Chapter 511: I Am A Ghost (1)

Liang Jiushi should be playing with his phone right now, and the replies were all coming in at lightning speed.

[99 times table] : “? ? ?”

[99 times table] : “I’m sorry, but your question is too difficult for the other party to answer.”

[99 times table] : “I really don’t want to waste my breath. It’s a pitch-black room, a pile of snacks, and a table. Other than this KTV, only a ghost would know where this is...”

Lin Jiage’s face remained impassive as he flicked his finger, and a message appeared on his screen.

[111111] : “HM?”

Thirty seconds later, his phone screen lit up.

[99 times table] : “Brother Jia, I’m a Ghost!”

[99 times table] : “So, I know where this is. Please wait for me for a while...”

Lin Jiage didn’t reply to Liang Jiushi’s message. Instead, he re-entered his moments page and stared at Shi Yao’s status update for a moment. After which, he added in his heart: [question: Do you know what it feels like to fall in love at first sight?]? [answer: Shi Yao.].

Even though they had known each other for more than six years, he had never really looked her in the eye. It wasn’t until they met at SKP at the beginning of the year... from then on, she walked into his eyes, and then, she slowly walked into his heart... was the shock and astonishment of that fleeting glance the feeling of love at first sight?

But compared to love at first sight, he also liked love after time... Love after time... day..

A faint blush slowly crept onto Lin Jiage’s fair face.

What’s wrong with him? Has he been single for too long? To suddenly have a girl that I like... I can’t help but feel a little flirtatious.

In the past, Lu Benlai and Xia Shangzhou would chat about dirty jokes almost every night. Back then, he thought that they were vulgar, and he even mocked them. But now... he couldn’t help feeling the same way.

As expected, everyone is the same. You Can’t be vulgar, it’s just that you haven’t met the person who makes you vulgar.

While Lin Jiage was distracted, his phone vibrated in his palm.

Lowering his head, it was a voice message from Liang Jiushi.

[99 times table] : “Brother Jia, I’ve already found it for you. You have no idea how amazing I am. I was able to dig out the location just by relying on that map alone!”

[99 times table] : “Brother Jia, I’m simply a genius. It’s a good thing that I started clubbing at the age of thirteen, and I’ve already played around with almost everything in Beijing. Otherwise, I’m telling you, if it were a second person, they definitely wouldn’t be able to find this place!”

[99 times table] : “Do you see that billboard in the upper right corner of that picture? That’s how I found it. Previously, I made a bet with someone that if the word ‘love’ was on that Billboard, I would strip. In the end, it really did have the word ‘Love’ on it. It’s a good thing that there was no woman on that day, or else I would have been innocent...”

Lin Jiage played three voice messages in a row, but he didn’t hear what he wanted to hear. Thus, he impatiently tapped on the screen a few times.

[111111] : “Get to the point.”

[99 times table] shared a map.

[99 times table] : “That’s the KTV.”

[99 times table] : “Um, can I continue with the topic from earlier? Brother Jia, it’s a good thing that there was no woman that day. Otherwise, my innocence would have been exposed...”

[111111] : “Aren’t you a Ghost?”

[99 times table] : “Good, good, good. Otherwise, my innocence would really be at stake...”

Chapter 512: I Am A Ghost (2)

Ghost Grandpa? A little ghost is more like it..

Lin Jiage casually tossed his phone onto the bed, ignoring Liang Jiusi’s constant stream of wechat messages. He allowed his phone to ring “Ding Dong Ding Dong” as he got off the bed and headed to the bathroom.

Twenty minutes later, Lin Jiage came out of the bathroom and headed to the changing room. He carefully picked out a set of clothes to put on, then held up the hair dryer in front of the makeup mirror and tossed it left and right for quite some time, only then did he turn his face to the mirror to take a closer look. After making sure that everything was fine, he took out his phone and wallet and headed to the garage.

In the past, Lin Jiage had driven his grandfather’s car whenever he went out. But today, he took a stroll around the garage and finally chose the sports car that his father had given him on his 18th birthday.

After getting into the car, before Lin Jiage started the engine, he suddenly realized that it was a little too sudden for him to go to Soft Bun’s KTV..

