

Chapter 551: Walking Into The Wrong Room In The Middle Of The Night (1)

Ignoring Xia Shangzhou's exclamation, Lin Jiage continued, "In comparison, the two of you are in deep trouble. One of you is still unable to find a girl that you can fall in love with..."

Lin Jiage intentionally emphasized the word 'can' before turning to look at Xia Shangzhou's stiff expression, only then did he slowly turn to look at Lu Benlai, "... the other one has finally found a girl that she likes, but it's already been a semester, and she still hasn't gotten her phone number yet."

In Lin Jiage's words, Lu Benlai's expression turned into the exact same stiff expression as Xia Shangzhou's.

Looking at the two people who were unable to speak anymore in the video, Lin Jiage's mood immediately improved, "Oh right, I almost forgot to tell you guys that Yaoyao helped me change my bed sheets and blanket tonight. She even helped me take off my clothes and helped me put on my clothes..."

Lu Benlai mechanically turned his head to look at Xia Shangzhou, and in the next second, he unceremoniously began insulting him, "I told you to talk trash just now, and I told you to come up with conclusions when you had nothing better to do. Are You Happy Now? You're being abused, aren't you?"

"I..." Xia Shangzhou wanted to refute Lu Benlai's words, but he only managed to say one word before raising his hand, he made a feint of slapping his own face, "... that's right, I told you to talk trash, and I told you to come up with conclusions when you had nothing better to do. Aren't you happy now? You're being abused, aren't you?"

On the other end of the video call, Lin Jiage didn't seem to have any intention of giving up. After the two of them had finished their conversation, he spoke up once more, "Oh, there's one more thing. I'm injured... So, as roommates, you should have come to my house to visit me, right? I've already thought of the gifts you brought with you. Old Xia is the big gift bag for nuts, and Old Lu is the cheesecake..."

Xia Shangzhou: "HM? Boss, since when did you fall in love with eating these things?"

Lin Jiage: "It's not me, it's Yaoyao..."

LU BENLAI: "Damn it, grandson, can you stop talking? The moment you opened your mouth, you dragged me down with you. Just a moment ago, you caused me to be abused, and now, you're making me eat dog food. I really want to beat you to death, you unfilial bastard..."

Before Lu Benlai could finish his words, Lin Jiage cleared his throat and said, "Oh..."

He only said one word before Lu Benlai and Xia Shangzhou swiftly spoke up.

Lu benlai: "Boss, my phone is out of battery. I'll hang up first."

Xia Shangzhou: "Boss, I remember now. I still have some work to do, so I have to work overtime."

Following which, without waiting for Lin Jiage to speak, the two of them left a message saying, "Goodbye, boss. Goodnight, Boss." Then, they ended the video call.

..

After falling asleep, Shi Yao didn't know how long she had slept for before she woke up from her thirst.

With half-opened eyes, she climbed out of bed, walked out of the bedroom, and headed toward the dining room.

In a daze, she poured herself a glass of water. After pouring it into her stomach, she staggered toward the bedroom.

The room she was sleeping in was next to Lin Jiage's room, and the door to the room was right next to each other.

Due to her extreme sleepiness, Shi Yao's eyelids kept falling all the way back to the bedroom. As such, she didn't even bother to check if it was her bedroom before pushing the door open, closing it, and walking into the room.

Walking to the bed, Shi Yao fell headfirst onto the bed.

The air conditioner was turned on in the room, and the temperature was a little low. As she slept, Shi Yao began searching for a blanket.

She fumbled around for a long time, but she didn't find a blanket. Instead, she found something soft and warm..

..

Chapter 552: Walking Into The Wrong Room In The Middle Of The Night (2)

Due to the cold, Shi Yao didn't think too much into it. She simply leaned over to where her hand was touching and huddled her body together to warm herself up.

The room was very quiet. Feeling the warmth, Shi Yao's body and mind quickly relaxed, and her breathing gradually became steady and long.

Just as Shi Yao was about to fall into a deep sleep, she vaguely heard a faint sound of breathing.

She opened her eyes in shock, and her mind gradually cleared up. However, it only lasted for about ten seconds before her consciousness was once again overwhelmed by the sleepiness. She thought that she was hallucinating.., her eyelids closed bit by bit, and just as she was about to close her eyes, she heard the faint sound of breathing once more.

