### **Chapter 471: But I'm Horny Enough (1)**

..

Before she went to bed, Lin Jiayi watched a movie in the home theater in the basement.

She didn't remember much about the content of the movie, but she did remember three scenes.

The first scene was: the heroine and the hero meet for the first time in front of a very smoky barbecue stall.

The second scene was: the heroine invites the hero for supper at the same smoky barbecue stall.

The third scene was: the female lead and the male lead had been separated for eight years, and they finally reunited in front of the smoky barbecue stall.

The conclusion was: Lin Jiayi was craving for barbecue.

She had already finished her bath and skincare, so she didn't feel like going out. Thus, Lin Jiayi thought of the peeping tom that she had been trying to enslave in various ways recently.

Even though it was almost midnight, Lin Jiayi still found the phone number of the Peeping Tom and dialed it without the slightest bit of embarrassment.

The phone rang for a long time before it was picked up. Xia Shangzhou's drowsy voice sounded from the other end, "Director Lin?"

Lin Jiayi harrumphed coldly before starting to issue orders righteously, "You have thirty minutes to go to Little Ge's barbecue on East First Street. Buy whatever they have and bring it to my place."

Xia Shangzhou: "Now?"

Lin Jiayi: "Yes!"

Xia Shangzhou: "Um, CEO Lin, can I order some takeout for you? I'm really feeling a little out of place today..."

Updates by

Lin Jiayi: "Do you know of anyone who has the word 'asking for a beating' written on their face?"

Xia Shangzhou: "I don't know."

Lin Jiayi: "Just Look at yourself in a mirror and you'll know."

Xia Shangzhou: "..."

Xia Shangzhou: "CEO Lin, Please Wait for me. In thirty minutes, the piping hot barbeque will be delivered to you!"

..

Thirty minutes later, Xia Shangzhou appeared at the entrance of the Lin Residence with a huge bag of barbeque.

Lin Jiayi had already instructed the servants to send Xia Shangzhou upstairs if he was to come.

Thus, after the servants opened the door for Xia Shangzhou, they politely gestured for him to come upstairs. "Mr. Xia, Miss Wants you to go straight to her bedroom."

..

Lin Jiayi had recently fallen in love with an App, and it was filled with short videos posted by netizens themselves.

After watching it for a long time, Lin Jiayi also wanted to post a video to have some fun.

Thus, she registered an account and, on a whim, she would take a video and upload it to her account, but she wouldn't send it out.

After hanging up on Xia Shangzhou, she was bored waiting for the barbecue, so she recalled a video she had seen in the hot spring in the afternoon. Thus, she fixed her phone to the tripod and found a particularly good angle, she began filming the video.

"You may not have a house, you may not have a car, but you must have a heart that loves me!"

Lin Jiayi read the lines as she gestured her heart to the camera.

"I may not have a house, I may not have a car, but I'm Horny Enough..."

As Lin Jiayi read the last sentence, she took off her silk pajamas, revealing her beautiful fair and slender shoulders..

..

At the same time, Xia Shangzhou rushed upstairs with the barbecue in his hands. He wanted to knock on the door, but it wasn't locked. He was afraid that he would be tortured by the demoness if he was thirty minutes late, so he couldn't control his strength when he knocked on the door, he actually pushed the door open.

Lin Jiayi, who was still trying to take off her clothes, accidentally ripped the belt on her waist open with a shake of her hand. Her pajamas fell off, revealing half of her back to Xia Shangzhou.

## **Chapter 472: But I'm Horny Enough (2)**

In just a short moment, Lin Jiayi had already put her clothes back on.

A second after she had fastened her belt, she had already grabbed Xia Shangzhou by his collar. Gritting her teeth, she cursed at him while raising her fist and punching him in the face, "You Peeping Tom!"

"Director Lin, Sister Lin, goddess Lin, I didn't see anything. I swear, I really didn't see anything, heroine Lin..."

When Lin Jiayi's fist was only an inch away from Xia Shangzhou's face, she abruptly stopped. "Really?"

Xia Shangzhou nodded furiously. "It's true, it's absolutely true. Lying to you is like lying to a dog!"

Lin Jiayi: "Aren't you?"

Xia Shangzhou looked at Lin Jiayi's fist, afraid that she would really come at him, and without any hesitation, he replied, "Woof, woof, Woof."

Only then did Lin Jiayi release Xia Shangzhou.

Xia Shangzhou heaved a sigh of relief, secretly rejoicing that it was a close call.

However, just as he shouted those two words, Lin Jiayi suddenly asked for no reason, "How's My Figure?"