If Soft Bun thought that he was spying on her, that would be terrible!

With this thought in mind, Lin Jiage whipped out his phone and sent a wechat message to Lu Benlai and Xia Shangzhou: [are you going to sing?]

Lu Benlai: [yes, yes, yes.]

Xia Shangzhou: [I want to go, but I can't. The demoness has detained me...]

Lin Jiage casually replied to Xia Shangzhou: [demoness?]

Following which, Lin Jiage forwarded the KTV address that Liang Jiusi had shared with him to Lu Benlai: "See you in ten minutes."

Xia Shangzhou: "Oh, OH, OH, I typed it wrong. It's the Queen. She detained me as her chauffeur. Right now, she's in there with a client, listening to a concert and drinking a little wine. On the other hand, I'm standing by the side of the road, sweating profusely..."

"I pity you for a second," Lin Jiage replied to Xia Shangzhou's message. After which, he cut to Lu Benlai's side and saw the 'Ok'emoji that he had sent him. Only then did he put down his phone and start the car, under the astonished gazes of the servants, Lin Jiage drove his eye-catching sports car out of the courtyard.

Leng Nuan's family wasn't particularly well-off, but she wasn't lacking in money either. Her summer job was purely to accumulate social experience, so after receiving her salary, she generously ordered a few cocktails tonight.

The cocktails tasted very good, similar to soft drinks. The few girls chatted and sang at the same time, and unknowingly, they drank quite a bit as well.

Leng Nuan usually looked calm and capable, but her tolerance for alcohol was average. Even though the alcohol content of the cocktail was very low, she was still a little tipsy towards the end. Leaning back on the sofa, she looked listless, as if she was on the verge of falling asleep.

Jiang Yue and he Tiantian's tolerance for alcohol was about the same, not to the point of drunkenness, but they were still a little tipsy. Perhaps it was due to the influence of alcohol, the two of them became a little excited, and they began singing song after song noisily.

Out of the four of them, only Shi Yao remained clear-headed.

After Jiang Yue and he Tiantian finished their song, they dragged Leng Nuan and Shi Yao to toast once more. Leng Nuan staggered up from the sofa and said, "I-i need to go to the washroom..."

With that, she staggered toward the door of the private room.

Shi Yao was a little worried about Leng Nuan, so she subconsciously stood up and said, "I'll go with Nuan Nuan." After which, she quickened her pace and caught up with Leng Nuan.

Leng Nuan's footsteps were very light, and she nearly fell several times. Fortunately, Shi Yao managed to catch her in time.

After entering the washroom, Shi Yao watched as Leng Nuan entered the cubicle before entering the cubicle next door.

Chapter 513: A Clear Conscience (1)

After entering the washroom, Shi Yao watched Leng Nuan enter the cubicle before entering the cubicle next door.

By the time she came out, the cubicle door was already open, and Leng Nuan was already gone.

Shi Yao hurriedly walked out of the washroom, and when she saw Leng Nuan standing in front of the sink washing her hands, she heaved a sigh of relief. She walked over to Leng Nuan and turned on the tap as well.

After washing her hands, Shi Yao took out two pieces of tissue paper. She handed one to Leng Nuan and dried her hands with the other. After which, she held onto Leng Nuan's arm and walked out of the washroom.

However, before she and Leng Nuan could even take two steps, a few men suddenly appeared in front of them.

Shi Yao thought that those men were here to use the washroom as well, so she didn't pay too much attention to them. Without even looking at them, she pulled Leng Nuan to the side and made way for them.

However, who would have thought that the other boys wouldn't just walk past her and Leng Nuan and enter the men's washroom? Instead, they stopped right in front of her and Leng Nuan.

A bad premonition crept into Shi Yao's mind. She frowned slightly and turned her head to glance at the other boys.

The leader of the group was a boy with gray hair. Shi Yao remembered that he was the person she bumped into when she and he Tiantian were shopping at the supermarket when they first arrived at the KTV.

Could it be that he was here to settle the score with her... over such a small matter?

"Yaoyao, I want some water..." Leng Nuan muttered softly before falling forward.

Shi Yao hurriedly collected her thoughts and reached out to pull Leng Nuan away, preventing her from bumping into the boys standing in front of her.

