### **Chapter 521: Yaoyao, I'm Here (1)**

It was only after Lin Jiage's voice fell that Shi Yao finally realized what was going on.

When she was dragged into the men's washroom, she saw the gray-haired boy with Grandma's gray hair flirting with Leng Nuan. She wanted to break free from them to protect Leng Nuan, but the strength of any one of those boys was greater than hers, no matter how hard she shouted, they still led her to the innermost part of the men's washroom.

Not too long later, the gray-haired boy kicked open the door of the washroom and walked in while cursing.

Upon seeing him, Shi Yao felt a little relieved.

It had only been two to three minutes since she left Leng Nuan, so nothing should have happened to Leng Nuan..

However, the relaxation lasted for only a short ten seconds. After the gray-haired boy locked the bathroom door behind him, Shi Yao's heart began to panic once more.

Perhaps the gray-haired boy had really been affected by Leng Nuan. While rubbing his aching arm, he walked up to Shi Yao while swearing profanely. Then, he instructed someone to take out his phone and record a video of her, he wanted her to apologize to Liang Mumu.

What was that saying? A wise man submits to circumstances... but in Shi Yao's world, only a wise man submits to food.

She wasn't wrong. She had once treated Liang Mumu as her best friend from the bottom of her heart, and she trusted her so much. All along, Liang Mumu had been lying to her, and now, she was forcing her to apologize to Liang Mumu.., she could not say it out loud... and she would never say it out loud.

Her stubbornness and stubbornness made the gray-haired boy, Grandma, a little irritable. He threatened her, pinched her cheeks hard, and forced her to apologize. He even tore her clothes, saying that he wanted to teach her a lesson.

She did not understand what he meant by 'good-looking'. It was because she did not understand that such an unknown situation made her even more afraid.

How could she not be afraid... seven or eight boys surrounded her, a girl... anyone would be afraid of such a scene, right?

Especially since they were all drunk and one or two of them were clearly not in their right minds. After her clothes were torn, they stared at her shoulder with lecherous eyes and said in a perverted and evil manner that if she really did not apologize.., only the few of them would play with her to death..

She really detested their gazes and was disgusted by their lewd words. She wished that a crack would appear in the ground at this moment and swallow her up. She had even prepared for the worst. If they really did do something to her.., she would jump down from the window behind her..

The gray-haired boy, Grandma, probably lost his patience because of her. After asking her three times in a row whether she should apologize or not, he took a step back, he really waved his hand at the two boys whom he had been drooling over for a long time, gesturing for them to do as they pleased.

As they drew closer, Shi Yao could clearly see the excitement and cruelty in their eyes.

In fact, she could even vaguely feel them swallowing their saliva. It was as if she was a plaything that they could slaughter at will..

At that moment, she was extremely flustered and helpless. Just when she thought that she was really done for, the bathroom door was kicked open by a huge force.

She heard the sound and looked up. She saw him, who she had been hiding from for a few days.

He was as dazzling as ever.

But at that moment, he was more dazzling than ever before.

### **Chapter 522: Yaoyao, I'm Here**

When she was threatened, coerced, or even verbally humiliated by them, she didn't cry at all. In fact, her eyes didn't even turn red. But the moment she saw him, for some reason, she felt as if she had been wronged to the extreme, her eyes immediately turned red, and she really wanted to cry..

So, he had placed her in a safe cubicle while he stayed outside to deal with those boys?

Having completely understood the situation, Shi Yao subconsciously pushed the cubicle door open. It was only then that she realized that no matter how hard she tried, the cubicle door wouldn't budge at all.

So, when she was pushed into the cubicle by Lin Jiage and the door closed behind her, she heard a 'clang'sound. Was it the sound of him sealing the cubicle door shut?

As this thought flashed through Shi Yao's mind, she heard a series of curses coming from outside the cubicle. Each and every one of them sounded as if they were gnashing their teeth in fury.

"The heck, who the hell are you? How dare you act so atrociously in front of me?"

"The heck, how arrogant! No one has ever spoken to me in such a tone since I was young!"

"Brothers, Charge! beat him to death!"

