

WITH YOU 501

Chapter 501: The White Lotus (1)

Lin Jiage instinctively wanted to call Shi Yao back, but he hadn't logged into wechat yet, he then received a QQ message from [year of famine] : "Do you have a wechat account? I have a friend on wechat that calls me to play games, can we switch to the wechat area together?"

Wechat? I have a friend..

A second ago, soft bun asked him if he wanted to play games? A second later, [year of desolation] wanted to switch to another area... could it be that his so-called friend was soft bun?

Lin Jiage pondered for two seconds before replying, "Alright, Little Brother."

After which, he used his ipad to register a new wechat account and named it [year of Desolation's little Cutie] .

After adding [year of desolation] as a friend, Lin Jiage logged into the game and saw that [Yao loves ice cream] was also in his room.

He had really guessed it!

While Soft Bun was calling him to play the game, she also called him 360,000 wild men... Oh, no, now he had 1,000 new fans, 36.1,000 wild men.

He had been waiting for her at home for the entire night, but she wasn't the only one who doted on him!

Lin Jiage felt as if his jealousy had gone from row to row..

He refused to believe that he would be jealous of a wild man!

Staring at [Yao loves ice cream] on the screen, Lin Jiage's eyes flickered for a moment before he returned to wechat and sent a message to Shi Yao: [I have something to attend to. Can I play later?]

[Yao loves ice cream] : [Alright, call me later...]

Lin Jiage replied with an "UN" before switching off the game. At this moment, Lin Jiage realized that [desolate year] had already started playing, and there were only three people in the game, [bean sprouts TV desolate year] , [Yao loves ice cream] , and [desolate year's little cutie] .

After boarding the plane, Lin Jiage used the voice changer to ask, "Brother Nian, this is... ?"

Year of famine: "A friend of mine."

Little Cutie in the year of famine: "Is it miss?"

Yao loves ice cream: "Yes."

And then we stopped talking.

After landing, there was a team nearby. When Shi Yao was caught chasing after her, [barren year] immediately rushed over to help her, suddenly panic-stricken to the voice changer opened his mouth to say: "Nian elder brother, I am very afraid, here someone is beating me..."

Following which, [desolate year] ran over to [desolate year's little cutie]'s aid, and [Yao loves ice cream] was beaten to death with a frying pan.

And then, in the second round of the game, just as [desolate year] was about to save Shi Yao after Shi Yao was knocked down, Lin Jiage took out a grenade, he blew himself up, "Brother Nian, brother Nian, come and save me..."

And then, [desolate year's little cutie] was saved by [desolate year] . Due to excessive blood loss, [Yao loves ice cream] had turned into a box spirit.

Round three, round four... round six. After Shi Yao died once more, Lin Jiage's phone suddenly rang.

It was a wechat notification. Ding Dong, Ding Dong, Ding Dong. After a long while, it finally quieted down.

Lin Jiage took a look at his wechat and saw that it was a message from Shi Yao.

[Yao loves ice cream] : "Are you done with your work?"

[Yao loves ice cream] : "Do you know that I'm dying of depression?"

[Yao loves ice cream] : "I met a white lotus who's a good B * TCH. I really don't want to talk about her..."

PS: Congratulations, White Lotus is online! Today's update is over, see you tonight

Un, I've already exchanged Lin Jiage's photos for women's clothing. I'll just have to use my small hands to vote for the recommendation ticket and the monthly ticket

Chapter 502: The White Lotus (2)

The White Lotus of a good B * tch... who is she talking about?

Even though [desolate year's little cutie] was still alive in the game, Lin Jiage still chose to reply to Shi Yao's wechat immediately:"?"

From the content of the wechat message, he could tell that Shi Yao was really angry..

Lin Jiage pondered for a moment, but he felt that the question mark wasn't warm enough. Thus, he tapped on his phone twice and asked, "What's Wrong?"

A few days ago, when he was browsing through his wechat moments due to boredom, he saw song chaoxi, the only man in dormitory 501, send a message:

If your girlfriend comes to you and tells you who made her unhappy, it doesn't matter what the reason is. What matters is that she comes to you and tells you that she was made unhappy by someone.., what you have to do is to stand on her side for no reason at all, and help her go as crazy as she can to insult the person who made her unhappy. If you can't do that, then your end will be..