"Yaoyao, I want some water, water..." Leng Nuan was so drunk that she didn't notice the situation around her at all.

Shi Yao hid her behind her and consoled Leng Nuan softly, "I'll bring you some water later..."

Leng Nuan immediately quieted down. She leaned weakly against Shi Yao and didn't say or move.

It was only then that Shi Yao turned to look at the few boys in front of her. Since the path she and Leng Nuan were taking was blocked by them, she could only ask, "Can I trouble you to Make Way?"

The few boys showed no signs of making way at all.

Shi Yao frowned deeply, and just as she was about to continue speaking, the gray-haired boy with Grandma's gray hair suddenly spoke up. His tone was extremely vicious as he asked, "It's you who bullied my sister Mu?"

Sister Mu?

Shi Yao didn't quite understand who he was referring to. "I don't know what you're talking about, but can i trouble you to make way? My Friend isn't feeling too well..."

"It's none of my business whether your friend is feeling well or not. All I know is that you bullied my friend!" Grandma's gray-colored male student interrupted Shi Yao's words fiercely. "Do you know that bullying my friend is the same as bullying me!"

Did he mistake me for someone else? Putting aside bullying others, even quarreling with others was something that she rarely did..

Shi Yao pursed her lips and said, "I really don't know what you're talking about. I think that you might have mistaken me for someone else..."

"Mistaken me for someone else? Do you really not understand or are you just pretending not to understand? Don't tell me that you're pretending to have amnesia because you don't want to admit to what you've done?" The gray-haired boy asked, as if he couldn't be bothered to waste any more time with Shi Yao, he continued, "Liang Mumu, the young miss of the Liang family, do you understand?"

Chapter 514: A Clear Conscience (2)

Liang Mumu..

As those three words entered Shi Yao's ears, she suddenly realized why she felt that the young man before her at the KTV supermarket looked so familiar.

Back then, on the day that Liang Mumu invited her to a bar after the sports meet, she had met him.

That night, other than Liang Mumu, who had been trying to find all sorts of excuses to get her drunk, the other person who had been trying to get her to drink was him..

"Don't tell me that you don't remember who Liang Mumu is anymore!" Seeing that Shi Yao was still silent, Grandma's gray-haired male student spoke up once more, "Sister Mumu has suffered terribly because of you. If it weren't for you, would her uncle have sent her to the countryside? Do you know how miserable her life is in the countryside right now? It's all thanks to you!"

What the Heck was this? Didn't she even talk about the most basic principles and values?

Shi Yao's expression also turned grim, "I don't want to talk about this nonsense with you. If you really want to reason with me, I can only say that what goes around comes around. Liang Mumu brought this upon herself, and it has nothing to do with me. From the very beginning, I've never done anything to let her down. As a friend, the word 'sorry' has always been stuck to her, and I have a clear conscience!"

"You sure have a clear conscience and a sharp tongue. To think that I would suspect you of being so weak that you don't look like someone who can bully others. Now, I finally understand why sister Mu is

in such a miserable state..."the gray-haired boy said, the more he spoke, the more vicious his words became."... To tell you the truth, I'm here today to seek justice for sister Mu!"

"Justice?" A cold smile surfaced on Shi Yao's usually gentle face. "If you really want to seek justice, then what you need to do now is buy a high-speed train ticket or a train ticket and rush to the countryside to look for Liang Mumu!"

It was impossible to reason with such a person in one's entire life. No matter how much she said, it would just be a waste of her words.

After coldly saying what she wanted to say, Shi Yao didn't want to stay any longer. She pulled Leng Nuan along and prepared to leave forcefully.

"You want to leave?" Grandma's gray-haired male student was extremely displeased by Shi Yao's words. Seeing that Shi Yao was just about to leave, he subconsciously reached out and grabbed Shi Yao's wrist, he threw her against the wall and asked, "Do you think you can leave?"

The touch of a stranger filled Shi Yao's heart with disgust. She furrowed her brows tightly, and she subconsciously began to struggle.

The strength of the male student's grip grew stronger and stronger as she reacted. In the end, his grip on her wrist began to hurt.