"..."

After a series of vicious words, a 'peng'sounded from Shi Yao, as if someone had been knocked to the ground.

Shi Yao's heart suddenly leaped into her throat. She couldn't see the scene outside clearly, so she had no idea who had been beaten up. Worried for Lin Jiage, she instinctively reached out to push the door open once more, but no matter how hard she tried.., the door showed no signs of opening.

The noises outside grew even louder. “Bang!”“Pa!”“Clang!”“Dong!”... every single sound was so frightening that Shi Yao couldn’t help but start banging on the door with all her might. “Lin Jiage, Lin Jiage...”

As she continued patting on the door, Shi Yao suddenly recalled the same scene from many days ago. On her birthday, he and she bumped into Qin yiran, and they were brought into a courtyard house with no one around.

That day, just like when she was alone, she thought that she was done for. After which, she was pulled into his embrace, and with a single word, he pushed her out of the courtyard house.

That day, he was exactly the same as today. The first thing he did was to put her in the safest place, leaving her in the most dangerous place.

Shi Yao wasn’t sure what was wrong with her, but at that moment, her heart was trembling so violently that she couldn’t even muster the strength to slam on the door or speak.

The sounds of fighting outside the cubicle showed no signs of stopping. In fact, it was even more chaotic than before.

The sounds of groaning pain, the sound of wood breaking, the sound of heart-wrenching screams..

Every time Shi Yao heard it, her heart would tremble in fear. In the end, her breathing became unsteady, and she exerted all of her strength to open her mouth once more. The voice she used to call out Lin Jiage’s name.., it was so shaky that even she was surprised, “Lin Jiage, Lin Jiage... Lin...”

As she shouted, her throat felt as if it was being strangled. No matter how hard she tried, she couldn’t make a single sound.

She couldn’t tell if she was afraid or worried, and mist began to seep out from the corners of her eyes.

She opened her mouth once more, and with great difficulty, she managed to utter another word,“... jia...”

Before she could finish her sentence, she heard Lin Jiage’s slightly unstable voice through the door, “Yaoyao, I’m...”

Fu

### **Chapter 523: Apologize To Me (1)**

Yaoyao, I’m here... I’m here..

Such a simple sentence caused Shi Yao’s eyes to Redden once more.

The sounds of ‘Peng Peng’and ‘Dong Dong’outside the door were still echoing in the room, interspersed with wails and pleas for mercy.

After hearing Lin Jiage’s reply, Shi Yao stood in the cubicle in a daze, not moving for a moment.

She didn’t know how long she had been standing there in a daze for, but the commotion outside finally died down.

Amidst the moaning and groaning of the crowd, Shi Yao heard footsteps approaching her cubicle.

Following which, with a 'Kacha'sound, the cubicle door shook a few times before being pulled open.

Shi Yao raised her eyes, and Lin Jiage, who was standing at the entrance of the cubicle, was right before her eyes.

He was just as dazzling and eye-catching as when he kicked open the door to the washroom.

It was just that his clothes were a little messy at the moment, and the gloomy expression on his face was so dark that it seemed like water could drip from it.

However, what quickly attracted Shi Yao's attention was the smear of red on his white t-shirt — it was exceptionally eye-catching.

In just a short moment, Shi Yao realized that it was blood..

Without any hesitation, she rushed up to Lin Jiage and reached out to touch the smear of red on his chest, "Are you hurt? Does it hurt?"

Her sudden touch caused Lin Jiage's body to tense up. His breathing stopped for a moment, and seeing that her hand was still caressing his body, he hurriedly raised his hand and grabbed her fingertips, "I'm not..."

Before he could finish his words, his gaze fell on the red ring on her wrist.

A sharp glint flashed across his eyes as his brows abruptly knitted together.

Other than tearing her clothes and forcing her to apologize, pinching her face red, they had also injured her wrist..

As these thoughts flashed across Lin Jiage's mind, his sharp gaze swiftly scanned through Shi Yao's entire body, and he realized that on her fair and tender neck.., so... They even pinched her neck?

