a raging anger rolled in his eyes.

At this moment, he looked like a bloodthirsty beast that wanted to devour people.

“Lin Xue’er, you are ..... plucking my scales of rebellion!”

A dragon has rebellious scales, touching it will kill it!

Gu Qingying came to his side at his most troubled time, returning to his country without repercussions.

Although he had the help of Elder Dragon and the journey was smooth, Gu Qingying was by his side, giving him warmth and encouragement time and again.

In his heart, Gu Qingying was on an equal footing with his mother!

But now ..... Lin Xue’er actually wanted to break them both up.

The phone rang.

It was Gu Qingying calling.

Chen Dong looked at the caller ID and his heart beat wildly, as if it was about to jump out of his chest.

He had never been this flustered before, and even when he picked up the phone, his right hand couldn’t help but tremble badly.

A gentle swipe.

The call was answered.

He spoke first, “Little Shadow, I’ll come over to you right away.”

“No need, Chen Dong.”

On the phone, Gu Qingying’s cold, breathless voice caused Chen Dong’s heart to instantly fall to the abyss.

Immediately after, Gu Qingying’s voice rang out again.

“Chen Dong ..... let’s meet in the evening, don’t come over now, we both need to calm down for a while.”

Pop!

The phone hung up straight away.

Chen Dong’s heart gave a vicious twitch.

Dumbfounded for a moment, he directly dialed Lin Xue'er's number.

As soon as it was connected.

Chen Dong let out a hoarse growl, "Lin Xue'er, you're playing with fire!"

"Finally, you know to look for me?"

Lin Xue'er's voice had a slightly smug sound to it, "Chen Dong, you forced me to do this! You knew full well that I liked you, you deliberately hung on to me, I gave myself to you that night, and you still treated me so coldly, and turned your head to show your love for Gu Qingying, what on earth do you take me for?"

"Green tea!"

Chen Dong, who was in a rage, did not hesitate in the slightest.

As soon as the words left his mouth.

At the other end of the phone, there was silence.

A few seconds later.

"Ah!"

Lin Xue'er suddenly screamed.

Immediately after, cries rang out, "Chen Dong, I forbid you to insult me like this! I, I truly like you, you, why do you insult me like that?"

The heart-breaking cries sounded as if she was really a victim.

Chen Dong's eyes flashed fiercely and he laughed disdainfully.

While boasting of his traditional reserve, he hung on to Wang Hao as a receiver.

While at the same time, he was making eyes at the bank manager and seducing him.

Wasn't this green enough?

Chen Dong said in a cold voice, "You will pay the price, I hope you won't regret it!"

After hanging up the phone.

Chen Dong directly dialed the number on the bank's side.

Since Lin Xue'er wanted to pluck his scales of rebellion.

Then, he could not be blamed for being ruthless and cold-blooded!

At the same time.

In a cafe outside Yingli Construction Materials.

Lin Xue'er threw her phone onto the sofa and slumped on the table, bawling.

Her sobs drew astonished looks from all around, but no one came forward.

Why?

Why are you doing this to me?

What have I done wrong?

Lin Xue'er was so aggrieved that her delicate body kept trembling and tears were pouring down like rain.

Is it wrong for me to pursue what I want?

There are plenty of people like me, why should I be subjected to such a thing?

I have already given you my body, why don't you cherish it at all?

A series of questions filled with resentment and anger were slowly uttered amidst Lin Xue'er's cries.

This caused the people around to listen with sympathy and shake their heads in sorrow.

"Sigh ..... A nice girl, how did she get tortured by her feelings like this?"

"In this world, scum men deserve to die!"

"So pitiful for this little girl ....."

Listening to the sympathetic voices in the cafe, Lin Xue'er cried more and more heartbreakingly.

Ten minutes later.

Her mobile phone suddenly rang.

Forcing herself to hold back her sobs, Lin Xue'er picked up her phone and looked at the caller ID with teary eyes.

It was the manager of the bank where she worked.

She took a deep breath and wiped away the tears at the corner of her eyes.

Lin Xue'er forced herself to pick up the phone, "Hello, manager."

"Lin Xue'er, you've been fired from the bank."

The bank manager's words struck Lin Xue'er like a thunderbolt, and without waiting for her to speak, the manager said icily once again, "I have already had your personal belongings thrown away, and will compensate for them at the price, which will be transferred into your account later."

Pop!

The phone hung up.

Lin Xue'er was dumbfounded, and the tears she had just wiped away were once again flowing down the corners of her eyes.

"How can you ..... be so heartless, to drive me to extinction?"

Anger, resentment, resentment, all kinds of emotions intertwined, making Lin Xue'er rise up in anger.

She dropped a hundred dollars to pay the bill and walked quickly towards the outside of the cafe.

She was going to find Chen Dong!

Given her relationship with the bank manager, she couldn't think of anyone other than Chen Dong who had such power to dismiss her so coldly!

A Bauhinia bank card was enough for the bank manager to ignore all rules!

Just as she was walking out of the cafe.

A Buick business car pulled up in front of her.

The car door opened.

Lone Wolf poked his head out of the car, and the scars on his face scared Lin Xue'er into clenching her fists and taking two steps back.

Lone Wolf said calmly, "Miss Lin, our boss wants to see you."

Lin Xue'er's expression eased a little and she tilted her head slightly, arrogantly saying, "Sure, I'm looking for him too."

After getting into the car, the Buick business drove away.

Din Tai Company.

Hang up the bank manager's phone.

Chen Dong's face was still covered with frost: "Lin Xue'er, you think you've got me, but you don't know that you've lost from the very beginning!"

The phone rang.

It was Lone Wolf calling.

"Mr. Chen, we've received someone."

As Lone Wolf's voice rang out, a shrill cry from Lin Xue'er rang out steeply on the other side.

"Chen Dong ..... I want to see you, I want to see you now!"

Chen Dong did not pay attention to it, but said to Lone Wolf, "Take her to the hotel first, and tell her that I will meet her in the evening after work!"

After hanging up the phone.

Chen Dong smiled coldly, "Lin Xue'er, you have lost completely this time, do you really think that because of your existence, you can break up Xiao Ying and I?"

## **Chapter 85**

Late afternoon.

Chen Dong received a call from Gu Qingying, asking to meet at Genting Sky.

After hanging up the phone.

Chen Dong then dialed a few numbers one after another before getting up and heading to the appointment.

It was just that the place that Gu Qingying chose to meet made his heart seize.

