She didn't bring an umbrella. Judging from the situation, she couldn't go back for a while.

Zhao Tongxin takes out her mobile phone. It's three o'clock in the afternoon. It will take her an hour or two to get back to Jin's, and it's just five o'clock to get off work. But if the company wants to punch in, it's too late for her!

Just when Zhao Tong hesitates, the mobile phone in his hand suddenly rings!

"I thought I recognized the wrong person, but I didn't think it was you! Zhao, Tong, Xin. "

The last three words are loud!

"I..." Thinking about how to open his mouth, Zhao Tongxin's right corner of his eye leaped and looked far away, and saw a large number of media reporters and fans stepping on the rain.

"Come on! Shoot it! Major news ah, the male god saves the unknown drowning woman in rainy night! Eyes sparkle love
