Chapter 531: Why Are Your Clothes Wet? (1)

Lin Jiage: "21st floor."

Shi Yao replied with an "Oh-oh" before stepping into the elevator after the doors opened. She then reached out to block the doors to prevent them from closing on Lin Jiage.

It wasn't until Lin Jiage stepped in that Shi Yao finally retracted her hand and pressed the "21st floor" and "Close" buttons.

As this was a high-end residential area, there was no stopping between the two elevators. Thus, it didn't take long before the elevator reached the 21st floor and came to a stop.

The door opened, and in the resplendent corridor, there was only one large door. There was no need for Shi Yao to ask which door was Lin Jiage's home.

Walking to the door, Shi Yao turned her head to look at Lin Jiage. When he opened the door, he suddenly spoke up, "The password is 666666."

Shi Yao was taken aback for a moment before realizing that Lin Jiage was referring to the password at the entrance of her house. Thus, she hurriedly keyed in the password into the keypad.

With a 'Kacha' sound, the door was unlocked.

Just the entrance alone was already so extravagant. It was already on par with their kitchen..

Shi Yao muttered to herself before hurriedly making way for the door.

After entering the room, Lin Jiage casually placed the bag in his hand on the floor before bending down to open the shoe cabinet. He took out two pairs of brand-new men's slippers and said, "I didn't prepare any for the ladies, so make do with them."

Shi Yao replied with a 'un un' before placing the bag in her hand on the floor as well. At the same time, she untied her shoelaces and changed into her slippers.

When Shi Yao stood up, she caught a glimpse of Lin Jiage, who was untying his shoelace with one hand.

The shoelace was fastened with a live buckle. Perhaps, he had tied it too tightly, so he had to struggle with one hand for a very long time, but he was still unable to untie it..

Without thinking too much into it, Shi Yao reached out and took the shoelace from Lin Jiage's fingertip. "Let me do it..."

Her fingertip touched his fingertip.

Lin Jiage's body trembled slightly, but he didn't say a word. Instead, he raised his head to look at Shi Yao.

The young lady had her head slightly lowered as she focused on helping him untie his shoelace.

While she was squatting, he was slightly bent over. He was much taller than her, and from his angle, her eyelashes were astonishingly long, and the tip of her nose was quite perky as well..

Staring at Shi Yao, Lin Jiage couldn't help but fall into a trance.

"Alright..."not too long later, Shi Yao untied Lin Jiage's shoelaces. Before standing up, she even placed Lin Jiage's slippers beside his feet.

Seeing that Lin Jiage hadn't changed his shoes yet, Shi Yao stood up straight and couldn't help but glance at him.

Before she could say anything, Lin Jiage had already snapped out of his trance. Lowering his head, he silently changed his shoes, bent down, picked up the bag on the floor, and walked into the living room first.

Shi Yao picked up another bag and followed behind Lin Jiage.

Due to Lin Jiage's limited mobility, Shi Yao simply sorted out the items in his bag, placed the snacks in the storage cabinet in the living room, and took the fruits to the dining room, she then sent all of the daily necessities to the bathroom in Lin Jiage's bedroom.

Afraid that it would be troublesome for Lin Jiage to use them, Shi Yao even unpacked his toothbrush, toothpaste, and the like.

After she packed up everything, she came out of the washroom and saw Lin Jiage changing the bedsheets and blankets with one hand.

Without any hesitation, Shi Yao rushed over to take the job from Lin Jiage, "Let me do it..."

"I'll go brush my teeth first then..."

Hearing Lin Jiage's words, Shi Yao's lips curled up into a smile as she nodded.

However, not even half a minute after Lin Jiage entered the washroom, Shi Yao heard a 'Pa'sound.

Chapter 532: Why Are Your Clothes Wet? (2)

Hearing those words, Shi Yao didn't hesitate at all. She threw down the bedsheet and blanket and ran into the washroom.

"What's Wrong?"

As those words fell from her lips, Shi Yao saw the toothpaste on the floor and Lin Jiage biting on the handle of his toothbrush.

Shi Yao stared at such a funny and bizarre scene for a few seconds before she finally realized that Lin Jiage was unable to move his right hand, so he could only squeeze the toothpaste with his left hand. Thus, he bit the toothbrush into his mouth and fixed it..