At the bottom of this paragraph, song Chaoxi was pitifully squatting by the side of the road in the middle of the night, feeding mosquitoes.

Even though Soft Bun wasn't his girlfriend yet, he should learn from song Chaoxi's blood and tears and help her go as crazy as she can..

With this thought in mind, Lin Jiage began typing again.

[111111] : Don't be angry. It's not worth it to be angry over such a person

As he typed, Lin Jiage suddenly recalled that even though soft bun wasn't his girlfriend, she was his fiancée..

Thus, he swiftly moved his fingers and sent two more wechat messages.

[111111] : After all, there's a saying that goes like this: If a dog bites you, don't tell me you're going to lie on the ground and bite it back

[111111] : "Of course we can't do such a demeaning thing. If a dog bites us, we'll definitely choose to beat it to death..."

[Yao loves ice cream] : "I understand what you're saying, and I'm also very supportive of what you're saying, but I still feel so angry. Sob, sob, sob..."

Following which, a row of 'crying'emojis appeared below.

So many crying emojis?

Lin jiage continued typing without hesitation.

[111111] : "Don't cry. Your tears are like pearls. It's such a waste to shed tears for someone who has walked past the north and south toilets and drunk water before!"

[Yao loves ice cream] : "Not only did she drink water behind the toilets, her brain was also filled with water..."

[111111] : "Yes, yes, yes. And it was water from a stinking ditch."

[Yao loves ice cream] : "Sob sob sob sob sob sob sob sob... I'm really depressed. Ever since I started playing this game, other than the first day where I kept falling to the ground like a box, today is the day. Do you know that when I was waiting for you to play the game, I only played for forty minutes, and I fell to the ground like a box six times in a row. My mind exploded... sob sob sob sob sob sob..."

Eh?

His mind exploded from playing the game..

Just as Lin Jiage was about to continue typing on Shi Yao's behalf, he suddenly stopped.

Around ten seconds later, another long string of words appeared on his screen.

[Yao loves ice cream] : "It's that desolate year. He's got a fan called Little Cutie. Every time I'm being hunted down or killed by someone, she would call out to me coquettishly, 'Big Brother Nian, quickly

come and protect me. Big Brother Nian, I'm so scared. Big Brother Nian, she's going to die, and she's going to kill me just like that..."

Chapter 503: He's Not A Dog, He's A Loyal Dog (1)

Brother Nian, brother Nian... sweet... isn't this, isn't this, isn't this F * cking him?

So, so, so... the B * TCH, b * tch, White Lotus that Soft Bun was talking about, it's, it's him?

Lin Jiage suddenly found it hard to accept that he would one day be described as a "B * TCH, b * tch," or "White Lotus."

How could a righteous man like him become a B * Tch? How could he become a white lotus?

Lin Jiage felt as if something was blocking his heart, making him feel extremely stifled.

[Yao loves ice cream] : "I swear on all of my snacks that that little cutie definitely did it on purpose!"

[Yao loves ice cream] : "It's not like I provoked her. I don't even know her, and she's picking on me for no reason at all. I feel really wronged. WUUUUUUUUUUUUUUUUUUUU..."

Looking at Shi Yao's new message, Lin Jiage heaved a sigh of relief. After which, he raised his finger and began typing.

[111111] : that... Don't take it to heart..

After typing this, Lin Jiage finally realized that the words he had spouted earlier were filled with righteous indignation, and he had helped Shi Yao with no bottom line.

His hand, suddenly shook, almost did not throw the phone out.

He, he, he just said those words, in fact, spray himself?

A dog bites you... A Dog? He's not a dog, he's a dog!

Drinking water behind the toilet..

Lin Jiage racked his brain for a long time to think, but also can not round the past this sentence.

With the water from the gutter in my head..

Lin Jiage racked his brains for a long time, but he still couldn't come up with a better answer.

In the end, there was only one sentence left in his mind: this operation, I only want to say 666666... I'm convinced, I'm convinced, I'm convinced, I'm convinced, I'm convinced..

