### **Chapter 481: Food Misleads People (1)**

But speaking of which, even though it was a false alarm, it was still worth it to be in the same room as soft bun...

With this thought in mind, the corners of Lin Jiage's lips couldn't help but twitch upwards, "It's pretty good."

For the third time, Shi Yao glanced at Lin Jiage in bewilderment.

As soon as his gaze met hers, Lin Jiage's face immediately calmed down.

What do you mean by 'fine'? Why do I feel that Lin Jiage is acting so strangely... Shi Yao glanced at Lin Jiage for a moment, but she couldn't find anything strange about him. Thus, she retracted her gaze and asked once more, "Do you want to eat it?"

Lin Jiage knew that she was referring to the late-night snacks. Even though none of those things were his favorite, they were what she had asked him to eat. Even if it was poison, he would still gladly eat them.

"I want them..." after replying to Shi Yao, the corners of Lin Jiage's lips curled up once more.

Seeing that Lin Jiage had agreed, Shi Yao moved the takeout food from the small table onto the large desk.

After which, when Lin Jiage walked over, she took out a pair of disposable gloves and passed them to him.

Actually, Shi Yao wasn't that hungry after eating a little back then, but she wasn't particularly resistant to delicacies. Seeing that Lin Jiage was slowly eating, she couldn't help but put on a pair of gloves and start eating as well.

Seeing that Shi Yao was eating happily, Lin Jiage, who didn't really like to eat such things in the first place, decided not to eat anymore. Instead, he directly fed the shelled shrimps to Shi Yao.

At the start, Lin Jiage placed the shrimps in a takeaway box that was relatively close to Shi Yao's place because Shi Yao was still eating.

Later on, she finished all of the shrimps he shelled, and Lin Jiage conveniently passed the newly shelled shrimps to Shi Yao.

Later on, when Shi Yao was unwrapping the milk, she didn't have the time to catch the shrimps with her hands. When she saw Lin Jiage placing the shrimps in front of her, she instinctively opened her mouth, and Lin Jiage was stunned for a moment, then, he carefully placed the shrimps into her mouth.

Updates by

Because there was something to eat, Shi Yao didn't notice anything amiss. It wasn't until Lin Jiage placed the last shrimps into her mouth and accidentally touched the corner of her lips that she slowly came to her senses, Lin Jiage was feeding her with his hands..

Even though he was wearing disposable gloves, and even though the gloves were filled with the scent of crayfish, she could still clearly feel the warmth of his fingertips..

Shi Yao's face suddenly reddened, and she suddenly recalled that she was the one who had opened her mouth to feed the prawn that Lin Jiage had passed to her.

So... she was actually the one who had asked him to feed it?

Ahhhh!

Shi Yao suddenly wished that there was a crack in the ground so that she could hide in it.

How embarrassing! How could she have dared to make such a bold request of him? !

This was a case of beauty misleading people... no, delicacies misleading people..

Shi Yao squatted down on the toilet bowl, trying to compose herself. After making sure that she was thick-skinned enough to pretend that nothing had happened, she walked out of the bathroom.

The mess on the table had already been cleaned up.

Even the takeout box had disappeared.

Shi Yao thought that it was probably because Lin Jiage had ordered the waiter to take it away while she was still lost in her thoughts in the toilet.

It was already very late. In order to avoid awkwardness and to pass the night as quickly as possible, Shi Yao pointed to the bed where Lin Jiage's phone was charging and said, "You can sleep on that bed."

"UN, Alright," Lin Jiage agreed readily.

### **Chapter 482: Food Misleads People (2)**

Perhaps he was really tired, so after replying to her, he walked over to his own bed.

There were two beds in the hotel room, and even though Shi Yao was alone, she had "Ruined" both of them.

By "Ruined", she meant that when she went to the competition to dress up for her idol, the clothes she brought with her were scattered all over the place.

Lin jiage noticed that there were quite a few pieces of Shi Yao's clothes scattered all over the blanket, so he didn't mind it. Thus, he naturally reached out and tidied up her clothes before placing them on the sofa beside her.

But just as he was tidying up her clothes, his movements suddenly came to a halt..