Genting Sky, the place where they had truly established their relationship.

Choosing there, he had already guessed a few of Gu Qingying's intentions.

When Chen Dong arrived at the Genting Sky, it was already seven o'clock in the evening.

Inside the car park, Gu Qingying's Porsche 911 was parked quietly, obviously the person had arrived early.

He took a deep breath.

Chen Dong stepped into the lift.

When the lift doors opened, the lilting and soothing music greeted him.

The dim lighting decorated the entire restaurant beautifully.

"Mr. Chen?"

The waiter at the door stepped forward.

Chen Dong nodded his head.

"Please follow me, Miss Gu has booked our Genting Sky for tonight."

Following the waiter into Genting Sky, Chen Dong caught a glimpse of Gu Qingying who had landed by the window.

Under the light, Gu Qingying, who was wearing a long floral dress, was holding her chin in her hand and looking out of the window at the night scene of the city.

Her back looked a little forlorn.

"Miss Gu, Mr. Chen has arrived."

The waiter reminded him softly.

Chen Dong clearly saw that Gu Qingying's delicate body trembled for a moment.

Then, Gu Qingying turned back and smiled sweetly, "Here? Have a seat."

Chen Dong's heart pumped hard, although Gu Qingying was smiling at him, he could clearly feel that such a smile was greatly different from before.

After settling down, Gu Qingying took the menu from the waiter's hand, placed it on the table and pushed it in front of Chen Dong.

"What do you want to eat, it's on me."

"Xiao Ying ....." Chen Dong spoke.

Gu Qing Ying raised her eyebrows, "Then I'll order it myself."

After saying that, she took back the menu and looked down at the dishes, not giving Chen Dong the slightest chance to speak.

Chen Dong was helpless in his heart, after being messed up by Lin Xue'er, he was already very unpleasant in Gu Qingying's heart, right?

Soon, Gu Qingying ordered her dishes and after returning the menu to the waiter, she continued to rest her jade hand on her chin as she gazed out of the window at the night scene.

Inside the Genting Sky.

The music echoed.

But it became another odd kind of silence.

Neither Chen Dong nor Gu Qingying spoke.

Such silence lasted for almost ten minutes, until it was broken when the waiter served the food.

"Eat up, eat up, there will be your favourite tomato and egg noodles later." Gu Qingying said with a low smile.

The corners of Chen Dong's eyes danced for a moment as he looked at Gu Qingying with complicated eyes.

But he pretended to laugh lightheartedly, "A place as fancy as Genting Sky can still have tomato and egg noodles?"

Gu Qingying smiled proudly, "Isn't it enough to have money?"

"That's true." Chen Dong nodded his head.

Then the two of them lowered their heads and ate, and the atmosphere once again returned to silence.

Gu Qingying did not ask many questions and ate quietly.

It was as if it was just an ordinary meal, the only thing was that she did not have the slightest intercourse with Chen Dong.

The more he did so, the more Chen Dong felt like he was sitting on pins and needles, his sweat trembling.

He knew that Gu Qingying was clearly suppressing himself.

It was just like when Gu Qingying clearly liked him, yet she happily acted as a bridesmaid and wished him and Wang Nan Nan into the hall of fame.

The same was true now, except that back then, it was adoration, but this time, it was anger.

Taking a deep breath, Chen Dong said, "Xiaoying, can I explain?"

Clang .....

The chopsticks in Gu Qingying's hand fell onto the dinner plate.

She slowly raised her head, her eyes as bright as jewels had already flushed red at some point: "What else to explain?"

"I don't want you to misunderstand." Chen Dong smiled bitterly.

Gu Qingying shook her head, slightly tilted her head to look at the ceiling, took a deep breath and said with a smile, "I didn't misunderstand ah, what could I misunderstand about you?"

"Lin Xue'er .....", Chen Dong did not intend to drag on.

Such a matter, dragging on would only make things worse.

"It's alright ah, I'm really alright."

Gu Qingying raised her hand to wipe the corner of her eyes, smiling and pointing at the dishes, "Eat ah, I can order a lot of dishes, you have to try them all."

Her look was like a sharp knife, stabbing fiercely at Chen Dong's heart.

It made Chen Dong's heart ache terribly.

Looking at the time, he felt that it was almost time.

Chen Dong dialed Lone Wolf's number, "Bring someone in."

After hanging up the phone, he looked at Gu Qingying seriously, "Xiaoying, I have never done anything wrong to you, I will explain clearly."

Tears sprang to Gu Qingying's eyes, "Don't explain, okay? After we finish this meal, we'll go our separate ways and I'll leave, okay?"

During the day, when Lin Xue'er met her, she had already made everything clear and revealing.

Was there any need to explain such things?

Was there any possibility of explanation?

In Gu Qingying's heart, Chen Dong's explanation was just like a cover-up, which would only make her feel even worse.

At that very moment.

At the entrance of Genting Sky, two figures appeared.

As soon as Chen Dong saw Lone Wolf and Lin Xue'er, he immediately let out a sigh of relief.

When Lin Xue'er saw Chen Dong, her pretty face instantly changed and she suddenly rushed towards Chen Dong.

With Chen Dong unprepared, Lin Xue'er directly jumped into Chen Dong's arms and hugged him.

"Are you finally willing to see me? I've finally seen you!"

Boom!

This scene caused a roar in Gu Qingying's head.

Her beautiful eyes were round, her stunning face was flooded with depression, and her shellfish teeth clenched her red lips for a moment.

Then, she smiled bitterly and looked at Chen Dong with teary eyes.

"Chen Dong, is this the explanation you gave me?"

Lin Xue'er's sudden attack caused Chen Dong to be confused as well.

Hearing Gu Qingying's voice, he jolted awake.

"You let go!"

But no matter how much he pushed and shoved, the Lin Xue'er in his arms seemed to stick to him, instead making Lin Xue'er hug even tighter!

"No, I don't want to let go ..... Chen Dong, I've given you all my people, don't be so heartless ....."

Chen Dong's face was gloomy and his anger was raging.

And Gu Qingying finally couldn't help but shed tears, the scene in front of her broke her down and she couldn't stand it anymore.

"You guys, to do this to me?"

A cry that was close to a roar echoed through the dining room.

Chen Dong became anxious: "Lin Xue'er, that night, nothing at all happened between you and me!"

"Impossible, you're clearly lying!" Lin Xue'er buried her head in Chen Dong's arms, "The note you left for me that morning ....."