Without any hesitation, Xia Shangzhou immediately praised, "It's good, it's exceptionally good. The figure of a world-class model..."

Before he could finish his words, Lin Jiayi grabbed his collar once more, "Didn't you say that you didn't see anything?"

"? ? ?"are all members of Boss's family monkeys? Why are there so many tricks up your sleeve?

Xia Shangzhou was stunned for two seconds, without the slightest hesitation, he said, "I didn't see anything, but that doesn't stop me from praising you. CEO Lin, in My Heart, you are the most perfect person. Whether it's your figure, IQ, or looks... all in all, you are flawless. You are the spokesperson of the goddess, the representative of the Man's dream lover..."

Updates by

Without saying a word, Lin Jiayi stared at Xia Shangzhou with her beautiful eyes for a moment before letting go of his collar once more.

Having narrowly escaped death, Xia Shangzhou didn't even dare to take a deep breath before handing over the takeout bag in his hands. "CEO Lin, Here's Your Barbecue!"

Lin Jiayi opened the bag and took a look inside. Taking a deep breath, she reverted back to her usual swift and decisive attitude. "Take it away."

"Take it with you?"Xia Shangzhou was confused. "CEO Lin, aren't you going to eat it?"

"Of course I'm not going to eat it. I'm on a diet, so of course I'm not going to eat it. This is called the plum blossom quenches my thirst. Do you understand?"

If I'm not going to eat it, you still want me to buy it? Xia Shangzhou didn't dare to voice his anger.

"From your expression, it seems like you have a problem with me?"

"I don't dare, I don't dare. I'm just stunned by CEO Lin's literary skills. I even know the story of the plum blossom quenches my thirst. A straight-a student!"

She hated it the most when people called her straight-a student, because she hadn't even passed her exams yet... Lin Jiayi, who felt that she was being ridiculed for no reason, lifted her leg. Just as she was about to knock Xia Shangzhou down, her phone rang.

Afraid that the person who had called her in the middle of the night had something urgent to attend to, Lin Jiayi shot a warning glance at Xia Shangzhou and gestured for him to Scram.

“Goodbye, director Lin.” As if he had just been pardoned, Xia Shangzhou grabbed onto the barbecue and fled.

After Xia Shangzhou disappeared from the bedroom, Lin Jiayi walked over to her phone and took a look at the caller ID. It was Lin Jiage.

Happy! It seems like the foolish son of the landlord is here to deliver money!

A smile crept up on Lin Jiayi’s face as she hung up on Lin Jiage’s call without any hesitation. After which, she sent him a text message: [ the other party needs RMB to activate the chat mode. ]

..

After receiving the text message, Lin Jiage sent her a red packet. Without waiting for Lin Jiayi to respond, he went straight to the point, [ I’ll give you a choice. Yaoyao can sleep with me tonight, or she can sleep with another wild man. ]

—

### **Chapter 473: Gently Breaking Three Of Your Legs (1)**

After receiving the message, Lin Jiage sent a red packet. Without waiting for Lin Jiayi to reply, he went straight to the point, “I’ll give you a choice. Yaoyao can sleep with me tonight, or she can sleep with another wild man.”

Lin Jiayi accepted the red packet and replied, “You scoundrel! I Won’t choose either!”

After being scolded, Lin Jiage calmly sat on the sofa in front of the floor-to-ceiling window of the hotel. With his phone raised, he calmly typed, “Alright then, I’ll let Yaoyao Sleep with another wild man tonight.”

Lin Jiayi: “Since my Yaoyao is so obedient, you’re definitely slandering my Yaoyao. I’ll tell Grandpa to use his crutches to break your legs!”

Obedient? She’s already cheating on him, how is she obedient? She’s clearly being perverted!

Lin jiage chuckled in his heart. “Based on what I know so far, Yaoyao went out for supper with a man she met online, and they’re still staying at the same hotel...”

Lin Jiayi: “I’m making it up! Keep making it up!”

Lin jiage: “Believe it or not, don’t cry later!”

Lin Jiayi: “I’m afraid that you’re going to cry even harder than I am!”

Lin jiage sent a string of crying emojis: “I’m already crying.”

Lin Jiayi:“...”

Lin Jiayi:“...”

Lin Jiayi: "..."

Lin Jiayi: "Alright then. Compared to a random man, I'm more willing to accept you tarnishing my Yaoyao."

