

## Chapter 11 No Sex

#WITCHES\_LUST

#Episode\_11

#Christen

Man, that was close... I like Riley but having sex with him... No way.. I'm a virgin and its not like I don't want to have sex.. But doing this with Riley would make us bond together even more.. And I don't want that.. Not when I've gone through the trouble of teaching him magic and told him a lot... I've sure broken a lot of rules already and taking this next step with Riley.. would be choas.

After I left Riley's house, I went straight back home.. As I entered the house, I noticed everywhere was quiet... Then all of a sudden, i heard a scream 🗣️, it was so loud and from the sound of it., whoever was shouting was in a terrible pain... I rushed in quickly to see who it was, as I got to where the sound was coming from.. I was surprised.. It was coming from Rose's room.

I quietly opened the door and gasped as I saw what was going on..

Rose was sitting on the couch, eating Popcorn 🍿, while she watched her helpless victim, shouting in pain.. The victim was a human, a male in fact and from the looks of it.. He was a young guy.... His body was in mid air and his hands and legs were parted and tied with chains... Barbed chains and on the chains were black scorpions heading straight towards the guy, They were many in number, they stung him hard and good.. The poor guy wriggled in pain.. Believe me the sight was horrible, his body was soaking in his own blood,.... But this wasn't all.

The next thing I saw was bees 🐝, honey bees were stinging the guy's dick, his balls were swollen and reddish... It was disgusting... And on his chest were leaches, very big ones sucking out his blood and underneath the guy was purgatory flames 🔥.. A small portion of hell's flames only we witches can summon... Rose laughed as hard as she could as the guy screamed in pain...

Guy " ARRRGGGHHHH!!! ARRRRGGGGHHHH!!

Rose " (laughs wickedly) Yes! yes! yes! scream even more... Please me with your scream.. Oh what joy.. Scream baby, scream..

Guy " Please Rose.. Please... Don't kill me.. Please.... Arrghhhhhh..

Rose " (laughs) HA! HA! HA! HA! HA! HA! HA! HA!

Guy " CHINEKEME (O! My God) !!! PLEASE.. ROSE.. PLEASE!!!

Rose " (laughs) Oh how hilarious.. You want me to stop?

Guy " Yes please...

Rose. " Okay!

Rose snaps her finger and the guy falls down, the bees, scorpions and the fire all disappear, but the guy's body was badly ruined.. I felt sorry for him.. As the guy was trying to stand up, Rose then stops laughing and looks at him.. Her stare was vicious and deadly, I knew she wasn't done with him.. She stretches her hand and begins to summon something even worst..

Rose " Feradé\_Ayinfré\_Samanos!

After that, a dark circle opens underneath the guy's feet and then out of the circle Spikes of flame emerge penetrating the guy's body, skewering him like suya, and then demons.. Ugly demons emerge and begins to eat the guys flesh... The guy shouts but before he could finish his head is being swallowed and eaten by another demon, I watched in horror as the guy's head crunches inside the demon's mouth.. Within minutes, they eat his flesh whole leaving only his bones....

After that, Rose snaps her fingers and everything disappears within an instant.. The dirt and blood in her room disappeared as well, Soon her room was clean as it was before....

Christen " Rose, what was that all about?

Rose " Oh Christen! Did you enjoy the show?

Christen " You mean slaughter.. Rose what did this guy do to you?

Rose " What guy?

Christen " The guy you just killed now..

Rose. " Oh you mean Obinna? Never mind him..

Christen " Sister, this is not funny! It's getting out of hand..

Immediately I said that, Rose snapped her finger and I felt my breath fading.. I couldn't breathe, somehow she blocked my respiratory system to stop me from breathing.. My heart was beating slowly and my visions were getting blurry.. I tried to beg Rose to stop but I couldn't talk.. Was she going to kill me? I'm here sister for crying out loud.. I should have just minded my business in the first place.

Just then Rose snapped her fingers and my breath came back to normal.. I coughed so hard, gasping for breath.. My eyes was red and tears were gathering around them.

Rose " Listen Christen.. You're my sister and I love you dearly but don't think you can talk to me like your mate.. Or have you forgotten what I'm capable of.. I'm your older sister and I demand respect.. The next time you do that again.. Trust me.. You don't want to know.

Christen " I'm.. s.sorry!!

I quietly stood up and left her room, I couldn't believe Rose did this to me.. She had never did this to me before ever... Maybe I had underestimated her evil intent.. I went to my room, crying... For the for time in my life.. I was starting to get afraid of Rose.

If care is not taken, she might kill me some day.. From now on.. I'm distancing myself from her..

As I laid on my bed, Rose came into my room and sat next to me.. From the look on her face I could tell she was regretting what she had some to me..

Rose " Christen, I'm really sorry!

Christen " Get away from me!

Rose " Come on little sister, I'm sorry, I didn't mean to hurt you... Are you crying?

Christen " What do you care if I cried?

Rose. " Look, I'm sorry okay!?! I won't do it again.. You know I would never hurt you..

Christen " Yeah right.. I bet you'll treat me like that Obinna guy next!

Rose " Haba! I may be that wicked and cruel but not that much.. I can't hurt my sister.. Besides that pig had it coming.. He attempted to drug my drink while we were at the club last night.. I understood he wanted to have sex so I gave him what he wanted but to my disappointment, He wasn't that good, he couldn't even last a minute.. So..

Christen " So you killed him?

Rose " Yes.. Besides he did drug my drink and tried to have his way with me.. I don't need to tell you what that is.. "Rape".

Christen "Okay fine.. That's justifiable.. But you almost killed me.. That wasn't cool.

Rose " This girl.. How many times do I have to apologize? I'm sorry okay.

Christen " Okay fine..

In that moment, Rose began to sniffle me, I wondered what she was doing that, in that moment, she gave me a straight look.

Rose. " Hmm, I smell a human scent on you.. Did you by any chance have sex?

Christen "Sex? No, no, no...

Rose " Why?

Christen " I can't... I couldn't.. I was nervous.

Rose " (laughs) Nervous? Look, I know you're still a virgin.. And having sex with a human is amazing, that is if you find the right man.. The male witches here are too busy to satisfy us.. Like Dad for instance, when was the last time you saw him?

Christen " But still..

Rose " Look, it's fun.. Once you do it with your human toy.. You'll enjoy it.. By the time you're done with him.. Kill him.. Besides what's his name? Your human toy?

Christen "He's not my toy.. He's my boyfriend, he's name is Riley.

Rose " Riley huh? Cute name.. You have to introduce me to him..

My heart jumped as I heard Rose said that.. Introducing her to Riley would be like giving your sheep to a wolf for safe keeping.. There's no way in hell, I'll do that.

Christen " No way.. Uhn-uhn..

Rose " Don't worry, just what to see what he looks like, besides he's scent is so delightful, I wonder how his life force will taste like (licking lips)

Christen " I know what you're thinking and he's mine.. Mine alone.

Rose " Okay, have fun with him.. But remember don't get too emotionally attached, you get me?

Christen "Yes.. I know..

Rose " Good, I'm going off now.. Let's see if I can some poor human being to drain this night.