Updates by

Shi Yao wanted to protect Leng Nuan with one hand, but she was unable to break free from his grip. Instinctively, she raised her leg to kick the male student.

The male student was struck by Shi Yao's kick, and he took a step forward furiously before grabbing her neck with his other hand.

In the drunken Leng Nuan's eyes, the male student's actions were reminiscent of him tugging at Shi Yao's collar.

In that instant, she couldn't tell if it was a dream or reality. The image of her being pushed against the wall and her clothes being torn into pieces suddenly flashed through her mind..

She suddenly screamed as if she had been greatly stimulated. Then, she threw herself in front of the gray-haired boy and began to pull his arm with all her might.

Chapter 515: Let Go Of Me, Let Go Of Me (1)

The male student was clearly confining Shi Yao, but Leng Nuan was still shouting, "Let go of me, let go of Me!"

She had exerted a lot of strength, but she was unable to pull the male student's hand away from Shi Yao's neck. She became even more agitated, and her voice became even sharper as she shouted, "Let go of me, let go of me, let go of me..."

As she shouted, tears streamed down from the corners of her eyes.

“Nuannuan, Nuannuan...” Shi Yao, who had been worried about her, suddenly became nervous upon seeing Leng Nuan’s condition.

However, no matter how hard she tried to call out to Leng Nuan, Leng Nuan didn’t respond. She simply tried her best to pull the boy’s arm away.

As more and more tears streamed down her face, her shrill cries turned into helpless pleas, “Please let me go, let me go... Please... Please... Let Me Go...”

In the end, all that was left of Leng Nuan was her sobbing.

As she cried and cried, she suddenly burst into a heart-wrenching scream.

Shi Yao became even more worried, and her struggle grew even more intense. “Nuannuan, Nuannuan...”

It was unknown whether Leng Nuan had heard her voice or not, but she suddenly stopped screaming and stared straight at the arm that was strangling Shi Yao’s neck, then, she opened her mouth and bit down furiously.

She bit down hard, like a madman. The pain caused the gray-haired boy’s body to tremble, and he subconsciously let go of Shi Yao’s neck, following which, he slapped Leng Nuan’s face with his palm. “B * Tch, how Dare You Bite Me!”

Leng Nuan was knocked to the ground.

She was already weak from drinking, so she couldn’t even stand up now.

However, the gray-haired male student didn’t seem to have any intention of giving up. Clutching his aching arm, he raised his leg and kicked Leng Nuan’s body.

Updates by

Shi Yao, who had freed herself from the restraints, saw this scene and immediately rushed forward to stop the male student.

Grandma’s gray-haired male student was infuriated by the two girls, and he turned to the people following behind him, he roared furiously, “What are you all standing there for? Can’t you see? Hurry up and help me get this bully to the men’s washroom. I’ll deal with her later. As for this one, she actually dared to bite me...”

As soon as he finished his words, the others who had been frightened by Leng Nuan’s sudden reaction came back to their senses one after another. In the next second, they lunged at Shi Yao, grabbed her arm, and dragged her into the men’s room.

The moment the door to the men’s room was shut, Shi Yao saw the gray-haired boy bending over to pinch Leng Nuan’s chin before raising his hand to slap her face once more, he was still cursing and swearing, “B * TCH, I’ll beat you to death if you bite me...”

..

After Shi Yao and Leng Nuan left, he tiantian and Jiang Yue raised their microphones. One of them sang a melodious song while the other sang a chorus of 'you're going to marry me today'. However, they realized that quite some time had passed.., leng Nuan and Shi Yao were still not back yet.

Jiang Yue took out her phone and called Leng Nuan and Shi Yao one by one. However, she realized that both of their phones were left in the private room.

"Did they drop their phones in the toilet?"

"Or did Nuan Nuan abscond with Yaoyao because she didn't want to pay?"

Jiang Yue and he tiantian joked around for a moment before heading to the toilet. After which, she instructed he tiantian to take care of the items in the private room before leaving the room

Chapter 516: Let Go Of Me, Let Go Of Me (2)

The private room that Shi Yao and the others had opened was quite a distance away from the washroom.

The sound of singing and laughter could be heard from the private room beside the washroom, so Jiang Yue walked forward for quite a distance. It was only when she was about to reach the entrance of the washroom that she heard a woman's sharp scream.

