

WITH YOU 491

Chapter 491: Is He That Stubborn? (1)

In the final round, Lin Jiage had managed to kill four of Shi Yao's opponents while still keeping her alive. At the same time, he had also successfully led Shi Yao and [year of desolation] to eat chicken.

After the words "Great fortune, chicken for dinner tonight" popped up on his phone screen, Lin Jiage's fingers swiftly moved from the game to [year of desolation]'s livestream room once more.

Without a doubt, [desolate year]'s live stream room was once again filled with a barrage of messages calling for him.

Lin Jiage felt that as a live streamer, especially a live streamer like [desolate year] who relied on his fans for a living, it was unlikely that they would be able to play together after being upstaged by someone they didn't know.

But to his surprise, when he returned to the game room, he saw that Shi Yao and [desolate year] were already prepared.

In fact, [desolate year] was still urging him, "Shall we start?"

"Bro, why aren't you starting yet? Did you drop out of the game?"

Are you that stubborn?

Lin Jiage's eyelids drooped, and he quietly tapped on the Start button.

Since he was so stubborn, he might as well let him... stubbornly smash his head against the wall and bleed!

Lin Jiage hadn't seen Shi Yao for two whole months, and he hadn't played the game together with her either. He really wanted to kick [desolate year] away as soon as possible, so after the second round of the game began.., he wasn't as patient as he was in the first round of the game. Instead, as soon as he landed, he began digging holes for [desolate year] .

The situation was like this —

Lin Jiage brought [Yao loves ice cream] and [desolate year] to the military base.

After Shi Yao hid herself, Lin Jiage leaped into a room, picked up a gun, and began observing the situation.

After he had a rough idea of where the person was, he sent out a message, "There's only one person in the room to the north. Desolate year, you go around from the back, and I'll help you set up the gun from the front. Shall we kill him together?"

[desolate year] replied without hesitation, "Alright."

But in truth, after [desolate year] went around the back and charged into the enemy camp, Lin Jiage didn't have the slightest bit of team spirit and immediately logged out of the game.

As expected, ten seconds later, Lin Jiage heard Shi Yao's voice through his silent earpiece: [desolate year, why are you dead?]

Lin Jiage, who had everything under control, finally tapped into wechat and sent Shi Yao a message: [my phone has run out of battery. It just turned off automatically.]

[Yao loves ice cream] : Oh, I knew it. Why did you suddenly go offline

[Yao loves ice cream] : "Desolate year is dead, and I'm the only one left alive right now. Since that's the case, why don't I log out and start over?"

Lin Jiage replied with a 'yes' before logging back into the game.

Seeing that [desolate year] was getting ready once more, Lin Jiage couldn't help but feel a little uneasy.

Thus, he pretended that nothing had happened as well and continued playing the game.

As a live stream, it would be very disappointing if it ended up in a box.

At the start of the third game, Lin Jiage led a group of four players to [desolate year]'s side. Then, when [desolate year] rushed over to help him, he pretended like someone had called him, he had once again screwed [desolate year] to death.

Just as Lin Jiage's mind was spinning rapidly, wondering what kind of excuse he would have to come up with in the fourth game if [desolate year] still didn't leave on its own accord. Not only would he be able to screw [desolate year] into a box., but Shi Yao wouldn't be able to find any flaws in it either. Thus, [year of desolation] ended its live stream.

Chapter 492: Is He That Stubborn? (2)

Lin Jiage heaved a sigh of relief.

It was fortunate that [desolate year] wasn't so blinded by lust that he didn't care about his own career..

Otherwise, if he didn't leave now, he would really be helpless in the game. What he would have to do next would be to destroy Soft Bun's phone.

However, even though [desolate year] had logged out of the livestream, he didn't immediately log out of the game room. Instead, he reluctantly bid farewell to Shi Yao.

[desolate year] : "Dad, I can't play anymore. My friend asked me to go drink, so I have to go now."

[Yao loves ice cream] : "Alright, bye."

Heh, that's quite a good excuse. If you don't dare to continue playing, then you don't dare to continue playing. In fact, your friend even asked you to go drink..

Lin Jiage's heart was filled with disdain, so he casually tapped on his screen and sent out an "8".

