

WITH YOU 571

Chapter 571: Drove Away The Wolf And Now Comes The Tiger (1)

Since the person she was supposed to meet wasn't here yet, how was she supposed to order it?

Shi Yao apologetically told the waiter to wait for a moment before logging into the game and sending a few more messages to [desolate year] .

After waiting for around ten minutes, she still didn't receive any reply.

The waiter came to urge her again.

Shi Yao glanced at her phone and saw that other than her message, there was still no message from [desolate year] on the game chat page.

AM I... Being stood up?

Year of desolation... is he playing with me on purpose?

Anyone who had to wait here for more than an hour would probably feel a little unhappy, and Shi Yao was no exception. Facing the waiter's urging, she pursed her lips, took her things, and stood up.

Even though she was already very hungry and really wanted to eat hotpot, it was already past 8:40 pm. Furthermore, she had already promised Lin Jiage that she would return earlier..

With this thought in mind, Shi Yao apologized a few more times to the waiter before leaving the room.

Walking to the entrance of the Hotpot restaurant, Shi Yao realized that it had started raining heavily outside.

This street was a pedestrian street, so there wouldn't be any taxis coming in. Even if she were to call for a taxi, she would have to walk to the side of the main road three hundred meters away before she could board the car.

With such heavy rain, not to mention three hundred meters, even if it was three meters, she would probably be drenched from head to toe..

But it was getting late, and there was no telling when the rain would stop. She couldn't just sit here and wait, could she?

Shi Yao was conflicted for a moment, but in the end, she gritted her teeth and decided to brave the rain and run to the roadside to find a shelter to hail a cab.

But just as she was about to dash into the rain, someone called out her name from behind, "Shi Yao?"

Shi Yao hurriedly stopped in her tracks and turned around.

Han Jing, who was dressed in black, walked out with a few of his classmates. It was as if he had just finished eating hotpot.

Thinking about it, it seemed like ever since the incident on the forum, when he told Han Jing to stop interacting with her in the future, they had stopped interacting with each other.

Han Jing was still as gentle and gentle as before. He didn't feel the slightest bit of anger or embarrassment from Shi Yao's merciless rejection of him in the past. "Shi Yao, you're here to eat hotpot too?"

I came here to eat hotpot, but I didn't get to eat hotpot at all..

Shi Yao silently felt wronged for a moment before replying to Han Jing, "Un."

Han Jing glanced at the torrential rain outside and asked, "Are you going back to school?"

Actually, that wasn't the case... but she couldn't tell him that she was going to Lin Jiage's house, right?

Shi Yao could only reply with an 'un'.

Han Jing lowered his head to look at Shi Yao's hand, which was holding a bag, and he asked, "You don't have an umbrella with you? That's perfect. I'll send you back to school then, right?"

As he spoke, Han Jing took out a black umbrella from his backpack.

Shi Yao hurriedly rejected him, "Senior Han, no..."

Before Shi Yao could finish her sentence, Han Jing interrupted her, "Shi Yao, it's only right for us to help each other out..."

For a moment, Shi Yao was at a loss for words.

However, it would only take ten minutes from here to school. She could head back to her dormitory room to grab an umbrella before heading back to Lin Jiage's place..

After some thought, Shi Yao finally replied, "Sure."

Han Jing replied with a smile, "You're welcome." After which, he opened his umbrella and waited for Shi Yao to enter before heading back to school with her.

The rain was heavy, and the road wasn't easy to walk on. Thus, the two of them didn't notice that a girl was standing at the entrance of a noodle shop not too far away. She was holding her phone and recording the scene.

– a small theater –

GE Jialin said, "I'm unhappy, and I want to rebel. Why is the girl I like so popular, but the male leads in the past have never been like this before?"?

"Touch My Head," readers said. "Who asked you to be so mean?"?

?

Chapter 572: Drove Away The Wolf And Now Comes The Tiger (2)

It wasn't until Shi Yao and Han Jing disappeared from the girl's sight that the girl put away her phone and sent the video she had just recorded to Liang Mumu.

Not Too Long later, the girl received a voice message from Liang Mumu: [one is that B * TCH, Shi Yao, and the other is... I can't remember, but I think it looks a little familiar.]