This time, the sound was much clearer than before.

Shi Yao was certain that she wasn't dreaming. Due to her sleepiness, her brain was spinning a little slowly. After about half a minute, she finally realized that the sound of breathing indicated that there was someone lying beside her..

And then, she suddenly opened her eyes.

Under the dim light of the room, a side profile that was so handsome that it could make one fall head over heels for it suddenly appeared before her eyes.

She was right next to the handsome face, so close that she could even see the lines on its skin.

Shi Yao widened her eyes in shock as she stared at the face that was right in front of her for a full minute. It was only then that she reflexively stepped back, and it was only then that she realized that she had... run into Lin Jiage's bed..

Her drowsiness was instantly gone, and it was as if she had received a great shock. As this realization flashed through her mind, she was already rolling off the bed and onto the floor.

H-how did she end up in Lin Jiage's room?

Going to the wrong room in the middle of the night... T-this is too... scary, right? Those who didn't know better would think that she was intentionally throwing herself into his arms? What was even scarier was that in her daze, she had even touched Lin Jiage once, and she had even moved her body to his side, clinging tightly to his body..

The more Shi Yao thought about it, the more devastated she felt. She couldn't care less about the pain she felt when she rolled off the bed, so she immediately got up from the ground and prepared to leave.

It had been a while since she had appeared in his room, but he hadn't said a word or moved at all. He was probably sound asleep, right?

However, Lin Jiage seemed to be in a deep sleep..

With this thought in mind, Shi Yao, who was running out the door, turned around to take a look behind her.

Lin Jiage lay on the bed, motionless.

He only had a thin blanket covering his abdomen.

His injured right hand was placed outside.

He looked very quiet, as if he was in a deep sleep..

Shi Yao heaved a sigh of relief. She decided to treat the fact that she had walked into the wrong room tonight as a secret that only she knew and would always keep in her heart.

Of course, Shi Yao didn't dare to linger in the room for too long. She quickly retracted her gaze and continued sneaking out of the room.

However, she had only taken two steps when she heard a muffled groan coming from behind her.

Shi Yao stopped in her tracks.

The room fell silent once more.

She stood there for a moment, but seeing that there was no problem, she decided to take a step forward. However, before she could do anything, Lin Jiage harrumphed once more from behind her.

That voice... it was really strange..

After struggling for two seconds, Shi Yao finally felt a little uneasy, so she returned to her bed.

Chapter 553: Feeding Medicine (1)

It was only when she got closer that Shi Yao realized that the 'sleeping' Lin Jiage's complexion wasn't looking too good. His eyebrows were tightly knitted together, and the skin on his lips was starting to dry up. His breathing sounded especially laborious, it was as if he was unable to catch his breath.

Did Lin Jiage... have a nightmare? or..

Without thinking too much into it, Shi Yao suddenly spoke up, "Lin Jiage?"

"Lin Jiage?"

She called his name several times, but he showed no signs of waking up.

"Lin Jiage?" When Shi Yao called his name once more, she couldn't help but reach out to touch his shoulder.

Through her clothes, Shi Yao could clearly feel the burning sensation.

Her fingertips trembled, and she instinctively retracted them.

The next moment, Shi Yao finally understood what was going on. She subconsciously reached out to touch Lin Jiage's forehead, only to find that the temperature was shockingly high.

It was no wonder she felt that there was something wrong with his voice just now. It would be a wonder if he wasn't suffering from the fever..

What else did she say? He's really sound asleep... how is this sound asleep? He's obviously delirious from the fever.

As these thoughts flashed through Shi Yao's mind, she slowly recalled how warm she had felt him back then. Leaning close to him... that wasn't warmth at all, that was the heat from the fever..

Shi Yao tried calling out Lin Jiage's name twice, but seeing that he still showed no signs of waking up, she ran to the bathroom and soaked him in cold water. After wringing the towel dry, she ran back to the bed, she carefully folded the wet towel into a square and placed it on Lin Jiage's forehead.

After giving Lin Jiage a simple physical cooling, Shi Yao ran back to her bedroom and put on the clothes she had changed out of while showering. After which, she took Lin Jiage's car keys and headed to the underground parking lot.