Deep down in his heart, Lin Jiage turned his hand around and gave himself a vicious slap on the mouth.

If you have nothing to do, why are you so cheap-mouthed? It's time for your retribution... aren't you happy? Isn't it beautiful? Does it feel good?

Compared to Lin Jiage's vicious tongue earlier, his words were much gentler now.

[111111] : "Maybe she doesn't mean anything by it. It's just a coincidence."

[Yao loves ice cream] : “How is that possible? One time is a coincidence, two times is fine, three times is fine, even if it’s four times, it’s still acceptable. But what about five or six times? There are too many coincidences!”

[Yao loves ice cream] : “Besides, I’m not an idiot. You haven’t played the game yet, so you don’t know how funny her excuse is. At first, it was fine, but later on, she actually said that she was afraid of being alone in the house and asked desolate year to accompany her... sigh, she’s afraid of an ice cream ball in the game...”

Lin Jiage blinked his eyes.

Was he really the one who came up with such a disgusting and retarded excuse?

[Yao loves ice cream] : “Do you think she’s a B * Tch?”

This... can I choose not to answer?

At this moment, Lin Jiage suddenly felt a little regretful for abandoning the living [desolate year’s little cutie] without any hesitation and running over to find soft bun.

[Yao loves ice cream] : “Why aren’t you saying anything?”

[Yao loves ice cream] : “Don’t tell me that you think that this B * tch is as cute as that yellow year?”

[Yao loves ice cream] : “I knew it. All you men like this kind of dainty girl...” a long string of crying emojis followed.

Chapter 504: He’s Not A Dog, He’s A Loyal Dog (2)

This... This young lady who likes this kind of dainty girl, this is a little unreasonable!

But she’s a soft bun, so there’s nothing I can do about it... he’s the one who caused this mess, so even if I have to kneel down, I have to get rid of it..

Gritting his teeth, Lin Jiage silently counted ‘three, two, One’ in his mind. Then, he forcefully pressed the keyboard a few times before sending out a message with his eyes closed.

[111111] : [B * Tch]

[Yao loves ice cream] : [so perfunctory...]

This... is still called perfunctory?

Who could be so perfunctory as to curse at themselves?

Lin Jiage had a myriad of opinions in his mind, but he didn’t dare to voice them out. In the end, he could only grit his teeth and continue typing.

[111111] : [one word, B * tch! Two words, so B * TCH! Three words, so B * TCH! Four words, so B * TCH! Five words, so B * tch...]

[Yao loves ice cream] : “I knew you wouldn’t fall for a B * Tch like that! You’re so much better than that Huang Nian!”

Was This... a compliment?

But no matter how he looked at it, comparing him to that 36.1-w wild man was an insult to him..

Lin Jiage felt wronged, so he didn't say a word. Instead, he marked out the misspellings in her words.

[111111] : "Huang Nian?"

[Yao loves ice cream] : "That's right! Huang Nian! You said that when he saw how pretty little Cutie's voice was, he started circling around her. If it's not Huang Nian, then what is it?"

Of course, Lin Jiage preferred to curse [Huang Nian] over [Huang Nian's little cutie] ..

[111111] : "That's right! You're absolutely right! He's Huang, a lecherous pervert with a head full of unhealthy thoughts!"

[Yao loves ice cream] : "However, I still hate that little cutie more... who asked her to kill me so many times..."

[Yao loves ice cream] : "If the heavens give me a chance to meet her in the game in the future, I'll definitely beat her to death!"

[Yao loves ice cream] : "Uh... but my marksmanship isn't accurate. What if I can't hit her? Can you help me?"

? ? ?

Isn't it enough for me to scold me for her sake? And she even wants me to beat her to death?

Lin Jiage suddenly felt a little hopeful. If he were to cut off the internet altogether, he would be able to avoid this calamity.

[Yao loves ice cream] : "Can you help me beat her to death?"

What should he do? Facing Soft Bun's request, he had no way of resisting at all... Lin Jiage felt as if his bottom line was crumbling.

[Yao loves ice cream] : "Is it alright..."

Lin Jiage imagined Shi Yao using her soft and sweet voice to say those four words..