After hearing Liang Mumu's voice message, the female student replied, "It's Han Jing. He's from our faculty, and he studies art as well. His violin skills are exceptionally good."

Liang Mumu: "That's right, I know him. That Little B * Tch Shi Yao is referring to senior Han, right? The two of them are actually dining out alone? And they even share an umbrella?"

The female student: "I'm not too sure about the specifics either. I just happened to bump into him, and I thought of what you told me earlier. You told me to tell you everything about Shi Yao."

"Not bad. This is a really good video..." Liang Mumu's cold laughter sounded through the voice message, following which, she added, "... I really have to thank you this time. However, I would like to trouble you to do something for me..."

After hearing Liang Mumu's words, a hint of confusion flashed across the female student's eyes. "Is there any meaning in doing this?"

Liang Mumu: "Of course there is. Think about it. If a person really likes someone and has been chasing after her for so long, what would happen to him if he finds out that he has been deceived? He would definitely hate her. As long as he hates her, he would be useful to me in the future..."

The girl: "Alright then, I'll go and try..."

Before the girl could finish her sentence, she heard a slight movement from the side. She looked up and saw her friend walking towards her with a tray. Before she could finish her sentence, she sent a voice message, then, she typed and replied, "It's not convenient for me here. I'll contact you later."

Liang Mumu first replied with a "Alright" and then replied with a rather long text message. "Remember to do what I told you just now."

The girl replied with a "Got it" and sent it out.

After seeing that Liang Mumu did not reply to her message, she put away her phone.

"Yiran, the fried noodle soup that you wanted has been sold out. Do you have anything else to eat?" Her friend walked to the dining table and put down the sour noodle soup that she had ordered for herself. She smiled and asked Qin Yiran who was sitting opposite her.

Qin Yiran shook her head with a smile, "There's no need for that. I suddenly remembered that I have something important to do, so you should eat first. I'll be taking my leave first."

After saying those words, Qin Yiran grabbed her bag and umbrella and left the noodle shop in a hurry.

..

The weather in Beijing was very unstable in the summer. The afternoon sky was still clear, but lightning suddenly struck and thunder rumbled in the night.

Lin Jiage was woken up by the sound of thunder. The first thing he did after sitting up was to check the time.

It's almost nine o'clock already. Soft bun should be back by now, right? But with such a heavy rain, would she get caught in it?

Without any hesitation, Lin Jiage prepared to head out to pick up Shi Yao, but just as he got out of bed, his phone suddenly rang.

An unknown number had sent him a video.

Lin Jiage took out his phone and went out to look for an umbrella as he opened the video.

When he saw the video, his expression immediately turned cold.

It was raining heavily, so he wasn't able to see the video clearly. However, he could tell that the person inside was Shi Yao and Han Jing, who had once confessed to her in the dormitory room.

He had gone to great lengths to ruin her dinner with the 36.1 W wild man, and in the end, Han Jing appeared out of nowhere? This is called... driving away a wolf and a Tiger?

Chapter 573: She's My Irreplaceable (1)

Just as Lin Jiage's thoughts settled, the phone in his hand vibrated once more.

It was still the same message from that unknown number: [the two of them in the video seem to be really close. Look at how the guy covered the girl with his umbrella, and he even got drenched...]

Lin Jiage frowned as he opened the video once more.

This time, he was watching the video much more carefully than before.

It was just as the message had said. Han Jing was really taking care of Shi Yao, and half of his body was drenched in the rain.

Perhaps it was because of the rain, but the road was a little difficult to walk on. Occasionally, there would be a couple of times where Han Jing would reach out to support Shi Yao.

The video wasn't long, but in the short two minutes, Shi Yao and Han Jing had exchanged glances several times. Despite the heavy rain, he was still able to see Han Jing's warm smile..

The corners of Lin Jiage's lips couldn't help but tense up.

Soft bun bumped into Han Jing and had dinner with him after being stood up by desolate year?

She had promised him that she would return home as soon as possible after dinner..

An indescribable feeling of discomfort instantly crept into Lin Jiage's heart.

It just so happened that he received another message from an unknown number on his phone: [they seem to have eaten hotpot together, and now they're back at school together...]

[so, this is the girl you like? Heh...]

Lin Jiage had intended to ignore the message when he received the video, but when he saw the word 'Heh', he suddenly raised his finger and tapped on the screen.