Updates by

Lin Jiayi: "Tell Me, how do you want me to help you? Let me get this straight. Even though I've chosen to sleep with You Tonight, sleeping with Yaoyao isn't a verb. If you dare to do anything to her, I'll tell you this: Lin Jiage, I'll personally teach you a lesson. I Won't break your legs as gently as Grandpa did. I'll break three of your legs very gently!"

Lin Jiage directly sent a voice message and explained in detail what he had asked Lin Jiayi to do.

When the voice message was sent, he saw a new message on the screen.

Lin Jiayi: "Non-friendship help, ."

Lin Jiage: "Don't worry, you'll be satisfied with the remuneration."

After hearing Lin Jiage's voice message, Lin Jiayi, [ I refuse! By asking me to do this, aren't you asking me to lie to Yaoyao? Yaoyao is so adorable, how can you have the heart to lie to her? Let me tell you, Lin Jiage, I won't betray Yaoyao! ]

A moment later, Lin Jiayi sent another message: [ how much is it? ]

Lin Jiage: [1888]

Lin Jiayi: [ \$? ]

Lin Jiage: [ Sure. ]

Lin Jiayi: [ I'm not satisfied. ]

Lin Jiage: "...if you're not satisfied, why are you still sending a dollar sign?"

Lin Jiage: [ add another 8, \$. ]

After sending this message, Lin Jiage thought to himself, this scammer Lin Jiayi, if I still don't agree to it, I'll have to think of another way. I Can't keep spoiling her like this!

Lin Jiayi: "I'll think about it."

It was as if Lin Jiage had lost his memory, and he had completely forgotten what he had just thought of. He replied: "Add another 8, \$."

Lin Jiayi: "Deal!"

Lin Jiage transferred the money.

Lin Jiayi received the money.

Lin Jiayi: "ATM, wait for My Good News!"

Lin Jiage ignored Lin Jiayi.

He leaned back on the sofa for about a minute before his phone rang. It was a wechat message from Lin Jiayi.

It was a screenshot.

It was a screenshot of the wechat moments she had just posted: [ I'm Looking for help from the Almighty wechat moments. Is there anyone in Shenzhen? I'm in urgent need of help, please wait online... ]

Below it was a line of very small words: [ Yao loves ice cream ] only.

#### **Chapter 474: Gently Break Three Of Your Legs (2)**

After confirming that there was nothing wrong with Lin Jiayi's moments, Lin Jiage narrowed down the screenshot, and a few new messages popped up on his screen.

Lin Jiayi: "It's not that I want to criticize you, Lin Jiage, but you're really too cheap!"

Lin Jiayi: "How did you come up with this social circle that can only be seen by Yaoyao alone?"

Lin Jiayi: "ATM, do you know that other people are either sultry or flirtatious, but you're really flirtatious!"

Lin Jiayi: "What Should I do? Little Brother, Yaoyao is ignoring me. Did she not see my social circle?"

Lin Jiayi: "It's not that I want to criticize you, Lin Jiage, but what kind of rubbish idea are you thinking of? You Can't control it at all, Alright? Yaoyao doesn't want to see her social circle, so no matter how many messages you ask me to send, it's useless..."

Lin Jiage didn't ignore Lin Jiayi's rambling message and directly entered her moments page. After which, he scrolled through the content many times and found a relative from a distant family to send a link asking for a favor to haggle over the price, after which, he forwarded the message to his moments page. Similarly, he chose to only see [ Yao loves ice cream ] and sent it out.

After successfully sending the message to his moments page, he returned to his chat page and sent a message to Lin Jiayi: [ you should repost the content of your moments page. ]

After thinking for a moment, Lin Jiage felt that if Shi Yao had more friends, Lin Jiayi's moments page might be suppressed. Thus, he sent another message: [ no, repost it three times... five times! ]

After confirming that there was no problem with Lin Jiayi, Lin Jiage sent [ Yao loves ice cream ] a wechat message: [ do you have time now? ]

[ Yao loves ice cream ] : [ I haven't finished eating yet. ] Added an aggrieved emoji.

Wronged? I'm so much more wronged than you... Lin Jiage typed silently, "No, I want you to do me a favor. Is that Alright?"

[ Yao loves ice cream ] : "Oh, OH. If you say so, I'll do it."

[111111] : "Enter Your Moments first."

Updates by

[111111] : “Did you enter?”

[ Yao loves ice cream ] : “I did, but I was called out by your message.”

[111111] :” ...”

[111111] : [ Alright, you can re-enter my moments and scroll down. When you find my moments, give me a like... ]

..

Hiding in the hotel for supper, Shi Yao followed Mister Numbers’instructions and re-entered her moments.