Not waiting for Lin Xue'er to finish.

Chen Dong said in a stern voice, "Kunlun, call in the hotel's cleaning aunt!"

At this moment, Gu Qingying and Lin Xue'er all froze.

Lin Xue'er raised her head in dismay and looked at Chen Dong, "The cleaning aunt?"

Taking advantage of this distraction, Chen Dong vigorously pushed Lin Xue'er away.

He said in a deep voice: "The cleaning aunt undressed you, and after I sent you to the hotel, I left straight away, not only does the cleaning aunt testify to this, there is also the hotel surveillance!"

As he spoke, Chen Dong stared closely at Gu Qingying.

This was his explanation to Gu Qingying.

He could disregard Lin Xue'er's feelings, but he had to consider Gu Qingying!

Because, Gu Qingying was everything to him now!

## Chapter 86

As Chen Dong's words fell.

The teary-eyed Gu Qingying and the dismayed Lin Xue'er looked at the same time at the cleaning aunt beside Lone Wolf.

The cleaning aunt looked at Lin Xue'er and nodded, "Girl, that night, this gentleman just sent you to the hotel and then gave me two hundred yuan to take care of you."

Gu Qing Ying was in a trance and hesitated for a while.

Lin Xue'er, on the other hand, had her beautiful eyes rounded and her face full of disbelief.

It couldn't be!

It's absolutely impossible!

I was already like that that night, and he just sent me to the hotel?

Lin Xue'er came from a humble background, but luckily she was born with a good skin, and she knew how to use it to her advantage.

It had got her nowhere since she was born into society!

"Where's the note? And what's with the note?"

Lin Xue'er's eyes flashed sharply, as if she had grabbed the last straw, her hands clutching Chen Dong's arms, "If you didn't do anything, why did you leave a note like that?"

Chen Dong shook off Lin Xue'er and smiled, "What do you think?"

Lin Xue'er froze as her thoughts raced.

Thinking of all the things that had happened with Chen Dong after that night.

Her delicate body suddenly trembled and she stared at Chen Dong in shock and anger, "You're using me? Using me to take revenge on the Wang family?"

When these words came out, even Gu Qing Ying's willow brows were slightly knitted as she looked towards Chen Dong.

Chen Dong looked calmly and indifferently at Lin Xue'er, "Sort of, you came up here yourself, why wouldn't I use it?"

The icy voice made Lin Xue'er completely confused.

The dream of a luxurious family she had wished to think was completely shattered in an instant.

What was left of her sanity made Lin Xue'er's face suddenly turn gloomy as she snapped, "Why? Why do you want to use me? What the hell did I do to you? If you don't want to sleep with me, don't use me either!"

Chen Dong waved his hand and said to Lone Wolf, "Take them down."

Lone Wolf nodded his head and directly carried the collapsed Lin Xue'er outside.

The relaxing and soothing music still lingered.

The atmosphere, however, had become even more odd.

Chen Dong looked at Gu Qingying, his eyes full of tenderness, "If you still don't believe me, I can take you to the hotel to transfer the surveillance."

Gu Qingying and Chen Dong stared at each other, her eyes red with tears and a little confused.

She suddenly smiled, an extraordinarily odd smile.

In a soft voice, she murmured, "Chen Dong, it seems that I suddenly can't understand you anymore."

"Use?" Chen Dong shrugged his shoulders.

Gu Qingying nodded and raised her hand to wipe the tears on her face, "You weren't like this, I think, before?"

"Xiaoying, perhaps your life is sunny, but since I was young, I have crawled out from the darkness step by step."

Chen Dong smiled to himself, "People who come out from the darkness, in fact, my heart is really not sunny, what I can do is to give my sunshine to those who are most important to me, as for the others, I don't care."

One word, full of sincerity.

But it made Gu Qingying look at Chen Dong with an even more bewildered look.

She hadn't experienced Chen Dong's life.

Ever since she was a child, she had lived in a privileged environment, protected by her father and loved by her mother, just as Chen Dong had said, every day was sunshine.

As for the darkness, she didn't understand.

Really didn't understand!

Chen Dong continued to smile, his eyes a little forlorn: "The Wang family almost killed my mother again and again, and when I was in a rage, I deliberately left my hand when Lin Xue'er pounced on me, I didn't think there was anything wrong with that."

"After the divorce, the Wang family and I were cut off, and I could have left the former matter alone, but I also had to keep a hand that would allow me to strike back in retaliation in the heat of the moment."

"So, you ruthlessly used Lin Xue'er?" Gu Qingying's red lips mumbled.

"Yes!"

Chen Dong replied dryly, "I climbed out of the darkness step by step, I can hold back, and I don't know what it means to be young and frivolous, I only know that ..... the winner is the king!"

"Chen Dong ....."

Gu Qingying's eyes flickered, and at this moment, her mind seemed like rotten cotton wool, cluttered with chaos.

Her mind was even more like an open pot of paste, chaotic.

She didn't know how to continue with Chen Dong, what had happened today was too shocking to her three views.

Even if some of the things her father taught her on a regular basis were the same as Chen Dong.

But she hadn't experienced it, so she was a bit overwhelmed.

Scratching her hair, Gu Qingying said, "I'll go home first, I need some time to digest it properly and think about us at the same time."

Chen Dong smiled and did not stay.

What he said was indeed over the top.

But he had to let Gu Qingying understand the causes and consequences.

This kind of thing, he did not want to leave a thorn in Gu Qingying's heart forever because of his own slightest concealment.

He took a deep breath.

Chen Dong called for the waiter to pay the bill.

As he walked out of Genting Sky, Chen Dong glanced back at the gorgeous and dreamy words "Genting Sky" and smiled faintly, but there was endless bitterness in his eyes.

When Chen Dong returned to his home at Tianmen Mountain Villa, Lone Wolf's call came just in time.

According to his intention, Lone Wolf had sent Lin Xue'er out of the city directly after he had taken her out of Genting Sky, and had strictly ordered her not to return to this place for the rest of her life.

After responding indifferently, Chen Dong hung up the phone.

He did not feel that it was too much to do so.

If an adult caused trouble, he should bear the corresponding price.

Besides, he had given Lin Xue'er five million before, and with that amount of money, Lin Xue'er would be able to live a prosperous life even if she never came back and she went to any place.

By doing so, he was also giving the Wang family a break, so that they wouldn't have to harass him every now and then!

He was truly disgusted with the Wang family.