Perhaps it was because he was displeased, or perhaps it was because he was angry, but he tapped on the screen with great strength, causing it to ring loudly.

[I don't care who you are, nor do I care what kind of attitude you have for sending this video. I'm telling you, I like her!]

"Even if she's ugly, fat, and has countless boyfriends, I still like her

"Have you ever heard of the Word 'irreplaceable'? Do you know what it means? "However, a brainless person like you probably doesn't know. I'll force myself to tell you this once and for all. Irreplaceable, irreplaceable, and unique. And she is my irreplaceable

So, I advise you to put away your silly tricks. Do you think that just by sending me a video and provoking me with a few words, I won't like her anymore? What kind of joke is this? I like a person because I want to like her for the rest of my life! Even if she doesn't like me, I'll still like her

You want me to slap her in the face... Dream On..

Lin Jiage typed out a long string of words in one go. He wanted to send the message directly, but just as his fingers were about to tap on the screen, he paused for a moment and added the word "He" before sending the message.

What the heck? Do you think that you're the only one who knows how to 'he'? I'm even better than you, hehehehehehehehehehe..

A moment ago, the message had been successfully sent, but a second later, Lin Jiage had already tossed his phone onto the sofa at the side. With a grim expression on his face, he walked over to the floor-to-ceiling window and stared at the torrential rain outside.

..

Only when she returned to the female dormitory building did Shi Yao realize that half of Han Jing's body was already wet. She felt a little embarrassed, so after saying 'thank you' .., however, she still added, "Senior Han, you should hurry back to the dormitory. Be careful not to catch a cold."

Han Jing still maintained his good-natured demeanor, "You too. Hurry up and go in."

Shi Yao nodded. After a moment of silence, she said "Goodbye" and entered the dormitory.

After Shi Yao's figure disappeared from sight, Han Jing held onto his umbrella and prepared to leave.

But just as he turned around, someone shouted his name: "Han Jing."

Chapter 574: She's My Irreplaceable (2)

Han Jing instinctively turned his head around to see a young lady dressed in a white dress and holding a red umbrella walking toward him in sandals.

Only when he got closer did Han Jing realize that the person who had called out to him was Qin yiran.

They were classmates, and it wasn't as if they hadn't spoken to each other before. Ever since last semester, when she had put on all sorts of fake identities to defame Shi Yao on the forums, he had rarely paid her any attention.

Thus, when Han Jing recognized that the other party was Qin Yiran, a hint of disgust surfaced in his eyes, so much so that even his voice sounded unfriendly. "What did you call me for?"

Qin Yiran didn't mind Han Jing's attitude at all. She glanced at the female dormitory that Shi Yao had just entered and asked, "Was the person you sent back to the dormitory the freshman from the English department, Shi Yao?"

To think that she still had the cheek to mention Shi Yao's name... Han Jing's tone turned even worse. "What has it got to do with you?!"

"It doesn't have anything to do with me..." Qin Yiran's gentle tone was still the same as before. "... But, it has something to do with you..."

Before Han Jing could reply.., qin yiran continued, "You like her very much, don't you? "I heard that the year she entered the first year of University, you received her and fell in love with her at first sight. You also took care of her a lot in the student union. I also heard that you queued up in the middle of the night for Christmas just to buy her her favorite Internet celebrity pancake..."

Han Jing said, "If you have nothing else to say, I'll take my leave first."

"What's the Rush?" Qin yiran chuckled lightly. "Don't you have to take things one step at a time? I haven't laid out the groundwork yet, so how can I tell you the main point... forget it, since you don't want to hear it, I'll just tell you the main point... you like Shi Yao so much, and you've been by her side for so long and treated her so well, so how much do you know about her? Does she know that you like him? Does she reject you? Did she tell you at the very beginning that she actually has a fiancé?"

Fiancé... Shi Yao has a fiancé?

Han Jing's face suddenly froze.

Qin yiran: "Judging from your expression, you don't know? She clearly knows that you like her, but she still didn't tell you that she has a fiancé. To be able to keep you hanging like this, she's really something..."

Shi Yao was too clean-cut to be as scheming as Qin Yiran said!

With this thought in mind, Han Jing suddenly spoke up, "Don't spout nonsense!"