Before she could scroll down and search for Mister Numbers’moments, she saw Lin Jiayi’s list of moments.

[ almighty moments, is there anyone in Shenzhen? I need your help urgently, please wait for me online... ]

Below the moments were Lin Jiayi’s replies, as though she was talking to someone. [ is it such a coincidence? CEO Zhang, why are you on a business trip? It’s fine, it’s fine... ]

[ Mr. Song, you’re Too Kind. I didn’t expect this to happen. It’s good that you have such intentions. ]

“Sis Zhang, there’s no need for you to drive all the way back to Shenzhen overnight for such a small matter. I’ll think of something else.”

From the looks of it, SIS Jiayi really did seem to be in dire need of help..

Shi Yao had completely forgotten that Mister Numbers had asked her for help. She immediately sent a message to Lin Jiayi’s moments page and replied, “Sis Jiayi, I’m in Shenzhen. What’s Wrong?”

..

Lin Jiage’s phone rang once more.

He took a look at it, and it was a screenshot sent by Lin Jiayi.

Shi Yao replied to her moments page.

Under the screenshot, there was also a message sent by Lin Jiayi: “Yaoyao has taken the bait. Go and prepare yourself. I’ll give her a call now.”

#### **Chapter 475: Beauty Picking Up A Bear (1)**

Lin jiage carelessly tapped on the screen and sent a message:” .”

This means that I understand.

Lin Jiayi probably went to call Shi Yao, but she didn’t reply to his message.

Lin Jiage put away his phone, walked over to his luggage, rummaged through his clothes, and stuffed them into his school bag.

Just as he was about to leave with his school bag, he suddenly recalled the nonsense he had Lin Jiayi spout to Shi Yao, so he hurriedly took out his wallet from his trouser pocket and tossed it into the safe in his hotel room, after making sure that everything was fine, he flung his school bag onto his back and left the hotel room.

..

After commenting on Lin Jiayi's moments, Shi Yao returned to her wechat page and searched for Lin Jiayi's wechat. Just as she was about to send her a private message to ask what was going on, Lin Jiayi called her.

She stuffed the lotus root slices that she had picked up into her mouth before putting down her chopsticks and answering Lin Jiayi's call.

Due to the food in her mouth, she was too embarrassed to speak out of politeness.

While she was desperately swallowing her food, Lin Jiayi opened her mouth. Even though her tone was as gentle as ever, Shi Yao could still hear a hint of anxiety in her voice. "Yaoyao, are you really in Shenzhen?"

After swallowing everything in her mouth, Shi Yao first called out "Sister Jiayi" before replying, "That's right. I came to Shenzhen today."

"That's Great!" Lin Jiayi seemed to have grasped onto a life-saving straw, and her words were filled with joy. "Yaoyao, it's like this. Just like you, Jiange is also in Shenzhen right now."

Jiange... Lin Jiange... that person who had confessed to her the night before and then disappeared for two months..

Shi Yao's fingers that were gripping her phone paused for a moment, but she didn't make a sound.

Updates by

"However, he's in a bit of trouble right now. I don't know what's wrong with him, but he seems to be in a Daze!" Lin Jiayi didn't forget to reprimand Lin Jiange, after which, she continued, "The reason he went to Shenzhen today seems to be due to a project. He wanted to discuss some matters in person, but I'm not too sure about the details. In any case, there was a mistake in the connection, and the other party went on a business trip while he was in Shenzhen. That's how he missed it..."

"It wasn't a big deal in the first place, but he lost his wallet. In that case, his ID card, bank card, and everything else that could have been in his wallet were all lost along with his wallet..."

Err, his wallet was lost. Could it be that the things in his wallet could still be left behind?

Shi Yao caught the contradiction in Lin Jiayi's words, and she thought that she was too anxious to correct her mistake.

"Without his ID card, he won't be able to open a hotel anymore. It's quite common for people to pay with their mobile phones nowadays, but that unlucky kid also ran out of battery. An hour ago, he called me and asked me for help, but halfway through his words, his phone turned off automatically. I was

worried about him because he didn't have any money, ID card, or battery, so I decided to check with my circle of friends to see if there were any acquaintances or friends who could help..."

After explaining the situation clearly, Lin Jiayi felt as though she had just solved a huge problem in her heart, she continued,"... Yaoyao, it's great that you're in Shenzhen! That unlucky kid is really lucky! Yaoyao, I'll leave that unlucky kid to you to bring him back..."

## **Chapter 476: Beauty Picking Up A Bear (2)**

Picking him up... Shi Yao couldn't help but wonder if Lin Jiage was really Lin Jiayi's younger brother.