It was very mournful... and it gave her a fright. She instinctively froze on the spot, and it was only then that she realized... that the voice was still very familiar.

As this thought flashed through Jiang Yue's mind, she immediately recognized Shi Yao's voice amidst the shrieks in the bathroom, "Nuannuan, Nuannuan..."

Jiang Yue frowned, but it didn't take long for her to realize that the shriek was from Leng Nuan.

Nuannuan... What's going on?

Jiang Yue subconsciously quickened her pace and rushed to the entrance of the bathroom. Then, she realized that Shi Yao and Leng Nuan weren't the only two people there... there were also quite a few boys whom she didn't recognize at all. Judging from their attire.., they were completely different from the other boys in her school. They were all liars and rascals, like the scum of the society.

There were four girls in their dormitory room. Leng Nuan was calm, Shi Yao was able to eat, he tiantian was heartless, and Jiang Yue... Everyone said that she was a fool.

Jiang Yue also admitted that she wasn't a smart person. She was straightforward with her words and actions. Even when she was admitted to G University, she had to work all night to study and revise for a year to barely meet the admission mark.

However, Jiang Yue felt that she wasn't stupid that night.

She admitted that her first thought when she saw that scene was to rush up. However, the moment she lifted her foot, she lowered her head to look at herself and then retracted it. Then, in order to avoid being discovered by those boys.., she acted as if she had never appeared before and quietly stepped

back. Only when those people completely disappeared from her sight did she turn around and run toward the private room.

When Jiang Yue pushed the door open, he tiantian was wearing disposable gloves and chewing on a duck's neck.

He Tiantian saw Jiang Yue rushing in and chuckled. "What? Is there a ghost behind us?"

Jiang Yue ignored he tiantian. She didn't even close the door of the private room. She walked to the sofa, flipped through her phone, and started to unlock the screen. At the same time, she walked to the music station and turned off the background music in the private room.

"Jiang Yue, what are you doing? I'm listening to this song very well..."he tiantian grumbled unhappily.

Jiang Yue ignored her, lowered her head, and pressed "110"on her phone.

Perhaps it was because it was late at night, or perhaps it was because she was too worried about Shi Yao and Leng Nuan, but Jiang Yue didn't know how much time had passed. However, she felt as if a century had passed, and there was still no one picking up the phone, she couldn't help but feel anxious. "What's going on? Why isn't anyone picking up at 110?"

"110?"He Tiantian suddenly raised her head. "Why did you call 110? What's going on?"

Jiang Yue: "It's Yaoyao and Nuan Nuan. Something happened to them..."

"What did you say?"As soon as Jiang Yue's voice fell, a male voice sounded from the entrance of the room.

Jiang Yue and he tiantian stared at each other blankly for a moment before turning their heads to look at the source of the voice.

However, before they could make out who it was, the person was already standing in front of Jiang Yue. His calm voice was laced with nervousness and anxiety as he asked, "What did you say? Yaoyao? Shi Yao? Is that right?"

Chapter 517: Leave When You're told To (1)

He Tiantian and Jiang Yue were taken aback once more.

Three seconds later, he tiantian was the first to catch sight of the newcomer. With a hint of astonishment and astonishment, she exclaimed, "Male..."

She only managed to utter a single word before she realized that her words were too fast. Thus, she hurriedly changed the word "Spirit"to," ... Senior Lin..."

Jiang Yue was still unable to react in time. When she heard he Tiantian's voice, she stared blankly at Lin Jiage and said," ... Senior Lin... Senior Lin..."

Lin Jiage's brows furrowed slightly. Just as he was about to continue asking if Shi Yao was in some kind of danger, Jiang Yue, who had been a moment too slow, finally regained her senses. Before Lin Jiage could speak, she had already spoken up, "Senior Lin, it's yaoyao. Something happened to Yaoyao, and she and Nuannuan are stuck in the bathroom..."

“Nuannuan? Leng Nuan?” Before Jiang Yue could finish her sentence, another voice sounded from behind Lin Jiage.

Just as Jiang Yue and he tiantian turned to look at the person who had spoken, Lin Jiage, who was standing in front of Jiang Yue, had already turned around and dashed out of the room.

