

With CEO 11

Chapter 11

She tried hard to control the trembling in her heart, and gradually clenched her hands holding the document into a fist, raising her eyes:

"Secretary MIA."

"Well?"

When she heard someone call her name, Mia thought it was someone from the secretary department.

Who knows, when she looks back, what she sees is Zhao Tong Xin.

Mia's face changed. "What's my assignment for you? Why haven't you gone yet? "

"I just want to tell you, Secretary mia, your eye makeup it's too late! " Zhao Tong Xin does not know where he is from the courage, loudly said this fact.

In this office, female secretaries account for the majority. What these women usually like most is to compare who is the most beautiful. Now, when they hear Mia's eye makeup goes "Hua La", most people turn around and stare at MIA in their spare time.

Even those who had just fawned on MIA moved their eyes.

"Puff..." And then, with a roar of laughter!

Sure enough, Mia's eye makeup really dazed and dyed the lower eye circles, and looked like the national treasure giant panda.

"You Mia was ashamed and angry, and half of her face was red.

Zhao Tong Xin and nothing like, a word put down, did not go to see Mia's angry face, step out of the foot of the high-heeled shoes, fast head away.

"..... Wow... "

Just now several female colleagues who were gathered together all sighed and praised Zhao Tongxin's colleagues with commendable courage. They all changed their faces and looked at MIA.

"..... Zhao, Tong, Xin! I will never let you go

Mia gnashes her teeth and jumps out of her red lips word by word. One day she will sit in the position of Mrs. Jin and see how she torments this brave Zhao Tong Xin!

.....

Quietly waiting for the elevator to the first floor, Zhao Tongxin trotted out of the company's gate. Only at this time did she find something extremely sad. It was going to rain!

She looked up at the sky covered with dark clouds. Occasionally, there was a faint look between the clouds, but in the twinkling of an eye, it was blocked by the dark clouds, and the cool wind blowing from her face was filled with heavy water vapor.

Zhao Tongxin walked quickly to the road and got into a taxi. "Please go to Huanyu building."

"All right!" The driver answered.

Huanyu building is a little far away from Jin family

It's clear that this document can be sent directly by the personnel department, but it's supposed to be done by one of her president's secretaries. It's probably a trick that MIA Gu Yi thought up for her.

However, she has no reason to complain. With her qualifications, Jin's family has become a pie in the sky.

Since I started late, I can only work harder. At least, I can't lose face to that man!

It took a taxi an hour and a half to get to the Huanyu building, and the rain and water outside were about to flood.

Zhao Tongxin paid to get off, a strong wind with rain suddenly blew into her eyes, she can only quickly run into the building, while finishing the wet hair quickly.

It's raining heavily outside. Zhao Tongxin takes a deep breath and goes to the front desk -

she politely puts the document on the counter, "Hello, I'm the Secretary of Jin's group. I send the document to your general manager. Is your general manager there?"

Hearing that it was Jin's plutocrats, the receptionist did not dare to slack off. She said kindly, "please wait for Miss Zhao. I'll make a phone call."

"Good!"

The receptionist picked up the phone and dialed the number. Zhao Tong was waiting patiently, looking

around every scene of Huanyu building.

Because Huanyu building is a film and television entertainment company, even the layout of the hall on the first floor is 3D dynamic, and the design of the corridor is very unique.

The vision drifts between, a few flashing lights in front of one row and pass, followed by crazy footsteps.

"Gu Chen, how do you feel about being a new movie king this time?"

"In just a few years, you have made such extraordinary achievements. As the saying goes, behind a successful man, there must be a woman's support. Have you been married or in love, but don't want to announce it to the media?"

"Mr. Gu, please stay!"

"Gu Chen!"

At the corner of the corridor on the second floor, there were more than 20 media reporters. Some were holding microphones, others were carrying cameras, and the cameras were snapping photos. The topic came one after another.

But they couldn't stop the man in the casual suit. Six bodyguards opened the way for him. Behind him was a young man with the appearance of an agent. He had a long, thin face and a ponytail. He looked like a woman.

They are all helping to stop reporters from all sides with their bodies.

Agent an LAN shrieked, "please let me go! Ah Chen has another studio to shoot. Now we need to hurry. I hope you don't delay time! "

Zhao Tong Xin heard the voice from a distance, and he couldn't help laughing. She suddenly thought of the eunuchs who had cut off their incense in the ancient imperial palace. Isn't that what they said?

At this time, a large group of people came out of the glass window of the Huanyu building. Almost all of them were fans, but they were intercepted outside the building by the security personnel.

"Gu Chen! Male god! My God? It turns out that he really came back after shooting "a woman will love you for me"! Is he going to stay by the river next? "

Yelling incessantly, the more daring fans simply raised the plaque in their hands, shouting in unison, "Gu Chen! Gu Chen! We love you