Shi Yao walked up to him, bent down, and picked up the toothpaste. At the same time, she took a few tissues from the side and wiped the toothpaste off the floor. After which, she took the toothbrush from Lin Jiage's lips, squeezed the toothpaste for him, and rinsed his mouth with mouthwash, after

confirming that he could take care of the rest with one hand, she returned to the bedroom and helped him put on the bedsheet and blanket.

After brushing his teeth, Shi Yao was still busying herself around the bedsheets and blanket. He pointed outside the room, said that he was going to boil some hot water, and left the room.

After closing the bedroom door, Lin Jiage didn't head to the dining room. Instead, he headed straight to the entrance and studied the bag, phone, and car keys that Shi Yao had casually placed on the cabinet, after which, he quietly hid the car keys under the shoe cabinet before heading to the dining room.

Lin Jiage grabbed a bottle of mineral water, but he wasn't in a hurry to unscrew the cap. Instead, he waited until the bedroom door was opened before using his left hand to twist the cap from side to side. However, he was still unable to unscrew the cap, after which, he brought the bottle of mineral water to his mouth.

Just as he was about to bite down on it with his teeth, Shi Yao's voice sounded, "I'll do it, I'll do it..."

Following which, Lin Jiage heard the sound of her footsteps running over.

Following which, the bottle of mineral water fell into Shi Yao's hands, and she unscrewed it.

While pouring the bottle of mineral water into the hot water bottle, Lin Jiage turned to Shi Yao and said, "Thank you. It's getting late, so you should go back and rest."

Shi Yao scanned Lin Jiage's house, and thinking that he shouldn't need to do anything else, she decided that it was about time for him to go to sleep. Thus, she nodded and said, "Alright then, I'll take my leave first..."

Lin jiage calmly nodded and said, "I'll send you off."

Walking to the door, Lin Jiage passed Shi Yao's bag and phone to her. He even opened the door for her personally and watched her enter the elevator.

After the elevator began descending, Lin Jiage returned to the dining room and poured the boiling water onto the dining table. Then, he took a glass from the side and smashed it on the floor. After which, he went to the faucet to fetch some water, he intentionally soaked the shirt on his chest, and at the same time, he rubbed a certain part of his left wrist red..

After his series of actions were completed, just as he had predicted, the doorbell rang.

He wasn't in a hurry to open the door. Instead, he waited for the doorbell to ring three times before heading toward the entrance.

When he opened the door and saw Shi Yao, Lin Jiage asked despite knowing the answer, "What's Wrong?"

"Well, I didn't bring my car keys with me..." Shi Yao had just finished speaking a second ago, but the next second, she saw the wet clothes on Lin Jiage's chest and the red on his wrist..

Shi Yao frowned slightly. Before Lin Jiage could reply to her question, she asked, "Why are your clothes wet? And your wrist, why is it red?"

"Oh, it's nothing. I accidentally splashed it when I was pouring the water..." Lin Jiage replied nonchalantly before starting to help her look for her keys.

Chapter 533: Can I Stay At Your Place? (1)

Did I accidentally splash the water when I was pouring it?

Following Lin Jiage's words, Shi Yao suddenly recalled that Lin Jiage had been boiling hot water just before she left..

Could it be that the wet lump on his chest was accidentally spilled when he was pouring the hot water? And the red on his wrist was caused by the hot water?

With this thought in mind, Shi Yao's frown deepened. "Have you finished pouring the water?"

"Not yet. I'll help you look for the key first..." Lin Jiage said as he rummaged through the items on the cupboard at the entrance.

"Then I'll go get you some water first. You can look for the key later..." Shi Yao said as she walked toward the dining hall.

"There's no need for that. I can do it myself... I-I found the key, you..."

Before Lin Jiage could finish his words, Shi Yao had already walked to the entrance of the dining room.

Then, looking at the scene in the dining room, she suddenly stopped in her tracks.

The hot water bottle was still open, and steam was still rising from the boiling water. The glass cups were shattered all over the floor, and shards of water splattered everywhere. The dining table was filled with water..

As such, her previous guesses were all correct. She had only been away for a short two to three minutes, and in those two to three minutes, he had already reduced her and the dining room to such a state..

Seeing that Shi Yao was still silent, Lin Jiage took out the key that he had hidden earlier and walked up to her. "I found the key."