Shi Yao and Lin Jiage were in the same physical education class for more than half a semester. Even though there wasn't much interaction between the two classes, due to Lu Benlai's name and Lu Benlai's request for Leng Nuan's phone number, Jiang Yue and he tiantian still remembered Lu Benlai, that was why they remembered Lu Benlai.

When the two girls saw Lu Benlai, he tiantian immediately nodded and said, “That's right. Nuan Nuan is cold...”

Before he could finish his sentence, Lu Benlai had already turned around and dashed out of the room.

Jiang Yue and he Tiantian's drunkenness had long dissipated due to the incident with Shi Yao and Leng Nuan. Now that they saw Lin Jiage and Lu Benlai rushing out of the room, they knew that they had gone to the washroom, the two of them hurriedly packed up the important items in the room and followed behind them.

Lin Jiage was the first to rush to the entrance of the washroom. Other than the shivering Leng Nuan who was curled up on the floor, the few men that Jiang Yue had mentioned were already gone. Shi Yao was also missing along with them.

Lin Jiage's heart suddenly constricted. Before he could even think about where Shi Yao would be taken to, Lu Benlai had already rushed over, “Boss, what...”

As Lu Benlai's voice sounded, he saw Leng Nuan huddled up in a corner not too far away from the entrance of the washroom. His words suddenly disappeared from his lips, and in the next second., without any hesitation, he rushed up to Leng Nuan, “... Leng, Leng Nuan...”

As he spoke, Lu Benlai reached out to pull Leng Nuan up from the ground.

However, his fingertips had yet to touch Leng Nuan's arm. Sensing someone approaching and touching Leng Nuan, his reaction was exceptionally strong as he moved back. “Don't Touch Me!”

Lu Benlai was so frightened by Leng Nuan's intense reaction that his hand trembled and stopped in mid-air.

“Don't touch me, don't Touch Me!” Leng Nuan repeated these three words several times in succession. Then, she buried her head forcefully into her knees and fell silent again.

Although she didn't speak or move, Lu Benlai could still clearly see her shoulders trembling.

His heart seemed to be tightly gripped by something, as if it was being trampled on. The uncomfortable Lu Benlai suddenly stood rooted to the spot, staring blankly at Leng Nuan, without any reaction.

[today's update is a little late. I'm sorry, everyone. Ha! Continue Typing.]

Chapter 518: Leave When You're Told To(2)

It was not until he tiantian shouted "Nuannuan" and rushed to Leng Nuan's side. She reached out and grabbed Leng Nuan's arm, causing Leng Nuan to scream in excitement again, that Lu Benlai came back to his senses.

In he Tiantian's impression, Leng Nuan had always been the kind of girl who was very calm. This was the first time she had seen Leng Nuan like this.

Perhaps she was shocked by this scene, but she still held onto Leng Nuan's arm and did not let go.

Leng Nuan screamed even louder, and even her body trembled a little. Only then did he tiantian react and quickly let go of Leng Nuan's arm, she whispered to Leng Nuan, "Nuan Nuan, what's wrong? Nuan Nuan, it's Tiantian, Nuan Nuan..."

Leng Nuan did not speak, but perhaps she heard a familiar voice and a familiar name. Her emotions gradually calmed down.

"Nuan Nuan, I'm Tian Tian, your roommate. You're Alright Now. Be Good, you're Alright..." he tiantian saw that her words had taken effect and continued to gently coax Leng Nuan, at the same time, she tried to reach out her hand again.

This time, when she touched Leng Nuan's arm, she saw that Leng Nuan's body was only trembling violently. She didn't resist or scream anymore, so she placed her hand boldly on Leng Nuan's back, she patted her back lightly, "... Nuannuan, it's alright now... It's alright now..."

As he tian repeated the words 'it's alright now' over and over again, she could clearly feel Leng Nuan's body becoming softer and less stiff.

It was only then that she raised her head and scanned her surroundings, only to realize that Lin Jiage and Jiang Yue were no longer at the entrance of the washroom.

Just as she was about to ask where the two of them had gone, heavy footsteps sounded from the corridor.

Following which, Lin Jiage and Jiang Yue appeared at the entrance of the washroom once more.