Shi Yao had forgotten that she had left her clothes scattered all over the place. After chatting with Lin Jiage, she went to grab her phone to play with it, so she didn't pay any attention to what Lin Jiage was doing until she accidentally made a move.., from the corner of her eye, she caught a glimpse of Lin jiage standing by the bed, not moving at all. She couldn't help but turn to look at him curiously.

Lin Jiage was staring at a certain spot on the bed sheet. There was an indescribable expression on his face, and his cheeks and ears were also slightly red.

This was the first time Shi Yao had seen Lin Jiage like this.

He looks like he's shy... Shy? This doesn't match up with Lin Jiage's attributes at all. But speaking of which, is there anything on the bed sheet that makes him so shy?

Shi Yao craned her neck to take a look, but she didn't get a good look at him. Thus, she stood up and walked over to Lin Jiage.

"What's Wrong?" Shi Yao asked when she was about to reach Lin Jiage's side. But before Lin Jiage could reply, her gaze had already landed on the bed — a pair of white underwear, lying quietly on the bed sheet, her face suddenly began to burn..

Almost out of reflex, Shi Yao darted over and took her panties away. Then, without even daring to look at Lin Jiage, she lowered her head and slipped away from him.

Due to this small incident, the atmosphere in the hotel room became even quieter and more ambiguous.

Shi Yao sat back down at a distance away from Lin Jiage, but no matter how hard she tried, she couldn't calm herself down.

Updates by

She discreetly lifted her eyelids and glanced over at Lin Jiage, wanting to treat her, but the man was much calmer. He leaned against the headboard of the bed, holding his phone in his hand, and it seemed like he was turning it on.

So, why don't I learn from him and pretend like nothing happened?

But the moment she thought about how her underwear was laid out in front of him, she, she really... couldn't calm down..

Shi Yao tried her best for a long time, but to no avail. Thus, she began racking her brain for other ways to divert her thoughts.

She thought for a long while, and then she suddenly remembered that she hadn't clicked on [111111]'s likes yet..

Shi Yao hurriedly opened wechat and clicked on [111111]'s moments.

After clicking on it, she realized that [111111] had shared a 'likes' and 'discounts' event in her moments.

A tycoon like Mister Numbers was actually interested in a 'likes' and 'discounts' event?

Even a tycoon could live a better life than her... she felt ashamed..

While Shi Yao was thinking about it, she was also curious about what Mister Numbers wanted to buy. Thus, she clicked on the link and took a look.

[48 thumbs-up, 99 Yuan Box of underwear to bring home! ]

Er... she was here to divert her thoughts away from her underwear. Why did she bump into a pair of underwear?

Shi Yao was just about to unlink from the link when she saw that it was a pair of women's underwear.

### **Chapter 483: Lin Jiayi vs Lin Jiage (1)**

Female, sexual, underwear?

Mister Numbers is a man, so why would he buy female underwear? Could he have some bad habits?

Shi Yao couldn't help but reply to [111111] with a message: [ I've given you a like. ]

[ Yao loves ice cream ] : just that, why did you buy those things

Following the success of Shi Yao's wechat message, Lin Jiage's phone, which had already been turned on, began ringing several times.

Shi Yao couldn't help but glance over at Lin Jiage.

..

Lin Jiage was the first to open Shi Yao's message. After reading the content, he frowned slightly before running over to his moments page to take a look.

After seeing what he had bought with his likes, three words suddenly popped up in his mind: F \* ck!

Why are there so many scammers around me?

With this thought in mind, Lin Jiage returned to the message page and typed a few words back to Shi Yao: [ I bought it for my sister. ]

..

Who sent this message to Lin Jiage? Why is he gritting his teeth so hard..

If you can't speak, then don't speak. It's really immoral to make others angry...

Updates by

Just as Shi Yao was deep in thought, the phone in her hand suddenly vibrated.

Lowering her head, she saw Mister Numbers' reply.

Shi Yao believed it, but she still asked curiously, "You actually have an older sister as well?"

Following the success of her message, Lin Jiage's phone rang with a Ding Dong.

Shi Yao didn't pay too much attention to it, and her mind was still focused on her underwear.

However, both mister numbers and Lin Jiage had older sisters. Yet, one of them was able to calmly buy her older sister's underwear on wechat, and the other blushed upon seeing her underwear... who would have thought that.., lin jiage actually had such an innocent side to him. In comparison, why did it seem like she was even more brazen than him?