The girl didn't take it, but her gaze was still fixated on the restaurant.

Lin Jiage passed the key to Shi Yao and said, "I dropped it on the floor."

Updates by

Shi Yao's eyes twitched slightly as she came back to her senses.

She shifted her gaze from the restaurant to Lin Jiage's palm, but she didn't look at the car key. Instead, she looked at the red mark on his wrist.

The burns weren't too severe, but the moment Shi Yao thought about how his right arm could no longer move, her heart suddenly softened, and an indescribable sense of heartache and guilt rose within her.

If not for his timely appearance, she and Nuannuan wouldn't even know what would have happened..

He was injured because of her, and it was also because of her that he had beaten those people up so badly. He was afraid that she would be frightened by the sight of such a bloody scene, so he even covered his eyes..

He didn't want his family to worry, so he stayed in his apartment alone.

If she hadn't seen the bags he was carrying scattered all over the floor, what would he have done if she had sent him upstairs and covered him with the bedsheets?

And when he was brushing his teeth, when he was unscrewing the cap of the bottle..

As the small details that had just happened flashed across Shi Yao's mind one after another, she suddenly felt even more guilty.

She was the one who had been careless. He couldn't even move his right hand, and yet, she still wanted to send him home alone, so she could go back to school on her own..

Seeing Shi Yao staring at her wrist in a daze, Lin Jiage couldn't help but ask, "Yaoyao?"

Following his voice, Shi Yao's eyelashes fluttered slightly, and her gaze fell on the dining room once more.

Lin Jiage followed her gaze, and when he saw the shattered glass on the floor.., he said, "Oh, that... I'm used to using my right hand, but now that my right hand suddenly can't move, I feel a little uncomfortable. I wasn't paying attention earlier, and I accidentally broke it..."

Shi Yao pursed her lips slightly, but she remained silent. Instead, she turned her head to look at Lin Jiage's house, which was four to five times larger than theirs.

Then, just as Lin Jiage called her "Yaoyao," Shi Yao's gaze fell on Lin Jiage's face, "Um... do you have any extra bedrooms?"

Chapter 534: Can I Stay At Your Place? (2)

An extra bedroom?

Why is she asking about this? Could it be that... she's planning to stay here?

With his step-by-step design, he's finally luring her to stay at his place?

Lin Jiage tried his best to suppress the wild joy in his heart. Feigning confusion, he asked, "What's Wrong?"

"It's just that..." before Shi Yao could finish her sentence, her face had already turned red.

For a girl like her to take the initiative to say that she wanted to stay at a boy's house to take care of him... wasn't that a little too unreserved?

However, she really couldn't put her heart at ease with him leaving just like that. Forget it, he was already in such a state, and it would be pitiful for him to be homeless by himself. It was better for her not to dwell on it too much. She could just treat it as her way of repaying him..

With this thought in mind, Shi Yao spoke up once more. In the end, she was still a little shy, and her tone was clearly much softer than before, "... can I stay at your place?"

After those words left her mouth, Shi Yao felt like biting off her own tongue.

Even if she was repaying him, there was no need for her to speak so bluntly, right?

What did she mean by 'Can I stay at your place... or Can I sleep in your bed?'

In the next second, Shi Yao realized that there was something wrong with her words, so she hurriedly explained, "No, I don't mean what you think I mean..."

Pui... What do you mean? I don't mean what you think I mean..

Shi Yao suppressed the urge to slap herself unconscious, gulped down a few mouthfuls of saliva, and with her reddened face, she continued speaking. Perhaps she was too agitated, but Shi Yao's words.., the more she tried to explain, the darker her words became."... that's not right either. What I meant was... lend me your bed..."

Updates by

Ahhhh... is she poisoned?

Why did she suddenly blurt out the words that she had just thought of..

Shi Yao felt her face getting hotter and hotter. She stammered, "I, I, I" for quite some time, after which, she finally managed to finish her sentence, "... you're injured, and it's because of me. You're afraid that your family will be worried and won't come home, so I'm a little worried about you living here alone. So, if you have an extra bedroom, can you lend me one? I'll stay here so that I can take care of you if anything happens..."