He tiantian subconsciously asked, "Where's Yaoyao? Why is Yaoyao missing? Where did they take her..."

Lin Jiage's face was so dark that it was frightening to look at it.

He didn't reply, but Jiang Yue continued, "We went to look for Yaoyao just now. She didn't leave the KTV, so we searched every room in the room. There's nothing for her..."

Before Jiang Yue could finish her words, Lin Jiage had already walked over to the entrance of the men's washroom.

He reached out and pushed the door, but he was unable to open it.

The washroom was a public washroom, so it was impossible for the door to be locked for no reason... as this thought flashed through Lin Jiage's mind, he suddenly realized something and pushed the door even

harder, seeing that the door wasn't moving at all, he finally confirmed his thoughts. Then, he turned to look at Lu Benlai and the three girls..

Soft Bun's roommates had told him that there were quite a few boys..

To him, the boys weren't the main point. The main point was Soft Bun's roommates.

There were only two boys in the room — him and Lu Benlai. If he were to really kick down the door and barge in, those boys would rush out in a rush. It would be fine if he and Lu Benlai were to protect one girl each, but if they were to protect two..

In just a few short seconds, Lin Jiage had already made up his mind. "Lu Benlai, take the three of them with you!"

Hearing those words, a hint of worry flashed across Lu Benlai's eyes. "Boss, let the three of them go first. I'll stay behind to accompany you..."

"Just the three of them? Two of them were drunk, and one of them was delirious. Are you sure?" Lin Jiage glanced at the three female students beside him and asked Lu Benlai nonchalantly, without waiting for Lu Benlai to respond, he continued, "If I tell you to leave, then leave. If I can't even protect the girl I like, how can I still be a man?"

Chapter 519: Can Beat Them Up A Little Longer (1)

Lin Jiage's tone wasn't too harsh when he said those words, but there was a hint of arrogance in his handsome features.

Lu Benlai had known Lin Jiage for three years, so he understood him well. Thus, he understood that this was the best arrangement for them at the moment.

He didn't hesitate any longer and immediately compromised, "Alright then, boss. I'll take them away first. You take care of yourself."

Lin Jiage nodded slightly, but he didn't say a word.

Lu Benlai knew that time was of the utmost importance to all of them, especially Shi Yao, who was still unaware of the situation in the washroom.

Thus, he didn't waste any more time. He immediately bent down, intending to carry Leng Nuan on his back and leave.

However, the moment he touched Leng Nuan, she, who had been pacified by HE Tiantian, suddenly became agitated once more.

"Nuan Nuan, this is our senior. He's not a bad person. Don't be afraid..." he Tiantian quickly reached out his hand, he continued to pat Leng Nuan's back gently. "... look, it's really our senior. He even asked for your phone number... He's not a bad person..."

As he Tiantian patiently whispered softly, Leng Nuan slowly raised her head and glanced at Lu Benlai who was squatting in front of her.

This was the first time she raised her head after everyone had rushed over.

Lu Benlai finally saw clearly that her face was very swollen. The corner of her lips was even scratched and blood was flowing down.

"F * ck..." Lu Benlai could not hold back for a moment and blurted out a series of profanities.

Leng Nuan, who was looking at him, was frightened by his fierce tone and trembled all over. She leaned into he Tiantian's embrace.

Lu Benlai saw Leng Nuan's reaction and quickly suppressed the anger in his heart. His usual idle smile returned to his face.

"Look, it's really our senior..."

As he Tiantian's soft coaxing voice sounded again, Lu Benlai smiled brightly at Leng Nuan.

The guard in Leng Nuan's eyes slowly began to relax.

Lu Benlai then slowly extended his hand to her.

When his hand was about to touch hers, he saw that she didn't resist, so he held her hand in relief. Then, he turned around and carried her on his back.

Lu Benlai stood up with Leng Nuan on his back and said to Lin Jiage, "Boss, I'll take them away first..."

With that, Lu Benlai carried Leng Nuan on his back and walked toward the corridor.

He Tiantian and Jiang Yue each left a message for LIN Jiage, "Senior Lin, be careful", and they hurriedly followed Lu Benlai.