His heart immediately melted into a puddle of water. Without any hesitation, he typed out a single word and replied to Shi Yao.

[111111] : "Alright."

[Yao loves ice cream] : "I knew you were the best!"

The three words 'the best'successfully pleased Lin Jiage.

Not only did his bottom line collapse, it was also in tatters.

[111111] : "I'll help you beat him to death ten times!"

[Yao loves ice cream] : “MHM, MHM, MHM,” followed by three ‘Cute’emojis.

[111111] : “You’re not angry anymore, right?”

[Yao loves ice cream] : “No, no.”

[111111] : “Then... Play Games?”

[Yao loves ice cream] : “Okay, okay...”

[111111] : “Just the two of us?”

[Yao loves ice cream] : “Of course, I don’t want to play with the Chinese New Year for the time being!”

Chapter 505: It Is And Will Also Be So (1)

For Now?

Lin Jiage felt that these two words were an eyesore, so he erased them from Shi Yao’s message.

But for now, it’s still better than not being for now... it seems like the [desolate year’s little cutie] revolution hasn’t succeeded yet. Comrade, you still need to work hard..

Before Lin Jiage went to play games with Shi Yao, he didn’t forget to take a look at his QQ message. As expected, he received a message from [desolate year] .

[desolate year] : “Little Cutie, why did you disconnect?”

[desolate year] : “Little Cutie, where have you been?”

[desolate year] : “Little Cutie?”

[desolate year’s little cutie] : “Big Brother Nian, my mom just came to visit me. She wants me to sleep and won’t let me play anymore, so I can’t play with you today. Let’s Play Tomorrow, Alright?”

Lin Jiage thought for a moment, and then he copied Shi Yao’s message to [desolate year] .

[desolate year’s little cutie] : “Alright?”

[desolate year] : “Alright. Twenty-four hours a day, anytime you want. Good night, Little Cutie.”

The word ‘good night’ wasn’t something that could be said to just anyone... Lin Jiage only replied with a ‘Smile’emoji before turning his attention away from [desolate year] .

By the time he finished playing the game with Shi Yao, it was already almost midnight.

After saying ‘Good Night’ to Shi Yao, Lin Jiage went to take a shower. However, he wasn’t in a hurry to fall asleep. Instead, he picked up his phone and logged into [desolate year’s little cutie] in the game.

After entering the game, he immediately started it.

In the first round, after jumping out of the plane, he allowed himself to float into the sea and watch helplessly as he drowned.

In the second round, after jumping out of the plane, he picked up a grenade and blew himself up.

In the third round, he landed on the edge of the plane and tossed his phone aside. He took the remote control and watched the television for a while, but by the time he looked at the screen, he had already been poisoned to death.

In the fourth round, after landing on the ground, Lin Jiage found a motorcycle and started to race in a variety of ways before crashing into himself and killing himself.

In the fifth round, when Lin Jiage was parachuting, he found the highest point to land on, and after jumping down from it, he ended up crashing to his death.

In the sixth, seventh, eighth, ninth, and tenth rounds, Lin Jiage made reference to how he ended up in the first, second, third, fourth, and fifth rounds respectively.

After successfully killing himself ten times, Lin Jiage finally logged out of the game. Putting down his phone, he turned off the television, lay flat on his bed, and prepared to fall asleep.

It wasn't that he enjoyed torturing himself... it was just that he had to keep his promise to her.

Even though he was well aware that the conversation she had with him back then was purely a way to vent her frustrations.

But even so, even though she didn't take it seriously, he had given her his promise, so he couldn't go back on it.

Because to him, the most important thing in this world wasn't that he loved her, but that he would keep his promise to her.

At this thought, Lin Jiage placed his arm behind his head, and a gentle smile appeared on his face.

Soft bun, 21... do you know that I'll do everything I promised you? I Won't force you to do anything you don't want to do, not now, not in the future.

..

The next day, it was already ten in the morning when Shi Yao woke up.

The first thing she did after brushing her teeth was to head to the kitchen.

Sitting at the dining table, Shi Yao was happily eating her breakfast when her phone suddenly rang.