.....

Time passes slowly.

The latter half of the month, everything went on as usual.

The shantytown renovation project in the west of the city, steadily progressed and a second property was about to be pre-sold.

Kunlun and Fan Lu also returned home healed, only after what happened last time, the way the two looked at each other always made Chen Dong feel a little something.

The Wang family's side, too, did not appear again.

Zhou Zunlong, who had offended him, had also not followed up during this period of time.

The only thing that made Chen Dong a little apprehensive was Gu Qingying's reaction to him.

Ever since the farewell at Genting Sky, Gu Qingying had become strange towards him, always avoiding him intentionally or unintentionally.

The few times they met, it was as if the relaxed atmosphere of the past had disappeared, and chatting had become a matter of two words.

In response, Chen Dong was helpless.

The incident at Genting Sky had rapidly cooled his relationship with Gu Qingying.

On the contrary, he could not find a way to ease the situation for a while.

He could only take one step and see what happened.

At noon that day, Chen Dong, who was working at the company, suddenly received a call from Kunlun.

"Young Master, Elder Long has returned!"

Upon hearing this, Chen Dong was overjoyed.

It had been almost a month since Elder Long had left, and neither he nor Kunlun could get in touch with him.

He was truly worried about Elder Long and what exactly had happened.

## **Winner Takes All Chapter 87-88**

### **Chapter 87**

The meeting place was arranged in a restaurant underneath Din Tai.

When Chen Dong arrived at the restaurant and saw Elder Long, he could not help but be stunned for a moment.

At this moment, Elder Long was even paler, and his face could not hide the look of exhaustion.

Kun Lun, who was sitting beside Elder Long, was looking pensive and frowning, so he should have known something in advance.

“Young master.”

Elder Long got up, revealing a kind smile as usual.

“Have a seat.”

Chen Dong helped Elder Long to sit down and asked directly, “Elder Long, what has happened during the time you were away?”

Elder Long smiled bitterly, “A matter at home, the master urgently recalled his old slave.”

Chen Dong obliterated a mouthful of tea and waited quietly.

“It’s because of Master’s use of Yike Group to help Young Master.” Elder Long’s tone was weary.

Chen Dong raised his eyebrows, suddenly feeling amused.

“He’s at least the head of the family, and he can’t even make decisions on this matter?”

Elder Long shook his head and looked at Chen Dong profoundly, “If it was an ordinary day, of course the old master would be able to make the decision, but there is still an old man in the family today, and the old master has helped you with Yike and alarmed the old lady.”

Chen Dong’s eyes stared: “I ..... grandmother?”

“No.”

Long Lao denied and said slowly, “The Chen family has intricate relationships and a thriving population, and as a hidden family that rules the world’s power and wealth, the selection of the head of the family is not the usual family where the son inherits the father’s business and passes it down from generation to generation.”

Chen Dong listened quietly.

For a family to prosper and flourish, relying on the efforts of one lineage alone would really not determine the future.

“Therefore, when the Chen family selects its family head, it also selects the one who is capable, setting up candidates among a large number of younger generations, and then competing with each other, so that the one who achieves the best is the next family head.”

Elder Long spoke slowly, as he was explaining and telling Chen Dong some of the circumstances of the Chen Family.

“However, even if one inherits the position of family head, the Chen Family has an unwritten rule that the family head, too, must treat the parents of the previous family head well, as if they were his own parents.”

Hearing this, Chen Dong suddenly laughed helplessly.

With such an unwritten rule, his father, whom he had never met, was not destined to be able to do as much as a single word in the Chen family.

It was true that the head of the family decided on major matters, but if the old lady wanted to intervene in a certain matter, not even the head of the family could resist.

However, he did hear another thing from Elder Long’s words.

Rubbing his nose, Chen Dong said, “Elder Long, according to you, my father should have been a very good person back then, or else he wouldn’t have been able to defeat the other candidates and become the Chen family head.”

“Indeed .....” Elder Long’s gaze became deep as he said retrospectively, “When the old master was young, his talent was unparalleled in the world, at only 20 years old, he had already revealed his greatness and defeated all the Chen Family candidates. ”

“Hiss~”

Rao Chen Dong could not help but change his expression and suck in a breath of cold air backwards.

At the age of 20, he was still working and studying at university at that time, living a precarious life.

But his father, however, had already laid claim to the position of family head!

Taking a deep breath and suppressing the shock in his heart, Chen Dong slowly asked, “That’s strange, in that case, even if my father had abandoned me and my mother back then and returned to the Chen family, my mother and I shouldn’t have been so poor, not to mention too much, my father would have left us a small base.”

Ever since he was a child, he had never experienced what it meant to live.

To him, the life he lived with his mother, it was all called survival.

If his father was really that good, even with his mother, he should have had a foundation, and even if he had returned to the Chen family, the foundation would have been left in his mother's hands.

As far as he could remember, his mother had rarely had a break, at least working two jobs at the same time, working day and night.

Long Lao smiled bitterly, "Young master ..... when your father first left, the large foundation he built was taken in by the Chen family as much as possible, but he still left a small portion of the money to your mother and son ....."

The meaningful tone of voice made Chen Dong's expression stagger.

Suddenly, there was a brilliant flash in his eyes, "My mother?!"

Seeing Chen Dong's change of expression, Elder Long smiled evasively.

Chen Dong's thoughts instantly became complicated.

How could this be possible?

There must be something inside of it!

Soon, he suppressed the mixed thoughts in his mind.

The most urgent task was to find out what the old lady of the Chen family had done!

Chen Dong asked, "What exactly did that old lady of the Chen family do?"

"Because of the young master's birth, the old lady was extra mindful."

Long Lao looked a little gloomy: "So when she learned that Yike had helped the young master to build up his power in this city, she exploded with thunder and interfered with the family head's decision, and at the same time transferred the old slave back to her home to scold her, and the old slave was able to come back only because the master had appeased the old lady, and then this allowed the old slave to leave quietly."

Chen Dong laughed, his heart rising with depression, "In the end, it is just that I am not rightly named, not having grown up in the Chen family, receiving elite training, or that I am considered a wild child in the old lady's heart."

Long Lao's expression was stunned.

His eyes flickered for a few moments, but he did not retort.

The Chen Family had rules, and in the Chen Family's rules, if Chen Dong was not the Old Master's own son and the Old Master deliberately interfered, Chen Dong could not be counted among the candidates for the next head of the family at all.