Only after Shi Yao had explained everything clearly did Lin Jiage heave a sigh of relief. While he tried to calm his flustered little heart, he was also glad that his brain hadn't completely shut down yet..

After hearing Shi Yao's words, Lin Jiage finally came to a realization and replied with an "Oh" before raising his hand, he casually pointed at a few doors and said, "Other than that storage room, that study room, that gym room, and that leisure area, you can stay in whichever room you like..."

Pausing for a moment, Lin Jiage suddenly thought of something. If he allowed Shi Yao to choose whichever room she liked, what if she chose the room furthest away from him?

Thus, he suggested, "... why don't you stay in that room? That Room is facing the sun, and it's huge as well. The layout is exactly the same as my bedroom..."

Lin Jiage was the master of the room, so naturally, Shi Yao wouldn't have any objections to his suggestion. Thus, she hurriedly nodded and said, "Alright, Alright."

Lin Jiage didn't say anything else. Instead, he led Shi Yao to the room next to his bedroom.

Pushing the door open, Lin Jiage brought Shi Yao a brand-new set of bedsheets and covers from the changing room. When he passed it to her, he suddenly thought of something and said apologetically, "Would it be too much trouble for You If I Did This?"

Chapter 535: The Pavilion Near The Water Gets The Moon First (1)

Lin Jiage's words were so polite and remorseful that Shi Yao couldn't help but feel embarrassed.

Without thinking too much into it, she hurriedly shook her head and said, "No, no, no. Besides, I'm the one who should be troubling you. Besides, you're injured because of me, so it's only right for me to take care of you..."

"In that case, I'll have to trouble you to take care of me for the next few days, Hubby..."

Lin Jiage only managed to say one word before he abruptly stopped.

Recently, he had been calling her 'hubby' too often while playing games with her, and as a result... he had nearly been exposed just now..

Not noticing anything amiss, Shi Yao smiled faintly at Lin Jiage and said, "It's fine. I have a class in a few days, so I can take care of you during the rest of the time."

Lin Jiage didn't say anything else. Instead, he stood by the side for a moment before leaving Shi Yao's bedroom.

A second after he closed the door, Lin Jiage stared at the door and chuckled.

A month's time... from what she said, she was going to stay at his place for the rest of the month..

What was that saying? The closer you are to the water, the better the Moon... In this one month, I must take this moon off my head..

With this thought in mind, Lin Jiage walked into his bedroom.

While he was helping Shi Yao with her daily necessities, he suddenly recalled the words Shi Yao had said to him at the entrance of the dining room, and the corners of his lips curled up.

Soft Bun was really direct. She actually came up to him and asked if he could stay at his house and even sleep in his bed. She even said that she didn't mean what he thought... what did she mean by that?

But then again, forget about staying in his house and sleeping in his bed, he was willing to sleep in his bed.

Updates by

At this thought, Lin Jiage couldn't help but shake his head.

His heart was already hers. Who knew when his person would also be hers..

..

Just as Shi Yao put on the bedsheets and blanket in the bedroom that she was sleeping in, the bedroom door was pushed open.

Lin Jiage, who had just left, walked in with two bags in his hands.

"These are daily necessities. They're for you..."

“This bag is for snacks. You can eat as much as you want...”

“Oh, thank you,” Shi Yao replied. She hurriedly took the bags while thanking him.

“It’s getting late, so I’ll be going back to rest first. You should rest early too.” After a brief pause, Lin Jiage realized that he had left out something, he continued, “There are a few t-shirts in the daily necessities bag. They’re mine, so you can make do with them for the night.”

It was only after hearing Lin Jiage’s reminder that Shi Yao realized that there were actually quite a few white t-shirts stuffed into the bag.

She thanked him once more before bidding farewell to Lin Jiage.

After Lin Jiage left, Shi Yao immediately went to wash up.

By the time she came out of the shower and dried her hair, it was already nearly one in the morning.

It was already very late, and after going through so many things today, Shi Yao was truly a little tired. However, she didn’t know if it was because she had changed into a new bed, but after lying on it for quite some time, she still couldn’t fall asleep.

Shi Yao didn’t know how many times she had flipped over, but she saw a bag that she had casually placed on the sofa beside her.

It was filled with snacks..

Feeling a little insomnia, Shi Yao decided to pull the bag over and tear out a bag of her favorite potato chips.