Soon, [111111] :“?”

Probably afraid that [111111] wouldn't be able to make sense of it, [111111] quickly added, “Why do you ask?”

[ Yao loves ice cream ] : “It's because I know someone who's as rich as you, and he has an older sister as well. However, his older sister is extremely good-looking, extremely beautiful, and extremely capable. The word 'goddess' was tailor-made for her.”

A second after Shi Yao sent the message, Lin Jiage's phone suddenly rang.

Because it had happened twice in a row, Shi Yao couldn't help but take another glance at Lin Jiage.

..

This... He must be the one I'm talking about, right?

But her evaluation of him was only 'quite rich'?

And her evaluation of Lin Jiayi was 'extremely good', 'extremely beautiful', and 'extremely capable'... and 'goddess' as well?

Does the distinction have to be so obvious?

Lin Jiage replied with two words on his face: “From what you've said, you prefer his sister to him?”

..

Huh? The expression on Lin Jiage's face... it seems like he's gritting his teeth even more than before?

Is that the same guy he was texting with? All provoke people angry, how that person does not know how to restrain under... really have no eq!

Shi Yao shook her head with a tinge of regret before lowering her head to take a look at [111111]'s reply.

Lin Jiayi versus Lin Jiage?

Shi Yao replied without any hesitation, “Of course! Big Sis is a great person. Don't I Like Big Sis More? I like Big Sis the most!”

And then, Lin Jiage's phone rang with a Ding Dong.

Following which, Lin Jiage tossed his phone out.

And then, Shi Yao turned her head to look at Lin Jiage..

#### **Chapter 484: Lin Jiayi vs Lin Jiage (2)**

Is this the person who just messaged me... has he angered me to the point of exasperation?

That person isn't just lacking in EQ, he's simply lacking in IQ..

Shi Yao glanced at Lin Jiage sympathetically before lowering her head to take a look at her phone.

Mister numbers hasn't replied to her message yet, and because of Lin Jiage, she's still unable to sleep..

With this thought in mind, Shi Yao sent another message to [111111] : [ do you want to play some games? ]

Lin Jiage's phone, which he had tossed onto the ground, suddenly rang with a 'Ding Dong'.

Shi Yao glanced at Lin Jiage's phone, and then at Lin Jiage, only to see that he was completely unmoved.

He's really pissed off... to think that he won't even look at his message anymore. Can't you tell that Lin Jiage has some backbone..

Just as this thought formed in Shi Yao's mind, Lin Jiage, who was lying expressionlessly on the bed, got out of bed and picked up his phone.

Er... this... can I still take back what I just said?

Shi Yao discreetly raised her hand to touch her face, and deep pain welled up in her heart.

A new message appeared on the phone in her palm.

[111111] : [ come. ]

Shi Yao replied with a 'cute'emoji before logging into the game on wechat.

Updates by

..

Lin Jiage, who had been tormented by Lin Jiayi, wasn't in a hurry to log into the game, instead, he stared unwillingly at the message Shi Yao had sent him: [ of course, Big Sis is great. Don't I Like Big Sis More? I like Big Sis the most! ] After which, he sent a message to Shi Yao indignantly.

Shi Yao had already put on her earphones because she was playing a game, so Lin Jiage didn't hear the notification from her phone. However, not too long later, her message appeared on his phone screen: [ Alright! ]

Lin Jiage sent out the message that he had typed out beforehand: [ if the Big Sis You like and your favorite snack fell into the water at the same time, who would you choose to save? ]

..

This question... was very simple!

Without any hesitation, Shi Yao typed back: [ Save the Snack! ]

That was because sister Jiayi knew how to swim, and not only did she know how to swim, she even had a diving license and knew how to surf..

With this thought in mind, Shi Yao vaguely heard a notification through her earpiece, and she subconsciously turned to look at Lin Jiage.

..

Lin Jiage wasn't sure what Shi Yao was thinking, but when he saw her instant reply, he was instantly healed.

So what if Lin Jiayi abused him? wasn't she still defeated by snacks?

I really don't think there's anything for me to gloat about... After all, I'm still the one who's the most miserable..