"I understand, Elder Long has worked hard these days."

Chen Dong got up and said to Kun Lun with a smile, "Kun Lun, take Elder Long back to the Tianmen Mountain villa area to rest, Dingtai still has things that I need to arrange."

"Alright Young Master." Kun Lun answered.

For his part, Elder Long was astonished, when he said these words, he had prepared himself to meet Chen Dong's resentful anger.

But Chen Dong's reaction had caught him a little off guard.

It was too calm!

Seeing Chen Dong about to leave, Elder Long suddenly shouted, "Young Master ....."

Chen Dong stopped walking and turned his back on Elder Long and said, "I won't let him down, the family head can be in my family for one generation, the second generation is bound to be in my family as well, I will let the old lady see how the so-called wild seeds actually crush her so-called elite!"

The words were resounding, like a vow, incomparably firm.

The old man smiled heartily and said, "Young master has grown up, but beware young master, soon after the old slave returned home, Chen Tianyang came home with a broken leg and said straight out that it was you who did it."

"This matter caused the old lady to be furious, but was suppressed by the master, but Chen Tianyang has an older brother, Chen Tiansheng, and the two brothers are extremely close, Chen Tiansheng has a heart and mind far beyond Chen Tianyang, and with his vengeful nature, he will not let the young master off the hook."

"Heh."

Chen Dong snorted, striding away, his icy voice reaching the ears of Elder Long and Kunlun, "If he dares to come, then break his legs again and give the two brothers a broken-legged duo!"

Elder Long smiled spontaneously, "It seems that the old slave has been overly concerned."

Just as Chen Dong walked out of the restaurant, Gu Qingying's phone call came through.

Looking at the caller ID, Chen Dong's heart immediately rose to his throat.

He hurriedly picked up the phone, "Hello, Xiaoying."

"Are you free tonight? I want to ask you out!" On the phone, Gu Qingying's voice was calm, but no longer as oddly cold as before.

## Chapter 88

The change in Gu Qingying's tone made Chen Dong ecstatic.

Perhaps ..... there was a turnaround in their relationship tonight!

Chen Dong did not hesitate to agree.

The torment lasted all afternoon.

Chen Dong got off work early and rushed to Genting Sky.

This was the place that Gu Qingying and he had agreed on over the phone.

Soon after, Gu Qingying's figure appeared at the entrance of Genting Sky.

Chen Dong's eyes lit up and he got up to wave, "Little Shadow."

Gu Qingying smiled and walked quickly towards Chen Dong: "Didn't we say 7pm?"

"I wanted to come over and wait for you."

Chen Dong smiled and said, "You came early too."

"I also wanted to come over first and wait for you." Gu Qingying was all smiles, no longer cold like the previous times they had met.

This put Chen Dong's mind at ease.

After ordering the dishes, the two of them chatted.

The happy atmosphere made Chen Dong feel like he was back in the time when Gu Qingying had just returned to China, automatically ignoring the previous times they had met.

Once the dishes were brought to the table, the two of them chatted while eating.

Chen Dong was happy, as Gu Qingying was also happy.

However, Gu Qingying's words instantly made Chen Dong calm down.

"Chen Dong, I have to go abroad in the next few days." Gu Qingying said, "To visit my parents."

Chen Dong's heart thudded and he said, pretending to be calm, "Why are you going abroad all of a sudden?"

Gu Qingying was a bit helpless, shrugged her shoulders and smiled bitterly, "Isn't it because you're too high-profile?"

Chen Dong froze for a moment.

Then he reacted, "Is it the Longting Garden confession?"

"Mm."

Gu Qingying rubbed her hair irritably, "It's not all because of you, right, there's also the reason why I sacked Zhang Heming, Zhang Heming was the person my father arranged to keep at Yingli building materials, but as soon as I arrived at Yingli, there was that incident with Zhang Heming, which made my father ask over, and then he found out about you confessing your love for me."

"This afternoon, out of the blue, a transatlantic phone call came and asked me to go back."

Chen Dong landed with a pounding head.

He really didn't expect that Longting Garden's confession of love would attract the attention of Gu Qingying's parents who were far away from home.

After thinking about it, Chen Dong said, "Why don't I go with you?"

"What are you thinking?" Gu Qingying said.

Chen Dong shrugged, "An ugly daughter-in-law has to meet her parents-in-law, right?"

Gu Qingying's eyes flashed and her willow brows lowered slightly, "Forget it, I'll go over and explain to them first, let's take the rest one step at a time."

Chen Dong looked dumbfounded and smiled bitterly, "Then, okay, when are you leaving?"

"Tomorrow morning's flight." Gu Qingying said.

“Then I’ll send you to the airport tomorrow.” Chen Dong squeezed out a smile.

Gu Qingying’s expression changed for a moment and nodded, “Okay.”

A meal was finished.

Gu Qingying drove straight home.

Chen Dong walked on the street, blowing the night breeze, but his heart was a little bitter.

He thought that Gu Qingying had forgiven him.

But Gu Qingying’s words just now, “Let’s take one step and see what happens”, clearly showed that he had not yet looked past the last incident with Genting Sky.

However, he did not pursue the matter to the bottom.

In the world of adults, sometimes if you are too inquisitive, you won’t even be able to be friends.

Raising his hand, he hailed a taxi.

Once he got into the car, Chen Dong leaned back in the seat and looked out of the window at the night scene, dazed.

Gu Qingying had come back at a time when he was most distressed.

In his heart, Gu Qingying had long been on a par with his mother.

Now Gu Qingying’s departure was as if a part of his heart had suddenly been taken away, leaving it empty.

Back at the Tianmen Mountain villa area.

In the living room, the lights were on.

Li Lan, Elder Long, Kunlun and Fan Lu were all there.

Watching the television and chatting idly.

Chen Dong smiled, and no longer looked as dishevelled as he did a moment ago.

The scene in front of him felt like home.

“Mom, Elder Long, what are you guys chatting about?”

Chen Dong smiled as he walked over.

“Dong’er, back so late again, have you eaten?” Li Lan’s mouth was complaining, but her eyes were full of heartache.

And Chen Dong also saw that his mother’s eyes were a little red, obviously she had just cried.

“I ate, I ate outside with Xiao Ying.” Chen Dong did not ask more questions.

Since Elder Long had arrived, just now was considered the first time the two of them had met.

It was only reasonable to talk about some things from back then that had stirred up his mother’s red eyes.

“Where is Little Shadow?”