"I'm really not spouting nonsense... Shi Yao really does have a fiancé, and I just found out about it not too long ago. The reason why I'm telling you this is to remind you not to be deceived by others. Also... you should know that her fiancé is the man of the hour at G University, Lin Jiage from the mathematics department. They were engaged six years ago, right? Six years ago... You Only met Shi Yao last year, and it's already been more than a year, yet she still hasn't told you about this... sigh..."

As Qin Yiran spoke, she shook her head, then, she pointed at the dormitory building that Shi Yao had just entered and said, "I just happened to bump into you, so I was just casually mentioning it to you. There's no other meaning to it. It's getting late, so I'm going back to my dormitory to sleep. Good night."

After saying those words, Qin yiran strode into the female dormitory building.

The rain was still falling, but it didn't show any signs of stopping. Instead, it was getting heavier and heavier.

Han Jing stood in the rain and didn't move for a long time.

Chapter 575: I Like You, So I Chose To Wait For You (1)

After Qin Yiran entered the female dormitory, she didn't rush back to the dormitory. Instead, she headed to the end of the corridor first, she picked up her phone and sent a message to Liang Mumu: [I've already done what you asked me to do. I've already told Han Jing that Shi Yao has a fiancé. Judging from his shocked expression, I think that it might be just as you said. He really likes her, and if he finds out that he's been deceived, he'll Hate Shi Yao. However, I have to remind you that he's quite protective of Shi Yao, and it's also possible that he won't believe my words.]

Liang Mumu: "It's fine. I'll think of a way to convince him."

Qin yiran: "Then you can do your best."

After a brief pause, Qin Yiran sent another message: "... right, you haven't forgotten what you promised me, right? As long as I help you, you'll let me join Lin Corporation."

Liang Mumu: "Of course I remember. Don't worry, as long as I replace Shi Yao and become Lin Jiage's fiancée, I'll definitely fulfill my promise to you."

Qin yiran: "I'll be waiting for your good news."

Liang Mumu replied with an emoji.

Qin Yiran didn't reply to her message. Instead, she stared at her phone screen, and a sharp glint flashed across her eyes.

Back then, Liang Mumu was the one who had brought Shi Yao's photos to her.

She had told her that as long as she cooperated with her, she would grant her one wish.

After which, she had gone to the forum to expose Shi Yao.

All of this wasn't important. What was important was that the reason she agreed to Liang Mumu wasn't because she fancied Lin Enterprise, but because she fancied Lin Jiage.

Liang Mumu was delusional about Lin Jiage, and so was she.

But she didn't have the unique advantage that Liang Mumu had. She knew Lin Jiage from a young age, and she had a cousin who grew up with him... she didn't have anything at all, so for the sake of her delusions.., she could only choose to work together with Liang Mumu.

She tried her best to make Liang Mumu think that she was doing this for the sake of a bright future... but then again, Liang Mumu was also an idiot. Did she think that she was very smart? But in the end, didn't she still end up being used by her?

She definitely wanted a bright future, but how could the bright future of Lin enterprise compare to the bright future of the future wife of Lin Enterprise's successor.

Right now, she was trying to compromise and follow Liang Mumu's lead. But on the last day, the moment Shi Yao was eliminated, it was also the day she, Liang Mumu, was eliminated..

..

Time trickled by bit by bit.

In the blink of an eye, it was already 11 pm.

The room was still very quiet, and the car downstairs had never stopped at his building.

It had been two hours since she had finished eating, but she was still not back... was she with Han Jing?

Was the existence of that Tiger... really that important? So important that she had forgotten that she had promised him that she would come back as soon as possible.

During this time, he had actually thought of giving her a call and pretending to be uncomfortable to trick her into coming back. Or, he might as well go straight to the school to look for her, to forcefully bring her home... he had been scheming ever since he was young, and in just a few minutes, he had already thought of dozens of ways to trick her into coming back. But this time, he simply stood by the window and waited..

As time went by, Lin Jiage could clearly see the sadness, disappointment, and helplessness that were welling up in his heart.

[recommendation tickets, babies, Mwah]

Chapter 576: I Like You, So I Chose To Wait For You (2)

Not too far away, the clock was ticking away. At 11:30 pm, it had been staring out the window without moving Lin Jiage at all.