After exiting the residential area and driving down the road for less than five minutes, Shi Yao saw a 24-hour pharmacy by the side of the road.

She hurriedly stepped on the brakes.

A second after the car came to a stop, she alighted from the car and rushed into the pharmacy.

After buying a thermometer and fever medicine, Shi Yao still asked the owner of the pharmacy for the bill.

The owner was very enthusiastic, and he told her some tips on how to lower the temperature if the fever didn't subside.

After thanking him, Shi Yao took a bottle of alcohol and a bag of cotton balls before leaving the pharmacy. She hurriedly returned to Lin Jiage's house.

After closing the door to the living room, Shi Yao took off her shoes. The first thing she did was to run over to Lin Jiage's bedroom and check his breathing with her fingertips. After making sure that his breathing was normal, she heaved a sigh of relief, she took the towel that was already warm from the high fever from his forehead and soaked it in cold water to cool it down before placing it back on Lin Jiage's forehead.

Shi Yao took out the thermometer and stuffed it into Lin Jiage's mouth before heading to the dining room.

Not too long later, Shi Yao returned with a cup of water.

She placed the water on the bedside table and took out the fever medicine. After reading through the manual, she realized that almost three minutes had passed. She then took the thermometer out of Lin Jiage's mouth and brought it before her eyes to take a look at the results.

Thirty-nine and a half degrees... to think that the fever would be so severe. No wonder he didn't even react when she rolled off his bed and made such a huge ruckus..

While she was thinking, Shi Yao took out the fever medicine.

She stuffed the medicine into his mouth while holding a cup of water.

It took quite some time before the medicine was finally stuffed into his mouth, but no matter how hard she tried, she couldn't get the water into Lin Jiage's mouth.

Chapter 554: Feeding Medicine (2)

This can't go on, I have to take the medicine no matter what..

Shi Yao tried feeding Lin Jiage a few more times, but to no avail. All of a sudden, she recalled an online drama that she had watched at home during her winter break. The male and female protagonists were both celebrities, and the male lead was the best actor, when he had a fever, the female lead would take care of him... it was similar to how she and Lin Jiage's situation was at the moment. No matter how hard she tried, she wouldn't be able to feed him the medicine. In the end, the female lead would end up feeding him the medicine with her mouth.., she fed him the medicine..

Could it be that she was going to feed Lin Jiage the medicine as well?

Just a single thought caused Shi Yao's face to Redden.

She hesitated for a moment before feeding Lin Jiage another round of water. This time, not only did she fail to feed him the medicine, she even spat out the medicine that she had just stuffed into his mouth.

Shi Yao frowned. She quickly took out a tissue and wiped away the water and the medicine from Lin Jiage's lips. After which, she stared at his slightly pale lips for a moment before gritting her teeth, she took out the fever medicine once more.

The moment she stuffed the fever medicine into Lin Jiage's mouth, Shi Yao took a huge gulp from her glass of water. Following which, she leaned over and pressed her body against Lin Jiage's lips. Using the tip of her tongue, she pried open his lips and slowly poured the water into his mouth.

In order to allow the medicine to successfully enter Lin Jiage's stomach, Shi Yao even used the tip of her tongue to push the medicine into his mouth.

As Shi Yao was covering Lin Jiage's lips, he swallowed all of the water into his stomach, along with the pill.

However, Shi Yao wasn't too sure of the situation, so she was afraid that the pill would get stuck somewhere, so she didn't manage to swallow it. After Lin Jiage swallowed all of the water in his mouth, she used her head to scan his mouth twice to make sure that there wasn't any pill in it, only then did she stop her movements in relief.

..

After ending the video call with Lu Benlai and Xia Shangzhou, Lin Jiage lay on his bed and reminisced about everything that had happened that night... and just as he had expected.., he entered the bathroom for the fifth time.

The next time he came out, Lin Jiage began sneezing non-stop.

It was really late at night, so he was feeling a little unwell. This time, he lay on the bed for a short while before falling asleep.

In his hazy state, he felt that his entire body was very hot. His breathing was a little labored, and his throat was sore and dry... he vaguely knew that he had a fever, but his entire body was so tired and uncomfortable that he could not open his eyes, he fell into a deep sleep just like that.