After stuffing his earpiece into his ear, Lin Jiage sent Shi Yao a message that he was worried about for some reason before the game started: [ don't tell me... you have some sort of preference for older sisters? ]

If Soft Bun replied that he did, what would he do?

Heh... justice forbids family!

Soon, Lin Jiage received Shi Yao's reply: [ what nonsense are you spouting! Elder sister and I are friends. Do you understand friendship? ! Friendship can't be love! ]

Friendship can't be love... Alright then. Since he hadn't become Soft Bun's lover yet, he could accept the temporary importance of Lin Jiayi's friendship in Soft Bun's heart..

After being completely healed, Lin Jiage replied with two words: "Game" before entering the game.

..

Did the person who made Lin Jiage angry just now come back to coax him again? He seemed to be in a better mood..

### **Chapter 485: I Am Your Mother (1)**

Did the person who had just angered Lin Jiage come back to coax him again? It seems like his mood has turned for the better..

Un, it seems like that person isn't so stupid that he can't be saved. He's still barely salvageable..

While her mind was running wild, Shi Yao saw [111111]'s message. She knew that he was asking her to meet him in the game, so she didn't reply to him. Instead, she directly entered the game.

..

As Lin Jiage and Shi Yao were in the same room.

Lin Jiage was afraid that she would find out that [111111] was his account, so after entering the game, he turned off the sound of the game's microphone before inviting [ Yao loves ice cream ] to join the team.

After Shi Yao entered, Lin Jiage instinctively wanted to start the game.

But before his fingers could touch the screen, he could vaguely hear Shi Yao's voice.

As he was wearing earphones, he couldn't hear her clearly. However, it didn't take long for her voice to come through the earphones, "Wait a moment..."

Lin Jiage thought that Shi Yao had something to attend to, so he raised his head to look at her. She was curled up on the sofa in front of the floor-to-ceiling window, not moving at all.

He frowned slightly. Just as he was about to retract his gaze and ask her what was wrong, he saw her lips moving, and her voice came through the earphones as well, "... I want to make a friend."

As her voice fell, Lin Jiage lowered his head and saw that there was one more person in the game room.

That person plays is the female horn, the name actually calls "bean sprout TV shortage year".

Bean sprouts, famine years, 36,000 wild men?

Updates by

He doesn't show up, he shows up?

Well, it's a narrow road..

But then again, a man playing a woman, this is the legend of the Big Eagle Cute Girl?

Just as Lin Jiage was racking his brain, Shi Yao suddenly spoke up once more, "Almighty, let me introduce you to my new friend, a live streamer!"

So what if I introduce him? And he's even introducing him in such a grand manner... Lin Jiage felt as if the jealousy in his heart had turned into a whole row.

[ Yao loves ice cream ] : "Do You Know About Douya TV? Desolate year belongs to that platform. He's a huge live streamer, and he has hundreds of thousands of fans!"

He knew about Douya TV. After all, the owner of Douya TV was still very polite to him, but desolate year didn't know about it... As for the big streamer, that was even more ridiculous, wasn't it? Did Soft bun misunderstand the word 'big'?

Hearing Shi Yao's adoring introduction, Lin Jiage felt the jealousy in his heart turn into another row.

[ desolate year ] asked, "Dad, who is he?"

Dad? Lin Jiage frowned. Is He calling him 'Dad'?

Hehe... he sure has a sweet mouth, but there's no use calling him 'grandpa'..

With this thought in mind, Lin Jiage tapped on a question mark on the screen and sent it out:"?"

[ Yao loves ice cream ] explained, "He's calling me 'Dad'."

Lin Jiage:"? ?"

[ Yao loves ice cream ] : "Two days ago, when I was playing the game, he was knocked down by someone and asked me to save him. As long as he's alive, he'll Call Me Daddy. After that, I successfully saved him, and that's how it ended..."

[ desolate year ] : "That's right. That's what Daddy said."

A while ago, soft bun said that she was his husband, and now, she's saying that he's someone else's father... is she hiding a big brother's heart beneath her soft and adorable appearance?

Just as Lin Jiage's thoughts were running wild, [ desolate year ] spoke up once more, "Father, you haven't told me who this person is yet..."

## **Chapter 486: I Am Your Mother (2)**

[ Yao loves ice cream ] : "Oh, he..."