At that moment, an obvious sense of sadness gushed out from him.

She... could it be that she wasn't coming back? But did she know that he was still waiting for her..

"Waiting?" Lin Jiage couldn't help but ask himself, "That's right... I've been waiting for a long time..."

From the moment I found out that you were Yao Xi who loved to eat ice cream, from the moment I understood that my special feelings for you were love, from the day I was certain that I had to have you... I've been waiting for you..

Shi Yao, I like you, so I chose to wait for you.

As this thought flashed across Lin Jiage's mind, the sadness in his heart intensified.

Just as he was thinking that she probably wouldn't be coming back tonight, he heard a 'Ding Dong'sound from outside the door.

It was the sound of the elevator doors opening.

He was the only family on this floor, and there were security guards on the first floor. The visitors would notify him, unless it was her who had been staying at his place for the past few days.

So, she's back?

Could it be that he was waiting for her too anxiously and made a mistake..

Before the word 'jue' could even appear in his mind, Lin Jiage heard the sound of a password being keyed in from the door.

Lin Jiage instinctively turned his gaze to the door.

Soft bun really is back..

He stared at the door for two seconds before suddenly raising his foot and striding into his bedroom.

..

Pushing the door open, Shi Yao realized that the living room was completely dark. The lights weren't on.

Lin Jiage isn't at home, or..

A slight frown appeared on Shi Yao's forehead as she placed the bags in her hands on the floor. After which, she turned on the lights and changed into her shoes before heading to the master bedroom.

She knocked on the door a few times, but no one answered.

Worried, Shi Yao twisted the Doorknob and pushed the door open a little.

Lin Jiage was lying on the bed with a blanket over him. His eyes were shut as if he was asleep.

It's only... eleven thirty, and he's already asleep? So early? Could it be that he's not feeling well?

Shi Yao pondered for a moment before calling out 'Lin Jiage'.

He's ignoring me..

Shi Yao became even more worried. subconsciously, she walked over to the bed and reached out to touch Lin Jiage's forehead.

"It's a good thing that I don't have a fever..." Shi Yao muttered under her breath. Then, she couldn't help but mutter under her breath, "... then why did you sleep so early?"

As she spoke, Shi Yao glanced at the medicine on the table beside her, picked it up, and began counting carefully, "... you didn't even take your medicine tonight, and you fell asleep already?"

Shi Yao squatted down and leaned over to Lin Jiage's side, calling his name twice in a soft voice, "Lin Jiage? Lin Jiage?"

Lin Jiage seemed to be in a deep sleep, but deep down, his heart was already in turmoil.

What should I do? He seemed to be a good-for-nothing, and he was just trying to vent his anger on her. Yet, as soon as she ran up to him and whispered a few words to him, his heart melted into a mess..

Sigh, forget it. She's the girl I like after all. What else can I do? I can only admit defeat... As long as she calls his name again, he'll pretend to be woken up by her and open his eyes.

It seems like he's really fast asleep due to his injuries. Forget it, I still have other matters to attend to. Why don't I let him sleep for a while?

With this thought in mind, Shi Yao reached out and helped Lin Jiage turn down the bedside lamp before standing up and leaving his bedroom.

[this chapter is also known as: Lin Jiage is arrogant, but Yaoyao doesn't know about it]

Chapter 577: Summon Of The Hotpot (1)

He's Gone?

Hearing the bedroom door being gently closed, Lin Jiage opened his eyes in disbelief. Staring at the empty room, he blinked his eyes in disbelief.

Is he really going to leave just like that?

What can he do if he calls out his name one more time?

With this thought in mind, Lin Jiage rolled over in frustration. Due to his displeasure, he even kicked the blanket twice.

If I had known earlier, I would have woken up just as she called my name for the second time... is this the legendary courting death?

Lin Jiage stared at the ceiling for a moment in despair, and the more he thought about it, the more regretful he became. Eventually, he couldn't help but turn his body over, and not too long later, he turned his body over again.

Lin Jiage had been rolling around on the bed for an unknown period of time. In the end, he couldn't take it anymore, so he decided to pretend that he had just woken up. Just as he was about to head out for a drink, the bedroom door was pushed open once more.

Soft bun actually came to his room again?