After an unknown amount of time, he felt a chill on his forehead, which made him feel much more comfortable in the high temperature. Then, in his dry and painful throat, there was water, but the smell of water.., it was a little bitter..

Perhaps it was the water and the chill on his forehead that had taken effect, making him slightly more conscious. He felt a touch of softness brush past his lips and teeth, bringing with it a numbing and stimulating pleasure.

Although he was confused, he could recognize that the softness belonged to soft bun..

He thought that he was having some kind of romantic dream, so he let himself be immersed in it, unable to extricate himself.

It was just that such a beautiful dream lasted for a very, very short instant before she left him..

He could not help but frown in disappointment. In reality, he did not dare to be too presumptuous, afraid that he would scare her away. But in the dream, he could be alone and secretly be unscrupulous, right?

Chapter 555: Lin Jiage, Don't Do This

As this thought flashed through Lin Jiage's mind, he caught sight of Shi Yao's lips that were about to leave his, and without any hesitation, he began to kiss her passionately.

Shi Yao, who had already left Lin Jiage's lips, was taken aback by Lin Jiage's sudden action. Following which, she froze on the spot, unable to react at all.

She allowed Lin Jiage to kiss her as he pleased for quite some time before she slowly realized what they were doing.

Subconsciously, Shi Yao began to struggle, trying to break free from Lin Jiage's kiss.

Her resistance and evasion caused Lin Jiage, who thought that this was a dream, to furrow his brows even further.

Is it because... she doesn't like me? In his dreams, he would subconsciously imagine her rejecting him..

He wouldn't force her, and he wouldn't be willing to force her either... but in his dreams, let him be selfish just this once..? Just this once..

With this thought in mind, Lin Jiage raised his left hand, and with a slight tremble, he grabbed the back of Shi Yao's head with all his might, deepening the kiss.

Compared to just a moment ago, Lin Jiage's kiss right now was overbearing and firm, as if he wanted to swallow her whole.

Shi Yao had never been kissed like this before, so she was shocked as well.

Her eyes widened as she stared blankly at Lin Jiage's long and sexy eyelashes before her, and her mind went blank.

He used all of his strength to rub the corners of her lips, but as if he felt that it wasn't enough, he suddenly pried open her teeth and barged into the room. He wrapped himself around her tightly as he kissed her repeatedly.

The room was so quiet that Shi Yao could hear his heavy breathing and rapid breathing, as well as the faint sounds of intimacy from the kiss..

As these sounds continued to bore into Shi Yao's ears, she could clearly feel his hand pressing down on her head moving downwards before finally landing on her waist, forcefully pulling her into his embrace, his strength was so domineering that she almost suffocated.

This kiss lasted for an unknown period of time, and it wasn't until Shi Yao's entire body became light and airy that Lin Jiage finally let go of her.

His breathing became even more unsteady than before.

As if he felt that it wasn't enough, his lips pressed against hers for a moment before moving down from the corner of her lips to her chin..

It was only when his breath landed on her collarbone that Shi Yao realized that the two of them seemed to have gone overboard..

The moment his hot lips touched her neck, she hurriedly said, "... Lin Jiage, don't do this..."

As though he didn't hear her voice, he bit down hard on her skin.

There was some pain, but there was also some indescribable stimulation..

This unfamiliar sensation caused Shi Yao's entire body to shudder, causing her heart to grow even more flustered. "Lin Jiage, let go of me! Lin Jiage..."

Perhaps it was because her repeated rejections had displeased him, but he suddenly flipped over and pressed her under his body before burying his head into her neck.

His weight and dominance made Shi Yao fearful. She pushed him away with all her might, trying to avoid him. Not only did her actions fail to escape him, they even drove him even crazier, every single kiss felt as if they were going to tear her apart..

Shi Yao was frightened and flustered at the same time. In the end, her anxious voice trembled in fear, "... Lin Jiage, don't do this, Lin Jiage..."

Chapter 556: Lin Jiage, Don't Do This (2)

"Lin Jiage..."

It was unknown how many times Shi Yao had called out Lin Jiage's name, but the crazed boy finally quieted down.