Chapter 506: It Is And Will Also Be So (2)

Picking up her phone, Shi Yao casually glanced at the screen. When she saw who the sender was, she abruptly stopped chewing on her food.

Lin Jiage..

The content of the message was: [do you have time today? I received a call from the Beijing Grand Hotel. The chef has learned a few new dishes and wants to invite me over for a taste. Are you interested in joining us?]

Beijing Grand Hotel... new dishes... one was her favorite restaurant, and the other was her favorite food..

Shi Yao's eyes lit up uncontrollably.

I really want to go... But..

Shi Yao couldn't help but recall what he had said to her the night before yesterday when she was in the same room as Lin Jiage in Shenzhen.

— nice to meet you, the girl I like.

— Did you miss me? It doesn't matter if you didn't... In any case, I miss you very much.

Even though two days had already passed, Shi Yao's heart still couldn't help but beat wildly when she recalled the scene back then.

And that kiss of his, and the weight he had on top of her..

Last night, she had dreamed of that scene, and her entire body was drenched in sweat as she woke up from her dream.

It was simply poisonous! So many men had chased after her, and there were even some who had written love letters that were much more extravagant than his. She had never seen herself in such a state before..

"Yaoyao? What's wrong? Why are you blushing so Red?" Upon hearing the commotion outside, Shi Yao's mother came out of the master bedroom. She saw her daughter holding a meat bun and staring at the small bowl of Wontons in front of her without moving, so she couldn't help but ask.

Shi Yao was suddenly jolted back to her senses by her mother's words. Shaking her head, she hurriedly lowered her head and continued eating.

"Do you have a fever?" Shi walked up to Shi Yao and touched her forehead. "I don't have a fever. Why is your face as red as a monkey's Butt?"

Shi Yao pouted, wondering how many times she had suspected that she wasn't her biological daughter.

She knew her mother too well, and she was afraid that she would ask her endless questions later, so she simply swallowed the rest of her breakfast before sneaking back into her bedroom.

After closing the door, she hid in the bathroom and washed her face, cooling down the mess she had been in because of Lin Jiage's text message.

A second after she was done wiping her face, she came out of the bathroom, and a second later, her phone, which she had left on the bed, rang.

She walked over to take a look, and it was Lin Jiage calling.

Wasn't he a little too haunting?

Shi Yao didn't pick up the call, allowing it to ring until it hung up.

She thought that she would finally be able to hear some peace and quiet, but who knew that not too long later, Lin Jiage would call her again.

Outside the bedroom, her mother could hear her phone ringing non-stop, she couldn't help but push open her door, "Yaoyao, it's your phone. Why are you... You're looking at your phone. Look at your phone, why aren't you picking up your phone... who's calling..."

Before her mother could get close to her, Shi Yao had already picked up her phone and answered it.

Seeing that she had picked up her phone, her mother didn't disturb her anymore and left the room.

Shi Yao waited for her mother to close the door before saying "Hello" to Lin Jiage on the other end of the phone.

"Did you see the message I sent you?" Without waiting for Shi Yao's reply, Lin Jiage asked, Lin Jiage spoke up once more, "Forget it, I'll repeat it for you. I received a call from Beijing Grand Hotel, and the chef has learned a few new dishes. He wants to invite me over for a taste. Are you interested? I'll pick you up, and we'll go together..."

Chapter 507: He's ... Actually Not Angry? (1)

As Lin Jiage's voice sounded in her ears, Shi Yao couldn't help but recall the scene from that night several times over the past few days.

Her face suddenly flushed red.

Perhaps it was because she hadn't spoken for a long time, but on the other end of the phone, Lin Jiage spoke up once more, "Yaoyao, can you hear me?"

"I..." Shi Yao instinctively opened her mouth to speak into the phone, but after saying a single word, she suddenly stopped.

A moment later, she continued, "... i... I might not have the time today..."

Lin Jiage: "HM?"

Hearing Lin Jiage's slightly doubtful question, Shi Yao subconsciously dug her fingers into her phone.

She rarely lied, but she really didn't know how to face Lin Jiage. Or perhaps, she was a little afraid of facing Lin Jiage, even though she didn't know what she was afraid of.