Lin Jiage's rage immediately flared up, and his chest heaved up and down as well. He stared fixedly at the red and swollen mark on Shi Yao's neck for a moment before silently raising his hand and closing the cubicle door once more, he casually grabbed a mop from the side and slammed the door shut. Then, ignoring the sounds of Shi Yao slamming the door and calling his name, he raised his fist once more at the few people lying on the floor.

While he was beating them up, Lin Jiage gritted his teeth and asked, "Who injured her just now?"

A few of them were so frightened by the beating that they covered their heads and begged for mercy, at the same time, they betrayed the gray-haired male student of his grandmother without any hesitation, "It was him! He was the one who pinched her! He was also the one who slapped the other girl! We didn't do anything! We didn't even have the time to do anything..."

"Right, right, right! It was all his idea! He even forced that girl you hid to apologize, and he even made a video for Miss Liang to watch..."

The girl he hid... Soft Bun? I'm sorry, making a video for Miss Liang to watch... is it that little cousin of Liang Jiusi's who was exiled to the countryside again?

Lin Jiage's rage had already flared up when he saw the swelling on Shi Yao's neck and wrist, and it only intensified.

He swept his gaze across the bruised and swollen faces of the group before turning his gaze to the gray-haired male student.

## **Chapter 524**

### **: Apologize To Me (2)**

He stared at Lin Jiage for a few seconds before striding over.

Perhaps it was due to his overwhelming aura, but the aura emanating from his body was simply too frightening. The gray-haired male student was a little afraid, and even though he was unable to stand up from the beating, he still managed to crawl back slowly.

But in the end, he still ended up falling into Lin Jiage's hands.

The gray-haired boy had long since lost the ability to retaliate, but Lin Jiage grabbed his collar and pulled him up. Without a care in the world, he pummeled and kicked him once more.

Lin Jiage's attacks were vicious, and unlike the other boys, he didn't swear or say anything vicious. Instead, he only used his fists to pummel the gray-haired boy, causing him to scream more and more pitifully.

But even so, Lin Jiage didn't have the slightest intention of stopping. Regardless of whether his punches landed on the gray-haired boy's head or the vitals of his grandma, he just kept on pummeling him, it was only after beating up the gray-haired boy to the point where tears and Snot flowed down his face that Lin Jiage finally stopped. He grabbed the boy's arm and dragged him all the way to Shi Yao's cubicle. Pointing at the door, he finally opened his mouth, he was no longer as cold and silent as before, "Apologize to me!"

The gray-haired boy slumped to the ground, not saying a word.

It was as if Lin Jiage's patience had run out. He raised his leg and kicked the boy's body once more. Following which, he let out another shrill scream, his tone was much harsher and more impatient than before, "Apologize to me! Say You're Sorry!"

As his voice trailed off, Lin Jiage raised his leg once more.

Fearing that Lin Jiage would continue beating him up, the gray-haired boy covered his head with his hand and replied in a shrill voice, "I apologize, I apologize... I'm sorry, I'm sorry..."

"Say it to the door!"

"Yes, yes, yes..."

The gray-haired boy hurriedly turned to look at Shi Yao's cubicle. Before he could say anything, Lin Jiage suddenly thought of something and said, "Wait a moment!"

Following which, he turned to look at the other boys beside him and pointed at one of them, "You, come over here!"

The other boy was already frightened from the beating, so he didn't dare to hesitate for even a moment before scrambling over to Lin Jiage's side.

Lin Jiage bent down and took out his phone from his grandma's gray-haired boy's pocket. "Unlock it!"

The gray-haired male student acted like a robot under Lin Jiage's control as he hurriedly tapped his fingerprint.

After unlocking the phone, Lin Jiage tapped on the camera and passed it to the male student whom he had just called over. "Take a picture of him for me!"

With that, Lin Jiage shot a glance at the gray-haired male student and said, "Start apologizing to me now!"

"I'm telling you two to behave yourselves. If I'm not satisfied with the video recording later, I'll Beat You Up!"

"Yes, yes, yes..." the two boys were so frightened that they nodded their heads like chicks pecking at Rice.

Lin Jiage didn't say anything else. Instead, he took two steps back, crossed his arms before his chest, and began monitoring the two of them.