The third wheel was finally about to leave, and his and Soft Bun's private world had finally arrived..

However, before Lin Jiage could rejoice, [year of famine]'s voice sounded in his ears once more, "Right, Yao, I'm inviting you over for supper tonight. Since you're not going, why don't we go back to Beijing and get together again sometime?"

Yao? Go back to Beijing and get together again?

Lin Jiage's heart leaped into his chest once more, and he abruptly raised his head to look at Shi Yao.

Shi Yao looked embarrassed.

So, Soft Bun, is this a No?

Lin Jiage's mood calmed down a little.

[year of famine] probably saw that Shi Yao hadn't spoken for a long time, "It's like this, don't you start school on September 1st? I have a fellow countryman, he's in your university, I don't know if you know him, his name is Song Tiantian, he's from the English department..."

[Yao loves ice cream] : "HM? She's my classmate, and she lives in the dormitory next door to mine..."

No Way! Is this world really that small?

This fellow countryman of 360,000 wild men is actually Soft Bun's classmate?

Lin Jiage's heart felt like it was on a roller coaster ride, and it was once again brought to his attention.

[desolate year] : "What a coincidence! I made an appointment with her to have a meal at your school's canteen on the day your school starts. If you have the time, why don't you come over with her?"

Perhaps it was because she knew someone familiar, but Shi Yao didn't reject the offer, so her answer was rather ambiguous. "Alright then, I'll take a look then. If I have the time, I'll go over with Tian Tian..."

Lin Jiage's heart immediately sank to the bottom.

[desolate year]'s tone was clearly much happier than before. "Alright then, I'll be taking my leave first. You guys have fun, and we'll be in touch then."

[Yao loves ice cream] : "Alright, Alright. Goodbye."

Before leaving, this 360,000-year-old wild man even planted a mine for him..

Gritting his teeth, Lin Jiage pondered for a moment before realizing that [desolate year] had left, leaving only the two of them in the room.

Lin Jiage hurriedly put away his thoughts that had been messed up by [desolate year] . Thinking that he could deal with him later, he typed, "Do you still want to play?"

Shi Yao replied with an "Un".

Lin Jiage replied with an "Un" before starting the game.

Since Lin Jiage couldn't use voice chat, Shi Yao didn't have anything else to say to him, so the game instantly quieted down.

About a minute later, Lin Jiage and Shi Yao boarded the plane in the game.

While flying along the flight path, Lin Jiage sent a message: [where are we going to jump?]

Shi Yao ignored him for a long time.

Thinking that she hadn't noticed him, he sent another message, "Husband, where are we going to jump?"

But there was still no response.

Lin Jiage couldn't help but raise his head and look at Shi Yao..

Chapter 493: The Girl I like, Nice To Meet You (1)

Lin Jiage couldn't help but raise his head to look at Shi Yao.

The girl was holding her phone in her hand, and her head was leaning against the sofa. She was already asleep.

Lin Jiage couldn't help but chuckle. He put down his phone, got off the bed, and walked over to Shi Yao.

As he got closer to her, he took a closer look at her.

Next to her was a floor lamp. The warm yellow light shone on her body quietly, as if a layer of filter had been added to her delicate and fair skin. It was so soft that it seemed like water could be squeezed out..

At that moment, four words popped up in Lin Jiage's mind: skin as smooth as butter.

He thought, these four words must have been tailor-made for soft bun..

Standing beside the sofa, Lin Jiage lowered his head to look at Shi Yao for a moment before slowly bending down to remove the earpiece that she was wearing on her head. Then, he took her phone away from her fingertips, he picked her up.

Lin Jiage used a lot of strength, but when he pulled her into his embrace, he realized that she was really light.

Lin Jiage's eyebrows subconsciously knitted together.

She's so good at eating... why doesn't she weigh anything at all? Calling her a panda, she really is a panda. Isn't she just like a Panda? She doesn't even absorb the food she eats..

While muttering to himself, Lin Jiage carried Shi Yao and walked toward the bed that belonged to her.

His footsteps were very slow. If it was possible, he really did have a little hope that time would come to a standstill, or perhaps, this road would be endless..