Just as she was about to finish the bag of potato chips, Shi Yao realized that something was amiss.

Chapter 536: The Pavilion Near The Water Gets The Moon First (2)

Was it just her imagination?

Why did she suddenly feel that Lin Jiage had specially bought these snacks for her..

And those daily necessities... could it be that Lin Jiage had taken a double portion just for her?

But how could he be sure that she would stay at his place? It couldn’t be that he had the ability to predict the future, right?

With the potato chips in her mouth, Shi Yao carefully recalled everything that had happened that night, and she didn’t find anything wrong with it.

So, her illusion... was really just an illusion..

After eating the potato chips, Shi Yao went to the bathroom to brush her teeth. When she returned to her bed, she suddenly remembered that her phone had been taken away by Jiang Yue and he tiantian, she wondered how Leng Nuan was doing... she didn’t tell them that she was safe either, so she wondered if they were worried about her?

Shi Yao had wanted to get out of bed and borrow Lin Jiage's phone, but when she got up, she caught a glimpse of the landline on the bedside table.

It had already been more than half an hour. Perhaps, Lin Jiage was already asleep... it would be best if she didn't disturb him?

After thinking for a moment, Shi Yao decided to use Lin Jiage's home phone to make a call to her dormitory, and she would inform Lin Jiage the next day.

Even though it was already very late, Shi Yao's phone only rang once before it was picked up swiftly, "Hello? is that Yaoyao?"

Shi Yao recognized that it was Jiang Yue's phone. She also knew that they were still awake at this late hour, so they were definitely waiting for her call back.

Shi Yao's heart suddenly warmed up, and she replied with a soft "Un", "It's me, Yueyue."

Jiang Yue: "That's great! Are You Alright? is senior Lin Alright as well?"

Updates by

Shi Yao wasn't in a hurry to reply to Jiang Yue's question. Instead, she asked Leng Nuan about her condition first, "Where's nuannuan? How Is She?"

"Nuannuan is fine. We brought her to the hospital for a checkup, and it's just some superficial wounds. However, her mood isn't too good. After returning to the dormitory, she kept crying. It wasn't easy for her to fall asleep, and she even woke up with nightmares. Yueyue and I coaxed her for a long time, and she fell asleep again just now..." It wasn't Jiang Yue anymore, but he tiantian. He Tiantian must have snatched Jiang Yue's phone.

Shi Yao: "I might not be able to make it back tonight, so I'll have to trouble the two of you to take care of Nuannuan."

Jiang Yue: "Of course."

He Tiantian: "Eh? Something's Wrong?"

Shi Yao could hear the hint in he Tiantian's words, and her face reddened. "Tiantian, don't spout nonsense. It's Lin Jiage. He's injured, so I have to take care of him..."

He Tiantian: "What? How did my idol get injured? Is It Serious?"

Shi Yao: "His arm is just a minor fracture. It'll take a month for it to heal."

He Tiantian: "My heart aches so much... right, yaoyao, there's something that I almost forgot. Senior Lin is super handsome tonight. After senior Lin found out that you were in the bathroom, he asked senior Lu to bring the three of us away. Senior Lu was worried about him, so he said that he would stay behind to accompany him. Do you know what senior Lin Said? "Senior Lin said that you can leave as you wish. If I can't even protect the girl that I like, how can I still be a man!"

If I can't even protect the girl that I like... The girl that I like... I like..

Shi Yao was suddenly taken aback by He Tiantian's words.

On the other side, Jiang Yue., she also spoke up, "That's right, that's right. Yaoyao, senior Lin's boyfriend tonight is really bursting with strength. Also, he's really a black-bellied person. He actually told senior Lu to call the police later so that he could beat up those dregs for a little longer... Yaoyao, isn't he handsome?"

Chapter 537: Little White Rabbit Eaten By A Wolf (1)

As soon as Jiang Yue's voice fell, Shi Yao heard a knock on the bedroom door behind her.

He Tiantian: "Handsome is handsome, but I still want to weakly express my opinion. I think that there's a little bitchy in the world of handsome, but senior Lin is my Prince Charming. Even if he's a little bitchy, he's still very handsome and bitchy. Short for — handsome, bitchy, handsome, bitchy!"

Handsome, bitty, bitty, handsome, bitty... this description was truly unique..