Li Lan looked behind Chen Dong and said in mock disappointment, “Such a nice girl, why didn’t you bring her home on a big night?”

Chen Dong froze for a moment, then reacted and rolled his eyes, “Mom, why didn’t I realise you were so immodest before?”

A word that caused the four of them to laugh out loud.

Chen Dong also laughed along with them.

Sitting together, they chatted idly for a while.

Chen Dong then took the lead and went back to his room.

Lying on his bed, he did not feel like sleeping and looked at the ceiling, pondering over the things that Elder Long had said at noon.

He had, after all, thought of the Chen family too simply before.

Although that father, whom he had never met before, was the head of the Chen family, he did not have a hand in the Chen family after all.

And his birth would inevitably become a sticking point for the old lady to stop his father.

However, he didn’t care too much about that.

As long as Dingtai now pre-sells all the properties in the shantytown project in the west of the city, he is fully confident that he will be able to ride on this east wind and rocket upwards.

Even without the secret help of the Chen family, he has nothing to fear.

The wild and the elite, really not an insurmountable gulf!

What Chen Dong cared about was what had happened back then!

According to what Elder Long said, his father had already become the number one of the Chen family at the age of 20 back then, and it would not be too much to say that he was the pride of the heavens.

Why did he come together with his mother?

Why did the foundation that was originally left behind disappear after leaving?

He did not believe that his mother would rather work a few jobs every day and live through a disease, while throwing away the foundation left by his father.

The old man's words were a direct reference to his mother.

He could not solve such doubts for the time being, so he could only wait for a suitable opportunity to ask his mother.

The answer was in his mother's heart.

In a trance, Chen Dong thought of Gu Qingying again, and his mood once again became melancholy.

What had been a peaceful day had once again become an up-and-down mood because of the return of Elder Long and the departure of Gu Qingying.

At that very moment, the phone rang.

Chen Dong frowned, picked up the phone and took a look, and instantly froze.

It was Zhou Yanqiu calling!

Why was Zhou Yanqiu calling at this late hour?

Puzzled, Chen Dong picked up the phone, "What can I do for you, Mr Zhou?"

"Chen Dong, are you free tomorrow night? Let's get together, or let me be a peacemaker." Zhou Yanqiu said with a smile.

Chen Dong frowned: "What kind of peacemaker?"

Zhou Yanqiu curbed his laughter and said in a deep voice: "At tomorrow's dinner party, Zhou Zunlong will also come. I know about your feud with him, so I want to make peace with it.

Chen Dong raised his eyebrows and hesitated.

Last time, because of Kunlun and Fan Lu, he and Zhou Zunlong had a falling out.

Not to mention anything else, he had stabbed Zhou Zunlong in the thigh with a knife.

This was a feud that Zhou Zunlong, given his origins, would definitely not put aside, and the only thing he could do was probably to stop dwelling on it.

There was no room to make peace!

However, Zhou Yanqiu had helped him, he could not afford to brush off his face, so he still nodded and agreed: "Okay, what time tomorrow, I will definitely be there."

"Eight o'clock at night!"

On the other hand, Zhou Yanqiu hung up the phone.

Pushing the glasses on the bridge of his nose, he looked at the person in front of him with a smile, "Tomorrow night, you'll be able to meet him."

## **Winner Takes All Chapter 89-90**

### **Chapter 89**

Eight o'clock in the evening.

Chen Dong rushed to the "Jade Spring Villa" outside the city.

This was Zhou Yanqiu's property and the venue for this engagement, and it was also a famous private club in the city.

It had to be said that Zhou Yanqiu could really call the shots in the city!

However, to be on the safe side, Chen Dong had brought along Lone Wolf.

Zhou Zun Long was Zhou Yanqiu's rival, and the fact that the two had fought for so many years without a win was proof enough of Zhou Zun Long's strength.

At the dinner table, if Zhou Zunlong wanted to get into trouble, Zhou Yanqiu really might not be able to stop him!

The taxi stopped at the entrance of the Jade Spring Villa.

Chen Dong and Lone Wolf got out of the car and walked towards the inside of the Villa.

“Mr. Chen, is there really still a possibility of reconciling your relationship with Zhou Zun Long?”

Lone Wolf knew the purpose of the trip, and as a follower, he should not have asked more questions, and had restrained himself along the way, but when he reached the entrance, he finally could not restrain himself.

The bottom line was that Zhou Zunlong was a notoriously desperate man in the city, and he was worried that tonight's meal would be detrimental to Chen Dong.

“No.”

Chen Dong said dryly, “Whether it's the revenge from last time or the future development of Din Tai, Zhou Zun Long and I are complete opposites, but since it's Zhou Yanqiu's invitation, face must still be given.”

The lone wolf's gaze flickered as he said worriedly, “Then the safety .....

“In case something goes wrong, capture the thief first!” Chen Dong said in a deep voice.

“Two, this is a private club, you can't enter without an invitation or reservation.” The security guard at the door stopped Chen Dong and Lone Wolf.

Lone Wolf's expression was solemn: “What? Is Zhou Yanqiu not here?”

The security guard changed his expression and hurriedly bowed, “Sorry two, I didn't know you were guests invited by Mr Zhou, please follow me.”

With that, the security guard turned around and said over the intercom, “A car.”

Soon, a substitute car drove out from inside the lodge.

After inviting Chen Dong and Lone Wolf into the car, the security guard immediately ran to the front of the car and led the way.

As a security guard at the lodge, he was not qualified to ride in the same car with Mr Zhou's guests.

Along the way, Chen Dong also looked at the scenery of the lodge with interest.

He had only heard of the Jade Spring Villa before, but this was the first time he had come in.

The mountainous surroundings, together with the lights and the smoke from the stream, made the entire villa beautiful and fairy-like at night.

An antique style building stands and is scattered throughout the entire area of the lodge.

Even with a car for walking, it took ten minutes to reach a single antique building.

“Sir, it’s here.”

The security guard ran wildly for ten minutes without changing his face and turning around respectfully to bend over.

“Let’s go.”

Chen Dong led Lone Wolf out of the car.

At the door, there stood two tall beauties dressed in red cheongsams.

Seeing the two of them approaching, the two cheongsam beauties simultaneously obliged themselves to salute, and after rising, the two of them simultaneously took a step forward and pushed open the door, making a gesture of invitation.

From the beginning to the end, not a word was said.

But the mannerisms, however, revealed an extremely high level of literacy.