Walking to the bedside, Lin Jiage carefully placed Shi Yao on the bed before gently covering her with a blanket.

The light at the bedside was slightly blinding, and Lin Jiage was afraid that it would affect Shi Yao's sleep, so he reached out to switch off the light. However, just as he was about to leave, his gaze involuntarily fell on her face.

Her eyelashes were very long, just like two small fans. Under her perky nose were her lips that were just right in color.

When she carefully examined them, she realized that they were indeed very beautiful. They were even more beautiful than when he had caught a glimpse of them in the SKP elevator back then..

Lin Jiage stared at Shi Yao without moving for a long time, and the corners of his lips slowly curled up.

There was a hint of warmth, as well as a hint of doting.

This was the girl that he liked..

So obedient, so beautiful, and so... Alluring.

It's not that I haven't thought about it before. If one day, I were to fall for someone, what would that person be like.

At that time, I had fantasized about that girl being either very bright, very clean, very cute, or very enchanting..

But now, when I thought about this question, only two words appeared in my mind — Shi Yao.

Bright, clean, adorable, enchanting... no matter how good the adjectives were, they paled in comparison to these two words, Shi Yao.

With this thought in mind, Lin Jiage lowered his head slightly and leaned closer to the sleeping Shi Yao's ear. With a light and indifferent tone, he said, "It's a pleasure to meet you, the girl I like..."

After saying those words, he didn't rush to leave. Instead, he lowered his head slightly and leaned closer to her ear for a moment before chuckling softly, turning his head to look at her sleeping face, he said, "... do you know that when I saw you today, I had a question that I wanted to ask you..."

The room fell silent for a few seconds before Lin Jiage spoke up once more, "... Did you miss me?"

After a few more seconds of silence, his lips moved once more. "It's fine if you don't miss me... In any case, I miss you very much."

Chapter 494: The Girl I like, Nice To Meet You (2)

After saying those words, Lin Jiage didn't linger around Shi Yao for too long. Instead, he stood up straight. Just as he was about to return to his bed, he caught sight of Shi Yao's phone on the sofa not too far away.

When he carried her over, he saw a notification popped up on her screen saying that her battery was low.

After some thought, he walked over to his bed, unplugged Shi Yao's charging cable, and walked over to the floor-to-ceiling window to pick up Shi Yao's phone.

Her phone wasn't locked, and it was still on the game page.

Lin Jiage instinctively wanted to log out of the game, but just as his fingers were about to touch the screen, he suddenly stopped.

About three seconds later, he turned to look at Shi Yao on the bed.

Seeing that the young lady was sound asleep, he walked over to the bed with light footsteps and picked up his phone.

He unlocked the screen and tapped on the message. After which, he looked for Shi Yao and sent her a message: [did you miss me?]

After sending the message, a notification popped up on Shi Yao's phone in his other hand. He clicked on it and replied without hesitation: [yes.]

After which, he raised his phone and asked, "Do you like me?"

Following which, he picked up Shi Yao's phone and replied, "I do."

Even though he was only answering his own question, a smile still appeared on Lin Jiage's lips.

"How much do you like me?"

"I like you a lot."

"Then, do you still want to break off your engagement with me?"

"No."

"..."

As though he didn't care about money, Lin Jiage took his two phones and sent messages back and forth for quite some time before tossing his own phone back onto his bed. Then, he deleted the messages he had just sent and received from Shi Yao's phone one by one.

After making sure that there weren't any flaws left behind, he took Shi Yao's phone and tiptoed over to Shi Yao's bedside. Placing her phone on the bedside table, he helped her connect to the power supply.

Returning to his bed, Lin Jiage leaned against the bedside table and took out his phone to read through all of the messages he had just sent.

[did you miss me?]?

[yes.].

[do you like me?]?

[yes.].

[how much do you like me?]?

[very much.].

[then do you still want to break off the engagement with me?]?

[no.].

At the very end, the delighted smile on Lin Jiage's lips gradually froze.

Right now, she was still thinking about breaking off the engagement with me?

Lin Jiage lowered his gaze to conceal the gloom in his eyes. A moment later, he turned his head to look at Shi Yao, who was sound asleep.

