Chapter 10 The Bond

WITCHES LUST

Episode 10

#Riley

I went out the window and took my time before jumping. As soon as I hit the ground, I remained still to make sure I wasn't heard... After that.. I ran to the forest to where Christen was.. Everywhere was dark and silent, and it was starting to scare me for the first time.

The necklace was still glowing while in my pocket, Christen was still there.. Within minutes, I had arrived to the place.. I bent down to catch my breath.. I looked around to see if I could find her.. But she wasn't there.. Suddenly, a tree branch coiled around my legs, it turned me upside down dragging me straight up,.

Seconds later, I was high above the ground.. I prayed silently to make sure the branch won't let go because if I fall... I'm definitely going to die.. As the branch turned me around, I saw Christen with a book, she signaled the branch with her hand and made it drop me next to her.. So all this time she was up here? Women no matter what they look like... They always have problem.

Riley "Christen..

Christen "Why are you late? I've been waiting here for 30 mins..

Riley "Sorry, i had to deal with some issues..

Christen "You disobeyed your mom's order and came all the way here!

Riley " (shocked) How did you...

Christen "Never mind.. You won't understand.

Riley "Anyways how's your day in school?

Christen "As usual.. Annoying.

Riley "Well that's how campus life is.. But you'll soon get used to it.. I've missed you...

Christen "Me too.. Spending time with you is the only thing that gives me joy in that damned place.

Riley " Come on.. You need to hang out with the rest.. They're not all that bad.. Trust me.

Christen "No way.. You know I don't like crowds.. I prefer being in two company, it's more better that way... Three is a crowd you know!

Riley "Okay if that's what you want... Can I ask you something? Apart from you are there any witches out here living with us...

Christen " Of course.. We witches are everywhere.. Schools, hospitals, government sectors.. Everywhere.. We even have a meeting point in every state.. No.. All over the world.. Witches are everywhere..

Riley "Wow.. So why does this necklace glow whenever you're near?

Christen "It's a part of me, wherever I am.. You can find me.. You can even use it to get to where I am..

Riley "How?

Christen "I won't tell you.. It's a magic spell.. And it's a big offense to teach a human magic...

Riley "Come on.. You never know when it might be useful. I promise you I won't use it unless if there's no way out...

Christen kept quiet for a while.. Battling in her mind whether to teach me or not.. Finally she turned around and looked at me straight in the eye..

Christen "Okay.. I will show you.. I'll connect the necklace with you.. So anytime you're not around.. I can find you even if you're in space.

Riley "Okay..

Christen "Open your right hand.

I did as Christen said.. She brought out a strange looking pin from her hair, She pricked her right hand and then mine.. The pin didn't hurt at all.. What happened next surprised me.. Blood gushed out from both our hands and formed like a devil's triangle on our palms..

Christen took the necklace and place it between our palms and then she joined our right hands together...

A white Light glowed brighter in between our palms.. I WS getting scared wondering what was going to happen next but I held on..

Finally the light disappeared and Christen unlocked our hands.. She gave me back the necklace and said nothing.

Riley "So??

Christen "It's done.. You're now a part of the necklace.. As I am.. We can find each other easily without any wahala.

And here's a little instruction to show you how to teleport to where I am.. First of all.. You must spill your blood on the necklace and then call my name and say this words..

"*Metros Respiyette Yiverre*"

Follow these instructions and you get to me in time..

Riley "What were the words again? Metros..

Christen "Listen carefully and repeat after me.. Metros!

Riley "Metros!

Christen "Respiyette!

Riley "Respiyette!

Christen "Yiverre!

Riley "Yiverre!

Christen "good.. Don't forget and don't even attempt to say if you've forgotten.. Is that clear?

Riley "Sure.. Can I where the necklace?

Christen What!? NO! NO! NO! DON'T YOU EVER WEAR IT, DO YOU UNDERSTAND?

Riley " Easy, I was just...

Christen No.. If you want to live the rest of your life, don't ever attempt to do it.. Don't even think about it?

Riley "Why?

Christen "Why? This necklace is called the "Devil's voice", only witches can wear this but if you wear this.. You die instantly..

Hearing Christen saying instant dead made me drop the necklace... So all this time I was close to death without knowing it.. What if I had worn this earlier.. That's means I would have been dead a long time ago..

Riley "JESUS CHRIST! You knew this the whole time and you. Didn't tell me? What if I had worn this?

Christen "Well, you didn't.. So no problem but be warned.

Riley "Why did you choose that devilish name for a beautiful necklace like this?

Christen "I didn't, my mom did.. She created the necklace.. The necklace was created to eat those who lie.. Anyone that wears this necklace and lies even if its for a good cause.. gets eaten..

Riley " (scared) By what?

Christen "I don't know.. But my sister Rose has told me that the necklace contains a very evil and scary creature, she claims it's so frightening that Even witches are afraid of it..

Riley "Mokpe!!! Hold it.. I don't want it anymore... Besides it's yours..

Christen "You can't refuse It.. You're part of it now..

Riley "I don't want to die young!

Christen "Please you'll be fine.. Just don't wear the necklace and keep it out of sight.. Okay?

Riley "Sure..

Christen "Damn! It's getting late.. I have to get home.. Can you return home on your own?

Riley "After what you just told me.. No..

Christen " (laughs) Awwn.. Little Riley is scared... Alright I'll take you home.. Hang on tight..

Christen elevated the branch we both sat on into the sky and flew us home.. I held her tightly of course.. I was hundreds of miles above the ground.. But what I enjoyed was watching the view from the sky.. It was lovely.

Minutes later we arrived at my house, I snuck into the window and then into my room.

Christen popped her head in looking inside my room..

Christen "Hmm your room is stuffy..

Riley "Mind your business.. It's not that bad..

Christen "Well I'm not coming into this dump.. See you tomorrow..

Riley "Come here jare!

I grabbed Christen's arm pulling her inside my room, I laid her on the bed and kissed her lovingly.. She wrapped her hands around my neck, kissing me as well.

I fondled her breasts, kissing her neck.. Christen moaned seductively, she held me tight as I kissed her.. As we were busy enjoying ourselves... Lionel woke up abruptly and saw us.. He had a surprised look on his face.. Before he could do anything.. Christen waved her hand at Lionel and he slumped back to his bed.

Riley "What did you do to him?

Christen "don't worry, I just put him back sleep that's all... Let's continue...

We continued kissing and fondling each other's bodies.. My dick got hard and I rubbed it on Christen's vaginal area.. In that moment.. She pushed me off pulling back herself.

Christen "No... We can't..

Riley "Why?

Christen "Please...

Riley " Okay I'm sorry..

Christen "I'm sorry too.. I have to get home now..

Riley "Yeah.. Good night.. See you tomorrow then.

Christen "Okay bye..

Christen instantly disappeared out of sight. I began to suspect she was afraid of sex or maybe she's a virgin. I don't know. But if she doesn't want to have sex with me.. That's fine.. Just as long as we're together...