"... boss, be careful on your own. As soon as I leave this place, I'll immediately call the police for you..." as he left, Lu Benlai was still speaking to Lin Jiage.

Lin Jiage had been prepared to kick down the door after watching them leave, but upon hearing those words, his eyebrows suddenly shot up, and he said, "I'll call the police later."

"Huh?" Lu Benlai, who had already reached the corridor, stopped in his tracks and looked at Lin Jiage doubtfully.

Call the police later? Isn't it better to call the police as soon as possible in such a situation?

Lu Benlai stared at Lin Jiage for two seconds before saying, "Boss, I really admire your attitude. Even at a time like this, you still have the mood to tell a cold joke..."

His heart was filled with soft buns, so how could he have the mood to tell a cold joke to him..

Hearing Lu Benlai's words, Lin Jiage shot a nonchalant glance at Lu Benlai before looking straight at the toilet door in front of him. At the same time, he prepared to make a run for it, at the same time, he casually said, "... that way, I can beat them up a little longer!"

Chapter 520: Can Beat Them Up A Little Longer (2)

Lu Benlai: "..."

The reason for calling the police later was to beat those people up a little longer..

Boss, other than the fact that he only wanted to give them 100 points, he didn't have any other thoughts..

Lu Benlai was speechless for a few seconds before he steadied his heart that had been provoked by Lin Jiage. Carrying Leng Nuan on his back, he left with he tiantian and Jiang Yue.

A moment ago, Lu Benlai and the others had already disappeared from Lin Jiage's sight. But a moment later, Lin Jiage suddenly took two steps forward and raised his leg to kick the door of the men's washroom.

With a loud 'peng', the door shook twice before opening.

Lin jiage immediately saw Shi Yao being pressed against the window sill of the washroom. One of the boys was forcing her to say 'I'm sorry'.

His kick had been too abrupt, and their conversation was cut short. Everyone turned to look at the door.

Including Shi Yao.

Perhaps it was because she was being forced to do something that she wasn't willing to do, but her lips were tightly pursed, and her face was filled with stubbornness. However, there were still traces of panic and helplessness flowing out from her eyes.

She must have had an argument with them just now, and her hair was a little messy. There was a tear on her shoulder, revealing a small patch of her fair shoulders. There were several red and swollen finger marks on her face., it was as if someone had pinched her cheek forcefully..

It was especially so for the corners of her eyes. The moment she looked at him, she was a familiar beauty. There wasn't any moisture or mist in her eyes, but after looking at him for a few seconds, the rims of her eyes suddenly turned red, as if she had suffered a great grievance, her eyes immediately turned moist.

Seeing Shi Yao in such a state, Lin Jiage's eyes immediately turned red with anger. He felt as if someone had lit a huge fire in his chest, and it burned so fiercely that his mouth felt as if it was being choked by a thick cloud of smoke.

He stared intently at the scene before him as he raised his feet and inched closer to her step by step.

Perhaps it was because his aura was too strong, or perhaps it was because those people had not recovered from his sudden appearance. Everyone stared at him blankly for a long time. When he walked up to them, one of them., then, he opened his mouth with a fierce expression. "Who are you?"

Following that, another person also opened his mouth. "That's right, who are you? It's none of your business here. Get lost as soon as possible..."

Before he could finish his sentence, his voice turned into a scream. Following which, his muscular body collapsed to the ground.

Before anyone could react to what had just happened, Shi Yao, who had been surrounded by them, was suddenly pulled behind by Lin Jiage. Following which, the door to the cubicle next to her was forcefully

pulled open, all Shi Yao felt was a force pushing her arm forward, and she was shoved into the cubicle by Lin Jiage.

Before Shi Yao could even stand up properly, the door to the cubicle behind her was shut. Following which, a loud clanging sound echoed from outside.

“The heck, how dare you hit my brother!”

“The heck, how dare you snatch him away from me! I Don’t care who he is, beat him up! beat him to death!”

“...”

Amidst the cursing of the men, Shi Yao heard Lin Jiage’s voice. It was a voice that she was familiar with, but it was a voice that she was unfamiliar with, a voice that was frightening and cold. “Didn’t you want to know who I am? I’m the one who beat you all up!”