He didn't immediately leave her body.

He was lying on her shoulder, panting heavily. His chest was heaving up and down, and the space between his closed eyes was still flowing with unruly passion.

Even in his dreams, even if he had decided to be willful for once, when he heard her soft and pitiful voice, he still couldn't help but force himself to stop.

In the end, he still couldn't bear to do it. Even if it was a fake scene, he still couldn't bear to force her to do something that she didn't want to do... Even if he really wanted her, even if he really endured the pain.

Lin Jiage waited until the raging emotions in his body had finally calmed down before he gently lifted his head and planted a tender and deep kiss between her eyebrows. After which, he turned around and left her body.

The weight on her body disappeared, and Shi Yao heaved a long sigh of relief.

She didn't dare to linger on the bed for too long, so she got off the bed and ran out of Lin Jiage's bedroom.

After closing the door to Lin Jiage's bedroom, Shi Yao felt as if she had collapsed. She leaned against the wall, unable to move at all.

After a long while, she gently raised her hand and pressed it against her chest. It was only then that she realized that her heart was beating very fast, one beat after another..

Shi Yao was left alone in the living room. She was dazed for a long while before she managed to regain her senses.

She was still a little afraid of what had just happened.

She really wanted to return to her room to hide, but when she thought about his high fever, she couldn't help but feel a little worried.

She paced back and forth at the door for quite some time before finally pushing the door open. She peeked her head in and discreetly scanned the room.

Lying on the bed, Lin Jiage didn't move at all.

When she was feeding him the medicine, she had turned on the lights in the room. The bright light allowed her to clearly see the expression on his face. It was very calm, as if he had fallen asleep.

Only then did Shi Yao boldly step into the bedroom.

Walking over to the bed, she patted Lin Jiage's head. His head was still burning.

The owner of the pharmacy had told her that if his fever persisted, she had to send him to the hospital for a checkup to prevent any accidents from affecting his condition.

Thus, Shi Yao pulled out a chair and sat by the bed to watch over Lin Jiage.

Afraid that she would fall asleep, Shi Yao kept looking around. Eventually, her gaze fell on Lin Jiage's face.

She stared at him for a short moment before the image of him pressing her down and kissing her passionately surfaced in her mind..

Shi Yao's face reddened, and she hurriedly averted her gaze.

A few minutes later, Shi Yao reached out and touched Lin Jiage's forehead. There was still no sign of the fever subsiding..

She couldn't help but take a look at the time on the wall. It had already been two hours since she took the medicine, and the effects of the medicine should have taken effect long ago. Why wasn't the fever subsiding yet?

Shi Yao thought back to the medicine store's boss telling her how to use alcohol to lower the temperature of her body..

She struggled for a moment, but in the end, she still untied Lin Jiage's shirt, took a cotton ball and alcohol, and helped him wipe his body.

Shi Yao's face began to heat up once more.

It was only after she was done wiping that her gaze fell outside the window that she finally calmed down.

Just like that, Shi Yao's face turned red as she helped Lin Jiage wipe his body. After wiping his body, she calmed down a few times, and when she reached out to touch Lin Jiage's forehead, she realized that his body temperature was starting to drop..

Chapter 557: Did I Do Anything To You? (1)

Shi Yao's worried heart finally calmed down.

Trying her best to suppress her drowsiness, Shi Yao took care of Lin Jiage in the middle of the night, and she couldn't help but lie down on the edge of the bed.

Worried that Lin Jiage might suddenly start burning up again, she would occasionally raise her hand to touch his forehead.

She didn't know how many times she had checked Lin Jiage's temperature, but the last time she checked, the temperature on Lin Jiage's forehead returned to normal. After which, she let out a groggy sigh of relief, she didn't even have the strength to get up and head back to her bedroom, so she immediately fell asleep by the bed.

..

The next day.

When Lin Jiage opened his eyes, the sun was already shining brightly outside. It was already noon.

He felt as if he had experienced a lot while he was sleeping, but he couldn't bring himself to think about it for the time being.

Out of habit, the first thing he did after waking up was to reach for his phone.

But as soon as he raised his hand, he felt a soft and delicate touch.