This tone, these words... It was as if he was picking up trash... good, perfunctory, perfunctory!

Shi Yao was embarrassed for a moment before saying, "But, SIS Jiayi, Shenzhen is so big, where can I pick him up..."

Er... Sis Jiayi brought him here, I'm going to miss him..

Shi Yao stuck out her tongue and quickly corrected herself,"... Find Him?"

"Yaoyao, does that mean that you've agreed to help me find that unlucky brat?"

This... It seemed like SIS Jiayi was too engrossed in her conversation with her that she didn't even notice if she needed help... However, Grandpa Lin and SIS Jiayi were so kind to her, so for their sake.., she should have helped them out of friendship..

Besides, the weather in Shenzhen during summer was very unstable, and there was a storm just a moment ago. With the strong winds outside, there was a good chance that there would be a typhoon in the middle of the night..

Shi Yao pondered for a moment before replying with a soft "Un", "I still have to go look for him."

"Yaoyao, I really have to thank you on behalf of that Brat. It's all thanks to you, the beauty-picking hero... Oh, no, Lin Jiage isn't a hero at all. At most, he's a bear, a beauty-picking bear... do you think he's stupid? You can even lose your wallet? And you even ran out of battery on your phone? Even calling him a bear is an insult to a bear..."

This time, Shi Yao was extremely doubtful that Lin Jiage wasn't Lin Jiayi's younger brother.

Seeing how Lin Jiayi was constantly spouting insults at Lin Jiage, she could only awkwardly interrupt her, "Sister Jiayi, that other person..."

"Oh..."Lin Jiayi finally stopped insulting Lin Jiage,"... that... when he was on the phone with me, he shared his location with me. Wait a moment, I'll share it with you on wechat..."

Around ten seconds later, Shi Yao felt her phone vibrate.

Updates by

She took a look at her phone, and it was an address that Lin Jiayi had shared with her. She hurriedly replied, "Sis Jiayi, I got it."

..

After hanging up on Shi Yao, Lin Jiayi immediately sent Lin Jiage a wechat message: [ done. ]

Lin jiage replied, "Thank you."

Lin Jiayi initially wanted to ignore Lin jiage, but as soon as she put down her phone, she seemed to have thought of something. She picked up her phone and swiftly typed out a long message, she sent it to Lin Jiage: [ I've already sent the content you requested to my wechat moments, and it's only visible to Yaoyao. ]. After Yaoyao replied to my wechat, I gave Yaoyao a call and told her everything you wanted to say, such as losing your wallet, discussing a project, running out of battery, and so on

Lin Jiage:"? ? ?"

Even though there were only two question marks, Lin Jiayi understood what he meant. He was asking her why she was repeating what he had said in the voice chat.

Lin Jiayi: "The reason why I'm doing this is to prevent things from getting out of hand in the future. If Yaoyao finds out that you and I conspired to swindle her, she'll take a screenshot and tell her that all of this was your idea, and that I was only coerced by you."

Lin jiage sent a screenshot of his transaction records.

Lin Jiayi replied confidently, "This is the proof that you coerced me. You clearly know that I have no resistance to money, yet you still tried to seduce me with money. This is blatant coercion!"

Lin Jiage:"..."

Lin jiage: "My phone is switched off."

..

After ending the call with Lin Jiayi, Shi Yao changed out of her pajamas and headed out to pick Lin Jiage up.

—

It was the 25th of March, and as of today, nearly 120 free days had passed. I would like to thank everyone for their companionship over the past 100 days.

This was the longest free book in my history, and due to my busy schedule from May to June, the free content was much longer than before. As for my expected ending time, it was in December, that is, before the 19th year, I'll let everyone see the main text and the grand finale.

To be honest, my stories aren't that long, and the number of words I have isn't that many either. So, this time, I've really been very kind to everyone. The length of this book is still the same as before. It's about 1,000-1,100. Looking at the babies now., if you look at the following stories, without any discount, it's only about 20 yuan or so. A few bottles of drinks cost a few cents per day on average. So, I hope that everyone can try their best to support the genuine edition, i also hope that after it goes on sale, I can still see the shadows of all the babies. I hope that everyone can accompany Gejia Lin and Yaoyao to finish their story.

Tomorrow night at 24:00 pm, the update will start. I Won't see you until I'm gone, Ha, yes, let's have a wave of activities during the free period. This chapter's commentary will randomly select 50 readers and gift them 500 book coins. Until Tomorrow's update, remember to recommend the tickets, wu Wu Wu

### **Chapter 477: A Beautiful Painting (1)**

After ending the call with Lin Jiayi, Shi Yao changed out of her pajamas and headed out to look for Lin Jiage.