Lin Jiage hurriedly pretended that he was still asleep, picked up the blanket that he had kicked off the bed, and covered himself with it. After which, he closed his eyes and stopped moving.

Through the faint sounds of footsteps, Lin Jiage could roughly tell that Shi Yao was slowly inching closer to him.

Not too long later, he heard her voice from above him, "Lin Jiage?"

With the lesson he had just learned, Lin Jiage didn't dare to make a move. A second after Shi Yao's Voice Fell, his eyelashes fluttered slightly, and he slowly opened his eyes, as though someone had woken him up from a dream.

In order to prevent himself from revealing any flaws, Lin Jiage tried his best to keep his eyes as blank as possible. After which, he stared at Shi Yao for a moment before saying, "You're back?" It was only then that he finally realized what was going on. Slowly, he propped up his upper body and asked, "You... are back?"

As he asked, Lin Jiage glanced out the window as if he had been asleep for a long time. Not knowing what time it was, he asked, "... What Time is it?"

"It's almost midnight..."

"It's so late already?"

"Un..." Shi Yao fell silent for a moment before continuing, "... I didn't want to wake you up, but seeing that you haven't taken your medicine yet, I decided to wake you up..."

"Oh..." Lin Jiage replied with a calm expression, "... I was a little tired from doing some projects in the evening, so I decided to take a nap. Who would have thought that I'd be up until now..."

"Evening?" Shi Yao immediately caught the main point in Lin Jiage's words, "Have you eaten dinner yet?"

Lin Jiage shook his head, "Not yet..."

After a brief pause, Lin Jiage added, "I wasn't really hungry back then, so I didn't eat anything."

"Then are you hungry now?" After Shi Yao asked that question, without waiting for Lin Jiage to respond, she spoke up once more, "Whether you're hungry or not, you should come out and eat something first. Otherwise, it won't be good for your stomach if you take medicine on an empty stomach."

"Eat Something?" Lin Jiage frowned, seemingly understanding something.

"That's right..." Shi Yao didn't notice Lin Jiage's peculiarity, she turned up the lights in the bedroom a little, "... I haven't had dinner yet. I'm starving to death right now. I just went to the dining room to cook a hotpot, and it happens to be a mandarin duck pot. You Can't eat spicy food due to your injuries, but you can eat clear soup..."

Wait a minute... the amount of information was a little too much for him to digest..

Lin Jiage replayed Shi Yao's words in his mind before asking, "Didn't you have dinner with your friend? Why did it become that you didn't have dinner?"

Chapter 578: Summon Of Hotpot (2)

It would have been fine if Lin Jiage hadn't mentioned it, but the moment he did, Shi Yao's expression immediately turned livid. "I almost forgot about it. Do you know that I got stood up today? I'm so angry!"

Stood up... this must be referring to that 36.1 thousand wild man, right?

As the initiator of this outcome, Lin Jiage pretended to be confused. "What do you mean by stood up?"

"That's right. The person who invited me to dinner didn't even show up. I had to wait for him in the restaurant for an entire hour and a half. Do you know that I was starving to death back then? Furthermore, it was a hot pot restaurant! The air was filled with the calling of the hot pot, and I was in so much pain!"

"The calling of the hot pot?" Lin Jiage picked out words that he didn't quite understand.

"It's the smell of Hotpot. It keeps calling out to me, come and eat me, come and eat me... isn't it just the call of Hotpot?"

Lin Jiage:"..."it seemed like it made a lot of sense, making it impossible for him to refute it... So, he didn't dare to refute it either.

Lin Jiage: "Since you haven't eaten, and I haven't eaten either, why don't we go out and eat hotpot now?"

"Alright, Alright!" Shi Yao immediately nodded with a smile.

Lin Jiage didn't say anything else as he got off the bed.

As the two of them walked toward the dining hall, Shi Yao seemed to be presenting a treasure to them, she was still chattering non-stop, "Let me tell you, my hotpot is really delicious. As a formidable foodie, I have to possess astonishing culinary skills. I had to travel a long distance to buy these hotpot ingredients!"

Travel a long distance... could it be that Soft Bun had gone home so late to buy hotpot seasonings?

Lin Jiage suppressed the uncontrollable joy in his heart and asked in a roundabout manner, "You came back so late. Did you go to buy hotpot seasonings?"