He stared at her for a long time before pursing his lips slightly, he averted his gaze.

And then, when he looked at the messages on his phone screen again, the joy and excitement from before had disappeared..

The night was very quiet, and Lin Jiage was left alone for a long time. Then, as if recalling something, he tapped into his contact list and changed Shi Yao's name to 'Soft Bun'... After a while, he changed it to 'Big White Ball'... after a while, as if still feeling dissatisfied, he changed it to 'Panda'..

After that, "Panda" changed to "Big white chubby", "Big white chubby" changed to "Soft bun", "Soft bun" changed to "Yaoyao", and "Yaoyao" changed to "520" ..

After that, Lin Jiage reverted to his original name and changed back to "Shi Yao". Then, he tossed his phone aside and closed his eyes.

Not too long after lying down, he suddenly opened his eyes. With a tinge of excitement, he picked up his phone and changed 'Shi Yao' to '21'.

Chapter 495: Stealing A Kiss (1)

Twenty-one..

The more Lin Jiage looked at the number, the more satisfied he became.

The stroke of deep love was twenty-one, the stroke of happiness was twenty-one, and Shi Yao's stroke was also twenty-one..

Twenty-one meant that Shi Yao was happiness, and Shi Yao was deep love.

With this thought in mind, Lin Jiage couldn't help but turn his head to look at the sleeping Shi Yao. "Hey, twenty-one..."

No one paid him any heed.

However, he didn't seem to mind the boredom at all. He continued, "Hey, hey, 21..."

"21,21,21..."

He shouted a few times before staring fixedly at Shi Yao's lips.

His breathing gradually began to quicken.

His heartbeat suddenly sped up, slowed down, and stopped.

His Adam's apple bobbed up and down twice, and like a puppet under his control, he slowly inched closer to Shi Yao. Following which, he locked his gaze on her lips, bit by bit, he inched closer to her lips.

When he was about a centimeter away from her lips, he stopped.

He held his breath and stared at her sleeping face for a moment before slowly closing his eyes. With trembling lips, he pressed his lips against hers.

The arm that was supporting her ear was trembling slightly.

He maintained his stiff posture, not daring to move at all. After a while, he lightly pecked her lips before turning his head away reluctantly.

He could feel a cluster of fire burning rapidly in his body.

He could clearly feel the changes in his body.

He understood what he wanted to do at this moment..

However, he also knew that he couldn't.

He suddenly felt that the trick of seducing his sister to design soft bun was really not a unique trick... After all, it was simply sweet torture for her to be by his side at such a night..

He closed his eyes and forced himself to calm down for a moment. After which, he swiftly stood up and fled to the bathroom as if he was running for his life.

The moment he closed the door, he thought, isn't that running for my life? If I don't run, I might really get killed tonight..

..

A second ago, the bathroom door closed.

A second later, Shi Yao's eyelashes trembled slightly as she opened her eyes.

She had woken up early in the morning and hadn't slept since arriving in Shenzhen. When she was matching up with her teammates, she was so sleepy that she had fallen asleep.

However, the moment he picked her up, she was woken up by his slight movement.

Such an intimate scene made her feel a little shy, so she didn't dare to move and continued to pretend to be asleep.

She had thought that everything would be over once he placed her on the bed, but she didn't expect him to actually whisper into her ear.

"It's a pleasure to meet you, the girl I like..."

In the quiet night, his words seemed to have been enchanted by a spell. They carried an aura of enchantment, and in that instant, her heart was completely thrown into chaos.

She didn't dare to move, not even daring to breathe.

She tried her best to turn herself into a zombie, lying there unmoving.

Even after he had finished speaking and left, her mind was still blank.

Even though she was awake, she couldn't hear anything in the room at all. She had no idea what he had done, and she had no idea how long it had been. All she knew was that Lin Jiage had acted like a fool, he had called her "Second Auntie..."

Second Auntie?

Is he crazy!

Just as she was wondering if she should pretend to be sleepwalking and give him a slap, she suddenly felt him approaching her.

Chapter 496: Stealing A Kiss (2)

She instinctively put away the wild thoughts in her mind, her body stiffened, and she suddenly became nervous.