This was the life of a rich man?

Chen Dong glanced at the two cheongsam beauties, such beauty, when placed outside, should have already attracted those young rich kids to fall under their skirts.

But at the Jade Spring Villa, they were merely welcoming guests!

The luxurious and classical interior decoration, the melodious sound of the zither, the fake mountain and the fake water, the gurgling of the water with the sound of the zither, add a new dimension to the mood.

Next to the rockery and water, there is a round table with a capacity of twenty people.

Not far away, a screen was also erected.

“Sir, please wait a moment, Mr. Zhou will be here soon.” The cheongsam beauty leading the way let out a melodious voice like a yellow warbler.

Chen Dong nodded, and when the flag-robed beauty went out, he made a point of surveying the screen opposite.

Lone Wolf frowned and looked over in confusion as well.

“Mr. Chen, what’s wrong?”

“There’s money!”

Chen Dong said with a straight face, “Real fucking money!”

Lone Wolf was dumbfounded.

Chen Dong raised his finger and pointed at the screen, blushing, “The material of Huanghuali, and at least a few hundred years old, is an antique in itself, and the painting on it, if I’m not mistaken, should be the painting saint Wu Daotzu’s ‘Scroll of the Eighty-seven Divine Immortals’, which is an important treasure worth a lot of money!”

Speaking excitedly, Chen Dong smashed his mouth for a moment, “It’s actually gotten here, as a screen!”

Lone Wolf’s pupils dilated, his face full of shock: “Isn’t this a bit too defeatist?”

Chen Dong did not deny it and took a deep breath, suppressing his shock as he gazed at the Eighty-seven Divine Immortals Scroll on the screen.

He still had some attainments in antiques, after all, he was in the real estate business and could not be ambiguous in his dealings with people.

The Eighty-seven Immortal Scrolls on the screen was not an imitation or a forgery at all, but a genuine painting of the Saint!

But he really didn’t expect that the Jade Spring Villa would be so extravagant as to use a painting by the Saint as a backdrop!

Meanwhile, outside the house.

Zhou Yanqiu, who had hurriedly arrived, had just reached the door when he heard Chen Dong’s words inside the house.

Surprised for a moment, he gestured for the two welcoming ladies to be silent, before walking into the house with a smile.

Pop, pop, pop!

A round of applause rang out.

Chen Dong and Lone Wolf turned back to look.

They saw Zhou Yanqiu walking in with a smile on her face, her hands still clapping.

“Good, Chen Dong, you kid have a knack for recognising this pair of Eighty-seven Divine Immortal Scrolls.”

Zhou Yanqiu unabashedly appreciated, “I’ve had this painting here for several years and countless visitors have come and gone, except for the current master of Chinese painting, Zhao Qinglong, who has recognised it, you are the second!”

Chen Dong smiled modestly, “Mr Zhou is joking, I only know a little.”

Zhou Yanqiu was full of smiles, but his gaze fell on the screen painting, after a slight pause.

He smiled and said to Chen Dong and Lone Wolf, “Take your seats first, Zhou Zun Long should be here soon.”

After taking his seat, Chen Dong and Zhou Yanqiu chatted idly.

After only five minutes, Zhou Zun Long’s loud laughter rang out from outside the door.

“Mr. Zhou, you have put in a lot of blood this time, you have actually opened up the Heavenly Pavilion of the Jade Spring Villa.”

The name of this room was “Heavenly Pavilion”.

When Chen Dong entered the house just now, he took a special glance at the plaque on the door frame, but he was a bit confused, after all, it was the first time he came to the Jade Spring Villa, so he did not understand the meaning of “Heavenly Pavilion”.

Zhou Yanqiu pushed his eyes on the bridge of his nose, got up and said with a smile, “Since it’s Mr. Zhou, of course my Heavenly Pavilion has to be opened!”

Zhou Zun Long walked in with his two subordinates.

Hearing Zhou Yanqiu’s words, he said with a fake smile, “You’re complimenting me, aren’t you? I have been to your Jade Spring Villa so many times, how many times have you opened the Heavenly Pavilion? I know the rules of your Heavenly Pavilion, it will not be opened easily unless a true dragon has descended!”

With that, he turned his head and gave Chen Dong a thumbs up, “Not only do you have guts, you seem to be a real dragon, otherwise Mr Zhou would never have opened the Heavenly Pavilion for you!”

He acted and spoke as if the last incident had never happened at all.

“Mr. Zhou is joking.” Chen Dong smiled blandly.

Zhou Zun Long’s words and actions at this moment were clearly the doings of a smiling tiger.

However, he also understood the rules of this Heavenly Pavilion from Zhou Zun Long’s words!

It was just that, just as Chen Dong and Zhou Zun Long were talking.

Zhou Yanqiu, however, pushed his glasses, without a trace, glanced deeply at the screen and smiled faintly .....

## **Chapter 90**

At the wine table, things went exceptionally well.

The atmosphere was warm as glasses were pushed and exchanged.

This was something that both Chen Dong and Lone Wolf had not expected.

Zhou Zunlong was notorious for his fierceness, so it was obvious that he could not easily let go of the grudge he had formed that night.

On the contrary, at the wine table, he was all smiles and toasted Chen Dong frequently.

The meal lasted for more than an hour.

Until Chen Dong led Lone Wolf out of the Jade Spring Villa, he was somewhat unmoved.

“Brother Dong ..... what the hell is going on tonight, I’m a bit confused.”

Lone Wolf was so drunk that he was already speaking with a big tongue, and most of Chen Dong’s wine was actually blocked out by him.

Chen Dong rubbed his face to clear his head of his drunkenness for a few moments.

His gaze was deep and thoughtful, “I can’t see it either, with Zhou Zun Long’s reputation for being completely vindictive, there’s no way he’ll stop there because Zhou Yanqiu is a peacemaker, and my identity.”

“That’s strange .....” muttered Lone Wolf, stumbling and falling drunkenly into Chen Dong’s arms.

Chen Dong smiled bitterly and looked back at the security guards of Jade Spring Villa, "Brother, can you give us a ride, you can't stop a taxi here."

The purchase of a car could not wait.

When Chen Dong and Lone Wolf had just left in the Jade Spring Villa's car.

A black Maybach, slowly drove out from Jade Spring Villa.

In the car, Zhou Zun Long no longer had a smile on his face and stared shadily out of the window.

And beside him, sat Zhou Hao.

Zhou Hao had come with Zhou Zunlong tonight.