Without waiting for Shi Yao to finish her sentence, Lin Jiage swiftly tapped on the screen twice, "I am your mother."

[ desolate year ] was probably drinking water when he choked on his words, and a violent coughing sound could be heard.

A 'Pa'sounded from Shi Yao's side, as if something had fallen to the ground.

Lin Jiage calmly raised his head and glanced over at Shi Yao.

It was her phone that had fallen to the ground.

[ desolate year ] finally stopped coughing, and with a slightly skeptical tone, he asked, "Ma... Ma?"

Shi Yao, who had been picking up her phone, heard his words and said, "If we're talking from the perspective of the game world... He's right, he's right..."

After saying those words, Shi Yao added, "... he and I are lovers in the game, and we're also online friends. We were randomly matched while playing the game..."

Why did he have to be so perfunctory when it came to introducing 360,000 wild men?

The jealousy in Lin Jiage's heart continued to boil.

[ desolate year ] : "Oh, so you guys don't know each other in real life either..."

[ Yao loves ice cream ] : "That's right, that's right..."

Heh Heh... it's none of your business whether you know each other in real life or not.

Besides, he and Soft Bun weren't just acquaintances in real life. Before they were even born, they were already a family, alright?

With this thought in mind, Lin Jiage typed on his screen, "Darling, can we start the game now?"

[ desolate year ] coughed once more.

Shi Yao's phone fell to the ground once more, producing another 'Pa'sound.

In contrast to the two of them losing their composure, the main culprit, Lin Jiage, calmly lifted his eyelids and glanced at Shi Yao, who was bent over to pick up her phone.

It was fortunate that the place where she was sitting was covered with a carpet. Otherwise, if she were to fall down like this, her phone would probably be ruined, right?

While he was deep in thought, [ desolate year ] suddenly spoke up, “B-husband? Y-you two really know how to play. It’s so exciting!”

[ Yao loves ice cream ] quickly added, “T-that’s enough.”

Facing the duo’s Stuttering Voices, Lin Jiage glanced at the screen of his phone and saw [ desolate year ] , who had yet to prepare his game after entering the room, then, he typed a few more words on the screen, “Son, get ready.”

[ year of desolation ] coughed once more.

By the side, Shi Yao’s hands trembled. It was a good thing that she had her phone firmly in her hand, so she didn’t fall to the ground.

Lin Jiage leisurely leaned against the headboard of the bed and continued tapping on the screen, “I’m sorry, it just slipped out of my mouth.”

After regaining his composure, [ barren year ] stammered back, “It’s... It’s fine.”

Soon after, [ barren year ]’s game was displayed on the screen.

Lin Jiage didn’t type any more words, and he immediately started the game.

After entering Life Island, [ Yao loves ice cream ] asked while matching up with his teammates, “Where should we jump?”

[ desolate year ] didn’t hesitate to add on, “Of course, we’re going to jump into your heart...”

Shi Yao didn’t say anything, but she chuckled softly.

Her laughter was very sweet and soft, but it made Lin Jiage’s heart shudder.

It was exactly the same as the description given by those two idiots in 501. As expected, her words were really flirtatious!

Lin Jiage steadied himself and logged out of the game. He logged into bean sprouts TV and searched [ desolate year ] , only to see that he was livestreaming.

### **Chapter 487: Where’s My Forty-meter Saber? (1)**

Lin Jiage steadied himself and logged out of the game. He logged into bean sprout TV and searched [ desolate year ] , only to see that he was livestreaming.

He switched on his voice chat, and his conversation with Shi Yao was overheard by the fans in his livestream room. Quite a few of them were furiously scrolling through the bullet screens.

— Nian Nian, you’re flirting with my goddess again!

— — Nian Nian, you’ve changed, you’ve become even more flirtatious!

— Nian Nian, hurry up and let my goddess say a few more words. Her voice is really beautiful, and I feel like my ears are already pregnant..

— Haha, jumping from Your Heart, is Nian Nian trying to be Yaoxi's ice-cream-loving lover? Are we going to grow up? Are We Going to get married?

— no, no, no, not get married, get married to dad.

— hahahaha, I forgot, Yaoxi is Nian Nian's dad!