Just as Shi Yao was lost in thought by he Tiantian's words, someone knocked on the bedroom door behind her once more.

On the other end of the phone, Jiang Yue had just finished listening to he Tiantian's words, she chimed in, "That's right, that's right. Even if Tiantian didn't say it, I wouldn't have been able to react in time. After hearing what she said, I also think that senior Lin's words are really bitty, but they're so bitty and cute... it's only today that I realized that senior Lin isn't just a campus belle, a straight-a student, a Prince Charming, but also an extremely black-bellied wolf..."

He Tiantian chuckled, and there was an obvious hint of lust in his tone, "So Yaoyao is the little white rabbit that will be eaten by the wolves sooner or later?"

Jiang Yue also followed suit with a sinister "Hehe".

Hehehe..

Shi Yao could clearly feel a few black lines streaking across her forehead.

Why did she feel that her roommate was more like Lin Jiage's roommate than hers..

Shi Yao pursed her lips, then, she hurriedly cut off the two chattering people on the other end of the line, "Well, I Won't talk to you guys for now. It's getting late, so take good care of Nuannuan and get some rest. Lin jiage came looking for me, so I have to go see what's wrong with him..."

"Yo... you married a wife and forgot about your family..."he tiantian, who was still immersed in the joke earlier, subconsciously teased.

What do you mean by forget about your family after marrying your wife... Lin Jiage is a man, so he should be the one marrying her, alright?

Ptui! It's not like I've ever thought of marrying him, so why would I think of him marrying me..

Updates by

With this thought in mind, Shi Yao suddenly spoke up, "Tiantian!"

Her tone had become much more serious, but it wasn't threatening to the two on the other end of the line at all. In fact, if Jiang Yue were to speak up again.., "It's the middle of the night, and there's a man and a woman alone... just thinking about it makes me feel so excited. Yaoyao, remember to take good care of yourself. However, it's fine if you don't do it. Just give birth after you're pregnant, and we'll help you take care of the child..."

Shi Yao's face reddened slightly at those words, and her tone became much more serious. "I don't want to eat with you two anymore!"

He tiantian: "Yaoyao, that threat of yours really... SCARES ME TOO MUCH!"

Jiang Yue: "That's the kind of Yaoyao I like. She's always so cute when she's threatening!"

Shi Yao: "You guys –"

He Tiantian: "Alright, Alright. I Won't Disturb Your Beautiful Time with senior Lin anymore. After all, every moment of the night is precious. Jiang Yue and I can't afford to squander like this. If there's anything else, we'll talk about it tomorrow!"

Jiang Yue: "That's right. We can't squander like this. Yaoyao is currently carrying on our family line in our dormitory..."

What the hell? Carrying on our family line..

Shi Yao resisted the urge to burst into a rage, but before she could say a word, the two people on the other end of the line each said, "Bye bye, sleep well" before hanging up.

Sleep well? Sleep well..

Hearing the busy tone on the other end of the line, Shi Yao really wanted to smash the receiver.

However, when she forcefully slammed the receiver down, she recalled that it was Lin Jiage's landline, so she retracted her strength and gently placed the receiver back to its original position. After which, she stood up and opened the door.

Chapter 538: Little White Rabbit Eaten By A Wolf (2)

Compared to Lin Jiage, Shi Yao was much shorter. She opened the door and saw Lin Jiage's chest. It was only then that she realized that Lin Jiage was still wearing the same bloodstained and wrinkled clothes.

Did he come looking for her to ask her to help him change his clothes?

Just as Shi Yao was deep in thought, Lin Jiage, who was standing by the door, asked softly, "Did I Wake You Up?"

“No, no...” Shi Yao hurriedly shook her head, then, she turned around and pointed to the landline on the bedside table, “... I used your landline to make a call to the dormitory room just now to ask them about Nuan Nuan’s condition. At the same time, I also informed them that I was safe. Tian Tian and the others brought my phone back to the dormitory room. I thought that you were asleep, so I didn’t disturb you, so I took the liberty to use your landline...”

Lin Jiage replied nonchalantly with an “OH”. It seemed like such a small matter didn’t require her to greet him at all.

Following which, he glanced at the bedroom behind Shi Yao and asked, “Can I go in?”

“Of course...” this was his home, so of course he could go in..