Although her eyes were closed, she could feel his eyes staring at her passionately.

Her heart, at that moment, was like a wild horse, beating wildly out of her control.

In the dark and quiet night, one's senses could be magnified infinitely. She could vaguely feel that his head was getting closer and closer to her, closer and closer... in the end, she could even feel his breath.

She vaguely knew what he was going to do next.

She also knew clearly that she should avoid or push her away.

But she... did not know what was wrong with her. She could not do anything. She could only stare blankly and let his lips slowly touch hers.

Her nervous fingertips gripped the blanket tightly. She felt that all the blood in her body had stopped flowing. All her senses and thoughts were on his lips. They were very soft and hot, just like rice cakes that had just come out of a pot, they were soft... but they were also like wild beasts that could eat people... it made her very flustered and helpless..

Fortunately, his lips did not stay on her lips for too long. They quickly moved away.

However, he was still unwilling to leave her body.

He did not look fat, but he was very heavy. However, this kind of weight did not disgust her..

The Aura on his body was as clean and fragrant as usual. In such an environment, she gradually became dizzy... then... she felt her lower abdomen, it was a very hard object... it was a little painful, and her first instinct was that it was his belt..

She didn't dare to move, but she wasn't feeling well either. Just as she was wondering if she should pretend to have woken up by accident and move her body, Lin Jiage left..

Recalling everything that had happened just now, Shi Yao's face felt a little hot.

She patted her cheek lightly, and just as she was about to take a few deep breaths to calm herself down, the bathroom door suddenly opened. She abruptly closed her eyes, and in that instant, she didn't dare to move again..

Rustling sounds came from the bed beside her. She knew that it was the sound of Lin Jiage lying on the bed.

The room quickly quieted down.

However, she didn't feel sleepy anymore. In her mind, he would say 'it's a pleasure to meet you, the girl I like', his lips that were pressed against hers, and then she would recall the weight of his body on top of hers..

..

The next day, Lin Jiage woke up to find that the hotel was completely empty. He was the only one left.

Shi Yao was nowhere to be seen, and her belongings were nowhere to be seen.

Soft bun actually left without even saying goodbye?

Er... This is more like a stroll... he didn't do anything yesterday, so why would she do that?

With this thought in mind, Lin Jiage stretched his back lazily before raising his hand to touch his lips.

..

Lin Jiage had a flight back to Beijing at one o'clock in the afternoon, and it wasn't even four o'clock yet.

After he landed and switched on his phone, the first thing he did was send Shi Yao a message asking her out for dinner.

Ten minutes later, he received a reply from Shi Yao, "I'm meeting Leng Nuan Tonight."

Leng Nuan? That girl that Lu Benlai had taken a fancy to?

Oh, it's a girl... Lin Jiage didn't think too much into it, so he calmly replied with a 'alright' before getting the chauffeur to send him home.

Since he didn't have a date with Shi Yao, Lin Jiage didn't have anyone else either. He stayed at home obediently, waiting for Shi Yao to log in to play her game at night. Then, he thought of [year of desolation] ..

Chapter 497: Desolate Year's Little Cutie (1)

Before that 360,000 wild man was driven away by him last night, he had insidiously planted a mine... and now, Soft Bun didn't have the time to pamper him... why don't he sweep the mine first?

With this thought in mind, Lin Jiage clicked on bean sprout TV and entered [desolate year]'s live broadcast room.

[desolate year] was currently broadcasting, and the content of the live broadcast was to score points with its fans.

"If you're a man, then jump into the military base... I'm a boy, I choose port n..."

"You want to hit me? You have to catch up with Me First, Chase Me, Chase Me, Chase Me, Chase Me, Chase Me, Chase Me, I'll let you hehehe..."

“Brother, it’s a dead sale, do you want to buy it or not? If you don’t buy it, I’ll beat you up and humiliate you...”

“Big Big Big Big Big Brother, don’t kill me, I, I, I, I, I’ll give you all my guns...”

Just like last night when they were playing the game, [desolate year]’s mouth never stopped moving.

Lin Jiage dug his ears with slight disdain while sneering at [desolate year]’s lousy skills in his heart. At the same time, he observed the content of [desolate year]’s live stream.