"That's right. I wanted to eat hotpot. If I didn't eat it, I wouldn't be able to sleep tonight." Seeing that the hotpot on the dining table was already boiling, Shi Yao hurriedly rushed over, lifted the lid, and took a look, after which, she began putting meat slices into the pot. "Let me tell you, I was really unlucky tonight. You said that it was already pitiful to be stood up by someone, right? In the end, when I left, I was even caught in a torrential downpour!"

Torrential downpour, the main thing that he was most concerned about —

Before Shi Yao could finish her sentence, Lin Jiage hurriedly asked, "I remember that you didn't bring an umbrella with you when you left. Did you get wet?"

In order to make it seem like he was only concerned about her, there was no other reason behind it, Lin Jiage even added on, "Did you take a hot shower when you got home? Why didn't you call me and ask me to pick you up? Even if I can't go, I can get a chauffeur to pick you up..."

"No, no, no..." Shi Yao hurriedly shook her head, "... I'll be fine. My Luck was a little better. I met an alumnus at the entrance of the hot pot restaurant, and he brought me back to school."

As such, Soft Bun didn't eat hot pot with Han Jing at all... he knew that his red apricot was tall and straight!

Lin Jiage's heart was filled with joy, but the tension on his face eased up significantly, "It's good that you didn't get wet."

However, it was only nine o'clock at the time, and she actually took more than two hours to get home. Had she been buying food the entire time?

Lin Jiage felt that the possibility was very high, but for the sake of peace of mind, he still asked a question. However, he acted as if he was chatting, "And then you went to the supermarket?"

Chapter 579: Happiness (1)

"That's right! I went back to my dormitory to get an umbrella and hailed a cab to head straight to the supermarket!" Shi Yao replied matter-of-factly, feeling that this was a perfectly normal occurrence. "Let me tell you, I've visited a total of five supermarkets!"

"Because these ingredients are all distributed in different supermarkets, in order to gather them, I had no choice but to keep on running around."

"I bought this clear soup pot from a supermarket near the school, and this spicy soup pot was bought from a supermarket near the second ring road. I bought this wide powder from a private supermarket, and this dipping sauce is my favorite, and it's also the furthest away from here. I ran over to Chaoyang to buy it, and in the end, I bought these vegetables from a supermarket near my home. As they were too heavy, I got close to them, but even so, my arm still turned red from the strangulation..."

As she spoke, Shi Yao extended her fair and slender arm before Lin Jiage.

Her skin was already fair and delicate to begin with, so the red marks on her arm were exceptionally eye-catching.

Lin Jiage was initially shocked when he heard her say that she had to go to five supermarkets to gather all the dishes on the table, but when he saw her arm, he didn't hesitate to extend his arm, he gently rubbed it on her arm, "Are you feeling better now? Does it still hurt..."

His fingertips were slightly cold, but when they landed on her skin, an indescribable sensation of numbness and numbness could be felt..

Shi Yao's rambling words suddenly stopped at the edge of her lips. She stared at Lin Jiage's fingers rubbing her arm for a moment before pulling her arm away with a slightly blushing face. She picked up a pair of chopsticks and picked up a piece of meat, placing it in Lin Jiage's bowl, she said, "I'm starving to death. Let's hurry up and eat!"

Lin Jiage replied with a 'un' with a smile in his eyes. Then, he picked up the piece of Meat Shi Yao passed to him with his chopsticks and dipped it into his mouth.

In contrast to Lin Jiage's calmness, Shi Yao quietly rubbed her arm against his clothes. After rubbing the strange sensation on his skin, she picked up her chopsticks and began eating the Hotpot.

Due to Lin Jiage's inability to move his right hand, Shi Yao took the initiative to put food in Lin Jiage's bowl throughout the entire meal.

In the end, Lin Jiage, who had already eaten his fill, ended up overeating..

While Shi Yao was tidying up the dining table, Lin Jiage wasn't in a hurry to leave. Instead, he took a picture of the leftovers on his phone and sent it to Lu Benlai and Xia Shangzhou, "Yaoyao's Hotpot."

After some thought, Lin Jiage added, "Yaoyao braved the heavy rain and traveled to five supermarkets before buying all the ingredients to make this hotpot."