Shi Yao hurriedly stepped aside to open the door.

After Lin Jiage entered, Shi Yao closed the door and followed behind him all the way to the sofa in the bed.

Lin Jiage didn’t sit down right away. Instead, he turned to Shi Yao and pointed at the empty seat on the sofa, “You take a seat.”

Shi Yao was perplexed, but she still obediently walked over and sat down.

A second after she sat down, Lin Jiage was already half-squatting in front of her.

He was a tall man, so she was sitting on the sofa at the same level as him.

Shi Yao was taken aback. Just as she was about to ask him what he was up to, Lin Jiage opened his left hand.

Updates by

There were two peeled eggs inside. They were round and white, and they looked very alluring..

Were these for her to eat?

Seeing the food, Shi Yao’s eyes lit up. Just as she was about to thank him and reach out to take the eggs, Lin Jiage placed one of the eggs on her neck and began moving it slowly.

Shi Yao was taken aback.

It took quite a while before she regained her senses.

So, the egg wasn’t meant for her to eat, but to reduce her swelling..

So, after saying good night to her and leaving, he actually didn’t go to sleep, but went to the kitchen to boil the eggs instead?

An indescribable and complicated emotion instantly filled Shi Yao’s heart.

Her fingertips trembled slightly, and she stared fixedly at Lin Jiage’s face.

He tilted his head slightly and stared intently at her neck. With the egg in his hand, he helped her gently reduce the swelling.

The only light in the room was the sleeping lamp beside the bed. The dim yellow light shone on the right side of his face, making his face appear even more enchanting.

She had always known that he was very good-looking.

But she had never taken a good look at his face before.

Perhaps it was because she didn't dare to, or perhaps it was because of some other reason.

It was only after taking a closer look that she realized that there was actually a reason why so many female students in g university were chasing after him..

A person like him was born to shine brilliantly and make others look up to him, right?

If anyone were to take in such a man, they would probably feel insecure for the rest of their lives, right?

Just as Shi Yao was deep in thought, she suddenly felt a slight pain on her cheek.

Her body trembled slightly, and when she came back to her senses, she realized that Lin Jiage had already moved the egg onto her face.

Chapter 539: I Am Your 110(1)

Sensing her slight reaction just now, Lin Jiage's calm voice was tinged with a hint of nervousness as he asked, "Is it very painful?"

As his voice trailed off, Shi Yao could clearly feel the strength in his fingertips becoming gentler and gentler.

Shi Yao shook her head lightly. "It's not that painful..."

After a brief pause, Shi Yao couldn't help but ask, "Have you never returned to your room to rest?"

Staring at Shi Yao's face, Lin Jiage carefully held the egg in his hand to help Shi Yao's swelling and bruise dissipate. For a moment, he didn't understand what she meant, so he replied with a soft "HMM?".

Shi Yao could only speak up and explain in more detail, "What I meant was, after you left my room, you didn't go to rest. Instead, you went to the dining room to boil an egg?"

So that's what you meant... Lin jiage replied with another "Un", but his tone changed from doubt to statement.

It was really as she thought..

Shi Yao bit her lips lightly, "You're already injured, why don't You Go Rest? I'll be fine. Those bruises and redness will disappear on their own in a couple of days."

"I'm afraid that you'll feel pain at night," Lin Jiage replied calmly.

Afraid that you'll feel pain at night... Those were just a few simple words, but they made Shi Yao's heart feel so soft and warm that it became a complete mess. As such, when she spoke again.., her voice became a lot softer. "What About You? Does your arm feel particularly painful?"

“Me?” Lin Jiage raised his head and smiled at Shi Yao. A faint smile appeared on his face, and he continued nonchalantly, “I’m fine...”

Liar... you can’t even move your arm for a month, and you’re still saying that I’m fine..

Shi Yao didn’t say a word, but her eyelids drooped.

She wasn’t the kind of girl who was sentimental, but for some reason, she was unable to control her emotions.

After a long while, Shi Yao finally managed to calm herself down and broke the silence in the room, “Why are you at the KTV today?”

“Oh... I had an appointment with my roommate to sing, and my room happened to be right next to yours. When I passed by your room, I heard your roommate say that something had happened to you...”