Zhou Zunlong had called him along, but of course it was not to listen to Zhou Yanqiu's lecture on peace.

In this city, only Zhou Zunlong had asked others to make peace, and no one had ever asked him to do so!

But when he arrived at the lodge, Zhou Zun Long took a phone call and temporarily told him to stay in the car, instead Zhou Zun Long himself went into the Heavenly Pavilion.

"Brother, what the hell is going on?" Zhou Hao still had a cast on his leg, and after sitting for so long, his leg had already hurt, but he still couldn't help asking, "Did you really make peace with that bastard Chen Dong?"

"Bullshit!"

Zhou Zunlong opened the window and spat a mouthful of alcoholic spit outside, saying coldly, "If I really wanted to make peace with him, why would I bring you along tonight? I brought you here because I want to avenge you!"

Zhou Hao's gaze was fixed, "Then why did you suddenly change your mind just now?"

Zhou Zun Long looked a little helpless, his voice low, "Inside the Heavenly Pavilion, there is someone else!"

"Who?!"

Zhou Hao's expression changed greatly.

In this city, even Zhou Yanqiu did not dare to fight hard against his cousin, he really could not think of anyone else within the Heavenly Pavilion who could make his cousin suddenly change his mind.

“Don’t ask too many questions!”

Zhou Zun Long gave Zhou Hao a fierce glare, scaring him into blushing and not daring to pursue the question.

With that, Zhou Zun Long looked out of the window in a deep voice.

In fact, he did not know who else was actually inside the Heavenly Pavilion.

The phone call just now was made to him by Zhou Yanqiu, and the phone call also gave strict orders not to take revenge this time.

He said that he was making peace, but in fact, he wanted to find an excuse to let Chen Dong go to the Heavenly Pavilion and let that person have a look.

In normal times, Zhou Zunlong would have ignored Zhou Yanqiu’s words and let them go as if they were a fart.

However, Zhou Yanqiu’s words made him change his mind.

“If you want to die, do it in front of him, when he gets angry, even the King of Heaven in this city can’t guarantee that you can walk out of the Heavenly Pavilion gates!”

A word that made Zhou Zun Long hesitate before he finally gave up on the idea of retaliation.

And he was also clear that the reason why Zhou Yanqiu opened the Heavenly Pavilion this time was neither because of him, nor because of Chen Dong, nor because of any ridiculous talk like making peace.

The reason for opening the Heavenly Pavilion was because of the one in the Heavenly Pavilion!

“Heh!”

Suddenly, Zhou Zun Long sneered and looked at Zhou Hao with raised eyebrows, “Rat, is Chen Dong walking ahead of us?”

“Yeah, that bastard is also a strange one, he’s even the boss of Din Tai, but he doesn’t have a car, just now at the gate, I even saw him asking someone from Jade Spring Villa to give him a lift.” Zhou Hao was a bit unsure.

Zhou Zun Long wiped his bald head and laughed fiercely, "This Maybach of mine, it's been a long time since I had a car accident!"

After saying that, he kicked the back of the driver's seat, "Drive faster and get into a car accident!"

"Got it, Brother Long."

Zhou Hao's eyes lit up and he looked at Zhou Zun Long excitedly, "Brother, are you, are you planning to take revenge for me?"

Zhou Zun Long slapped the top of his head and said in a deep voice, "What revenge? It was just a simple and sudden car accident."

"A car accident is fiercer than a tiger, who knows when it will happen?" Zhou Hao's eyes twinkled as he happily agreed.

The black Maybach let out an engine roar that sounded like a roaring beast, and its speed skyrocketed.

Meanwhile.

Jade Spring Villa, inside the Heavenly Pavilion.

Zhou Yanqiu leaned back in his chair, still holding the hot sober tea in his hand.

Just now, he had also drunk quite a lot of wine in order to round things up.

However, with his drinking capacity, he was only slightly drunk.

After drinking the sobering tea, his condition had also recovered considerably.

Removing his gold-rimmed glasses, he raised his hand and rubbed the corners of his eyes and the bridge of his nose.

Only then did Zhou Yanqiu smile and ask, "How do you feel?"

In the large Heavenly Pavilion, the sound of the zither had already stopped by now, and the only thing that was left was the gurgling of water in the false water of the false mountain.

It was clearly Zhou Yanqiu alone, yet he was asking.

"Mm."

A voice that was calm, even giving an incomparably cold sound, suddenly came from behind the screen.

Immediately after, a young man wearing casual clothes and about one meter seven tall slowly walked out from behind the screen.

The young man was probably in his thirties, average looking, wearing a pair of black-rimmed glasses, giving a sense of a sober and introverted ..... honest man.

It's the kind of person who can't be found immediately when thrown into a pile of people.

Only a pair of eyes, under the black-framed eyes, bright, incomparably sharp gaze.

The young man walked slowly to the round table, settled down, looked at the table full of dishes, and, not minding his own business, served a bowl of rice and ate it.

"I'll have them re-make it for you, it's too degrading for you to eat this." Zhou Yanqiu looked at the youth in surprise.

"Doesn't matter."

The young man's movements were slow as he ate, and with every move, he exuded a very comfortable feeling, not making people feel slow or anything wrong, obviously trained from childhood.

Zhou Yanqiu also stopped dwelling on it, but smiled and said.

"You were really composed just now, when Chen Dong noticed the screen, I thought he had found you out."

"If you found out, you found out."

The young man had a bland look on his face.

From before Chen Dong and the others had entered the Heavenly Pavilion, he had already settled behind the screen, and through the gap, he could see everything on the dining table.

It was only because of the position the screen was in that it allowed those on the outside, to see the screen, but not the darkness behind it.

But even when Chen Dong noticed the screen just now, and even when he was able to meet Chen Dong's gaze through the gap.

His emotions did not ripple in the slightest, it was as if he never saw any ripples in him, there was a consistent calmness.

“You’re calm enough, it’s lucky that I reacted quickly just now and pulled on the Eighty-seven Immortal Scrolls, otherwise if I let him keep staring, I guess he would have found you.”

Zhou Yanqiu put his gold-rimmed glasses back on and gazed at the youth.

With his experience, he had never seen such a calm person before.

“A man who has achieved greatness should not change his face when the Tai Shan Mountain collapses in front of him!”

The young man calmly put down his bowl and chopsticks, then his eyes stared at Zhou Yanqiu like a hawk: “Are you saying this to me to claim credit?”