How could the two of them dare to do anything reckless? One of them apologized earnestly, and the other focused on the video recording.

After recording for about a minute, the young man who was recording the video glanced at Lin Jiage with trepidation, "Alright..."

It was only then that Lin Jiage walked over.

### **Chapter 525: Dating Shi Yao Every Day, Failing To Meet Her Every Day (1)**

After standing in front of the man who was recording the video, Lin Jiage reached out with one hand and took out his phone. After checking the video that he had just recorded, he confirmed that there was nothing wrong with it, he tossed his phone to the gray-haired man and asked, "Who were you trying to send a video to just now?"

Before the gray-haired man could reply, Lin Jiage continued, "You don't have to tell me who that person is. I'm too lazy to hear her name."

"What you need to do is to send this video to her."

Didn't Liang Jiushi's little cousin want to see soft bun make a fool out of herself? Alright then... he'll show it to her... She'll see how ridiculous her own people's jokes are, and she'll see how embarrassing her own people are!

What kind of joke is this? If you want to see the jokes of the girl that I like, you have to ask me, Lin Jiage, for permission first!

Besides, is the girl I, Lin Jiage, like someone who can be easily bullied?

With this thought in mind, Lin Jiage noticed that the gray-haired boy didn't respond to his grandma's words. Frowning, he raised his leg and threatened, "Don't make her wait..."

Before Lin Jiage could finish his sentence, the gray-haired boy picked up his phone and sent the video to Liang Mumu under Lin Jiage's surveillance.

After the video was successfully sent, Lin Jiage gestured at the gray-haired male student with a disdainful look on his face and gestured for him to move aside.

After the gray-haired male student struggled to move aside, Lin Jiage finally made his way to the cubicle door. He pulled the mop and stick that had sealed the cubicle door open and casually tossed it on the floor, after which, he opened the cubicle door once more.

Meeting Shi Yao's gaze, Lin Jiage's vicious expression immediately softened a lot. "Let's go."

Shi Yao didn't say a word, but she nodded her head lightly.

Perhaps it was because she had experienced a lot tonight, but it was also a little dangerous. Her legs were so weak that she nearly fell to the ground. Fortunately, Lin Jiage reached out to help her up in time and asked, "Can You Walk?"

Shi Yao hurriedly nodded and replied with a 'yes' in a low voice. Then, out of curiosity, she subconsciously tilted her head to the side, wanting to go around Lin Jiage's body to take a look at the scene in the washroom.

The few boys were lying on the ground, clutching their stomachs, covering their noses, curling up their bodies, and groaning in pain..

There were several spots of blood on the floor, and there were even wooden sticks that had been broken in half. Their faces were even more gruesome, and their noses were bleeding and their faces were swollen..

However, before Shi Yao could get a clear look at the situation behind them, a warm palm appeared before her eyes. "Those aren't clean. I Won't look at them anymore..."

As Lin Jiage's gentle voice sounded above her head, Shi Yao's head was brought back to him by Lin Jiage's palm. Then, he placed her face against his chest and led her out of the cubicle, they headed straight for the entrance of the men's restroom.

It was only after the two of them had taken a few steps that Lin Jiage's sharp senses detected a movement behind them.

He subconsciously turned his head around and saw the gray-haired male student grabbing the mop stick that he had casually tossed onto the floor and hurling it at him and Shi Yao.

## **Chapter 526: Dating Shi Yao Every Day, Failing To Meet Her Every Day (2)**

His first reaction was to instinctively pull Shi Yao deeper into his embrace before taking her to the side to hide.

His grandmother's gray-haired boy was the one who had been pummeled the most by him, so his movements were actually a little slow. With Shi Yao in his arms, Lin Jiage was able to avoid him easily.

But just as he was about to dodge the onslaught, Lin Jiage suddenly recalled that he had been dating Shi Yao every day for the past seven days, and he hadn't been able to get her to go out with him..

Didn't he spend the entire day worrying about how he would be able to woo her if soft bun continued to reject him like that?