An hour later, Lin Jiage discovered that there was a girl named [desolate year’s little fairy] who was able to successfully board the car with every game. On the other hand, the other two teammates..., on the other hand, [desolate year’s little fairy] shared the game room with her fans in the QQ Group. Whoever was the first to enter would have the opportunity to play games with [desolate year’s little fairy] .

[desolate year’s little fairy] ... where did she get such a special skill that [desolate year’s little fairy] was able to score points with every game she played?

Lin Jiage was truly curious, so he took a look at the announcement in [desolate year’s]’s livestream room and realized that he could join his fan group with just a single dollar. Thus, he applied for an alternate account, after giving [desolate year] a dollar, he successfully entered [desolate year’s QQ fan group] .

The group name was very straightforward. It was called [desolate year’s fan group] .

The group owner was [desolate year] , and the group manager was [desolate year’s little fairy] . The other members of the group also had the words ‘desolate year’s’ before their names..

As soon as Lin Jiage entered the group, an administrator immediately messaged him to modify the group name card.

Lin Jiage replied with a ‘yes’ before asking, “Why is the little fairy from the desolate years playing games with the desolate years?”

The administrator replied, “The little fairy has given Nian Nian a thousand yuan today, and Nian Nian has specially given her a membership card. She even promised that she wouldn’t get out of the car for the rest of the night.”

Lin Jiage replied with an ‘Oh’ emotionlessly, but deep down, he was thinking, so it turns out that getting close to 360,000 men costs money?

As this thought flashed across Lin Jiage’s mind, his eyes suddenly lit up.

Wasn’t he just worrying about how to clear the mines?

Wasn’t this method already delivered to his doorstep?

If a girl whose words were even better than Soft Bun’s appeared and successfully seduced [year of desolation] away, wouldn’t soft bun have nothing to do with it?

With this thought in mind, Lin Jiage did a quick search on the Internet without any hesitation before downloading a voice changer.

After installing it, Lin Jiage said a few words to the voice changer. After confirming that the voice was so numbing that it gave him goosebumps, he returned to the QQ account he had just applied for, he changed the name “1234567” to “Ye Zhenzhen”, and he even changed the gender to “Female”. After which, Lin Jiage went to the group chat and changed the group name card to “Little Cutie in the lean years”, after which, he cut back to bean sprouts TV and changed the name of the random number to ‘Little Cutie in the lean years’. After which, he charged 1000 yuan and gave it to the lean years.

Chapter 498: Desolate Year’s Little Cutie (2)

“Thank you, year of famine’s little cutie, for the 1,000 yuan you’ve given me... Thank you very much, little cutie, thank you very much...”

Amidst the sounds of gratitude from [year of famine], Lin Jiage also became the building manager, and the manager who had just informed him of the change in his name., he sent another message to Lin Jiage: [Little Cutie, after this game is over, I’ll bring you to the next game, year of the Year.]

Lin jiage typed out an ‘Oh’ in Lin Jiage’s style. Before he sent it out, he thought that he was currently playing a female character, so he deleted the ‘Oh’, he changed it to Shi Yao’s usual ‘mm-hmm’, and a cute smiley face was added at the end.

While waiting for [year of desolation] to end, Lin Jiage went online and searched for a bunch of super cute female avatars, he sent them to Xia Shangzhou and Lu Benlai respectively: [which of these profile pictures do you want to flirt with the most after seeing them?]

Lu Benlai’s first reply was: [other than my wife Nuannuan, I don’t want to flirt with anyone else.]

Compared to Lu Benlai, Xia Shangzhou was much more reliable: [the third profile picture: Big Breasts, fair skin, I want to sleep...] he even added a drooling emoji at the end.

Want to... sleep?

When the 360,000 wild man saw this profile picture, he wanted to sleep... with him?

Lin Jiage shuddered, and he suddenly felt as if he couldn’t get rid of this lightning bolt..

However, before planting soft bun in the Flower Pot, in order to kill the peach blossoms surrounding his house without anyone noticing... Lin Jiage decided to grit his teeth and endure it, thus, he changed the profile picture that Xia Shangzhou chose, ‘Big Boobs, fair skin, I want to sleep’, to the profile picture of QQ and Douya TV.