— F \* CK, F \* ck, this relationship is really messy. I've already created a huge scene in my mind..

The bullet comments quickly flooded the screen, but Lin Jiage still managed to catch a few keywords with his sharp eyes.

Flirting, falling in love, getting married..

Just what kind of streamer and what kind of fans does he have! Where is this mother of theirs? !

The jealousy in Lin Jiage's heart was no longer in rows and rows. Instead, it was in rows and rows, so much so that his teeth were aching.

He tried his best to maintain his composure before returning to the game without batting an eyelid.

The system had already matched up with his teammates, and the three of them were already on a plane, heading forward.

Perhaps it was because they hadn't decided where they were going to jump yet, [ Yao loves ice cream ] spoke up once more, "If you guys aren't sure where to jump, I'll mark it, Haha!"

[ desolate year ] : "Alright, Dad."

[ desolate year ] : "It's best if you mark it on me so that you can fly to my side."

Good!

Very good!

It seemed like Lin Jiage hadn't heard anything at all as he stared intently at his phone screen. However, deep down, his heart was already filled with a world of ice and snow.

Not too long after the trio landed, [ desolate year ] spoke up once more, "Dad, I have a quadruple mirror and an eightfold mirror. Can I give you a quadruple mirror?"

[ Yao loves ice cream ] seemed to be very happy, "Sure, sure..."

[ desolate year ] : "Do you know why I didn't give you an eightfold mirror?"

[ Yao loves ice cream ] : "Why?"

[ desolate year ] : "Because I want to aim at you with an eightfold mirror so that I can see your heart more clearly."

Where's My Saber? Where's my forty-meter-long saber? I'm going to slaughter this unfilial son of mine!

A raging fire burned in Lin Jiage's heart.

To seduce his girl right in front of him... this was a direct slap to his face!

He could seduce him, but he couldn't seduce his girl! This revenge was not for a man! He just had to wait..

Fifteen minutes later, the three of them entered the semi-finals unscathed. Then, they met a team around the drug ring.

[ desolate year ] : "Dad, Hide Well. Watch how I beat them up!"

[ Yao loves ice cream ] : "Okay."

After which, she hid behind a huge rock and crawled into the bushes, concealing herself tightly.

As the two teams were relatively close to each other, [ desolate year ] carried the M416 and charged straight at one of the members of the team.

Lin Jiage wasn't in a hurry to shoot. Instead, he waited for [ desolate year ] to fire a few shots at that person. Just as that person was about to fall to the ground, he swiftly raised his gun and knocked that person down.

After successfully snatching [ year of Desolation ]'s head away, Lin Jiage stopped firing once more.

#### **Chapter 488: Where's My Forty-meter Saber? (2)**

After successfully snatching the head of [ year of Desolation ] , Lin Jiage stopped firing once more.

Then, just as [ year of desolation ] was about to take down the second member of the squad, just like before, Lin Jiage waited for [ year of desolation ] to land a few hits on the second member of the squad. While estimating that the other party didn't have much hp left, he raised his gun once more, once again, he successfully took another head.

..

Just like that, the entire group of four was wiped out.

Lin Jiage successfully took a head. Oh, he didn't take four heads from [ year of desolation ] .

Didn't he say that he was going to beat the other party up? And now... not a single head was left. Wasn't that embarrassing?

Lin Jiage was already well-equipped, so he didn't lack any equipment at all. After mocking [ year of desolation ] in his heart, he logged out of the game and sneaked into bean sprouts TV's [ year of desolation ] livestream room.

Just as he had expected, the bullet comments in [ year of desolation ]'s livestream room exploded once more.

— Wow, who is Nian Nian's teammate this time? He's actually so powerful?

— yes, yes. This teammate named 111111 has taken four heads each, and he's going to die every year.

— hahaha, this little brother is really 666666..

— eh? Why do I feel that this name is so familiar?

— on the top floor, I also feel that it is very familiar, as if I have seen it somewhere before..

— Oh, OH, OH, I know, I remember now, ranked second on the rankings, second only to great god Legend's existence..

— F \* ck, I just went to take a look, it really is ranked second, this is a true great god, Worship Great God, Great God I love you..

..

Seeing that the bullet screen had successfully shifted to him, Lin Jiage returned to the game page with great satisfaction.