So that was how it happened... However, Shi Yao didn’t dwell on such coincidences for too long, instead, she said with a sense of relief, “It’s a good thing that you showed up. Otherwise, I don’t know what would have happened to me and Nuannuan... you don’t know how much they’ve gone overboard. They forced me to apologize to Liang Mumu, and they even said that they wanted, wanted, wanted...”

Shi Yao repeated the word ‘want’ several times, but she still couldn’t bring herself to say the words ‘play me to death’.

However, after a moment of hesitation and silence, she realized that it was as if she was complaining, telling Lin Jiage all of the details of what had happened that night.

Lin Jiage wasn’t sure what she was thinking, but when he saw that she had stopped halfway through her words and raised her head to look at her, he immediately understood what she was going to say, it was definitely not something good. His brows suddenly furrowed, and his tone turned cold and sharp as he asked, “What do you want?”

It wasn’t that Shi Yao hadn’t seen Lin Jiage angry before. Back then, when Grandpa Lin had forced her to be his fiancée, he had warned her fiercely.

But the current him was completely different from the past him.

Chapter 540: I Am Your 110(2)

But the current him was completely different from the previous him.

At this moment, there was a hint of killing intent and hostility hidden within him, and it was far more frightening than before.

Shi Yao knew that Lin Jiage’s reaction wasn’t directed at her, but she still couldn’t help but shrink back in fear. With a soft voice, she replied, “It’s nothing...”

Seeing Shi Yao’s reaction, Lin Jiage realized that he had lost control of his emotions just now.

Even if she didn't say it, he knew that the words those people said afterward were bound to be insulting words.

He suddenly felt a little regretful that he hadn't beaten those scumbags to death just now..

However, it wasn't easy to let a petty person like him off so easily. He had already written it down in his little notebook in his heart. When it was time to turn back, he would grab hold of them and continue pummeling them to death!

However, the most urgent matter at hand was still soft bun..

With this thought in mind, Lin Jiage suppressed the Fury in his heart and spoke once more. Compared to before, his tone was extremely gentle, "Were you scared today?"

This was a life-threatening question. If he really scared soft bun, those scumbags wouldn't have to continue pummeling them to death. Instead, they would have to pummel them to death every time they saw them. Not only that.., he would also have to tell that money grubber, Lin Jiayi, to help him pummel them to death!

Shaking her head, Shi Yao replied honestly, "No, I wasn't frightened at all. It's just that I felt a little disgusted at that time."

"I don't really like the way they look at me, and I don't really like what they say either... It's just that they're really annoying!"

Those scumbags are truly blessed..

As Lin Jiage pondered over this matter, he glanced at Shi Yao and said, "It's fine. They won't look at you that way anymore, and they won't dare to say those kinds of things to you anymore."

While they were talking, Lin Jiage had already finished treating the bruises on Shi Yao's face, neck, and wrist.

He placed two eggs on the table beside him before turning to Shi Yao and asking, "Are you feeling any other discomfort?"

Shi Yao shook her head. "I'm fine."

After hearing her reply, Lin Jiage scanned Shi Yao from head to toe to make sure that she was really fine. Only then did he feel relieved. After which, he turned to look into Shi Yao's eyes once more, he continued, "No matter where you go in the future, remember to bring your phone with you at all times so that you don't run into such a situation again, so that you can call for help in time

"If you call 110 and no one picks up, give me a call. Don't worry, I'll answer your calls 24 hours a day."

"In the future, I'll be your 110, and I'll Guarantee Your Safety!"

I'll be your 110, and I'll guarantee your safety..

Shi Yao suddenly recalled what he Tiantian and Jiang Yue had said to her roommates on the phone.

— If I can't even protect my own girl, how can I Be a man!

— I'll call the police later so that I can beat them up for a little longer..

Shi Yao felt as if something was tugging at the strings in her heart, causing her to tremble uncontrollably.

She was a complete stranger to her.

She had never felt this way in her entire life..

Shi Yao subconsciously clenched her fists tightly, not knowing what to say. After thinking for a long time, she finally said in a soft voice, "Thank you."

Lin Jiage stared at Shi Yao's expression, and his eyes suddenly softened. He wanted to reach out and stroke her head, but he raised his hand a little, afraid that he would scare her, in the end, he retracted his hand and said, "You don't have to thank me. I did it of my own free will."