She tried to organize her words in her mind before continuing guiltily, "I promised my mother that I would accompany her shopping today, so I might not have the time..."

Lin Jiage: "Is that so? That's really unfortunate..."

His tone didn't sound too different from usual, but Shi Yao, who had lied to him, felt a little lacking in confidence for some reason. Thus, her voice sounded a little dry as she said, "That's right, that's really unfortunate..."

In contrast to Shi Yao's nervousness, Lin Jiage's voice was still as calm as ever, "It's fine. If you can't make it today, you can make it another day. In any case, I can ask them not to serve the new dishes for now. After I bring you to try them, I'll ask them to add them to the menu..."

After a brief pause, Lin Jiage asked, "... What about tomorrow? Are you free? If not, you can try the day after tomorrow, or the day after tomorrow..."

In her impression, Lin Jiage was a person who stood above everything else. He didn't care about anything at all, and it was rare for him to be so patient..

Shi Yao was a little overwhelmed by Lin Jiage's words. She struggled for a moment, but she couldn't find the right words to reject him. In the end, all she could say was, "I... Can't be too sure yet..."

As her voice fell, Shi Yao could clearly feel that the atmosphere on the other end of the line had become much quieter.

Is Lin Jiage unhappy because of her frequent rejections?

But why does she care so much about whether he's happy or not? When she rejected other boys in the past, those boys would run to the dormitory building drunk and stand there for an entire night. wasn't she also rather indifferent and calm?

Just as Shi Yao's thoughts were running wild, the silence on the other end of the line was suddenly broken. Lin Jiage's voice was as calm as usual as he said, "It's fine. I'll come back to ask you tomorrow and the day after tomorrow..."

Shi Yao was suddenly taken aback.

He... isn't angry?

Based on her understanding of him, he shouldn't have such a good temper.

He seemed to have become a little different from the him in her memories.

After ten seconds or so, Shi Yao finally snapped back to her senses and replied slowly, "OH."

Lin Jiage: "I Won't disturb you any further then. Go shopping with your mother and contact her later."

Shi Yao couldn't believe it, but the person on the other end of the line was Lin Jiage. She let out an 'Oh' once more, and after hearing Lin Jiage say 'goodbye', she replied with a 'goodbye' and hung up.

..

It was just as Lin Jiage had said. The next day, he called Shi Yao once more.

Shi Yao had asked to accompany her mother to a relative's house today, but she refused.

Chapter 508: He's ... Actually Not Angry? (2)

On the third day, Lin Jiage made another call to Shi Yao.

Shi Yao used today's date to accompany Gu Nanqiang to the military museum, but she rejected it.

On the fourth day, the fifth day, and the sixth day... Lin Jiage tirelessly asked Shi Yao out, and Shi Yao racked her brain to think of an excuse to reject him. It wasn't until the seventh day, two days before the start of school, that Lin Jiage called Shi Yao again, Shi Yao's reason for rejecting him was: everyone in

their dormitory had returned to school today, so they had agreed to go shopping in the afternoon and have dinner together.

Out of the seven times that Lin Jiage had asked Shi Yao out, there was only one last time, and Shi Yao's reason for rejecting him was real.

Other than Leng Nuan, who had been working in Beijing during the summer vacation, and Shi Yao had met her a few times, he tiantian and Jiang Yue hadn't seen each other for two whole months.

Today was Leng Nuan's last day of work, so Shi Yao picked up he tiantian and Jiang Yue from the airport at noon.

Shi Yao really missed he tiantian and Jiang Yue. After meeting them at the airport, the three girls hugged each other and chatted for a long time before getting into the car and heading to school.

Along the way, Jiang Yue and he tiantian chatted about many interesting summer vacation stories, and Shi Yao, who had been a little distracted by Lin Jiage's relentless pursuit for a meal over the past few days, felt a lot better.

In the afternoon, Shi Yao, he tiantian, and Jiang Yue went shopping together. By six in the evening, Leng Nuan had gotten off work, so the four girls met up with Leng Nuan at a decent Sichuan restaurant near her work.

After dinner, it was only eight in the evening.

As it had been too long since they last met, he tiantian suggested singing.

Leng Nuan, who had just received her salary, offered to treat them to a meal.