Frowning slightly, he turned his head to the side and saw Shi Yao lying on the side of the bed, sleeping soundly with her arm propped up.

Soft bun... why is she sleeping beside my bed?

Lin Jiage was taken aback for a moment before turning his gaze around to take a look at his surroundings.

The fever medicine on the bedside table, the glass that wasn't even a quarter full of water, the half-wet towel, the alcohol bottle, the cotton ball... all of these things fell into Lin Jiage's eyes one by one, he instantly understood everything.

Last night, when he fell asleep, he felt that his body wasn't feeling well... so, in the middle of the night, he had a high fever?

He had never stayed in this house before, so there wasn't any medicine in the house. In other words, soft bun had gone out to buy medicine for him in the middle of the night?

An indescribable ecstasy instantly swept through Lin Jiage's heart, causing the corners of his lips, eyebrows, and eyes to be dyed with a smile.

Does this mean that soft bun actually cares about me a lot?

I need to report the situation to those two idiots in Room 501 so that they can understand the difference between me and those two single dogs..

With this thought in mind, Lin Jiage picked up his phone and began typing on wechat.

He was typing on the keyboard when he suddenly stopped. With a smile on his face, he continued typing..

Just as he was about to finish writing the message, he suddenly thought of a problem: he and soft bun lived in different bedrooms. How could she know that he had a fever in the middle of the night?

Could it be that soft bun had snuck into his room in the middle of the night?

Er... the possibility of that being the case seemed to be zero. It was all in his imagination.

Perhaps he was suffering from a fever and had called for help?

In Lin Jiage's mind, he recalled the scene where he kept shouting for help, and he suddenly felt extremely embarrassed.

But then again, soft bun must have been tired after staying up all night, right?

Deep Heartache surfaced in Lin Jiage's eyes as he looked at Shi Yao's face.

He stared at Shi Yao's sleeping face for a moment, and he couldn't help but reach out to touch her cheek..

However, his fingertips had yet to touch her skin. Perhaps it was because she wasn't comfortable sleeping on her stomach, Shi Yao opened her eyes and changed her position.

Then, seeing that Lin Jiage had woken up, she closed her eyes, and within two seconds, she opened them again.

"You're Awake?" Shi Yao asked as she reached out to touch Lin Jiage's forehead. "Finally, your fever is gone..."

Lin Jiage's body tensed up for a moment under Shi Yao's touch. After she retracted her hand, about half a minute later, he finally spoke with a calm tone, "Last night, you..."

He had only said those three words when the image of him pressing her under his body and passionately kissing her suddenly flashed across his mind..

Chapter 558: Did I Do Anything To You? (2)

He had only said those three words when the image of him pressing her down and passionately kissing her suddenly flashed across his mind..

Lin jiage subconsciously frowned for a moment before his next words disappeared from his lips.

It seemed like she was the one who kissed him first. In just a short moment, she retracted her lips, and he turned from a defensive position to an offensive position to capture her lips.

She struggled, but he grabbed her head with his palm and deepened the kiss.

At the end of the kiss, he wanted more, so he placed his lips on her neck and slid down... then, perhaps it was because he was too crazy that he had scared her, but she begged him softly and helplessly, saying something about Lin Jiage., don't be like this... hearing this, waves of pain rose from the bottom of his heart, and he didn't dare to touch her anymore..

These scenes were so real... so real that even when he recalled them, he could still vaguely recall the thrilling and numbing sensation they had given him.

Could all of this have happened in real life?

Unable to tell if it was a dream or a fever, Lin Jiage struggled for a moment in his heart, in the end, his gaze finally fell on Shi Yao's face, "Last night... Did I. . . Did I. . ."

Unable to find the right words for the moment, Lin Jiage stumbled.

Unable to comprehend the meaning behind Lin Jiage's words, Shi Yao blinked her eyes curiously at him and asked softly, "Did I do anything?"

"Is there... is there..."Lin Jiage swiftly turned his head around and picked up a more reserved sentence,"... why are you..."

Why are you... What do you mean?

Shi Yao stared at Lin Jiage in confusion for a moment, and when she saw Lin Jiage's slightly red ears, she suddenly understood what he was referring to.

Her face immediately flushed red as well. Without any hesitation, she shook her head and said, "No, no..."