Oh, no, she was going to look for Lin Jiage.

In the elevator, Shi Yao clicked on the address Lin Jiayi shared and took a look at the road.

HM? It was quite a coincidence... Lin Jiage was very close to the hotel she was staying at, roughly a thousand meters away. It seemed like he was on the street behind the hotel... if she were to walk, it would probably only take about ten minutes..

Without any hesitation, Shi Yao decided to walk over.

After all, the priority of money was to buy good food.

Walking to the entrance of the hotel lobby, Shi Yao noticed that it was starting to drizzle outside. She borrowed an umbrella from the concierge before walking into the rain.

Following the directions given by the GPS, she followed a slightly dilapidated path beside the hotel. After walking for about eight minutes, she finally reached the street where Lin Jiage was staying.

Shi Yao was a little map-obsessed. Looking at the Green Indicator on the map, she couldn't tell whether she should go left or right. Thus, she raised her phone and randomly chose a direction to walk in, seeing that she was getting further and further away from Lin Jiage's location, she hurriedly turned around and headed in the right direction.

The remaining distance on the map was roughly three hundred meters.

Shi Yao quickened her pace, and after walking for about two hundred meters, she finally slowed down.

The hotel was located in a rather bustling area, and there were many night snack shops on the street behind it. On top of that, this was the vicinity of the competition venue, so the competition ended relatively late. Basically, no one who was watching the competition had eaten their dinner yet, now that they were all gathered on this street, the crowd was a little mixed.

Shi Yao was a little afraid that she would miss out on Lin Jiage, but as she looked at the map on her phone, the distance between them grew closer and closer, and her footsteps grew slower and slower as well.

Just as she was about to reach the location that Lin Jiage had marked on the map, Shi Yao stopped in her tracks and craned her neck to look around.

Updates by

Due to the large crowd around her, Shi Yao thought that she would have to search for him for a while, but she didn't expect to see him just as she raised her head.

He was wearing a white t-shirt and standing under a street lamp. His posture was calm, and his expression was indifferent.

From his body, there wasn't the slightest hint of embarrassment that sister Jiayi had described at all.

The rain wasn't heavy, but perhaps it was because he had stood in the rain for too long that his hair had gotten wet. A few strands of hair were still dripping from his forehead.

Even so, it didn't affect his beauty in the slightest.

From a distance of more than ten meters away, Shi Yao felt that Lin Jiage didn't look like he was waiting for someone to pick her up. Rather, he looked more like a beautiful painting..

Perhaps it had been two months since they last met, but when they suddenly met, Shi Yao was deeply stunned by the sight of Lin Jiage.

Holding her umbrella, she stood rooted to the spot. It was only when a passerby accidentally knocked her umbrella over that she snapped back to her senses. She hurriedly walked over to Lin Jiage.

Perhaps it was because he had been waiting for too long, but in order to pass the time and think of other things, Shi Yao had already walked up to Lin Jiage, so he didn't have much of a reaction.

The rain suddenly started pouring down.

Instinctively, Shi Yao stretched out her arm and raised the umbrella in her hand to send it over Lin Jiage's head.

Lin Jiage raised his head to take a look at the umbrella above his head before looking straight ahead.

PS: I recommend a book, "So you like me," to everyone. For this chapter, 500 book coins will be donated from 50 readers

### **Chapter 478: A Delightful Painting (2)**

Compared to Lin Jiage, Shi Yao was much shorter. When she was holding the umbrella for him, she instinctively tilted her head upwards. However, before she could see whether the umbrella had been placed on him or not, her gaze first met with his slightly lowered gaze.

Just like that, their gazes met.

In that instant, Shi Yao didn't know what had happened to her, but her heart suddenly jolted violently twice.

The surroundings were bustling with noise and excitement.

However, it was as if someone had cast a spell on Shi Yao's ears, and she suddenly fell silent.

Lin Jiage didn't expect that the person who had come would be her. A hint of surprise flashed across his beautiful eyes, and soon after, a faint smile and warmth surfaced on his face, "Did my sister send you here?"

His voice was as pleasant as ever, pulling the stunned Shi Yao back to her senses.

She nodded furiously and hurriedly replied, "That's right. Sister Jiayi posted it on her moments page, and I saw it. It was only then that I found out about your situation, so I came over to pick you up..."

Shi Yao hurriedly shut her mouth.