Seeing that someone was paying, Jiang Yue agreed without hesitation.

However, no one asked for Shi Yao's opinion. Instead, they dragged her to a taxi and headed to a relatively high-end KTV nearby.

As it was still early, there weren't many people in the KTV. After opening the private room, Leng Nuan went to the bathroom, and Jiang Yue began ordering songs. Meanwhile, Shi Yao and he tiantian each carried a basket to the KTV supermarket to pick out drinks and snacks.

While Shi Yao was picking out potato chips, the basket in her hand accidentally bumped into someone.

She instinctively turned around and apologized, "I'm sorry."

After being bumped into, the male student happened to turn around and meet Shi Yao's eyes.

The male student was dressed in a slightly feminine manner. He wore a diamond earring on his ear, and his hair was Grandma Gray.

Shi Yao felt that this male student looked a little familiar, as though she had seen him somewhere before. However, she couldn't recall where she had seen him before.

Shi Yao and the man looked at each other for a moment before the man replied, "It's alright." After which, he took two cans of beer and left.

Seeing that the man had left, Shi Yao didn't think too much of it. She picked up two bags of potato chips and a few bottles of yogurt before returning to the private room with her tian-tian.

On her way out of the supermarket, Shi Yao didn't notice that the man who had dyed his grandma's gray color was leaning against the wall of the corridor, holding up his phone and recording her back view.

It was only after Shi Yao's figure had completely disappeared from the entrance of the room that the boy put away his phone. He lowered his head and pressed a few buttons on the screen. A moment later, his phone rang, and a call came in, he quickly picked up the call and raised his phone to his ear before shouting, "Miss Liang, I didn't recognize the wrong person, did I? The person I showed you just now is the girl you brought over from the bar, right?"

Chapter 509: Do You Know What It's Like To Fall In Love At First Sight? (1)

On the other end of the line, Liang Mumu stared at Shi Yao's back in the video call she had just received for quite some time before she finally spoke up, as though she was hiding her hatred. "Yes, it's her."

Grandma's gray-haired boy.., she frowned. "Miss Liang, isn't she your friend? Why does it sound like you hate her very much? Why, are you two fighting? You girls are like this. You can always get into a fight over a small matter..."

"It's not as simple as a normal conflict or a fight with her!" Liang Mumu seemed to have been provoked, suddenly, her sharp voice interrupted the boy. "She and I have a deep hatred and irreconcilable hatred. One day, I will return all the suffering I have suffered to her!"

Grandma's gray-haired boy.., he was even more confused. "Wait, wait, wait. Miss Liang, speak clearly. What exactly happened? Did she bully you? She looks thin and weak, but you're the one who's baring your fangs and brandishing your claws. It doesn't seem like it..."

"What do you know! ! "The reason why I'm being abandoned in the countryside by my aunt and uncle is because of her! "Did you know that Sister Jiayi was the best to me when I was young? I don't know what tricks she used until she appeared. Sister Jiayi no longer calls me Mumu happily when she sees me like she used to when she was young. Instead, when she sees her, she's as warm as if she's her biological sister..."

On the other end of the phone, Liang Mumu, who had been baring her fangs and brandishing her claws, suddenly felt as if she had been wronged, she choked on her sobs."... and Grandpa Lin. When I was young, Grandpa Lin doted on me very much. But after she appeared, Grandpa Lin kept calling me yaoyao and never looked at me again... and brother Jia, you know that I like brother Jia. I always thought that it didn't matter that she snatched sister Jiayi and Grandpa Lin away. She couldn't snatch brother Jia away, but do you know that brother Jia is protecting her now..."

"... if it weren't for her, I wouldn't have come to such a lousy place. I Can't eat or sleep well every day. There are so many mosquitoes that they bite me all over my body. You have no idea how much I want to return to Beijing, how much I want to see you guys again. I don't want to stay here at all..."

When the gray-haired boy heard Liang Mumu's accusation.., "So, it's all her fault that you're in such a miserable state? Why didn't you tell me earlier? She actually dared to bully you! Just you wait, I'll avenge you tonight!"