[juice] : “Boss, the first sentence killed me instantly. There’s no need for the second sentence to whip my corpse.”

[expert of the monkeys] : “The other party is already blind. They can’t see your message.”

Lin Jiage was in such a good mood that he generously replied to each of them with a full stop:” ...”

Lu Benlai and Xia Shangzhou ignored him.

Three seconds later, Lin Jiage sent the same message to each of them: [I’ve been pinching peach blossoms for quite some time now, but I’ve Met a formidable opponent.]

Perhaps it was due to his sadness, but Lu Benlai and Xia Shangzhou’s replies were swift. Even through the screen, Lin Jiage could sense their excitement.

[it’s juice] : “What formidable enemy?”

[expert of the monkeys] : “Boss, hurry up and tell me. I Can’t wait to find out!”

Lin Jiage tapped on the screen a few times before replying: [delicacies.]

Chapter 580: Happiness (2)

[juice] :” ...”

[expert sent by the monkey] :” ...”

Lin jiage: “Furthermore, you can’t just casually pick on this formidable opponent. If you don’t, I’ll be the one to die a tragic death.”

[juice] : “Boss, I’ll mourn for you for a second.”

[expert sent by the monkey] : “Boss, I’ll support you unconditionally mentally.”

Lin jiage: “However, it’s a good thing that I have the money to send Yaoyao whatever she wants to eat. Thinking about it this way, I can completely coexist with delicacies in Yaoyao’s world.”

..

In Room 501 of g university, Lu Benlai unhesitatingly retracted the message he had just sent: “Boss, I’ll mourn for you for a second.”.

Even after all this time, he was still basking in happiness!

..

In Lin Enterprise, Xia Shangzhou was eating instant noodles while working overtime in his office. Upon seeing Lin Jiage’s reply, he gulped down a mouthful of instant noodles resentfully, then, he retract the message he had sent, “Boss, I support you unconditionally in spirit.”.

They haven’t even been together yet, and you’re already showing off your happiness. If they were to be together, would you still let them live?

..

Looking at the two notifications that had been canceled consecutively on his phone screen, Lin Jiage raised his phone calmly. Just as he was about to type, a QQ message suddenly appeared on the screen.

Lin Jiage clicked on it, and only then did he realize that the QQ of [desolate year's little cutie], which he had logged in in the afternoon, hadn't gone offline.

On the other hand, [desolate year] had sent him a message: [little cutie, I've been waiting for you for so long. Why haven't You Come Over Yet?]

A wild man of 36.1 W... He couldn't wait for me, so he went home, and his phone was charged?

If Soft Bun couldn't wait for me, would she send me a message? And if I received a message, would I reply to Soft Bun? Would Soft Bun know that my phone has been touched by him?

In just three short seconds, Lin Jiage pretended to have received a call, raised his phone to his ear, and replied with a 'hello'.

Shi Yao, who was packing up her things, heard Lin Jiage's words and turned to look at him. Seeing that he was still on the phone, she quickly went back to her work.

Lin Jiage spoke some high-sounding official words into his phone, as if he was discussing some kind of collaboration.

Afraid that she would make too much noise and affect him, Shi Yao's packing slowed down significantly. Even the flow of water from the tap was reduced by half.

While Shi Yao was washing the dishes until her hands were covered in foam, Lin Jiage suddenly spoke into the phone, "Wait a moment, I'm a little unable to remember..."

After which, Lin Jiage looked left and right. Seeing that there was no pen or paper, he turned to Shi Yao and asked, "Yaoyao, can I borrow your phone for a moment? I'll record a string of numbers..."

"Alright..." Shi Yao turned to look at the dining table, "... my phone is right over there. You can use it directly."

Lin Jiage took Shi Yao's phone out in the open, tapped on the screen, and pointed at the page that required the password, "I need the password."

Shi Yao instinctively wanted to enter the password for Lin Jiage, but the moment she turned around, she recalled that she was washing the dishes, and her hands were filled with grease and detergent. Thus, she stopped her actions and said, "My password is..."

Hearing the password, Lin Jiage entered the password while entering Shi Yao's phone page. Following which, he made a call and said, "Tell me, I'll remember it now..."

However, his fingers turned Shi Yao's phone silent before he clicked on her game.