She must have been influenced by sister Jiayi to think of picking Lin Jiage up so frequently..

With this thought in mind, Shi Yao hurriedly said, "... I'm here to look for you."

She wasn't sure if Lin Jiage had heard the word 'pick' from her, but from the start to the end, there wasn't much of a reaction on his face. All he did was maintain the same posture as before, staring intently into her eyes, he replied with a light "OH."

Even though it was just a single word, the slightly raised tone of his voice caused Shi Yao's heart to pound furiously.

This is really strange. Why does my appearance seem even more stunning after meeting with him?

Updates by

Was it due to the immunity that he had developed after meeting with her frequently in the past, but now that they hadn't met for two months, his immunity had disappeared?

In order to prevent herself from regaining her composure like when she first met him, Shi Yao tried her best to remain calm as she asked, "That... It's been raining for so long, why didn't you find a place to hide?"

"Afraid..." Lin Jiage only managed to say one word before he stopped.

Shi Yao replied, "Hm?"

Only then did Lin Jiage continue moving his lips, "I don't have any money."

F\*ck... What a powerful reason. The powerful Shi Yao felt that he had a good reason, but she was actually unable to refute it..

Shi Yao was left speechless by Lin Jiage's words for a few seconds before saying, "Then, let's go."

Lin Jiage nodded. "Alright."

Shi Yao turned around and faced the direction of the hotel.

She was short while he was tall, so it was a little difficult for her to hold the umbrella.

Lin Jiage took a glance at her arm, which was trying its best to reach up, and a hint of a smile crept into his eyes that even he himself didn't notice. However, after a brief moment of admiration, he reached his hand toward the handle of the umbrella.

His fingertip touched her hand.

Shi Yao's entire body trembled slightly as she abruptly raised her head to look at Lin Jiage.

Lin Jiage raised his head and glanced at the edge of the umbrella, which was dripping with water droplets, before saying, "Let me do it."

Even though his words were very simple, Shi Yao knew that he was trying to open the umbrella.

She replied with an “Oh” before hurriedly releasing the handle of the umbrella.

Lin Jiage lifted the umbrella and tilted it slightly in Shi Yao’s direction before following her footsteps.

His legs were long, and his steps were large. As such, the way he walked beside her made it seem as if he was taking a stroll.

Along the way, they didn’t talk much.

When he was about to reach the entrance of the hotel, he tilted his head slightly to take a look at the top of her head.

### **Chapter 479: 36W Wild Man (1)**

He couldn’t help but think of what she had just asked him: “It’s been raining for so long, why didn’t you find a place to hide?”

He almost blurted out, afraid that you wouldn’t be able to find him.

When the words were on the tip of his tongue, he realized that he had almost let it slip.

After all, in her eyes, he didn’t know who would come to pick him up..

In fact, there were a few minutes before she came, and the rain was really heavy.

He hated rainy days the most, and he hated the wet feeling of the rain on his body the most.

But he never thought of walking away.

He just stood there indifferently, letting the rain fall on him.

He was really afraid, afraid of such terrible weather, afraid of not seeing him the first time she came in such a dark night..

Thinking about it, it had been almost two months since he last saw her... He really missed her.

He had always known about it.

It was only when she stood before him that he realized that it wasn’t that he really missed her, but that he really missed her.

..

Back at the hotel.

As soon as Lin Jiage stepped into Shi Yao’s room, the first thing he did was to put on an act and ask Shi Yao, “Do you have a charging cable?”

“I do.” Shi Yao walked around the room, and after which, she trotted over to the bedside table, unplugged her own charging cord, trotted over to Lin Jiage, and passed him the charging cord.

Lin Jiage didn't pick it up. Instead, he passed his phone over to Shi Yao.

Shi Yao raised her head to look at Lin Jiage in confusion, and it was only after a moment that she realized that Lin Jiage was asking her to charge his phone for him.

That seems to be the case... There's no need for me to unplug the charging Cord. I'll just take his phone and charge it..

Shi Yao cursed herself for being so stupid. Taking Lin Jiage's phone, she ran back to the bedside table and plugged the charging cord back in. After which, "Search newn0vel.Org on google"she charged Lin Jiage's phone, "It's done."

Lin Jiage replied politely, "Thank you."

After a brief pause, Lin Jiage, who was the mastermind behind the scene, spoke up once more, "Sorry for troubling you tonight. I'm really sorry."

Feeling a little embarrassed by how polite Lin Jiage was, Shi Yao waved her hand and said, "It's fine, it's fine."