The events from last night were truly too embarrassing. Since he asked such a question, it could only mean that he didn't remember them clearly either. This was exactly what she wanted, so why don't we just pretend that nothing happened?

Lin Jiage stared at Shi Yao for a moment, and he felt that she didn't look like she was lying.

Could it be that... those scenes from last night were his dreams?

After he fell in love with her, it wasn't as if he hadn't dreamt of her in his dreams, but the scenes were still somewhat surreal. However, last night was really too realistic..

In the end, Lin Jiage was still a little worried. Or perhaps, he was afraid that what he had done would affect her impression of him. Thus, he pondered for a moment before asking once more, "You really didn't do it?"

"I really didn't do it!"Shi Yao rarely lied. It was fortunate that their conversation was a little ambiguous at the moment, so she didn't show any signs of blushing. Thus, she secretly rejoiced in her heart, but in order to make herself look confident, Shi Yao added on, "Besides, if you really did do it, I'll just... I'll just go home and Leave You Alone!"

Lin Jiage pretended to be really offended by Shi Yao's words, "Alright, Alright, Alright. This topic is over. Let's think about what we'll have for lunch."

What we'll have for lunch... hearing those three words, Shi Yao felt as if she was a kitten that had its fur smoothed. She immediately softened and said, "I want to eat boiled meat slices."

Chapter 559: Wrong Room, Wrong Bed (1)

"No problem..." Lin Jiage took out his phone and dialed Beijing Grand Hotel's number, "... is there anything else you'd like to eat?"

Shi Yao counted on her fingers and counted down the dishes she wanted to eat, "Steamed shrimp egg, deep well roasted goose, fish-flavored shredded pork, sweet and sour pork ribs..."

Lin Jiage repeated the names of the dishes to the person who picked up the call.

While Lin Jiage was leaving the address on the phone, Shi Yao suddenly remembered that she hadn't washed up yet, so she ran to the bedroom next door to brush her teeth and wash her face.

By the time Lin Jiage ended the call, Shi Yao hadn't returned yet.

He wasn't in a hurry to get up. Instead, he turned his gaze to the spot where Shi Yao had just laid down.

Even though she was no longer there, he could still see her sleeping on her stomach..

His eyes turned a little soft.

A moment later, he suddenly spoke up, "I should have thought of this earlier..."

As his voice fell, the gentleness in his eyes was covered by a layer of sadness.

Shi Yao didn't close Lin Jiage's bedroom door when she left, so when she returned, she didn't get noticed by the absent-minded Lin Jiage.

She had intended to go to the bathroom first to help Lin Jiage squeeze out some toothpaste, but when she passed by the bed, she heard Lin Jiage's voice. Instinctively, she turned to look at him and asked, "What?"

Hearing her voice, Lin Jiage swiftly snapped back to his senses. He lowered his eyelids and hid the emotions that were seeping out of his eyes before turning to look at Shi Yao, as if he hadn't said a single word just now, with a calm tone, he replied, "It's nothing."

"Oh..." Shi Yao replied. She continued staring at Lin Jiage for a moment, but seeing that he didn't seem to be acting strangely at all, she thought that the tinge of sadness that she had sensed from him just now was just an illusion, pointing to the bathroom behind her, she said, "... I'll go and squeeze some toothpaste for you. Hurry up and get up and wash up."

Lin Jiage replied with an "Un", but he didn't say anything else.

Shi Yao turned around and walked into the bathroom.

Lin Jiage stared at her back for a moment before lowering his head slightly.

He should have thought of this earlier... how could those scenes be real? How could she take the initiative to kiss him? Those were scenes that would only appear in his dreams, and they were scenes that would only appear in his dreams..

..

After the two of them washed up, it didn't take long before Beijing Grand Hotel delivered the dishes that Lin Jiage had ordered.

The dining table was very quiet. From time to time, Lin Jiage would raise his eyelids to take a look at Shi Yao, who was enjoying her meal.

It was just a casual conversation, so Lin Jiage casually asked a question. It was something that he had been wondering about back then, but it was something that he had forgotten because of those romantic scenes. "Oh, right. Did I have a fever last night?"

With her mouth stuffed full, Shi Yao nodded furiously as she answered Lin Jiage's question.