If he were to... get injured because of her... then she... wouldn't be too embarrassed to continue avoiding him, right?

With this thought in mind, Lin Jiage hugged Shi Yao tightly, and he abruptly halted his movements from dodging the stick.

He watched as the mop stick fell straight down from the sky. When the stick hit him, he lost his balance and dragged Shi Yao down with him. Without a second thought, he stretched out his arm to block the stick..

Even though Grandma's gray-haired male student didn't have enough strength, the pain from the stick still left Lin Jiage gasping in pain, following which, he felt as if his right arm couldn't move at all — even a slight movement would cause him to break out in cold sweat.

Even though Shi Yao was held in Lin Jiage's embrace and looked down on her surroundings, she knew that something had happened to Lin Jiage.

"Lin Jiage, what's wrong? Lin Jiage..."

Shi Yao asked as she struggled to free herself from Lin Jiage's embrace.

Lin Jiage used his left hand to press down on her head, "Don't move, I'm fine..."

As his voice trailed off, a series of footsteps sounded from outside the washroom. Following which, several men in police uniforms appeared at the entrance..

..

Updates by

Even though those boys had been beaten up, they were the troublemakers, and Shi Yao and Lin Jiage were the victims. Thus, the police took those boys away, leaving Shi Yao's phone number behind so that she could send Lin Jiage to the hospital first, when he had time, he would come to the police station to make a statement.

Lin Jiage had driven here, so when he went to the hospital, he still drove his flashy sports car.

But of course, the driver had changed from himself to Shi Yao.

Due to her anxiety, Shi Yao drove very quickly.

Sitting in the front passenger seat, Lin Jiage tried to move his arm a few times, but each time, he felt an excruciating pain. He couldn't help but feel a little worried for himself.

Could it be that he had played too many tricks on his mind, and this time, he messed up his arm?

..

After arriving at the hospital, Shi Yao took a look at Lin Jiage's identity card before heading to the emergency room for him.

There weren't many people in the hospital in the middle of the night, so it didn't take long before Lin Jiage was called over for an x-ray.

After the results came out, Lin Jiage handed the X-ray to the doctor. Before Lin Jiage could ask about his condition, Shi Yao anxiously asked, "Doctor, how is it?"

The doctor on the night shift was an old man. He wore his reading glasses and looked at the X-ray for a moment before saying, "It's just a minor fracture. I'll need to recuperate for a month..."

A month? That Serious?

Shi Yao's worries deepened.

A month? It doesn't seem like the situation is that serious after all..

Lin Jiage was completely relieved.

..

After leaving the hospital, he returned to his car.

Shi Yao started the car, and just as she was about to step on the accelerator, Lin Jiage suddenly spoke up, "Um, can you send me here..."

With that, Lin Jiage used his left hand to tap on the address saved in the GPS, "... I can't go home..."

### **Chapter 527: Rice Worms That Depend On Humans (1)**

Can't Go Home?

Shi Yao abruptly stopped her foot from stepping on the accelerator and turned to look at Lin Jiage with a perplexed expression.

Receiving her gaze, Lin Jiage explained, "The moment I return home, everyone in the family will know about my injury. My parents are currently overseas, and they have a very important collaboration to discuss..."

He wasn't too sure if the two of them had any important collaboration to discuss, but this afternoon, he was still in the family chat group, and he saw his father enjoying the beautiful scenery and delicacies by the beach..

"... when they find out that something happened to me, they'll definitely rush back overnight. Firstly, their collaboration will definitely go down the drain, and secondly, they're torturing the two of them too much. My father has a very weak back, and two days ago, he even told me that he has a back problem, and it's so painful that he can't even sleep..."

At this point, Lin Jiage lowered his eyes slightly, as if he was being considerate of his parents.

“... Besides, I’m not that serious, so there’s really no need for them to worry about me. After all, it’s quite tiring to travel back and forth...”

So, that’s what he meant when he said that he couldn’t go home..

Shi Yao pondered for a moment, and she felt that what Lin Jiage said made sense.

If it were her, her injuries wouldn’t have been as severe, and her parents were busy and unwell. As their children, she didn’t want to torment them like that..