Isn't he very capable? Trying to steal my soft bun? Alright then... I'll steal his limelight from his fans first..

Next, I'll show him what real showmanship is!

But before I can show him my real acting skills, I have to let [ desolate year ] cool down first..

With this thought in mind, Lin Jiage turned on the mirror and looked around.

There are two people in the east, three people in the southeast..

Lin Jiage put away his gun and glanced at [ desolate year ]'s location on the map. Then, he controlled the characters in the game and leaped to [ desolate year ]'s side.

[ desolate year ] and Shi Yao were lying on the grass, licking the bags of the four people he had just taken away.

Even though the bullet screens in the livestream room were all revolving around him, [ desolate year ]'s words didn't stop. "Daddy, Do You Want A Level 3 bag?"

[ Yao loves ice cream ] : "Yes!"

[ desolate year ] : "What about a level 3 bag?"

[ Yao loves ice cream ] : "Yes!"

[ desolate year ] : "What about the medicine bag?"

[ Yao loves ice cream ] : "Yes, yes, yes!"

[ desolate year ] : "Then..."

As [ desolate year ]'s voice echoed in the air, Lin Jiage suddenly fired three consecutive shots at the three men in the southeast direction.

Each time, he only managed to hit one of them. However, if he didn't kill them, he would have to move on to the next one.

[ desolate year ] : "... I..."

As the second word of [ desolate year ] left his mouth, Lin Jiage, who had just finished teasing the three people in the southeast, stood up. Controlling the screen, he leaped to the bottom of the hill behind him.

As for the three people in the southeast who had been shot by Lin Jiage, after replenishing their HP, they held onto their guns and began aiming at the spot where Lin Jiage had just shot, this was also the spot where [ desolate year ] and [ Yao loves ice cream ] were standing at.

### **Chapter 489: Husband, I Won't Let You Die (1)**

Because [ desolate year ] and Shi Yao were lying in the grass licking their bags, they had no idea that Lin Jiage had already exposed their location, so they weren't on guard against him at all.

Completely unaware of what was going on, [ desolate year ] continued on, "... er..."

Halfway through his 'what', his voice suddenly changed to: "F \* ck!"

Following which, a line of words appeared on his phone screen: [ hairstyle not messed up ] used 98K to knock down [ bean sprouts TV desolate year ] .

What about me? Don't I know how to talk dirty? Keep talking dirty..

Lin Jiage, who had long fled to the southeast where the three of them couldn't see him, secretly gloated over [ desolate year ]'s misfortune.

[ Yao loves ice cream ] : "Someone's there? !"

[ Yao loves ice cream ] : "Where did that person hit you? Why Can't I See Him? What should I do now?"

As Shi Yao's panicked voice echoed in the room, another line of text appeared on the screen: [ hair still in order ] used AWM to knock down [ Yao loves ice cream ] .

Seeing Shi Yao fall, Lin Jiage put away his gun and chose a smoke bomb.

[ Yao loves ice cream ] : "I'm going to get cold too..."

As Shi Yao's voice fell, Lin Jiage accurately threw the smoke bomb in his hand onto Shi Yao's body.

Soon, white smoke rose from Shi Yao's body.

[ desolate year ] : "Throw Me a smoke bomb too..."

Lin Jiage didn't respond to [ desolate year ]'s request.

[ desolate year ] : "... they're starting to hit me now. Bro, hurry up and throw me a smoke bomb..."

It was only then that Lin Jiage slowly raised his hand and began typing.

[ desolate year ] :”... Hurry up...”

[ desolate year ] urged him once more, but before he could finish his words, he had already turned into a box.

A line appeared on the screen of their phones: [ hair never messy ] eliminated [ bean sprouts TV year of famine ] with SKS.

Lin Jiage sent out the message that he had long finished typing: [ I’m sorry, I just picked up a smoke bomb. ]

He had successfully killed 360,000 wild men, and now, it was his turn..

Lin Jiage put away the remaining eight smoke bombs, took out his 98K, and walked up from the slope. As he turned on the camera, he raised his hand toward the southeast.

Following which, a line of words appeared on the screen: [111111] used 98K to knock down [ hairstyle still intact ] .