Of course, Lin Jiage didn’t forget to use the new QQ account that he had just applied for to create a new character in the game. His name was still [desolate year’s little cutie] .

By the time Lin Jiage was done with all of this, [desolate year’s little cutie]’s game had already ended. When he began the new round, he first shared the game room with Lin Jiage via private chat.

Without any hesitation, Lin jiage used [desolate year’s little cutie] to enter the game room.

Seeing him enter, [year of desolation] immediately spoke up, “Little Cutie, Hello. Little Cutie, can you hear me?”

Lin Jiage didn't reply. Instead, he typed back, “I can.”

In order to make himself look cuter and cuter, Lin Jiage even sent a smiley emoji after sending the message.

Soon, the other two [year of desolation] fans entered the game room.

And then, the game began..

Lin Jiage and the other two [year of desolation] fans followed [year of desolation] to the ground and began picking up their belongings.

Compared to [year of desolation] and the other two fans, Lin Jiage hadn't said a single word from the start. It wasn't until they accidentally ran into a whole group of them, and Lin Jiage pretended to be a newbie in the game and was beaten to death., it was only then that he realized that he was in a panic, as if he had been frightened by someone, he said pitifully, “Little Bro, someone hit me. Where did they hit me? Why Can't I See It? Does this make me look like a box?”

Lin Jiage's voice, which had been processed by the voice changer, was soft and sweet. In an instant, it exploded in [year of desolation]'s livestream room.

— Wow, this girl's voice is so soft and cute! My Type!

— I really want to marry this girl

— from her voice, I can tell that she must be a sweet and cute girl!

Even [desolate year] couldn't help but praise his voice.

Lin Jiage knew that his first step had succeeded, and [desolate year] had already fallen into the trap. Thus, he began preparing for the second step.

Fu

Chapter 499: Her Breasts Are Just A Little Too Small (1)

If the first step was just a small scheme, and he suddenly spoke up at a crucial moment to attract [year of famine]'s attention, then the second step was truly a big scheme.

Lin jiage originally wanted to look for a photo on the Internet, but he was afraid that others would find out that it was fake after searching through the photo, so he decided to create an original photo.

He had thought of using Lin Jiayi, and even his mother, Jiang Wangui, had thought of using her. However, he felt that one of the two women was too ostentatious, and the other was too much of a queen, so it wasn't suitable for her, thus, he decided to personally take a photo and photoshopped it as a woman.

Before taking the photo, Lin Jiage first went to Lin Jiayi's room and stole her wig, clothes, and jewelry while she wasn't at home. Then, like a thief, he sneaked into his room and locked the door behind him,

he began putting on his clothes and jewelry. In order to make his photos look more realistic, Lin Jiage secretly gritted his teeth and put on a pink lipstick.

After everything was ready, Lin Jiage took a look at himself in the mirror before picking up his phone to take a selfie.

He rarely took photos, not to mention selfies. As a result, he took dozens of photos of himself, either with an ice-cold face or a wooden expression. In other words, even though the Photoshop software was very powerful.., it was still very difficult for him to create the impression of a cute girl from his posture.

By the looks of it, [year of desolation] had already entered the finals.

Lin Jiage knew that he didn't have much time left. He went online to look up the photos of the popular young ladies, and with a psychological shadow that couldn't be described with words, he pouted his lips at the camera and started to act like a scissor, he took this photo that would give him nightmares that he would never forget for the rest of his life — it was also the photo that he was most satisfied with tonight.

Lin Jiage put down his phone, took off Lin Jiayi's wig, clothes, and jewelry, and changed back into his own clothes. Then, like a thief, he sneaked into Lin Jiayi's room and put her things back where they were, after which, he returned to his bedroom and began photoshopping the photos on his phone.

After he was done, Lin Jiage didn't rush to carry out his second step of the plan. Instead, he sent a message to Xia Shangzhou and Lu Benlai: [what do you think of this...]

He wanted to type the word 'girl', but he suddenly remembered that this girl was born on his foundation..

Thus, he ignored the term of address and added a few words before sending it out:" ... how is it?"