But if he wasn’t going home, where was he staying? Could he be staying at a hotel?

With this thought in mind, Shi Yao asked, “Where are you staying then?”

Lin Jiage replied with an ‘oh’ before raising his left hand and tapping on the address on the GPS, “I’m staying here...”

After a brief pause, Lin Jiage added, “...”[Read more on newn0vel.org](http://newn0vel.org)” This is my home, so I don’t usually stay there. However, I can still go there to recuperate for a period of time...”

After hearing Lin Jiage’s words, Shi Yao finally noticed that the address that Lin Jiage tapped on was a high-end residential area.

The area was located in the center of the city, and every inch of land was worth a fortune. Back then, when the real estate was being sold, due to the exorbitant prices, there was quite a commotion on the internet for a period of time. There were even people who joked that the symbol of the true nouveau riche was.., to see if there were any apartments in this high-end residential area.

In the past few years, the housing prices in Beijing had risen tremendously, but Lin Jiage had an apartment there, and it was his own home..

Shi Yao was driving the steering wheel according to the GPS, but out of pure curiosity, she casually asked, “Grandpa Lin bought this apartment for you?”

HM?

Why did Soft Bun suddenly ask that?

Even though Lin Jiage was curious, he still answered Shi Yao’s question honestly, “No.”

No?

Seeing that there was a red light ahead, Shi Yao slowly stepped on the brakes and asked, “Did uncle Lin and Auntie Lin buy it for you?”

Lin Jiage couldn’t help but take another glance at Shi Yao. “Not really.”

Er... he still didn’t guess correctly?

Could it be that Sister Jiayi bought it for him?

While he was deep in thought, Shi Yao suddenly blurted out the words in her heart, "I understand. It was sister Jiayi who bought it for you, right?"

"I knew that Sister Jiayi was very good at making money. I didn't expect her to be so good at making money. The houses there are really expensive!"

Hearing those words, Lin Jiage finally understood what Shi Yao was thinking.

So, the reason why she kept asking him who had bought that house for him was because it was too expensive..

But why didn't she think of Him?

Could it be that in her heart, he was a rice worm who depended on others to feed him?

### **Chapter 528: Rice Worms That Depend On Humans (2)**

Lin Jiage glanced at Shi Yao, who was driving the car, and said, "I bought that house myself. I didn't spend a single cent of my family's money."

Hearing Lin Jiage's words, Shi Yao turned to look at him in disbelief. Her tone was filled with doubt as she asked, "Is that true?"

Is that true? Who can tell me just how Unbearable Soft Bun's heart is?

Back then, when she was scolded on the Forum and he sent her a message, she thought that he was her grandfather..

Later on, she even said that no one he liked could possibly like her. She even said that it was a zero-probability event..

Even a while ago, when they were in the same room in Shenzhen, when she sent him a wechat message, she said that she liked his sister more than him..

Lin Jiage secretly felt depressed for a moment before replying, "Of course it's true..."

He paused for a moment before continuing, "... If you don't believe me, I'll immediately call the agency to buy you a new apartment."

With that, Lin Jiage picked up his phone with his left hand and began making a call, "Hello... Yes, I'm buying a new apartment... There's no new apartment in the ninth courtyard?"

Following which, Lin Jiage turned to Shi Yao and said, "There's no new house. It's a second-hand rough house, and no one has lived in it before. Is that Alright?"

Hearing Lin Jiage's question, Shi Yao was so shocked that she stomped on the brakes.

Due to the inertia, both of their bodies leaned forward.

Before they could even sit down properly, Shi Yao hurriedly spoke up, "I was just asking. I didn't doubt you..."

Lin Jiage ignored Shi Yao's words and continued speaking on his phone. After which, he turned to Shi Yao and asked, "How big do you want it to be? One hundred and fifty square meters, or two hundred and seventy square meters?"

Updates by

Lin Jiage... is he poisonous!

In order to prove that he wasn't lying, he gave away a house without saying a word? Are all rich people this big?

"I'm the one who wants to buy a house, but it's not under my name. I want the information of the person whose house is registered under my name? Alright, the name is Shi Yao, Shi Yao of time..."