[ barren year ] saw the words that Lin Jiage had sent to the screen, and he hurriedly replied, “It’s alright, it’s alright.”

As he spoke, Lin Jiage raised his hand once more, and another line of words appeared on the screen: [111111] used 98K to knock down [ hairstyle still intact ] .

The smoke surrounding [ Yao loves ice cream ] started to dissipate, and fearing that she might be killed by someone, she spoke up once more, “I’m out of smoke, should i...”

Before she could finish her sentence, several lines of words appeared on the screen: [111111] used 98K to knock out [ hair still in order ] .

[111111] used 98K to knock out [ hair still in order ] .

[111111] used 98K to eliminate [ hairstyle still unruffled ] .

After clearing out the danger, Lin Jiage put away his gun and controlled his character in the game. He leaped up and down several times before landing beside Shi Yao. Bending over, he placed his hand on her head and began saving her.

..

Seeing that Mister Numbers had come to save her, Shi Yao heaved a long sigh of relief as though she had just escaped death in real life. “Thank goodness, thank goodness, I didn’t die...”

## **Chapter 490: Husband, I Won’t Let You Die (2)**

..

Seeing that Mister Numbers had come to save her, Shi Yao heaved a sigh of relief as though she had just escaped death in real life. “It’s alright, it’s Alright, I didn’t die...”

Very soon, Shi Yao was saved.

Lying on the grass, she began applying medicine.

When she was drinking her drink, she realized that Mister Numbers, who had saved her, was actually squatting beside her, refusing to leave.

She subconsciously wanted to ask him if he had gone offline?

But before she could finish her sentence, a text message from Mister Numbers appeared on the screen, "Husband..."

Husband... husband... is mister numbers... addicted to shouting?

Shi Yao instinctively wanted to ask him if he could pass this joke. She was just playing around last time..

Just like before, she still didn't have the chance to say it out loud. At this moment, another text message from Mister Numbers appeared on the screen, "... I Won't let you die."

Shi Yao froze.

Staring at the message on the screen, she instantly forgot the embarrassing feeling that mister numbers had brought her when he typed out the word "Husband."

I Won't let you die... roughly three seconds later, Shi Yao replayed the message that Mister Numbers had typed out in her mind, and she could clearly feel.., her heart trembled slightly.

Even though it was just a game, and even though she didn't know Mister Numbers in real life, she had to admit that his words... had struck a chord with her..

She stared fixedly at the screen, unable to react for a long moment.

It wasn't until another sentence popped up on the screen.

[111111] : "Let's go, the poison is here."

Shi Yao replied with an "Oh oh" before crawling up from the ground. With a long gun in her hand, she followed behind Mister Numbers and ran into the safe zone.

..

Lin Jiage was much more nimble than Shi Yao in the game.

When he jumped into the safe zone, she was still about a hundred meters away from it.

He found a house and squatted inside. While waiting for her, he logged out of the game and went back to [ year of desolation ]'s livestream room.

Compared to the previous two times he watched it, the bullet comments in [ year of desolation ]'s live stream room could be said to have exploded.

— no, no, I want to quit being a fan every year and go to love the second God on the list!

— I can't take it anymore, what should I do? I was seduced by 111111! His words just now were really too seductive. Husband, I can't Let You Die... sob, sob, I really want to be called husband like this..

— was it my imagination? I actually felt that when 111111 typed this sentence just now, it was full of overbearing doting and gentle protection!

— upstairs, are you writing a novel about an overbearing president falling in love with a petite wife?

— I have to say, the second place on the 111111 list is well-deserved. Those three shots just now destroyed a team, shot through the head, and didn't have any useless operations. This is a slutty operation, this is a god, this is Bullsh \* t!

But, speaking of which, didn't you guys notice a problem? That is, 111111 calls the goddess husband, which means that 111111 is the goddess'wife, and that year is a big light bulb?

— hahaha, so every year is actually just a streamer who eats dog food? Every year you go too far! It's fine if you eat dog food yourself, but you still want to eat it with us!

..

Having succeeded in his evil scheme, Lin Jiage exited [ desolate year ]'s livestream room in satisfaction and returned to the game.

Lin Jiage didn't relax after [ desolate year ]'s death. Instead, he began playing the game even more earnestly.