In truth, he didn't need to ask this question to know the answer to it. Thus, after hearing Shi Yao's answer, Lin Jiage casually replied with an "OH", then, he went straight to the point, "Then, how did you know that I had a fever last night?"

Shi Yao, who was still drinking her soup, suddenly choked on her soup upon hearing those words. With a reddened face, she began coughing violently.

By the time Shi Yao regained her composure, she saw a napkin in front of her.

After thanking him, she took the napkin from Lin Jiage's fingertips, wiped her mouth, and began to struggle.

This question from Lin Jiage... is a little difficult to answer!

I can't possibly tell him that I went to drink water in the middle of the night because I was thirsty, and I ended up in the wrong room and crawled into the wrong bed, right?

Chapter 560: Wrong Room, Wrong Bed (2)

Shi Yao, who rarely lied, put in a lot of effort to find an excuse that she thought wasn't too bad, "It's just that last night, I was a little thirsty, so when I woke up to drink some water, I heard a sound in your room..."

Hearing those words, Lin Jiage's heart jolted. Could it be that it was just as he thought, that he had called for help due to his high fever?

Lin Jiage tried his best to remain calm as he asked, "What was that sound?"

Did he have to ask in such a detailed manner..

He didn't even think about Shi Yao at all, and his heart felt a little weak.

However, Shi Yao understood the logic of 'I've never eaten pork before, and I've never seen a pig run'.

Even though she rarely lied, she knew that since she was lying, she had to act more righteously... with this thought in mind, Shi Yao tried her best to maintain her composure, she said, "It's just a cough... a few times..."

Lin Jiage secretly rejoiced, "I see..."

Perhaps it was because she was lying, but Shi Yao felt that these three words were a little strange. She discreetly gripped the chopsticks in her hand and rolled her eyes, then, she continued to spout nonsense, "That's right, it's just like that... actually, I didn't think too much into it in the beginning. It was only because you were injured that the doctor told me to keep an eye on you. For the sake of safety, I knocked on the door to ask if you were alright. However, after knocking for a long time, you didn't respond. I thought that something had happened to you, so I pushed the door open and barged in. In the end, I realized that your temperature was really high, just like a piece of boiled beef..."

Boiled beef slices..

Lin Jiage:"..."this metaphor is very similar to Shi Yao's.

From Shi Yao's words, Lin Jiage was certain that he didn't cry out for help last night, so he didn't immerse himself in Shi Yao's metaphor for too long, thus, he spoke up once more, "In that case, I really have to thank you for last night. If you hadn't paid more attention to me, I might still be running a high fever right now."

After hearing Lin Jiage's words, Shi Yao knew that she had managed to muddle through. "It's alright. I stayed behind to take care of you."

Lin Jiage didn't say anything else. Instead, he picked up a piece of boiled meat for Shi Yao and gestured for her to eat while it was still hot.

"Thank you," Shi Yao said softly before lowering her head to dig into her food.

Lin Jiage looked at Shi Yao, who was still eating, and calmed down. So, it was just a cough... thank goodness, it wasn't a bad image..

When Lin Jiage retracted his gaze and lowered his head to eat, Shi Yao discreetly lifted her eyelids and glanced at Lin Jiage. Seeing that his expression was as calm as ever, she couldn't help but sigh in relief, so, Lin Jiage is so gullible... fortunately, fortunately, I was just smart enough..

..

After finishing her meal, Shi Yao tidied up the leftovers on the dining table and returned to school.

Leng Nuan, Jiang Yue, and he tiantian were all in the dormitory room. After entering, Shi Yao took the lead to take a look at Leng Nuan. Other than the bruise at the corner of her lips and the slight redness on her face.., after regaining her usual calm and composed demeanor, she finally felt at ease.

Worried that something might happen to Lin Jiage at home, Shi Yao didn't stay in the dormitory room for too long. Thus, she packed some clothes, grabbed her phone, and left the school.

After returning to Lin Jiage's home, the first thing Shi Yao did after changing her shoes was to run over to take a look at Lin Jiage.

Perhaps it was due to his fever from last night, but he hadn't fully recovered yet. While she was away, he fell asleep on his bed once more.