“Stop fooling around, I’m afraid that you’ll suffer a loss...”Liang Mumu said as she sobbed softly. She understood him well, and his greatest strength was also his greatest weakness. He was a very loyal person., as such, the more aggrieved she acted, the more he would think of a way to deal with Shi Yao.

It was because of her that she had come to this point. What right did she have to suffer in the middle of nowhere while she was singing and playing with her friends in Beijing..

With this thought in mind, a vicious glint flashed across Liang Mumu’s eyes, and her sobbing voice became even louder,”... Look at me now, so you shouldn’t provoke her anymore...”

“What kind of joke is this? She’s the only one who can make me suffer! Mumu, don’t worry. As your friend, I won’t let you suffer for nothing. Wait for My Good News!”After saying that, the gray-haired boy fiercely hung up the phone.

Chapter 510: Do You Know What It’s Like To Fall In Love At First Sight? (2)

..

Back in the private room.

Jiang Yue hugged the microphone, closed her eyes, and put on an affectionate expression as she sang a song that pierced her ears the entire time, “For the rest of my life, I Only Want You. For the rest of my life, the wind and snow will be you, and the dullness will be you...”

“Jiang Yue, I beg you to sing your thousand years of waiting for once. You’re almost making my ears deaf...”he tiantian grumbled unreservedly as he ran over to the karaoke booth and began ordering songs excitedly.

After Shi Yao sat down, she was just about to grab a bag of chips to eat when she saw the mountain of snacks in front of her. She whipped out her phone and took a photo before sending it to her moments page:

— question: Do you know what it feels like to fall in love at first sight?

— answer: snacks.

A second after sending the photo to her moments page, Shi Yao tore open the packet of chips.

..

Lin Jiage, who had asked Shi Yao out seven times in a row and had been rejected seven times by her, felt extremely depressed.

On the day he returned from Shenzhen, he had asked her out for a meal, but she had rejected him. He didn’t notice anything amiss, but on the second and third day, after she repeatedly rejected him, even if he was an idiot, he would still be able to tell, she was intentionally avoiding him.

Since she didn’t accept his confession, he must have wanted to court her. However, she didn’t even want to see him face to face, so how could he court her?

After making the call in the morning and being rejected for the seventh time, Lin Jiage was so depressed that he lost his appetite for lunch. He lay on the bed in his bedroom upstairs, tossing and turning for the entire afternoon.

The more he thought about it, the more stifled Lin Jiage felt. At first, he would sigh every half an hour, but in the end, every five minutes, he would sigh heavily.

The sky outside the window grew darker and darker, and even after lying in bed for nearly a day, he still couldn't think of a way to get close to Shi Yao.

In the end, he was forced into a corner, so he could only try his best to send a wechat message to Lu Benlai: [what are those romance novels you read back then?]

Roughly ten minutes later, Lin Jiage received a reply from Lu Benlai: [eh? Boss, why are you reading those books? Are you trying to woo Little Junior? Aren't you the one who despises those books the most?]

/ please keep reading on MYBOXNOVEL(dot)COM.

[that's not what I asked...] Lin Jiage couldn't be bothered to waste his time with Lu Benlai, so he simply replied with a '3', clicked 'send', and then clicked '2'to send it out..

Before he could even click '1', he received a long list of titles from Lu benlai, "Boss, the list of books you requested is all here."

Having achieved his goal, Lin Jiage ignored Lu Benlai and chose to download all of the novels on his list with a single click.

While downloading, Lin Jiage took a look at the unread messages on wechat. Seeing that there was a red dot on his moments page, he clicked on it. In the end, he saw [Yao loves ice cream]'s post three minutes ago.

— question: Do you know what it feels like to fall in love at first sight?

— answer: snacks.

The picture below was a table full of snacks.

Lu Benlai gave her a 'like', and Lin Jiayi replied: — question: Do you know what it feels like to fall in love at first sight? — answer: money.

Seeing Lin Jiayi's answer, Lin Jiage chuckled disdainfully. Just as he was about to leave his moments page, he suddenly thought of something. He enlarged the picture that Shi Yao had posted and stared at the scene for a moment, then, he shared it with Liang Jiusi, who was always on the rampage, "Can you tell me where I am?"