Xia Shangzhou was the first to reply to his message, and he sent a series of drooling emojis, "It's so pretty! Boss, who is this person? Please introduce me!"

Lu benlai: "She's pretty! But she's not as pretty as my wife!"

Hehe... Lin Jiage ignored Lu Benlai's message and sent it to Xia Shangzhou, "Boss, this girl is my type. Can you tell me her contact details? Dad... sob SOB SOB..."

Lu benlai: "Actually, this girl isn't too bad. It's just that her breasts are a little too small..."

Nonsense... if her breasts were too big, there would be a problem, alright? !

Lin Jiage continued ignoring Lu Benlai's message. After which, he glanced at Xia Shangzhou's message, which was still saying "Call Daddy, please give me your contact details", and he thought to himself, "Wake up, you idiot. You'll never be able to contact this person in your entire life."After which, he completely ignored the two of them and went straight to QQ.

The two people he had spent three years with did not recognize him... he was relieved..

Chapter 500: Her Breasts Are Just A Little Too Small (2)

The two people whom he had spent three years with didn't recognize him at all... he was relieved..

With this thought in mind, Lin Jiage sent the photo that symbolized his humiliation to his 'desolate year's fan club'.

For Soft bun... he had really sacrificed a lot... but even though he knew about the photo, it didn't mean that he couldn't accept it... As long as he could be together with soft bun.., all of this was just floating clouds..

But then again, there was only one person in this world who liked someone so much that he was willing to throw caution to the wind, right?

After the photo was successfully sent, about three seconds later, the group exploded.

"F * ck, a beauty. Is this the little cutie herself? She's So Pretty!"

"I didn't expect that apart from her voice, the little cutie is also so good-looking!"

"Who said that? People with good voices usually have a hard time explaining their looks. Little Cutie is simply someone who specializes in slapping people in the face!"

"You said it yourself. Little Cutie is indeed an extraordinary existence!"

"..."

Seeing that more and more people were popping up in the group, Lin Jiage knew that many of them had already seen the photos he had posted. Thus, he pretended that his hands were trembling as he took the photos back, then, he sent a message: "Well, I accidentally clicked the wrong button just now."

"Why did you take it back? I didn't see it clearly..."

"I have it. I saved it. I'll send it to you."

"This photo is fake, right? You stole it from the Internet, right?"

"No, I searched the internet the moment the photo appeared, but I couldn't find it..."

"Does this mean that little Cutie's photo is real? I really want to love her..."

"..."

As the messages in the group chat began popping up, Lin Jiage's QQ received many notifications of him adding friends.

One of them was [year of desolation] , who had just finished a game and came to the group chat to take a look.

I've been waiting for you!

Lin jiage ignored everyone else and only agreed to [year of Desolation] .

After successfully adding him as a friend, Lin Jiage took the initiative to send a 'cute'smiley emoji over in order to get his Fangirl to act as him

[year of desolation] : [Little Cutie...]

Lin Jiage: [UN] , and he didn't forget to add a 'blushing'emoji.

[year of Desolation] : [is that you in the group photo?]

Lin jiage: "Un un."Then, he added a 'blushing'emoji.

[desolate year] : "You're quite good-looking..."

[desolate year] : "Come, I'll continue playing the game with you."

As he spoke, [desolate year] shared a link with him.

Lin Jiage wasn't in a hurry to log into the game. Instead, he sent another message over: [I'm really stupid. I don't know how to play well, so I might drag you down with me...]

[desolate year] : [it's fine, I'll take you to bed!]

A second after receiving [desolate year]'s QQ message, Lin jiage received Shi Yao's wechat message.

[Yao loves ice cream] : [do you want to play games?]

In the small theater:

On a certain day, a certain month, a certain year, Lin Jiage was on a business trip, and Shi Yao was at home by herself.

Shi Yao was bored, so she ran over to [lascivious and lascivious]'s group and sent a message: [do we eat chicken?]

Lin Jiage: [I am the Chicken.]

[hypothetically speaking, what if I really fall in love with little cutie in the year of famine? In the end, when Lin Jiage and Shi Yao got married, he was still saying that he missed my little cutie. What should I do? I'll wait online. It's quite urgent.]