Seeing that Lin Jiage was already reporting the information over the phone, Shi Yao hurriedly reached out and snatched the phone from Lin Jiage's fingers. After which, she apologized profusely over the phone, "I'm sorry." After which, she added, "We're not buying a house. We really aren't buying a house..." before hurriedly hanging up the phone.

After stopping Lin Jiage, Shi Yao raised her hand and gently patted her heart, which had been frightened by Lin Jiage, before returning his phone back to him.

Just as Lin Jiage reached out to take the phone, Shi Yao was afraid that he would call the agency again, so she hurriedly gripped her phone tightly and asked, "You're not buying a house again, are you?"

Lin Jiage didn't say a word, but his eyes were fixated on her.

Roughly ten seconds later, Shi Yao understood the meaning behind his gaze, and she hurriedly said, "I don't doubt you!"

Shi Yao was truly afraid that Lin Jiage would buy her a house, so her tone sounded as if she was making a promise, "I just can't believe that you've earned so much money at such a young age."

"If it were me, I wouldn't even dare to think about it. I've always thought that you were someone else's child, born with good looks and good grades. It's only now that I realize that you're someone else's Child!"

With a calm expression, Lin Jiage replied with an "Oh", "Forget it then. I'll listen to you."

Only then did Shi Yao return the phone to Lin Jiage.

### **Chapter 529: In Any Case, What's Mine Is Yours As Well (1)**

Lin Jiage took the phone, but he didn't say anything else.

Shi Yao didn't say anything either, so she started the car once more.

After driving for some distance, Lin Jiage turned his head to look out the window.

As the night scenery receded into the distance, Lin Jiage couldn't help but catch a glimpse of it. The corners of his lips curled up uncontrollably.

Just a moment ago... did soft bun's words mean that she was complimenting him?

But to want to be someone else's child more than someone else's child... why did those words sound so uncomfortable to him? He didn't want to be someone else's child, he just wanted to be her child..

The car was very quiet, and the two of them didn't talk to each other anymore.

The car drove for an unknown distance, and Lin Jiage suddenly seemed to have thought of something. He muttered softly, "In any case, mine is also yours..."

In any case, my house is also your house. If you don't want to buy it, so be it. You can buy other properties later..

His voice was very soft, so Shi Yao, who was focused on driving, didn't hear what he said. All she heard was his voice, and she subconsciously replied, "HM?".

Lin Jiage snapped back to his senses and glanced at Shi Yao before replying, "It's nothing."

Shi Yao replied with an 'Oh', but she didn't say anything else.

The car continued on for another three to four hundred meters before Lin Jiage caught sight of a twenty-four-hour supermarket outside the window. A glint flashed across his eyes, then, he spoke up to break the silence in the car, "Let's stop by the side of the road for a while. My House hasn't been occupied for a long time, so I don't have a lot of things. I need to make a trip to the supermarket."

Shi Yao glanced out the window and saw a supermarket. She hurriedly stepped on the brakes and stopped by the side of the road.

Updates by

Due to the injury on Lin Jiage's arm, Shi Yao was in charge of pushing the cart while Lin Jiage was in charge of carrying the items.

Most of the items that Lin Jiage chose were daily necessities, but when he was carrying the toothbrush and towel, he always took a double portion.

He was the only one here... how could he have taken double portions?

Shi Yao was perplexed, but she didn't ask him about it. She just assumed that it was a convenience store.

After choosing his daily necessities, Lin Jiage passed by the snack section, and he took some snacks along the way.

Even though he didn't spend much time in the supermarket, Lin Jiage had bought quite a number of items, including two large bags.

It only took him five minutes to reach Lin Jiage's neighborhood.

Following Lin Jiage's instructions, Shi Yao drove straight to the underground parking lot.

Just as they were about to reach their destination, Lin Jiage said, "It's getting late, and this place is a little far from school. Why Don't You Drive My Car Back?"

This sports car... was already eye-catching to begin with. If she were to drive it back to school, she would probably end up on the school forum tomorrow..

Shi Yao hurriedly shook her head, "There's no need for that. I'll just take a taxi."