Seeing that Lin Jiage's hair was still wet, Shi Yao thought of how long he had been drenched in the rain, and she hurriedly asked, "Do you want to take a hot shower? You might catch a cold."

Lin Jiage replied with an "Un"before pointing in the direction of the bathroom. "I'll go take a shower first then."

Shi Yao nodded with an "Un un", signaling for him to hurry up.

Lin Jiage took out his clothes from his bag and headed to the bathroom.

Just as he was about to enter the bathroom, he suddenly thought of something and stopped in his tracks. "Oh right, there's something else I need your help with. Can you help me send a message to my sister..."

Shi Yao knew that Lin Jiage was asking her to tell Lin Jiayi that she was safe, so she nodded her head in agreement. Then, she picked up her phone and tapped on the screen, at the same time, she said, "I'll send a message to sister Jiayi right away."

Lin Jiage thanked her once more before stepping into the bathroom and closing the door behind him.

Just a second after he told Lin Jiayi that he was safe, the sound of running water could be heard coming from the bathroom.

When Shi Yao put down her phone, she couldn't help but glance in the direction of the bathroom. She didn't know what was wrong with her either, but her ears suddenly began to heat up, and she hurriedly retracted her gaze.

## **Chapter 480: 36W Wild Man (2)**

The room in the hotel wasn't too big, so her gaze once again fell on the bed in the hotel.

It was fortunate that the room that team AE had booked for her was a double-bed room... if it was a double-bed room... then wouldn't she be sleeping on the same bed as Lin Jiage Tonight..

With this thought in mind, the two separate single beds in front of Shi Yao's eyes slowly merged together, turning into a double-bed. After which, she and Lin Jiage lay on it..

Heavens, what is she thinking about!

Shi Yao was startled by what she had just imagined. She quickly turned her head around, and her gaze fell on the bathroom door once more.

The sound of running water was still going on..

She looked at it for less than a second before she averted her gaze.

This time, she didn't even dare to look at the bed beside her. Instead, she closed her eyes and turned her head to the floor-to-ceiling window. Only then did she dare to open her eyes to look at the rainwater flowing down from the window.

The sound of running water could still be heard clearly in the bathroom facing the back of her head..

Shi Yao could clearly feel her ears burning, and even her neck and cheeks were burning.

After an unknown period of time, the sound of running water finally stopped.

For some reason, Shi Yao heaved a sigh of relief.

The entire hotel room suddenly became exceptionally quiet without the sound of running water.

A moment later, the bathroom door was pulled open.

Shi Yao subconsciously turned her head to look at Lin Jiage, who had changed into a casual outfit, walking out while wiping his wet hair.

Perhaps it was because Lin Jiage noticed her gaze on him, but in his movements, he raised his head and glanced at her face.

As soon as she met his gaze, the images that she had just imagined flashed across her mind. Feeling a little guilty, she couldn't help but lower her eyelids to avoid his gaze. After which, she shifted her gaze from side to side, in the end, she turned her attention to the unfinished takeout she had ordered.

Cold crayfish, spicy duck neck, spicy lotus root slices, milk..

These were originally cold, so she could still eat them.

Firstly, it was to cover up her guilty conscience, and secondly, she thought that Lin Jiage might not have eaten dinner yet, Shi Yao said, "Right, have you not eaten dinner yet? Are You Hungry? Before I picked you up, I ordered takeout, but I didn't eat much. Do you want some?"

Hearing Shi Yao's words, Lin Jiage's gaze followed her gaze, and he saw several takeout boxes placed on the small table by the floor-to-ceiling window.

Back then, he had sent her a message saying that she was having a late-night snack. Was She... Having a late-night snack in her hotel room? Wasn't she having a late-night snack with that wild man with 360,000 followers?

"Your late-night snack was eaten in your hotel room?"

Hearing Lin Jiage's question, Shi Yao shot him a curious glance, "That's right..."

It was already so late at night, and she was the only one in the unfamiliar Shenzhen. If she wasn't eating takeout in her hotel room, where else could she eat?

Shi Yao couldn't help but look at Lin Jiage curiously, "... is there a problem?"

"No, there's nothing wrong with it," Lin Jiage replied nonchalantly, but deep down, he was already snickering.

He knew that his soft bun was a very obedient girl. She wasn't the kind of girl who would act perversely!

Besides, even his confession had been rejected. For that 360,000-year-old wild man to ask soft bun out on a date, that was simply wishful thinking..

And those two idiots from 501, they lied about the military's intelligence. What do they mean by having an affair with another man? His wife clearly looked just like little white yang, with her red roots growing tall and straight..