"You're just a girl. It's not safe for you to take a taxi..." Lin Jiage didn't wait for Shi Yao to find an excuse to reject him before continuing, "... if you really want to take a taxi, I'll accompany you. I'll send you back to school, and then I'll take a taxi home..."

He was already injured... how could she possibly let him accompany her back and forth?

"Alright then, I'll bring the car back to you later..." seeing that Lin Jiage didn't seem to be joking, Shi Yao had no choice but to compromise. At the very most, she would just park the sports car outside the school.

Lin Jiage didn't say anything else. He simply lowered his eyelids slightly to hide the gloom in his eyes.

He had brought up the matter of her returning to school, but from the very beginning, she hadn't said anything about staying behind to take care of the injured him..

Fortunately, he just made a special trip to the supermarket.

### **Chapter 530: In Any Case, What's Mine Is Also Yours (2)**

Soon, the two of them arrived at Lin Jiage's residence.

After the car came to a stop, Shi Yao alighted from the car and jogged over to Lin Jiage's side. She opened the car door for him, and after Lin Jiage got out of the car, Shi Yao ran to the back of the car and opened the trunk, she took down the two large bags that Lin Jiage had bought from the supermarket.

The weight of one bag wasn't too bad, but when the two bags were put together, they seemed a little heavy.

When Shi Yao handed the bags over to Lin Jiage, she subconsciously asked, "Can you carry them all up by yourself?"

Lin Jiage nodded calmly before stretching out his left hand to take the two bags from Shi Yao's fingertips. After the weight of the two bags fell into his hands.., lin jiage intentionally tilted his body to the left, pretending to be pulled by the weight of the bags. After which, he calmly stood up straight, as if nothing had happened, with a calm tone, he said to Shi Yao, "Then drive slowly on your way back."

Noticing Lin Jiage's slight reaction just now, Shi Yao stared at the two bags in his hands for a moment before asking doubtfully, "Can you really carry them up?"

"Of course I can..." Lin Jiage replied with a relaxed tone.

"Oh..." Shi Yao continued staring at the two bags in Lin Jiage's left hand for a moment. Seeing that he didn't seem to be struggling anymore, she finally relaxed and raised her head, with a smile on her face, she turned to Lin Jiage and said, "... I'll be taking my leave then. Take care of yourself. If you feel unwell tonight, feel free to call me anytime..."

Lin Jiage replied with a nonchalant "Un" before turning to Shi Yao and saying, "Goodbye."

“Goodbye...”

After saying goodbye, Shi Yao turned around and got into the car.

While she was fastening her seatbelt, she glanced at Lin Jiage through the car window. Seeing that he was carrying a bag, she quickly backed away from him.

Seeing that there was nothing wrong with him, Shi Yao finally stepped on the accelerator in relief.

As the car slowly drove forward for a short distance, Shi Yao saw through the rear-view mirror that Lin Jiage was carrying two large bags as he turned around and headed into the building. However, he had only taken a few steps when the bags in his left hand.., one of the bags slipped from between his fingers, and some of the items inside fell to the ground.

He stopped in his tracks. Perhaps due to the injury on his right hand, he was unable to move much, so it was very difficult for him to bend over. He tried several times to pick up the items on the ground, but he was still unable to do so..

Seeing this sight, Shi Yao stepped on the brakes without hesitation and drove the car back to Lin Jiage’s side.

She looked around and saw an empty parking lot nearby, so she drove the car into the garage. After which, she pushed open the car door and hurriedly got out of the car. She ran over to Lin Jiage’s side and squatted down, she picked up the things that he had dropped one by one and put them back into the bag. After which, she took a bag from his hands and said, “That... There’s a little too many things. I’ll send you home...”

Lin Jiage had been putting in a lot of effort just now, but when he saw that his plan had succeeded, he didn’t show the slightest hint of joy on his face. Instead, he looked at Shi Yao apologetically and said, “I’ve really troubled you.”

“It’s Alright...” Shi Yao shook her head several times before pressing the elevator button and asking Lin Jiage, “Which floor do you live on?”
